The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

Article 4. The Association shall have the following officers: A Moderator, Vice-Moderator, Clerk-Treasurer and Assistant Clerk-Treasurer, who shall be elected annually and whose duties shall be those usually required of such officers.

2. The congregation sang "Stand Up For Jesus" after which the devotions were conducted by Rev. L. W. Fields.

4. The program was submitted by the committee and adopted as read except to add the report on Baptist Brotherhood to be given Wednesday.

5. An address of welcome was given by the host pastor, Rev. E. L. Wells and it was responded to by the Moderator, Rev. E. H. Potts.

6. **Report on Sunday Schools by Rev. C. A. Arrington:**

There have not always been Sunday Schools connected with churches. There was a time when there were no Sunday Schools, and when they were first begun there was much opposition to them. A few churches permitted some women to teach a class in one of the basement rooms. But now one can hardily imagine a church without its Sunday School. It has become a vital part of the church. Indeed in many cases it is the Sunday School that is keeping the church open while it is without a pastor. The Sunday School has a tremendous task to perform in this crisis time.

The Associational Sunday School work has undergone some slight changes. At a meeting of the convention in March of this year it was voted that the convention should be divided into three sections in order to promote Sunday School work more efficiently. The time has been changed so that we now meet each 5th Sunday afternoon, for our quarterly meetings. God has given to us, through the Sunday Schools, a great opportunity to teach his ways to men, women and children. May we accept this task gravely and go forth to utilize this great agency in a vital way in our churches.

7. The report was discussed by Brother Arrington and adopted.

8. **Report on Religious Literature by Rev. J. L. White:**

We are a well informed people. The daily papers and the radio give us vital news of the day. It is necessary though for the Christian to keep in close touch with the world religious, if he is going to rightly interpret the news secular. He cannot afford to be ignorant of the religious happenings:

1. The informed Christian knows how God is moving in His world, and that righteousness shall triumph. I commend to you the Baptist Foreign Mission Journal, the Commission, the Baptist Orphanage paper, Charity and Children, and the official paper of the North Carolina Baptist Mission Board, the Biblical Recorder.

2. Such information as these publications give, will inspire the Christian even in our time of great crisis. The kind of

news that will inspire us to high thought and deed is found in their reports of the ongoing of God's Kingdom in these soul testing times. Keep in touch with events that are vitally related to the things eternal and be fortified against faintheartedness.

3. Such information and inspiration will develop in the Christian high and true initiative which God can use for the good of all. It is the chief aim of this report to present Mr. R. H. Satterfield, Circulation Manager of the Biblical Recorder, who will address the Association.

9. The report was discussed by Brother White and Rev. J. R. Satterfield, Circulation Manager of the Biblical Recorder, and adopted.

10. Congregation sang together "Am I a Soldier of the Cross", after which the messengers present were registered.

11. The Moderator appointed the following committees:—Program, Revs. C. A. Arrington, C. E. Hobgood and Mrs. W. T. Love; Nominating, Rev. Paul Forsythe, G. F. Riggs, T. E. Morgan and Mrs. J. P. 13. The following visitors were recognized and welcomed: Olive Riddell, Richmond, Va., a member of Hatcher Memorial of that city; Dr. C. B. Earp of Wake Forest College; Mrs. R. L. Gornto, Norfolk, Va., a member of Spurgeon Memorial church of that city; Dr. and Mrs. A. R. Crabtree, Caixe Postal 1982, Rio, Brazil; Rev. B. B. Slaughter, Elizabeth City, N. C., District Superintendent of the M. E. Church; Mrs. R. L. Chesson, Sebrell, Va., member of Courtland church; Rev. Nathan C. Brooks, Jr., Raleigh, State Secretary of B. T. U. work; Dr. H. (Following is their report which was given Tuesday afternoon:) We recommend that these four churches be received upon receipt of their letters from the Pamlico Association. 17. Rev. E. L. Wells, host pastor, made announcements concerning the lunch and the Association adjourned with prayer by Rev. J. L. Carrick for lunch.

First Day

AFTERNOON SESSION, SEPTEMBER 23, 1941

18. Hymn "All Hail the Power" was sung by the congregation and the devotion was conducted by Rev. C. E. Hobgood.

19. Report on Orphanage by Mrs. W. T. Love, Jr.:

Before presenting a financial report, I wish to say on behalf of our orphan children that I believe the care of the orphan child should be the same as the care of your child or mine. No one can foretell the potentialities of childhood, therefore I believe every child should have a chance to live a happy normal life; a chance to develop mentally, physically and spiritually; a chance to become a useful Christian citizen.

I believe the rearing of children is our greatest responsibility, yet one of our greatest opportunities to prove our loyalty and devotion to our country and to God, for our youth today will be our political and religious leaders tomorrow. With the rearing of children goes the development of immortal souls, hence it is a sacred task that requires our love, patience and understanding; our untiring efforts plus the guiding hand and sustaining grace of our Lord.

Our theme is "Let the redeemed of the Lord say so." If we are the redeemed children of our Heavenly Father, let us say so in deeds of mercy for our helpless orphans who are depending on us for the necessities of life.

The amount this whole association gave last year will support our orphanage for only one week. We can, we must increase our gifts.

Realizing our complete dependence on God and in gratitude for his blessings to us; let us give as if these children were our own; give as freely as God has given to us; and thus render a Christian service that will live on forever. What a challenge to our faith! What an opportunity to witness for Christ!

Amount received for the year, $3,674.29; number of churches giving once a month regularly, 9; number of churches not giving at all during the year, 2; amount sent to charity and children, $524.70.

20. Mrs. Love introduced Rev. I. G. Grier, Superintendent of the Orphanage and after his address the report was adopted.

21. Report On Hospitals By Dr. I. A. Ward:

Our Baptist Hospital in Winston-Salem came into being in 1922. During this time over 52 thousand patients have been admitted to its care. Some could pay, many could not. These patients came from almost every county of North Carolina. Most of them were able to return to their homes, with healed bodies ready to resume their respective places in their homes and communities without the torture of pain and suffering. The patients were not all Baptists nor did they all come from Baptist homes. We are glad to report that the doors to our Hospital are wide open to every case of God's sick and suffering humanity.

The Spiritual side of the Hospital's service is not overlooked when administering to the physical needs, but is stressed always. Rev. Charles E. Parker, the Hospital's pastor, teaches a course in Bible in the Nurse's Training School in addition to his many activities with the patients and their families.

The Mother's Day offering from the churches is used entirely for the service to patients not financially able to pay for hospitalization. The various organizations of our women and young people are rendering a vast service to the hospital in supplying linens of all kinds.

The families of the hospital have been greatly enlarged in recent months. Two new buildings provide approximately 200 additional beds. These additions enable the hospital to accommodate three times as many patients as heretofore. All this enlargement of course requires increased support which must come from friends of the hospital throughout the State.

The Bowman Gray School of Medicine of Wake Forest College is completed and open for students. While the Medical School and the hospital are closely related, they will remain separate institutions, controlled by different Boards of Directors and supported from different sources.

22. Dr. Ward introduced Brother Smith Hagaman, Superintendent of the hospital, and after his address the reported was adopted.

The congregation sang "To The Work" after which Brother M. A. Huggins, State Secretary of Missions, gave an address on Christ's Program in North Carolina.

23. After the singing of hymn "Draw Me Nearer" we were dismissed for the day with prayer by Dr. G. A. Martin.

Second Day

MORNING SESSION, SEPTEMBER 24, 1941

24. After congregational singing of "I Need Thee Every Hour" devotions were conducted by Rev. W. I. Johnson.

25. Report On Temperance By W. J. Berryman:

Taken by and large it appears that North Carolina is not well pleased with its ignoble experiment in the liquor business. Just a few more days and Bertie, Franklin, Vance and Warren counties will hold elections to close their liquor

stores, and the Dry Forces in Cumberland, Dare, Carteret, Greene and Halifax are organizing to call elections. In some places, however, drinking is increasing at an alarming rate and the nefarious business is trying to make itself respectable by going to church.

The General Assembly of North Carolina cannot be depended upon for relief for it has repeatedly denied the people the right of referendum, thereby throwing responsibility for the continuation of this inexcusable disgrace on the churches in the counties where the liquor stores are located.

There are about six hundred thousand voters in North Carolina and about four hundred thousand of them are church members. It is obvious then that the liquor business was set up and is allowed to continue the sale of distilled damnation by the grace of church members.

These plague spots of infamy can be removed if and when the five thousand ministers followed by a majority of their members shall declare their independence of and their opposition to all wet politicians and office seekers and elect to places of trust men who will give us better laws and enforce them.

More than sixty years ago Neal Dow said: "The liquor business would destroy the churches if it could, and the churches could destroy the liquor business if they would." That statement is still true. The question is: Will we do it? If social and moral conditions are to be improved we must depend upon our ministers to lead the churches to perform the doing of it. This is no time for appeasement.

26. Brother Berryman introduced Brother Cale K. Burgess, president of the United Dry Forces in North Carolina, who gave a forceful address on the situation as regards to liquor in North Carolina and the report was adopted.

27. On motion an offering was taken to assist Brother Burgess in the work. Offering amounted to $41.13.

28. Report of the W. M. U. By Mrs. C. T. Doughtie:

At the beginning of the year with our mission treasurers showing constantly declining receipts, the Woman's Missionary Union changed its emphasis from gifts to prayer. What was the result? The tide turned and the gifts began to pour in.

Our progress in mission study has been such that as we look back upon the records, we rejoice that so many women and young people have had missionary vision opened to them. Yet there is deep regret that far too many are still unlisted in this wonderful phase of our work. Organization alone does not interest people in missions, mission study alone will not fling them into the missionary task. We must go beyond facts and figures and information, we must seek for and lift up the living Christ.

Our personal service work tells the story. All of our activities are way of approach to show God's love and to open hearts to His message of salvation.

Were you to visit the training school at Louisville, how it would rejoice your hearts to know you have a part in help-

ing to keep the doors open. We have again renewed our scholarship fund and are proud to boast that Mabel Ruth Harrell of Rocky Hock Church has already entered the House Beautiful upon application of this scholarship.

Our gifts and linens to the hospital are gradually on the increase and with the increasing calls that come to us, there comes again the challenge to meet the conditions we face today and if we would hear the voice of one who said: "In as much as ye did it unto the least of these, ye did it unto me," we would endeavor to render a larger service.

The world is waiting for the message. You and I have it. It is a sacred trust. Let us lift high the banner of the cross until all shall sing: We have heard the joyful sound Jesus saves.

29. Mrs. Doughtie introduced Rev. C. A. Arrington who gave the discussion and the report was adopted.

30. Report on State Missions By Rev. W. B. Guthrie:

For many years, the work of the Convention through State Missions was limited largely to evangelism and to the building of churches. The purpose of State Missions is to assist the churches in establishing Christ in the hearts of the people of North Carolina. State Missions are many and varied.

Baptists in North Carolina number about half a million, while the membership one hundred years ago was ten to twenty thousand. This has come about because the Convention has been interested in aiding churches to provide a ministry to the lost people.

About 160 of our pastors are paid in part from State Mission Fund.

In the development of our churches as missionary churches, and in the teaching and training of their membership, the Convention has done no small part through our general missionaries, M. O. Alexander and J. C. Pipes, and through the department of Christian Education.

In ministering to the sick, at the veterans hospital at Oteen and at the Western North Carolina Sanatorium at Black Mountain, we have attempted to provide part time chaplians. Also a minister has been provided for the sick at State Sanatorium near Aberdeen.

A wonderful service is being rendered by our Convention in ministering to the wayward girls at Samarcand, through Rev. and Mrs. E. M. Harris. We are also ministering to the boys in the East Carolina Training School at Rocky Mount.

One other opportunity now pressing upon us which we must undertake to meet. Reference is made to the work in the areas near the military camps or in the near-by cities to which the soldiers go for recreation.

As members of this great Association, may we this fall give our support to State Missions in a greater way than ever. Napoleon said: "Conquest has made me what I am and conquest will sustain me." That is true of State Missions.

31. Report on Home Missions By L. W. Fields:

The Home Mission Board assumes that the strategic approach to our world wide task is the home land. Christ must rule in the home land if we expect to win victories for Him in lands afar.

The Home Mission Board directs its efforts toward preaching the gospel among the Indians, the foreigners in our midst, and the Negroes in congested and neglected centers of the South and in Cuba and Panama.

During the past year our Lord has richly blessed our work in every field. We have 411 missionaries working in 863 mission stations, who have distributed 40,362 Bibles and Testaments, led over 9,000 to make professions.

The Board has received a 20 per cent increase in gifts to Home Missions and from 80 per cent to 90 percent increase in gifts to the Baptist Hundred Thousand Club.

Dr. J. W. Beagle is field secretary and has 269 missionaries working with him. Conditions have been favorable and new fields have been entered in Cuba through the leadership of Dr.M. N. McCall, Superintendent.

The Superintendent of Evangelism, Dr. Roland Q. Leavell, devotes much time to the promotion of City-wide and Associational campaigns.

During the past year we have seen the greatest ingathering of Jewish souls in the history of the board. Rev. Jacob Gartenhaus, field secretary, received letters telling the joyful news of Jewish friends turning to Christ throughout the Southland.

Dr. Nobel Y. Beall, Secretary of Missionary Education, is promoting the study of mission stewardship and evangelism. Also he is leading the work with the Negroes. The Board has 21 Negro educational institutions and 21 teacher missionaries among 9,000 students.

May we use our increase as a stepping stone to greater mission service in the name of Him who went about doing good.

32. Report on Foreign Missions by Rev. W. F. Cale:

As we look upon a world today that is harassed and perplexed, where war and famine and hungry stalks in many parts of the world surely we would despair were it not for an unwavering faith in a God of love and wisdom and power. Coming through the storm of the world's dark night we can hear Him say, "In the world ye shall have tribulation: but be of good cheer for I have overcome the world."

It is the spirit of the faith that conquers which has sustained our foreign missionaries as they have labored oftimes in the midst of almost unbelievable suffering and peril.

However, in spite of all the world's ill, or possibly because of them, the work is making progress. Even in those areas from which many missionaries have been evacuated because of war, the missionaries that remain report great evangelistic triumphs.

During the past year our gifts to Foreign Missions show-

ed an increase of nearly $250,000; and we paid $33,500 on the debt of the Board.

The Lottie Moon Christmas offering for December 1940 surpassed, by far, that of any previous year.

Several of our missionaries have gone to their reward during the past year. We mourn their loss, but know that our Lord knows best. This association especially mourns the death of Phil E. White of the Kweiteh field of interior China.

33. After the congregation sang "Jesus Saves" Dr. A. R. Crabtree of Brazil gave the missionary address and all three of the above reports were adopted.

34. After announcements concerning lunch by the host pastor we were dismissed with prayer by Rev. C. E. Hobgood.

46. Report of Resolutions Committee:

Resolution I—Whereas our associational territory is large and our churches are widely separated, and

Whereas our Secretary of State Missions, in a pamphlet of recent date, emphasizes the importance of associational missionary workers,

Therefore, Be It Resolved:

First, That the Chowan Association request its modaertor to appoint a committee of three to cooperate with our State Secretary in securing an associational worker.

Second, That such worker shall be responsible to the committee and to the State Secretary of Missions in all matters whatsoever.

Third, That the Association, through the committee and State Secretary, ask the churches of the association to subscribe one half of the salary for such a worker. Said sum to be a special offering designated to associational missionary and disbursed through our State Mission Board.

Fourth, That the Chowan Association petition the State Mission Board to pay one-half the salary of such a worker. The duties of such worker to begin when the churches have subscribed one-half of their part of such salary, and the State Mission Board has appropriated the remaining one-half.

Fifth, That the duties of such missionary worker shall be similar to the duties of such workers in other assocaitions.

Resolution II—Resolve that we express our sincere appreciation to the Baptist church of Edenton, and to its pastor, for the excellent manner in which they have entertained the delegates members of the churches, and visitors during this the one hundred thirty-sixth annual session.

47. On motion the report was accepted.

48. Report on Baptist Training Union by L. Herman Sawyer:

The greatest institution that we have upon earth is the Church of Jesus Christ. Aside from it being a divine institution, its the only institution that deals with human lives relative to enternity. Therefore, we should thank God for such an institution and especially for the department of work in His Church that deals especially with the development of Christian Character and living relative to service in His Church, the Baptist Training Union.

We hang our heads in shame as we review the work of this department in our Association. We have far less than fifty percent of the churches fostering some kind of Training Union work. However, we are proud of the few churches in the Chowan Association who are endeavoring and are determined that this phase of Christ's program for His Church shall live and grow.

These few churches who are fostering Training Union work of some kind realize the importance of this department in its work of developing christian lives, why?

1. Because most of the tithers in a church are from this department.

2. Because a goodly number of the folk who read their bibles daily and pray are from this department.

3. Because the leadership of the churches can be secured, most times from this department.

4. Because this department, through its program, tries to prepare its members to witness to the lost and lead the lost to Christ.

5. Because the most enlightened membership of the churches come from this department.

Therefore, as President of this department of work for the Chowan Association, I would like to call upon you pastors and lay people of the various churches in this association to arouse yourselves and help to put over this part of Christ's program—Training Church Members for More Useful and Efficient Service.

49. The discussion was given by Rev. N. C. Brooks, State B. T. U. Secretary. Report adopted.

50. Report on Christian Education by W. Henry Overman:

The first important step in Christian Education is in the early years of child's life. From the time the child begins to respond to any stimulus, he should then be surrounded with Christian atmosphere. Christian parents are more to be desired in the process of training Christian leaders than any other factor.

The various agencies of the church make a great contribution to the training of Christian leaders. The churches of this Association have made much progress in promoting these teaching agencies. The Daily Vacation Bible School has been revived in many churches, and its influence has been greatly felt. Yet, there are great possibilities for enlarged service. The need for a larger number of consecrated leaders and teachers who will give of their time and effort to prepare for and perform the tasks necessary for imparting the messages of the Holy

Scripture is keenly felt.

Public schools today have a wonderful opportunity to help boys and girls to become Christian citizens. It is possible to have a daily Scripture reading course during the devotional period in every public school in our Association. Some public schools already have a regular course in Bible which gives credit as any other course.

The Baptist Colleges of our State are doing a splendid work in training Christian leaders. Not only can we point to the leaders who are engaged in religious work, as evidence of great contribution to the progress of Christian Education; but we can number many of the leaders in the professions and industry who have received training in their particular fields at these colleges. All of these leaders bear witness of the Christian training of institutions dominatd by an unfaltering faith in God.

Let us resolve to give more time and means in the expansion of Christian educational opportunities.

51. After an address on Christian Education by Dr. C. B. Earp of Wake Forest College the report was adopted.

52. Report on Baptist Brotherhood by R. L. Garrett:

The Men's Brotherhood has become a vital part of our work in the Chowan Association, and much interest has been created, and especially, in the annual meetings which have been held for the past three years.

The annual meeting of the men with Berea Baptist Church, April 6, was an outstanding meeting of this part of our work. Three phases of the work was outlined as follows:

"Layman and Worship"by Brother Floyd I. White;

"Layman and Financial Support" by Brother F. T. Johnson; and

"Layman Enlistment of Members and Evangelism" by Brother R. L. Linchfield.

Brother W. F. Powers brought a message on, "Consecreated Laity", which was very instructive.

At the conclusion of this meeting a committee was appointed composed of the following:

Brother Roscoe Wynn, Blackwell Memorial Baptist Church

Brother C. R. Holmes, Hertford Baptist Church.

Brother M. V. Hughes, Shiloh Baptist Church.

This committee was instructed to plan a program for the 1942 annual Brotherhood meeting.

Brother L. W. Fields, Pastor of the Manteo Church, invited the meeting to meet at his Church for the next annual meeting in 1942. The invitation was accepted.

This work has not by any means, accomplished as much as had been hoped for, but we are earnestly working forward to a steady, healthy growth. And it is earnestly desired that as many Churches as possibly can, in the Chowan Association, will form Men's Brotherhood Organization, that we may give our undivided loyality to this cause that it may grow more rapidly each year.

53 The report was adopted without discussion.

PROCEEDINGS

Morning Session, September 23, 1942

1. The One Hundred Thirty-Seventh Annual Session of the Chowan Baptist Association convened with Rocky Hock Church, September 23, 1942.

2. The congregation sang "Stand Up for Jesus," after which the devotional was given by Rev. E. G. Willis.

3. "Love Lifted Me" was sung by the congregation.

4. The program as submitted by Mrs. W. T. Love, Jr., for the committee was adopted.

5. Rev. Frank Cale, host pastor, gave the address of welcome.

6. Report on Relief and Annunity by Rev. W. B. Guthrie:

The cause of the aged ministers and their widows is worthy of our prayerful consideration and loyal support. There are in North Carolina around 50 men and 70 women who are being aided by the relief funds. The amount of aid given them depends upon how our people support the cause. During the year of 1940 the Relief and Annuity Board received for its work of relief from our state $8,234.02, of which $8,025.20 was given to beneficiaries in North Carolina during the same period.

The Minister's and Church Employee's Plan is now in its third year of operation. A few men have found it necessary because of sickness to give up their work and ask for disability benefits. The Plan is providing something for them to live on. I quote from a letter received by Secretary M. A. Huggins:

"With all my heart I appreciate the Minister's Retirement Plan. I know what it means. Many, many hours during day and night I am on the bed but cannot sleep and cannot work and I am mighty glad there is something with which to buy groceries for wife and me.

"Urge every preacher and church to get in this Plan today."

Perhaps there is a need of greater interest in the Plan, on the part of many pastors but it is the opinion of your committee that there should and must be a greater interest on the part of our churches or laity in order that the pastors might participate in the Plan.

7. The report was discussed by M. A. Huggins and on montion adopted.

8. Report on the Baptist Hospital By Dr. I. A. Ward:

The three last year's have been eventful in the expansion of the hospital. Today we have a modernly constructed and equipped hospital with a bed capacity of almost 10,000 patients annually and now caring for about 650 patients per month.

The equipment as well as the building is entirely modern. The hospital recently added $20,000 worth of new instruments to the operating rooms and $44,000 worth of new X-ray equipment. None better in the South.

The hospital has a staff of 26 internes and about 100 doctors practicing in the hospital. In addition, it has the free service of the entire staff of the Medical School whenever desired for consulation and diagnosis. Every department is thoroughly organized to give the most efficient service possible.

The purpose of the hospital shall remain as ever—to give hospital treatment to those who are unable to pay for same, educate nurses with Christian ideals and at the same time maintain a standard of scientific efficiency second to none in the country. It is the abiding purpose of the management that it shall be definitely a Christian institution with all that it implies.

This greatly expanded service which is growing more and more into every section of the state of course requires an increased support. This, we are glad to report, is growing year by year. In addition to the Mother's Day offering by the churches and Sunday Schools which has increased in the last few years from $11,500 to about $38,000 this year the hospital linens contributed by the W. M. U.'s and other church agencies has increased year by year.

9. Report was adopted without discussion.

10. No report on Temperance was filed but W. J. Berryman gave a very informative and stirring message on intemperance giving many facts and figures to show its present evils.

11. Report on Sunday Schools by Rev. Floyd P. Davis:

This report was verbal and brief but Brother Davis gave an inspiring discussion of Sunday School work and his report was adopted.

12. Report on Orphanage by W. Jim Daniels:
(Read by John M. Elliott)

We find that there are only three churches in the Association that do not contribute and that September, 1941 was not reported last year. There was an increase this year over last year's contribution. As for receipts I quote in part a letter from R. D. Covington, Treasurer:

"I am listing below the totals for current fund. Received September, 1941 $203.09; October, November and December, 1941 $2,196.32; January, February and March, 1942 $894.32; July and August, 1942 $626.18 Associational year $4,733.90.

"We greatly appreciate all you have done for the Orphanage in your churches.

"These figures might not agree exactly with church reports as around the beginning of the year some church might put checks sent, say, after September 1, 1941 as payments on previous year, etc., but above it as we entered it on our books here. Then after September 1, 1942, thy might send some checks that they entered in past year and we entered in new year. It is hard to tally exactly."

Martin were appointed to draw up resolutions memoralizing the President of the United States and our Representatives in both houses of Congress of our protest against the present liquor situation, particularly among the armed forces. The resolution later drawn up:

"The Chowan Baptist Association in regular annual session at Rocky Hock Church September 23, 1942; an Association composed of nearly five hundred messengers representing 12,636 members who love their country and desire to see its freedom, institutions and way of life defended and are praying and working to have this war won by the United Nations, unanimously passed this memorial asking that the Congress of the United States pass the bill said to be on the calendar which would place our country under prohibition for the duration.

We humbly but earnestly and persistently implore you to use all your influence for the passing of this bill in order to protect our service men from the temptation to drink intoxicating liquors which scientific research shows undermine the physical, mental and moral strength and efficiency. By so doing help us turn out our service men at their highest efficiency that they may be able to win over the Nazis and Japanese who are trained as total obstainers to a high degree of military efficiency.

We feel that our nation cannot afford to run any risk in this matter as the crisis is so acute and all our free institutions are at stake.

As liberty loving patriots we implore you to make our training camps safe for our service men, that we may give to the cause of universal freedom THE STRONGEST AND MOST EFFICIENT ARMY IN THE WORLD."

24. Report on W. M. U. by Mrs. C. T. Doughtie:

The year 1906 in this church a few women met and decided to launch out from the regular association and form a Union of their own. They labored for several years meeting with the association. In the fall of 1915 the first Wednesday in October the women and young people assembled in Sawyer's Creek Church with Mrs. W. R. Haight of Belhaven as Superintendent. Rev. E. L. Wells preached the sermon from II Cor. 5:14.

As we think of the watchword "Oh Send Out The Light and Thy Truth" Psalms 43:3, let us not be discouraged at the seeming darkness. While we know that our women have done much in sowing the light, yet we are not satisfied with our accomplishments, but strive to do even more.

It is a dark day on many of our mission fields. For this reason we must keep our own lights burning brightly.

Our gifts last year were the largest we have had.

We reported the greatest number of organizations and increased interest in mission study and other phases of our work.

Grateful are we for the 50 W. M. S. and the 130 young people organizations in the 60 churches. A total of 190 societies sounds as if we are progressing rather well and we are, but we must not rest, as the Psalmist says "Other sheep I have which are not of this fold," that is we must look into these unenlisted churches where there is no W. M. U. work.

We would not lose the vision of a debtless denomination by 1945, however, we did not reach our goal last year, but we think now to go over the top this year.

Mrs. M. P. Jennings our training school committee of the scholarship fund reports a growing interest. We have no students from the association this year but the fund is being collected so when a girl is ready to go the money will be ready.

We look forward each year to the Assembly at Chowan College and the R. A. concalve led by Rev. J. L. White.

May we have the prayers of all the workers. The knowledge that God is what He is makes it possible for us to reach forth our hands and claim greater things for this year. So we confess our need for a deeper standard of Christian living among our own selves.

25. Report was discussed by Rev. J. L. White and on motion adopted.

26. Report on State Missions by Rev. W. I. Johnson:

The missionary efforts of the Baptist of North Carolina has made it one of the great states of our Southern Baptist Convention. Our program has touched all parts of our state. Well may we shout with praise and give thanks unto God, yet we need to examine and make note of the situation.

Our State Convention reported 526,494 Baptist in North Carolina last year. A general survey of this number will reveal the following: One-fourth of this number attend worship regularly. Approximately one-half never attend service of the church to which they belong. One-fourth of the members bear all the burden. It takes 23 of us to win one soul to Christ each year including all the efforts of the preachers. What could the Baptist of North Carolina do if the other three-fourths were enlisted? One of the great tasks of State missions is to enlist the other three-fourths.

The Board is attempting to do some missionary endeavor in the places here mentioned:

Paying part of the salaries of pastors in many needy places; Sending two general missionaries up and down the state; Promoting better work among the negroes; Providing spiritual ministration to several institutions; Supervising Sunday School Work, the Training Union and Student Union; Teaching and leading the Indians in their churches; Building or helping to build churches in strategic places; Promoting a spiritual program in Military camps.

Our opportunity for State Missions is greater today than ever before. If we would only lift up our eyes we would see that every church and every chirstian has a great harvest to reap through missionary endeavor. Under the leadership of the Holy Spirit we should rise to the occasion and win our noble state for Christ. We challenge you to march on and upward under the banner of Jesus Christ.

27. Report on Home Missions by Rev. J. T. Byrum:

We are living in perilous times. We know not what a day may bring forth. We are to walk by faith and not by sight. We must keep the commands of Jesus and the spiritual needs of the people ever in the forefront. Making and keeping our homeland Christian is a challenging task. Well over one-half of the population of the Southern Baptist territory is not affiliated with any denomination. Right now we must make the evangelization of our homeland a matter of supreme concern.

The Home Board majors in making and baptizing believers. And, as the Gospel is the only power known among men that can transform the unbelieving heart into a childlike faith and trust in Jesus Christ we are endeavoring to give the Gospel to the twenty-six language groups in our Southland, as well as the American Indians, the deaf and the neglected people of our cities.

It is encouraging to have the following statement from the Home Board: "We have recovered from the dismay, despondency and despair of the debt and depression that overwhelmed us a decade ago, and we are moving out in an upward and forward-looking mission program traveling with Christ toward tomorrow." In the past year, we have paid about $355,000.00 on the debt principal.

We have now nearly 400 missionaries working in more than 860 mission stations. We have added forty missionaries to our force during the past year, opened ninety new mission stations and acquired fourteen new pieces of mission property. During the past year our missionaries distributed over 40,000 Bible, Testaments and portions of the scriptures. They gave out more than 600,000 tracks in connection with their work, and preached over 35,000 sermons. It is reported that our missionaries led more than 9,000 people to accept Christ and received into the fellowship of the churches 10,000 new members.

We are trying to carry the Gospel to the Indians, Mexicans, Spanish-Americans, Jews, Italians, French, Cubans, Chinese, Russians, underprivileged in crowded industrial sections and slums of the cities, neglected in the mountain areas, Negroes in the homeland ,the millions in Cuba and Panama, and to the men in the army camps.

28. Report on Foreign Missions by Rev. J. L. White:

It is very idiffcult to make an accurate and detailed report of our work during the past year. The world at war affects every nation in which our work has been planned. There has been a necessary withdrawal of our representatives from active duty. There is therefore a twofold angle of this report, the present and the future: The present deals with the loyalty and sacrificial endeavors of the Christian in every land as reported by returned missionaries. Read the "Commission" or any foreign mission journal or invite the returned missionaries to your churches and thereby get first hand reports. The fires of enthusiasm are burning brightly even in the midst of direct hardships.

Even within the shadows of the present war there is a bright lining surrounding. Out of the eighteen nations where our missionaries have been laboring, only two have taken the stand directly on the side of the enemy. The peoples of Italy and Japan, we believe, do not have the attitude of their wartime leaders. Therefore, the value of the spirit of good will cannot be fully estimated at this time. We do know that it will evidence itself ever increasingly in the months ahead and

when the war drums are silenced the Christian enterprise will have its greatest opportunity. The question vital and real is: shall we be ready?

Last year's report of the foreign mission board makes the future bright. Total gifts to missions and benevolence for 1941 was $7,822,-340.43 an increase over 1940 of $1,034,714.20. Of this amount $1,428,-639.69 was used in foreign mission work. (Only 4.7 was expended as overhead for local expenses).

Add to this the Southern Baptist World Relief Emergency offering. The churches were asked for $300,000.00. By August the offering had reached $403,700.67. Add to this amount $200,000.00 for the relief of the British Baptist Missions and $200,000.00 to Chinese relief. We have the grand total of $800,000,000. We rejoice in this great ministry, unselfish and sacrificial.

The debt of 1933 was $1,110,000.00; paid to date $1,002,000.00; balance now due is only $90,000.00. The Board expects to pay off this endebtedness within the next twelve months.

With our debt paid and with the Baptist of the South continuing with their gifts, we hope to be ready financially and with newly trained workers to enter the fields when peace shall be declared.

The heart of our Christian enterprise is missions; give and make a better world; give more and share the life in Christ; give to your uttermost as a good steward and trust for great and astonishing results.

29. M. A. Huggins, our State Secretary, gave an encouraging address in speaking of the three foregoing reports and with one motion they were adopted.

30. Then the congregation sang "Rescue The Perishing."

31. Report on Baptist Training Union by L. Herman Sawyer:
(Read by Dr. E. H. Potts)

If the government finds it necessary to train men for the battle-front in time of war, then it is more important that we train men and women in our churches for the war that is continually on against the devil and his allies. The man in armed service would not know how to meet the enemy unless much time had been spent in training in order to receive the necessary equipment and instructions as to how he should handle same. Then, why shouldn't the soldiers of the Cross be given an opportunity to prepare themselves for the battle of life by being drilled in His word to obey and harken to His Commands, by being drilled in putting on the whole Armor of God, having on the breast-plate of righteousness, the girdle of Truth, feet shod with the preparation of the Gospel of Peace, the Helmet of salvation, and the sword of God which is the Word of God.

The enemy is approaching and many of the Churches and Leaders are off duty, having a good, easy time. The attack is being made on their members and they know it not. Why do I say this? There are 35 churches in this Association whose doors are closed to the Training Ground for its members — no training service in these churches. Only 12 churches that are on the alert and are doing the best they can to train their members for the battles that they will be facing in the future as they become the leaders in the church. It's time for an awakening and for the bugle call to sound, calling men and women to the training department of our churches.

Therefore, be it resolved:

1. That we realize the seriousness of the time in which we are living and begin doing something rather than just talking. 2. That we come face to face with this matter of training and follow Christ's program and plan of work—Train before we sand them out to work in His vineyard. 3. That we pray much for the Youth of our Association, and give them every opportunity to develop themselves as soldiers of the Cross as well as soldiers in the armed services of their country.

32. On motion the report was adopted.

33. Report on Christian Education by Dr. C. B. Williams:

Christian education should start in the home. The mother is, or should be, the child's first teacher of the Bible, about Christ and God. The father is the mother's assistant in home education.

Christian education continues in the Sunday School where the children should be taught the plan of Salvation and as early as possible led to accept Christ as Savior.

Christian education should be impressed upon the pupils of the public schools by the grand examples of Christian teachers and the reading of the Bible at chapel services.

Our Baptist colleges especially stand for Christian education. They magnify Christ as Savior and His teachings and examples as our standard and inspiration for noble living. Many of our state colleges are now emphasizing the Bible and Christian principles as necessary to the higher education.

But as Baptists, let us support and patronize our Baptist colleges—Wake Forest, Meredith, Chowan, Campbell, Mars Hill and others.

34. Discussion by Dr. Williams, Rev. J. B. Willias and J. Haddon Dudley.

35. The report was adopted.

36. Report on the Biblical Recorder by Dr. G. A. Martin:

It may not be the best denominational paper in the world. But it is our paper—our very own. For us it is the best paper. For more than a century it has done the best for us it could do with the support we have given it. Often the going has been hard. Many fierce head winds have hindered it with opposition, then the dead calm of indifference has discouraged its crew. But it has battled on and never sought entrance into an emergency port. At its launching it was given a compass that never fails to point the way—the Bible.

Sometimes there have been smuggled into its cargo contraband consignment, and often other questionable pabulum, but even then at its masthead still rode the immortal character—the word of the eternal God. To this great postulate of sublime assumptions it has ever been true. May God keep her so till the end.

The name itself means more than just a title. Courier-Messenger-Herald-Reflector-Standard—names of other religious papers remind us of phrases of the Evangel. The name Biblical Recorder seems to comprise all these and to declare its purpose to keep these alive, always. The mission of the Biblical Recorder is to hold up the Bible to this old broken-badgered, bleeding, bewildered world a Light that never flickers nor fails to point to the port of eternal rest.

We commend it to your earnest consideration and beg that you give it a place on your library table. Its breath will not offend. Its teaching will not poison the thought of your youth. It will inspire courage to the valiant and bring comfort to the weary.

37. Discussion of the above report was by Dr. Martin and M. A. Huggins. On motion it was adopted.

38. Report on Baptist Brotherhood by R. L. Garrett:

The churches of the Chowan Association have shown more interest in the Men's Brotherbood during the past year than ever before. It is fast becoming a vital part of our church life throughout the association. The extra activities in this department of our churches are very gratifying indeed, and especially noticeable in our annual Brotherhood Meetings, which have been held each year for the past four years.

The Sholih Baptist Church organized a Brotherhood this summer, and has made a fine start toward a growing organization. There may be also others in the association.

We believe other churches will organize during the coming year and will show much more interest than in the past.

We earnestly hope representatives here today will go back to their churches with a definite determination to make an extra effort to organize a Brotherhood in their churches.

39. Adopted without discussion.

All members of standing committees and other officers of the Association shall be ex-officio members of the Association.

ARTICLE 3. The Association shall have no control over the churches other than the right to inquire into their condition, advise them in matters of difficulty,to withdraw its fellowship from such as may be corrupt in doctrine or practice, after due measures are taken to reclaim such a church, or churches, and they remain incorrigable. The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

ARTICLE 4. The Association shall have the following officers: A Moderator, Vice-Moderator, Clerk-Treasurer and Assistant Clerk-Treasurer, who shall be elected annually and whose duties shall be those usually required of such officers.

ARTICLE 5. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters

in the hands of the Clerk not less than two weeks before the meeting of the Association.

PROCEEDINGS

Morning Session, September 22, 1943

1. The One Hundred Thirty-Eighth Annual Session of the Chowan Baptist Association convened with Shiloh Church September 22, 1943.

2. The congregation sang "Stand Up For Jesus," after which Rev. Frank Cale led in prayer. After singing "Onward Christian Soldiers" the congregation read the scripture responsively with the Moderator leading. Prayer was then offered by Dr. G. A. Martin.

3. The program was submitted by Rev. W. I. Johnson, Chairman of the Program Committee, and was adopted. The Moderator, however, was given the liberty to make minor changes found to be wise during the day.

4. The address of welcome was delivered by Dr. C. B. Williams, host pastor, and response was given by Dr. E. H. Potts, Moderator.

5. Dr. L. L. Carpinter, Editor of the Biblical Recorder, was present and gave a report on the progress of the paper and urged united support of it.

6. Report on Relief and Annuity by Dr. G. A. Martin:

Southern Baptists have made great strides in providing some help for ministers, missionaries and other denominational employees after retirement. With this plan in effect no young minister now entering service need to come to the end of the trail with nothing but memories and fear. Both the churches and Convention want to help him to help himself to provide earned benefits.

This plan is so easy and so reasonable that the churches seem glad to cooperate with the pastor on share and share alike basis. Take for instance a church that pays its pastor $1,200—the church pays 4%, or $48.00 to the Retirement Plan. The pastor also pays 4%, or $48.00 to the Plan. To this amount the Convention adds two more per cent, or $24.00. This carried through to the end will guarantee earned benefits for the sunset and eventide, that will be sweeter than a dole. I plead with both pastors and churches to enter this share and share alike Plan. You can do it and you ought to do it.

7. After the discussion of the report by Dr. Martin it was on motion adopted.

8. Report on Baptist Hospital by Dr. I. A. Ward:

The Baptist Hospital has completed a full year with its enlarged facilities. Instead of caring for 4,000 patients as formerly, it has had 12,000 the past year, an average of 33 each day.

Of these 12,000 patients who were treated last year, 4,000 were service patients; that is, were unable to pay a hospital bill. These are the sick for whom our Mother's Day Offering is made. It is also interesting to note that 4,000 of this 12,000 patients were mothers who had, here and there in our state, 12,000 children waiting anxiously for their return.

The Hospital Training School for Nurses has 116 students in training, 15 staff and graduate nurses, with an addition of 22 nurses and Red Cross Aides, making a nursing staff of 189.

Although quite a number of its medical staff are constantly going into the service of our country, it still has a staff of about 75 doctors.

These two intsitutions—Hospital and Medical School—represent a money value to the denomination of $2,000,000.

It is with just pride, that the American Medical Association has given the Baptist Hospital the highest rating of any hospital in the entire south, save one.

The Hospital desires to express to the members of this Association their appreciation for the best Mother's Day Offering ever, and also to the W. M. U.'s and other church agencies this same appreciation for their generous contributions of hospital linens.

This Hospital was built and has operated for these 20 years with one great fundamental purpose: That it shall be an institution through which the half million Baptists of our state may render a definite Christian Service to sick and suffering humanity. It is the purpose of the denomination and the management that it shall forever remain true to this one purpose in addition to its wider service.

9. Rev. Chas. E. Parker, Hospital Chaplain of Winston-Salem, spoke to the report and it was on motion adopted.

10. Report on Orphanage by W. T. Love:

We have many Baptist state institutions, but I believe our Orphanage holds the interest and devotion of our people more than any other.

When we contribute to its support we are investing in human life, in immortal souls. We are helping dependent children to become useful Christian citizens. We are preparing them for any phase or sphere of life.

The physical, mental and spiritual development of childhood and youth is our greatest responsibility; our most vital, most serious problem today. It is the greatest Christian service we can render.

The yearly Associational report for the Orphanage is as follows:

First Quarter—42 churches contributed $1,008.31; 27 contributing the first of each month; 18 not contributing at all. (Twenty churches paid $177.90 for Charity and Children.)

Second Quarter 47 churches contributed $3,432.59; 31 contributing the first of each month; 13 not contributing at all. (Sixteen churches paid $127.80 for Charity and Children.)

Third Quarter—45 churches contributed $1,171.28; 28 contributing the first of each month; 15 not contributing at all (Seventeen churches paid $128.25 for Charity and Children.)

Fourth Quarter—46 churches contributed $1,133.02; 23 contributing the first of each month; 14 not contributing at all. (Nineteen churches paid $136.95 for Charity and Children.)

Totals for the year:

Fifty-one churches contributed $6,745.20. A gain of $2,011.30 over last year.

Nine churches did not contribute during the year.

Thirty churches paid $570.90 for Charity and Children.

For the orphanage, Edenton church led the Association with a total offering of $796.40.

For Charity and Children, Rocky Hock church led with a total sum of $90.00.

The 15 churches that contributed the first of each month throughout the year are: :Beulah, Blackwell Memorial, Calvary, Columbia, Coinjock, Elizabeth City First, Eureka, Macedonia, Manteo, Providence, Reynoldson, Roanoke Island, Sandy Cross, Olivet, and Mt. Sanai.

11. Discussion was by Dr. G. I. Grier, Superintendent, and on motion the report was adopted.

12. The hymn "A Charge to Keep I Have" was sung by the congregation.

13. Report on Sunday School by Roscoe Wynn: (Red by Moderator)

There have not always been Sunday Schools connected with churches. There was a time when there were no Sunday School, and when they were first begun there was much opposition to them. A few churches permitted some women to teach a class in one of the basement rooms. But now one can hardly imagine a church without its Sunday School. It has become a vital part of the church. Indeed, in many cases it is the Sunday School that is keeping the church open while it is without a pastor. The Sunday School has a tremendous task to perform in this critical time.

Here in our Association we have not accomplished the work we would have liked to because of the gas ration. We have not had quarterly meetings. But we have stressed that the local churches do the best work they can in their own territory.

But the work has fallen off in the local church, because so many are working on Sunday doing civilian defense work. Then through the armed forces of our country we have lost many of our most active members. Now that so many of the young people are away we must turn to the older ones. So to you adults I plead with you to be faithful, take a place of responsibility, be regular in attendance, invite those next door and take them with you. Remember we must carry on in the Master's name, so when others return they can see that in our appreciation for what they have done and are doing we have kept the home fires burning in the Master's name. The teaching of God's word is the vital food for the soul. It is a great opportunity to teach his way to men, women and children.

May we accept this task gravely and go forth to utilize this great agency in a vital way in our churches.

14. The report was adopted without discussion.

15. At this point time was taken for registration after which the Moderator read a letter from John W. Lowe regarding an offering for China Relief. On motion an offering was taken to be sent direct to Dr. Charles E. Madrey, Secretary of the Foreign Mission Board. The offering amounted to $144.87.

16. The Moderator appointed the following commitees:

Program—Rev. H. G. Dawkins, Victor Morgan and Dr. R. E. Wall.

Committees—Revs. J. T. Byrum, Herbert Miller, and W. B. Guthrie.

Time, Place and Preacher—Revs. Frank Cale and W. F. Stephens and Mrs. I. A. Ward.

Resolutions—Dr. G. A. Martin and Revs. S. B. Wilson and T. Sloane Guy, Sr.

Associational Workers—Dr. C. B. Williams, Dr. I. A. Ward and Rev. W. C. Blue.

Nominating—L. Herman Sawyer, Mrs. R. E. West and Rev. W. I. Johnson.

17. Our auditor, Bro. C. C. Pritchard, having died since the last Association, W. T. Love, Jr., was appointed by the Moderator to audit the books of the Clerk-Treasurer.

18. The following visitors were recognized and welcomed in the meeting: Mrs. Geo. Twine, Freemason Street Baptist Church, Norfolk, Dr. L. L. Carpenter, Editor Biblical Recorder, Raleigh, N. C.; Rev. Chas. E. Parker, Chaplain Baptist Hospital, Winston-Salem, N. C.; Dr. and Mrs. I. G. Grier, from the Orphanage, Thomasville, N. C.; Mrs. J. B. Sawyer, Christian Church, Powell's Point, N. C.; Dr. W. H. Moore, representing the State Board, Raleigh, N. C.; Rev. J. J. Johnson, representing the Foreign Mission Board, Ridgecrest, N. C.; and Miss Clifford Barratt, returned missionary, Elizabeth City, N. C.

19. New pastors introduced were: W. C. Blue, pastor at Manteo, and D. P. Brooks, pastor at Salem.

20. The congregation sang "All Hail The Power of Jesus' Name." and Dr. and Mrs. I. G. Grier rendered special music.

21. Dr. C. B. Williams made announcements concerning luncheon.

22. The Associational sermon was delivered by Rev. Floyd P. Davis. Text: Matthew 6:34.

Afternoon Session, September 22, 1943

23. The congregation sang "Rescue The Perishing" after which the scripture was read responsively with the Moderator leading. Then prayer was offered by Rev. T. Sloane Guy. The congregation then sang "To The Work."

24. Report on W. M. U. by Mrs. C. T. Doughtie:

The year has been one of uncertainty, anxiety and sacrifice, because of the world war in which we find ourselves engaged.

Many changes have come in our way of life, in our homes, our churches and societies.

But our women and young people have been faithful and loyal to Woman's Missionary Union. God's blessing has been upon us and we report the best year yet.

Our record shows 49 active Woman's Missionary Societies aside from the junior organizations.

For a long time we have been reaching for the attainment of our

Hundred Thousand Club allotment $1,750.00; glad to say we reached it with some to spare. Every aim was realized. The total, $11,261.94.

Women and young people representing our Societies gathered in goodly number for the annual assembly at Chowan. Classes were taught for all organizations.

The Conclave for the Royal Ambassador held with the Edenton church last November led by Dr. White was very satisfactory and encouraging.

Our annual meeting in March held with Eureka church was splendid in attendance, in spirit and in interest. We had for special feature Mrs. J. S. Farmer, our state president, and Miss Clifford Barratt, a missionary to China for 21 years.

We were grateful to Miss Kathryn Abyee, then our field worker, for the conferences held in Hertford and Elizabeth City for our young people.

A Negro Baptist Institute was held with the Cornerstone Baptist Church, Elizabeth City, in July, and some of the outstanding leaders of the state, both white and colored, made the program informing and inspirational.

One of the outstanding features of our W. M. U. work is the scholarship we have attained in the Louisville Training School.

Our prayer is that we may continue as laborers together, that all the Kingdoms of the earth may know that Thou art the Lord even Thou only.

25. Mrs. Doughtie called on Rev. J. T. Byrum who spoke to the report and it was on motion adopted.

26. Rev. J. J. Johnson spoke on Foreign Missions.

27. Report on State Missions by Rev. Howard G. Dawkins:

State Missions is our first line of defense, if we fail here we will likely fail when we lift out guns for long range fire.

In many respects our responsibilities are greater than ever in the history of our work. The defense program has brought men, women and children by the multitudes from all quarters of our land. Crossroads villages have sprung into large, congested communities overnight. There are no churches, Sunday Schools and Training Unions adequate to take care of such conditions. We should mobilize quickly to present the Gospel to the unsaved and to enlist the unaffiliated Baptists. It is necessary to have more money, missionaries and schools to meet this need.

The war clouds are about us, but the Church of God still marches on. We had 19,542 Baptisms reported last year. This gives a total of 537,680 Baptists in our state. The churches contributed $5,480,008.94 for all purposes last year. The Board is doing the following types of missionary endeavor:

Paying salaries of three full time general missionaries; promoting better work in defense areas; sending pastors into many needy places; guiding the spiritual life of several colleges; giving us the best leaders in the South in Sunday School, B. T. U., and Student work; promoting a better program for the Negroes; enlisting pastors and churches in Minister's Retirement; building churches in needy places; sending field workers to all corners of the state; and producing the best religious paper in the South.

I offer four recommendations: 1. That we pledge anew our interest in the Co-operative program and stress the fact that 21 percent of

the money goes to State Missions. 2. That we make State Mission Day in our Sunday Schools the greatest in the history of our special offerings to this cause. 3. That we urge pastors and churches not yet members of the Pastors' Retirements Plan to join before the end of the year. 4. That we ask every church to organize a Recorder Club.

28. Report on Home Missions by Rev. W. R. Stephens:

The romance of Home Missions is the romance that clusters around the toil and struggle and sacrifice of devoted consecrated men and women who have labored for the nation's spiritual regeneration.

To the Christian the soul of the individual, regardless of nation, race or color, is dearer than love for his country. This is the highest patriotism. For deep in the hearts of men the principles are laid through faith in Christ that make for the spiritual progress and prosperity of all men everywhere.

For the first time since 1920 the Home Mission Board is out of debt.

Your contributions through the cooperative program and the Hundred Thousand Club, have made this possible. May we praise God from Whom all Blessings Flow.

There are 435 workers on all fields of our Home Mission territory. Thirteen new missionaries were added this year.

During the year the Home Mission Board enlarged its work on all fields. Notably among these was the City Mission Department.

At present the Board is planning a program for revitalizing the rural churches.

While the Home Mission Board endeavors to carry the Spirit of Jesus to the thousands of foreigners, Negroes, and Jews in our land, may we rally with heart, hands and means to carry out the great soul-saving program for which our Saviour died.

29. Report on Foreign Missions by Rev. Herbert P. Miller:

As we think of the foreign fields in a world at war, and as the closed doors loom up before us, we are reminded of what the Apostle Paul said to the Thessalonians, "we would have come unto you . . . but satan hindered us."

We have 481 missionaries under appointment. During normal times approximately one-fourth of this number are on furlough at one time. Today, however, due to world conditions there are 231 active missionaries in the United States or in our country's service elsewhere. This leaves a total of 257 who are now on foreign fields. Thirty seven of these are interned in occupied China and, we trust, are to be exchanged for Japanese prisoners in November. Ten are still in the Philippine Islands.

For the first time in several years Russians are getting the Gospel unsuppressed. The Foreign Mission Board has designated $15,000.00 for the purchase of Bibles for Russian prisoners of war in German camps. These prisoners are going to return to their homes one day, and when they do they are going to take the Gospel with them. The doors are swinging wider in South America, offering a tremendous challenge.

This is the year of the exodus of the Board from the bondage of debt. On March 12 the last dollar was paid on the financial obligations which some ten years ago had reached the distressing height of $1,621,643.46. We are grateful that this weight has been lifted and the Board can face the challenging future debt-free.

The income of the Board is steadily increasing. It received from all sources in 1942, $2,117,672.26. This was an increase of $689,032.57

over 1941. The gifts of the W. M. U. have been most generous; their Lottie Moon offering this year has reached the record-breaking peak of $558,672.63.

Let us give now to the utmost of our ability in order that we may be prepared for the greatest missionary opportunity of all times when the war clouds break. Let us pray much for our brothers in oppressed lands, and trust that ere long "a highway for our God" shall be opened in every land.

30. After the reading of the three foregoing reports, Dr. W. H. Moore, of the State Board, and Dr. C. B. Williams gave the discussions and they were on motion adopted.

31. The congregation sang "We've a Story To Tell to the Nations."

32. Report on Baptist Training Union by L. H. Sawyer:

The President of the United States is spending much time and thought as to how he may train men and women for service in the armed forces. Money, in large sums, is being spent to carry on this work. The manpower is being mustered not only for training but to train others. As citizens of the United States of America, loyalty to country and flag behooves each to rally to his call.

Christ, the ruler of the universe, issued a similar call nearly two thousand years ago, calling men and women to train for service in His army which was to fight for righteousness, and would fight until the victory was won. The response through the years has been very slow, and today we find His army still in need of trained soldiers.

By reading and studying His word, we find that He trained before sending out His workers. If our churches in the Chowan Association would follow His plan, train their members, would not His Kingdom advance more rapidly upon earth?

Therefore, we recommend that the churches in the Chowan Association put forth more effort to develop a strong training program.

33. Then Brother Sawyer led the discussions of the report. Others joining in the discussion were: Revs. H. G. Dawkins, W. I. Johnson, W. C. Blue and Floyd P. Davis. On motion the report was adopted.

34. Report on Christian Education by Dr. C. B. Williams:

Christian Education should start in the home, with mother and father teaching their growing children. It should continue in the Sunday School, where children are taught the Word of God, led to Christ and taught how to live. In our public schools children should have the examples of Christian principals and teachers to follow and hear the Bible read at chapel services. Scores of public schools in North Carolina now have Bible courses, free from sectarianism and emphasizing the basic religious and moral truths of the Bible.

But our Baptist colleges are special representatives of Christian Education. In North Carolina we have Wake Forest, Meredith, Mars Hill, Campbell, Gardner-Webb, and Wingate Colleges. Since our last report Chowan College has closed for the duration, and possibly for all time. It is just possible that we have too many Baptist colleges. In Texas, Baptists have let some of their schools go, in order more adequately to support the few they have. This seems to be sound wisdom. North Carolina Baptists, to compete with state schools, may have to concentrate on Wake Forrest, Meredith, Mars Hill and Campbell, and later, on only Wake Forest and Meredith, and put all we can, of money and

sons and daughters, in them, to compete successfully with the State University and its affiliated schools.

A sign favorable to enlarged Christian Education is the fact that most of our state schools now teach Bible courses and emphasize Christian Education. This will likely drive the denominations to concentrate on a few church schools, to compete successfully with the state and to teach certain denominational principles..

We must have our Baptist colleges to train leaders for our churches and for world missions. Let us support them with our means and patronage. Along with it we insist that our churches do more teaching and training in Sunday Schools, B. T. U.'s and W. M. U.'s.

35. The report was discussed by Dr. Williams and on motion adopted.

36: Report on Religious Literature by Rev. Floyd P. Davis:

Literature has beeen and is an indispensable blessing to the Gospel, the Church and the Kingdom of Jesus Christ. The religion of Jesus is essentially one of literature. Our great book, the Bible, man's greatest literature, and the worthy writings of the men of God since the close of the New Testament to the present time, preserve for us the knowledge of the good things that God has provided down the trek of the ages for His children of light.

Baptist of the South are using the great instrument of the printing press today in a mighty flow of literature from the mammoth publisting houses of our Sunday School Board in Nashville, Tenn.

The W. M. U., of our Southland, has a powerful ally in the splendid literature it publishes, uses, and sends out into the world for good.

We have in our state of North Carolina a great journal that has had a magnificient part in bringing the Baptists of this commonwealth into a fine place in God's work in our own land and abroad.

Although this fine old paper, The Biblical Recorder, was for a few brief years somewhat in eclipse, nevertheless, under the able guidance if its present editor, Dr. L. L. Carpenter, it is again coming into its own, like the morning sun, to dispel the dew of doubt and spread the beauteous rays again of the Old Time Gospel.

We ask the good messengers of this Associational meeting to assess anew for the people of their churches the value of a great heritage and place in the hands of every active family The Biblical Recorder—the printed preacher for the Baptist home.

37. After discussion of the report by Brother Davis and Rev. H. G. Dawkins it was on motion adopted.

38. Report on Baptist Brotherhood by Elliott Ward:

The Brotherhood is an important organization for any church because it fosters and promotes good will among the men of the church; it creates an interest in and teaches missions and is a means of acquainting the men of the church with what is being done by the denomination along the line of missions.

Unless men believe in missions and know and see the need of missions they will do little about it, but men of good will seeing the need of missions will make sacrifices that can be felt around the world for Christ just as the good women of the W. M. U. have toiled and sacrificed and are going far and near with the gospel of Christ.

There are only two Brotherhoods in our Association. We hope that more churches will catch the spirit and organize their men for the pur-

pose of teaching and carrying the mission spirit not only to their own hearts by carrying the gospel of Christ to the end of the world.

I recommend that the next Associational meeting of the men be given to the idea and spirit of missions as carried on by Southern Baptists.

39. On motion the report was adopted.

Constitution and Rules of Order

(Adopted at the 1929 Session)

Constitution

ARTICLE 1. This body shall be known as the Chowan Baptist Association of North Carolina.

ARTICLE 2. This body shall be composed of white messengers, elected annually by the churches connected with it, all ordained ministers, who are members of, or are laboring in connection with the churches. Each church shall be entitled to three messengers, and in addition thereto one messenger for each hundred members in excess of one hundred. All members of standing committees and other officers of the Association shall be ex-officio members of the Association.

ARTICLE 3. The Association shall have no control over the churches other than the right to inquire into their condition, advise them in matters of difficulty, to withdraw its fellowship from such as may be corrupt in doctrine or practice, after due measures are taken to reclaim such a church, or churches, and they remain incorrigable. The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

ARTICLE 4. The Association shall have the following officers: A Moderator, Vice-Moderator, Clerk-Treasurer and Assistant Clerk-Treasurer, who shall be elected annually and whose duties shall be those usually required of such officers.

ARTICLE 5. Any regular Baptist church may be admitted to membership in the Association upon application, and with the proper credentials, and a majority vote of the messengers present and the membership of any church in the Association may be terminated who shall fail to send messenger or letter for two successive sessions of the Association or upon application for dismissal.

ARTICLE 6. It shall be the duty of the churches to correspond annually with the Association by letter and messenger and give not only full statistical information, but also facts concerning their general welfare; and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters

in the hands of the Clerk not less than two weeks before the meeting of the Association.

ARTICLE 7. The Association shall furnish the churches with a number of printed minutes within a reasonable time after each session in proportion to the money contributed by each church to defray the expenses of the Association. The Associational year shall end on August 31.

ARTICLE 8. The Association shall elect annually an Executive Committee of seven members, the officers of the Association being members ex-officio whose duty it shall be to transact whatever business may require attention between sessions of the Association, and to confer with the churches of the Association which may be in need of assistance. The committee shall assist any churches which may need to be formed into compact fields or may desire assistance in securing pastors; to inquire into the cause and correct, as far as possible, the failure of a church, or churches to be represented and to act for the Association, ad interim, whenever it may be necessary and proper to do so. The Executive Committee shall use whatever means there may be at their disposal to promote the Kingdom enterprises within the Association and shall have authority to change the time and place for the meeting of the Association whenever it may seem wise and desirable to do so, giving public notice of such change at the earliest opportunity. The Committee shall hold at least two meetings a year, in June and December, and render a written report to the annual sessions of this body.

ARTICLE 9. This Constitution may be amended or altered by a two-thirds vote of all messengers in attendance on any annual meeting of the Association, provided notice shall have been given in the minutes of the preceding meeting by printing the proposed amendment.

PROCEEDINGS

Morning Session, September 20, 1944

1. The One Hundred Thirty-Ninth Annual Session of the Chowan Baptist Association convened with Ramoth Gilead Church September 20, 1944. The general theme of the Association was: "Our Associational work today, yesterday and tomorrow."

2. "I Love Thy Kingdom" was sung by the congregation after which Rev. D. P. Brooks conducted the devotions.

3. Rev. Howard G. Dawkins, Chairman, reported for the Program Committee and the program was on motion adopted as read, but giving the Moderator the authority to make such changes as he found to be necessary through the day.

4. Report on Relief and Annuity by Dr. R. E. Wall:

Our North Carolina Baptist State Convention has a Ministers' Retirement Plan in connection with the Relief and Annuity Board of the Southern Baptist Convention. On March 1, 1944, 493 pastors and 665 churches were enlisted in this plan. During 1943 the pastors paid in $28,880.13 and the churches $28,897.73 and the Convention $6,-170.10 or a total of $63,948.06. 348 active pastors and 1909 churches were unenlisted in the plan on March 1st.

The pastor pays 4% of his salary into the Fund and his church or churches a like amount. The Convention pays $18 for each active pastor who participates. Upon retirement at the age of 65, provided the pastor has met all requirements, he will receive an amount equal to one-half his average annual salary. Delay in entering the plan will curtail the benefits he will receive.

With this plan in operation there is little excuse for a pastor to come to the age of retirement with no funds. It is the best plan that has ever been devised for the care of aged ministers by Southern Baptists. All pastors and churches are urged to enter this plan at once.

5. Dr. Wall spoke to the report.

6. Report on Temperance by W. J. Berryman:

In 1932, when Mr. Roosevelt was conducting his first campaign for the repeal of the Eighteenth Amendment, he said: "By no possibility at any time or under any condition, at any place or under any circumstances, shall that institution (the saloon) or its equivalent be allowed to return to American life."

Its equivalent has returned, and in a more diabolical form, and the

administration has blocked every effort in Congress to regulate it even for the duration of the war. Secretaries Stimson, Knox and Morgenthau were sent before Senate committees to block any helpful legislation, while the administration permitted distillers to stop manufacturing war alcohol to add fifty million gallons to the more than 250 million surplus gallons now in their warehouses.

Hundreds of millions of bushels of good grain is worse than wasted while millions of humans are starving. Our government urges us to write V mail to the millions of our armed forces in order to conserve shipping space, but there is plenty of space to carry beer and liquor to debauch them.

The liquorites are in power in Washington and have fortified by legislation a colossal evil that is as legal as the church, the school or the home.

This administration has witnessed and been responsible for the per capita consumption of liquor to increase from 5.36 to 14.17 gallons and is still increasing. We call ourselves a Christian nation, but we can more truly be called a drunken and licentious nation. For a like condition in the ancient cities of Sodom and Gomorrah God had but one remedy—He utterly destroyed them.

This nation is now under the suspended judgment of God. Just how long He will restrain His wrath and withhold His desolating judgment from us no one can possibly know.

7. Brother Berryman and Dr. C. B. Williams spoke to the report.

8. Report on the Orphanage by W. T. Love:

The year 1943 was the most successful one in the history of our Orphanage. A total of 781 children were cared for in the Mills Home in Thomasville, the Kennedy Home near Kinston, in boarding houses, and in their own homes.

To help make this possible, the churches in the Chowan Association have contributed as follows:

To the Current Fund 54 churches gave $9,225.22. Edenton Church made the largest contribution to this fund which was $1,713.16.

To Charity and Children, 31 churches contributed $622.77, Rocky Hock leading with amount of $90.00. To special offering for repairs on Chowan Building, 29 churches gave $1,498.17, Blackwell Memorial leading with gift of $500.00, making a grand total of $11,346.16 given to the support of our Orphanage during the last Associational year.

Repairs on the Chowan Building will soon be complete. It will then be one of the best buildings on the grounds.

Six churches made no contribution during the year. Of the 54 churches that contributed only 13 gave once each month throughout

the entire year. They are: Beulah, Calvary, Chappell's Hill, Coinjock, Ebenezer, Edenton, Elizabeth City First, Hobbsville, Manteo, Olivet, Providence, Rocky Hock, Sandy Cross.

9. At this time Rev. W. C. Reed, Superintendent of the Kennedy Home, gave a fine account of the work at both branches of the Orphanage.

10. "My Faith Looks Up to Thee" was sung by the congregation. Then there was a period for registration of messengers, ministers and visitors. The following visitors were present and were given a cordial welcome: J. H. Spaulding and Rev. Lonnie Sasser, Murfreesboro; Q. C. Davis, South Norfolk, Va.; Judge J. Warren Davis, Trenton, N. J.; Rev. W. C. Reed, Kennedy Home, Kinston; Rev. Charles G. McDaniel, Richmond, Va., and Rev. Millard M. Johnson, Spring Hope.

11. The Moderator appointed the following committees:

Program—Rev. D. P. Brooks, Dennis Morgan and Dr. C. B. Williams.

Nominating—Oscar Williams, W. J. Berryman and Mrs. J. R. Everett.

Associational Workers—Rev. W. B. Guthrie, Dr. I. A. Ward and Rev. S. B. Wilson.

Time, Place and Preacher—Rev. T. Sloane Guy, Sr., Rev. W. C. Blue and W. T. Love.

Committees—Rev. Howard G. Dawkins, Rev. W. I. Johnson, Victor Morgan, John M. Elliott and Dr. G. A. Martin.

Resolutions—Dr. R. E. Wall, Rev. J. T. Byrum and Rev. E. L. Wells.

12. The Moderator presented Dr. R. E. Wall, pastor of the Blackwell Memorial church, as a new pastor in the Association.

13. Report on Foreign Missions by Rev. D. P. Brooks:

The approach of V-Day confronts Southern Baptists with their greatest missionary need in history. Global war and tragedy make it imperative that we think in terms of global missionary effort. Never before has the need for the gospel been greater or more obviously essential to the preservation of civilization.

In preparation for returning missionaries and opening new fields, the Board has set aside a fund of $1,000,000. Lest some of us feel that this is a comfortable amount of money for the task, let us be reminded by Dr. Rankin that it will take a million dollars to repair buildings and re-equip institutions in the Orient alone. We rejoice that this modest beginning has been made, but we must not feel that it justifies an easing up on our gifts. Unprecedented need and opportunity call for unprecedented expenditures. The income for the current work of the

Board for 1943 was $1,530,318.48. The Lottie Moon Offering for 1943 was $761,269.79. Both are an increase over last year.

In response to world relief needs since 1937 Southern Baptists have given $1,340,820.14. Since January 1, last year, more than one-half million dollars has been given, of which $100,000 has been set apart for relief work in Europe and $100,000 for China, in addition to large amounts already sent to those lands where suffering is so acute.

Since April, 1943, fifty-two missionaries have been appointed to Southern Baptist foreign mission fields. The Board now has 502 missionaries in active service. This does not include 90 emeritus missionaries. At the close of the war we will need double this number to meet incomparable needs and opportunities. Among our chaplains, who now number about 1,000, a considerable number have expressed a desire to enlist after the war as Southern Baptist missionaries.

If we face the greatest missionary opportunity in our history today it is due in large measure to the heroic sacrifice of the missionaries who have stayed at the post of duty when it meant imprisonment and suffering, and possible death. We owe it to them and to Christ to "go into all the world and preach the gospel to every creature."

14. Report on Hospital by Dr. G. A. Martin:

This Hospital is located in Winston-Salem, in the midst of our most densely populated areas of the great State. God must have directed its location so easily in reach of so many in need of its ministry.

The motive activating this noble project was and is altogether Christian—Faith, hope, charity, these three, the greatest of which is love. God is love.

In its service to humanity it seeks to be a good Samaritan to all in need of friendship that embodies the Christian compassion that compelled the Christ to stop at every call of suffering sons of men. It seeks to extend this help to the helpless. It is doing this task nobly.

Since it opened its doors to the sick in 1923 it has helped more than 77,000 of our needy ones. Of this number about 28,000 were unable to pay for the service, many of whom could never have been made whole without this lift. To this class the Hospital best presents the good Samaritan.

Last year, 1943, 10,333 patients were treated. 3,444 paid little or nothing for service. Free service last year represented a cost of $145,509.76. This free service of the hospital for twenty years of its service represents a cost of $2,302,000.00. This amount was taken care of for the most part by the Duke Foundation and Mother's Day Offering. Mother's Day Offering this year amounts to $90,000. A most worthy offering by noble matrons.

The Training School for Nurses has an enrollment of 119. Of these 101 are "Cadets" who receive certain expenses for their training from the Federal Government in consideration of their need in the present emergency. These with the regular graduate nurses and the doctors of the Bowman-Gray Medical College combine skill not surpassed anywhere. Add to this the dominant Christ spirit always in evidence no better place can be found for our sick ones.

15. Oscar Williams gave remarks of welcome and announcements regarding lunch.

16. The congregation sang "Near the Cross" after which Rev. W. I. Johnson delivered the Associational Sermon. Text: John 11:39.

17. The Moderator called upon Rev. W. B. Guthrie to dismiss for lunch with prayer and offer thanks for the food so graciously supplied by the host church.

21. Report on Baptist Brotherhood by R. L. Garrett:

The Brotherhood organization is a vital importance to a church, because its fosters and promotes good will among men of the church; it creates an interest in and teaches missions, and is a means of acquainting the men of the church with what is being done by the denomination.

Unless we believe in missions and know more of the need of missions, we will do little about it, but when we realize the real need and how much can be accomplished, then it is we will make sacrifices that can be felt around the world for Christ.

There are only two Brotherhoods in our Association. We hope that more churches will organize their men for the purpose of teaching and carrying the mission spirit to the entire church membership and to the end of the world.

Our last annual Brotherhood meeting was held the first Sunday in April at the First Baptist Church, Elizabeth City, Dr. R. E. Wall and Brother Chester Morris spoke on very appropriate subjects to a

nice size gathering. Brother Chester Morris was elected president for next year, and Rev. A. H. Outlaw to serve as secretary.

I recommend that the next association meeting of men be built around the theme and idea of teaching men more about missions.

22. Dr. E. H. Potts, Moderator, spoke on the work of the Association which was a digest of the letters.

23. Report on W. M. U. by Mrs. T. Sloane Guy:

It is with a deep sense of gratitude that the W. M. U. of the Chowan Association can bring to you a report that shows progress in each phase of the work during the past year, despite the limitations placed upon us due to the difficulties of transportation. Some organizations holding their meetings following the Sunday School or preaching service, with larger numbers present than ever before.

Special emphasis is being placed upon completing our Scholarship of $400,00 in the W. M. U. Training School, Louisville, Ky.

The annual meeting held with the Hertford church was most inspiring. The spirit was splendid and attendance good. Mrs. J. S. Farmer, our state president, and Miss Pearle Johnson, missionary to China, were the speakers.

In July an Interracial Institute was held in Rocky Mount which will bear much fruit in the future in bringing about a better understanding between the races.

The work of our Junior organizations has been interrupted by the epidemic of poliomyelitis but we are confident that it will be an interruption only, and that the work will not suffer.

As a tangible expression of the love for His kingdom the sum of $14,035.09 was given by the organizations of the W. M. U. during 1943.

The superintendent attended four of the five county meetings and was most impressed with the spirit of devotion and the willingness of the women to give themselves to the tasks that are before them, difficult though they may be.

Much credit for this work must be given to our faithful superintendent for the past three years, Mrs. C. T. Doughtie of Edenton.

As a part of the Chowan Association we face the future and its problems with the calm assurance that we can do all things through Christ our Counselor and Guide.

24. Mrs. Guy called on Rev. Howard G. Dawkins to speak to the report.

25. Rev. Charles G. McDaniel, for 40 years a missionary in China, spoke on Foreign Missions and particularly of his experiences in China after the occupation of his province by the Japanese.

26. The congregation then sang "O Zion, Haste."

27. Report on Baptist Training Union by L. H. Sawyer:

B—aptist Training Union had its beginning during the last of the nineteenth century to meet a need—training church members to be more loyal and efficient workers in the Master's Kingdom.

Today, this all-important work of training in the Chowan Association, is lagging; only about eleven of the sixty churches are sponsoring some phase of Training Union Work. This means, only eighteen and one-third per cent of the churches in the Association are "Training Conscious," yet we hear the cry, we do not have leaders, teachers, and other officers necessary to carry on our work in the various departments of our church program. You can readily see why—no preparation being made to solve this problem, therefore, it grows more acute.

There are about 13,942 church members in the Association with about 567 of these enrolled in the Training Department—a fraction more than four per cent of the church membership in training.

T—raining, Training, yes, we hear this word almost continuously today in regard to the defense of our Country. Christ used this same principle that our Nation is using—training before sending out. During these trying days that are upon us, let's catch the spirit of training to such an extent that we will not be satisfied until every church in the Association becomes "training conscious," and gives each member and opportunity to prepare for work in their church, state, nation, and even to the ends of the earth.

U—nion, this is what it will take to promote the kind of training program Jesus would have us to put on in the Chowan Association. We are told in the Holy Scriptures that a house divided against itself, cannot stand, neither can an Association. The thing most needed is a perfect union of minds and efforts of pastors and people in one common effort, training the church members for more abundant Christian living and service.

28. Mrs. L. H. Sawyer spoke to the report.

29. Report on Sunday Schools by Roscoe Wynn:

There have not always been Sunday Schools connected with churches.

There was a time when there was no Sunday Schools, and when they were first begun there was much opposition to them. A few churches permitted some women to teach a class in one of the basement rooms. But now one can hardly imagine a church without its Sunday School. It has become a vital part of the church. Indeed, in many cases it is the Sunday School that is keeping the church open while it is without a

pastor. The Sunday School has a tremendous task to perform in this critical time.

Here in our association we have not accomplished the work we would like to because of the gas ration. We have not had our quarterly meetings. But we have stressed that the local church do the best work they can in their own territory.

But the work has fallen off in the local church, because so many are working on Sunday doing civilian defense work. Then through the armed forces of our country we have lost many of our most active members. Now that so many young people are away we must turn to the older ones. So to you adults I plead with you to be faithful, take a place of responsbility, be regular in attendance, invite those next door and take them with you. Remember we must carry on in the Master's name, so when others return they can see that in our appreciation for what they have done and are doing we have kept the home fires burning in the Masters name. The teaching of God's word is the vital food for the soul. It is a great opportunity to teach His way to men, women and children.

May we accept this task gravely and go forth to utilize this great agency in a vital way in our churches.

30. Brother Wynn spoke to the report.

31. Dr. C. B. Williams gave a talk on Our Kingdom Work in the Co-Operative Program.

Constitution and Rules of Order

(Adopted at the 1929 Session)

Constitution

ARTICLE 1. This body shall be known as the Chowan Baptist Association of North Carolina.

ARTICLE 2. This body shall be composed of white messengers, elected annually by the churches connected with it, all ordained ministers, who are members of, or are laboring in connection with the churches. Each church shall be entitled to three messengers, and in addition thereto one messenger for each hundred members in excess of one hundred. All members of standing committees and other officers of the Association shall be ex-officio members of the Association.

ARTICLE 3. The Association shall have no control over the churches other than the right to inquire into their condition, advise them in matters of difficulty, to withdraw its fellowship from such as may be corrupt in doctrine or practice, after due measures are taken to reclaim such a church, or churches, and they remain incorrigable. The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

ARTICLE 4. The Association shall have the following officers: A Moderator, Vice-Moderator, Clerk-Treasurer and Assistant Clerk-Treasurer, who shall be elected annually and whose duties shall be those usually required of such officers.

ARTICLE 5. Any regular Baptist church may be admitted to membership in the Association upon application, and with the proper credentials, and a majority vote of the messengers present and the membership of any church in the Association may be terminated who shall fail to send messenger or letter for two successive sessions of the Association or upon application for dismissal.

ARTICLE 6. It shall be the duty of the churches to correspond annually with the Association by letter and messenger and give not only full statistical information, but also facts concerning their general welfare; and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters

in the hands of the Clerk not less than two weeks before the meeting of the Association.

ARTICLE 7. The Association shall furnish the churches with a number of printed minutes within a reasonable time after each session in proportion to the money contributed by each church to defray the expenses of the Association. The Associational year shall end on August 31.

ARTICLE 8. The Association shall elect annually an Executive Committee of seven members, the officers of the Association being members ex-officio whose duty it shall be to transact whatever business may require attention between sessions of the Association, and to confer with the churches of the Association which may be in need of assistance. The committee shall assist any churches which may need to be formed into compact fields or may desire assistance in securing pastors; to inquire into the cause and correct, as far as possible, the failure of a church, or churches to be represented and to act for the Association, ad interim, whenever it may be necessary and proper to do so. The Executive Committee shall use whatever means there may be at their disposal to promote the Kingdom enterprises within the Association and shall have authority to change the time and place for the meeting of the Association whenever it may seem wise and desirable to do so, giving public notice of such change at the earliest opportunity. The Committee shall hold at least two meetings a year, in June and December, and render a written report to the annual sessions of this body.

The report shall deal with the particular phase of our work as it stands related to the Baptist State Convention of North Carolina and the Southern Baptist Convention, and shall indicate the interest in the support of that work by the churches of this body and shall not contain more than three hundred words. All information for publication in the minutes shall be in the hands of the Clerk within 15 days after the annual meeting.

Victory in Our Social Problems

7. Report on the Hospital by Dr. I. A. Ward:

The North Carolina Baptist Hospital in Winston Salem now has a capacity of 247 beds and 55 bassinets. It is one of the ranking hospitals of our country with a spiritual atmosphere that is not surpassed in any hospital of any nation. The religious program is under the direction of a full time Chaplain, Reverend C. E. Parker, and a student secretary.

The hospital operates one of the fullest approved Schools of Nursery in the South with an enrollment at present of approximately one hundred fifty young ladies who are receiving professional training under Christian auspices.

More than fifty percent of the patients admitted to the hospital last year were "service patients" who paid no doctors' fees and only a small part of the hospital expenses. Approximately three thousand of these patients paid absolutely none of their hospital bill. It is to this class of patients that the hospital best renders the service for which it was born and which it has maintained these twenty-two years of its existence.

In addition to the "service patients" cared for, the hospital gave free service last year to about twenty thousand patients in its "Out-Service" Department. These were not admitted to hospital beds. The total cost to the hospital for the above free services was $198,648.92.

The hospital is self-supporting except for its charity work and it is this merciful side of its program that North Carolina Baptists are called upon to support with both their money and their prayers. This year N. C. Baptists gave over one hundred thousand dollars through the Mothers' Day offering.

Our Chowan Association contributed to the Hospital last year through the Mother's Day offering a total of $2,031.98 which was 14.3 cents per person. Ebenezer Church giving 50.5 cents per member stood in the lead among the churches contributing, with Calvary coming second and Hertford third. Indeed the Baptist Hospital in Winston Salem is a good place to go whenever we are in need of medical care.

8. Dr. Charles Parker of the Hospital spoke to the report and it was on motion adopted.

9. Report on Orphanage by W. T. Love:

Down through the ages, each generation has had its own social problems to solve. They have won or lost the victory according to how they solved them. We will do likewise.

It took our very greatest effort plus God's help to win the victory over our enemies abroad. It will take the same to win the victory over sin, ignorance, unbelief and hate that create social problems at home.

Because of these existing evils, misfortune, sickness and death, the Baptists of North Carolina have 700 children depending on them for physical, intellectual and spiritual development. To solve this social problem, we maintain our orphanage at the cost of $675 per day.

During the past year, this association contributed $10,715.57 to its current fund; and $693.75 to "Charity and Children," making a total of $11,409.32.

As parents we owe our own children far more than financial security. The same is true with our orphanage. They have moral and spiritual problems just as we do, therefore we owe them our moral and spiritual support—an obligation that cannot be paid in dollars and cents, but one that requires personal interest, genuine friendship, love and prayer. We should support these children in the same manner we would want others to support our children under similar circumstances

One must see our Orphanage to realize its greatness and to appreciate its wonderful work. Hence I want to urge you, especially you Sunday School Superintendents, to visit it this coming year if possible. If you can't visit, please read "Charity and Children" regularly for both information and inspiration.

Our social problems will be rightly solved and victory will be ours when we, as Christians, inform ourselves to the very best of our ability and then obey Christ's command: "Thou shalt love the Lord thy God with all thy heart; with all thy soul; with all thy strength and with all thy mind, and thy neighbor as thyself."

10. Brother Love introduced Rev. W. C. Reid, Superintendent of the Kennedy Home, who discussed the work of the orphanage and the report was on motion adopted.

11. Report on Temperance by W. J. Berryman:

Under God our armed forces have won for us a great victory over our enemies Nos. 3 and 2, but enemy No. 1 is not only still at large in the land, but is encouraged and subsidized by our government to carry on his work of devastation and ruin.

In his book "The Wrecking of the Eighteenth Amendment" Er-

nest Gordon begins with the betrayal of the law and traces every step made in the slimy, sinuous advance made by its enemies and proves them to be the corrupt politicians, the powerful but wet press, the rich liquor barons of France and England together with a hostile congress which was driven by the lash of a dripping wet president.

For the past thirteen years we have witnessed going on in our land the great and most heart sickening Bacchanalian orgy in the history of the nation and it is getting worse and worse; more and more shameless; more and more insistent in its demands and has taken over the government almost completely, and the churches of Jesus Christ have looked on this scene without making any serious attempt to attack the evil. Like Goliath of Gath it is now challenging the churches, but they, like the camp of Israel, tremble and quake.

The Chowan Association has done little, if anything, since our last meeting to meet this challenge or to discharge its own responsibility in the matter. It is time we were doing more than calling for a report and allowing fifteen or twenty minutes for discussing this question. It is time for the churches to put on their strength and march forth against this foe and smite it hip and thigh. They can if they will.

12. Brother Berryman brought a forceful message on the evils of intemperance and the liquor traffic and the report was on motion adopted.

13. Report on Relief and Annuity by Rev. W. R. Stephens:

Southern Baptists have gone forward in providing help for ministers when they have reached the age of retirement, or have become incapacitated sooner than retirement age. (65 years).

Our North Carolina state convention has a retirement plan in connection with the Relief and Annuity Board of our Southern Convention.

In North Carolina, pastors pay four percent of their salary into this fund and the church or churches pay a like amount. For each active pastor participating in this plan, our state convention pays the sum of $18.00 each year. More pastors and churches are joining this retirement plan each year. However, in North Carolina many pastors and churches are not yet enlisted.

We would urge our churches and pastors to earnestly carry out this important movement in His name.

14. The report was adopted without discussion.

15. "The Son of God Goes Forth to War" was then sung by the congregation.

16. Then came enrollment of messengers and appointment of the following committees: Committee on Committees, Dr. Ronald E. Wall, Rev. W. Van Carroll, W. A. Harrell, Mrs. Milton Byrum and C. R. Holmes. Times, Place and Preacher, John M. Elliott, C. W. Spruill and J. A. Wiggins. Nominating, W. T. Love, B. B. Flora and Mrs. A. B. Snell. Program, Rev. T. Sloane Guy, Sr., Rev. C. W. Bazemore and Mrs. I. A. Ward. Associational Workers, Rev. J. T. Byrum, Dr. C. B. Wil-

liams. Resolutions, Rev. D. P. Brooks, Dr. G. A. Martin and Rev. W. R. Stephens.

17. The following new pastors were introduced: Lee A. Phillips, W. C. Bazemore, W. Van Carroll, W. J. Francis and Sydney Cobb.

18. Rev. J. T. Byrum, host pastor, made announcements concerning lunch.

19. The Associational Sermon was delivered by Rev. W. R. Stephens, text: Rev. 2:7. Brother Stephens then dismissed with prayer for lunch.

Afternoon Session, September 19, 1945

20. "Faith of Our Fathers" was sung by the congregation and the devotional was given by Rev. C. W. Bazemore.

Training for Victory

21. Report on Christian Education by Dr. Ronald E. Wall:

The Baptist of North Carolina own and operate two senior colleges—Wake Forest and Meredith—and three Junior Colleges—Campbell, Mars Hill, and Wingate. During 1944 we contributed $71,000 through the Cooperative Program to these schools, or a little more than $30.00 per student. In addition, various individuals and churches have given to the Enlargement campaign of these colleges, especially Wake Forest and Meredith.

Besides these colleges we have a part in supporting our three Baptist Seminaries in Louisville, Ft. Worth, and New Orleans.

With the close of the war the enrollment in these schools has greatly increased and all of them are in need of more buildings and better equipment. The needs are imperative and call for more loyal and generous support on the part of the Baptist people of our state. Since our whole Baptist program depends largely upon these Christian schools, we must give them our increasing support if our work is to go forward. During 1946 we should more than double our gifts to all these Christian colleges and seminaries. Only thus can we show a worthy interest in Christian education, and only thus can we obey the Great Commission of our Lord and Savior.

22. Discussion by Dr. Wall; W. T. Love, trustee of Chowan College; Dr. Chas. B. Williams and L. A. Martin, trustee of Meredith College. The report was on motion adopted. During the discussion the question of wheather or not we should support the reopening of Chowan was raised. On motion the Moderator was instructed to submit the matter to the Education Commission of the State Convention and if the said Commission agrees to endorse and support it that the Association do so.

23. Report on Sunday Schools by Roscoe Wynn:

The Bible School is a training ground for all soldiers of the Cross. It is a training ground for those who are not soldiers of the Cross, to

become soldiers of the Victory Army. The Army in which God is the Captain—the Captain of our faith that works by love.

The Bible School teaches the soldiers of the Cross a greater love for the Captain; and those who are not soldiers of the Cross a saving knowledge of the Captain of our Salvation. All soldiers should be in training, to help in that day when he will become not only the Captain of this World, but the Captain of the Universe. Soldiers should learn to be able to help spread His Gospel over all the world, as the waters cover the sea. Soldiers that do not take this training will not be able to help the Captain spread His gospel over all the world. In every Baptist Church is a training ground, the Bible School, to teach the soldiers of that church how to spread their captain's message. If the soldiers of that particular church do not take this training, they are not equipped to carry their Captain's message to a dying world. If we, the members of the Baptist Churches of this Association, are not equipped to carry our Captain's message, then our Captain will lead a defeated army, and will never become the Captain of this world or any other world. If the soldiers do not speak for their Captain and help Him to spread His gospel of peace to this world we are living in, there never will be the peace of heart, the peace of mind, or the peace for this world that we have been praying for. So, may we act, help and all do our part in bringing this world to the feet of our Lord and Master, Jesus Christ.

24. A discussion of the report was given by Rev. C. W. Bazemore and was on motion adopted.

25. Report on Baptist Training Union by L. H. Sawyer:

We, as a Denomination, were a little slow in our beginnings relative to Training Union Work. We find the period between 1848 and 1881 one of sporadic efforts, when many attempts were made, and finally an interdenominational organization was set up. Training, more or less, in Christian Culture with no specific training in church membership.

Two of our fellow denominations withdrew, one in 1881, and the other in 1889, and began training their church membership in their own doctrines.

We waited until 1890 to withdraw, and then it was only for churches in America. Today, this organization is a worldwide department of work, fully graded to meet the needs of people.

In 1896 it became an auxiliary to the Southern Baptist Convention, and in 1918 was taken over completely by the Sunday School Board, and is now a department of work of the Sunday School Board in Nashville, Tenn.

It is said that a Training Union is an organization that lives to die. This seems to be true in our Association at the present tme. In our Association we have 60 churches, and only 10 have any kind of a Training program. This is only 16 2-3 percent. There are enrolled in these 60 churches about 13,904 members, and the Training Union enrollment is about 441. In the 10 churches that have some form of work, there are only 31 unions.

Therefore, we should resolve:

1. During these reconstruction days in regard to our government and business world we should begin a reconstruction program in our churches for Training Union work.

2. As we restore the young manhood of our nation to their former places in the business world, may we restore them to their places of leadership in our Training Union work.

3. To re-dedicate our efforts to this phase of Christ's program of work for His Church, and revive these struggling organizations we now have.

26. After a discussion of the report by Brother Sawyer it was on motion adopted.

27. Report on Biblical Recorder by Rev. T. Sloane Guy, Sr.:

Your committee on Biblical Recorder begs to submit the following facts regarding subscriptions to that publication by the churches of our association:

The sixty churches of the association reported last year a total subscription of 507. Eighteen of these churches, with 10 or more subscriptions, received 433 of the 507 total. Forty-two churches, with 10 or less, recieved 74 of the 507 total.

Twenty-six churches out of the sixty in the association received no papers at all. This is to say that the 507 papers coming into our Association reach only 34 of our 60 churches. Of these 34 churches that receive the paper, 17 receive as many as 10; 17 receive less than 10, nine of these receive less than 5, and six receive less than 3.

Our Association, with its 60 churches and its nearly 14,000 members, can find no worthy grounds for pride in a subscription list, limited to 507 papers.

Your committee would earnestly urge upon our people the importance of greatly increasing the circulation of the paper, thus giving to it the support it so richly deserves.

28. After the discussion by Brother Guy it was on motion adopted.

29. "My Faith Looks Up to Thee" was sung by the congregation.

Victory Through Missions

30. Report on W. M. U. by Mrs. T. Sloane Guy, Sr.:

In presenting the report of the W. M. U. of the Chowan Association we feel that facts and figures are interwoven with the very heart beats of our loyal women because it has required faith and a determination of a very high type to carry on during the days when everyone had a load almost too heavy to bear. But as we face the future, bright with unlimited opportunities, we make the following report with pardonable pride in the accomplishments during one of the most difficult years of the organization.

Difficult, because some of the things which we were accustomed to using as tools were limited, especially gas and tires, also the dread malady polio, which kept our children at home for some months, caused a break in our young people's work.

The following facts in terms of figures will give you some of the

totals for the year 1944.

Total contributions were $13,355.72.

New Societies 6, mission study classes 115, tithers 269.

Your superintendent traveled 747 miles and wrote 247 letters and cards during the year.

The Training School Scholarship fund of $400.00 has been completed.

The plan meeting in January held in Hertford was largely attended and very definite goals were set pertaining to each phase of the work. The one of paramount importance, 1000 souls to be won by Christ during 1945. To date 13 churches have reported 213 conversions.

The annual meeting was held with the Warwick Swamp Church, April 3, 1945, with a large attendance.

Miss Cathryn Abee came from the state office bringing a most helpful message.

Dr. A. L. Gillespie gave us a real glimpse of China and Dr. E. H. Potts climaxed the day with an exceilent message on soul winning.

The next annual meeting will be held with the Macedonia Church on Tuesday after the first Sunday in April, 1946.

31. Mrs. Guy introduced Rev. W. C. Francis who gave the discussion and the report was on motion adopted.

32. Report on State Missions by Rev. S. B. Wilson:

The most of the strong city churches in North Carolina have been beneficiaries of the State Mission Board.

The program is that Christ may become regnant in North Carolina in all relationships. Aid is provided for part payments of the salaries of missionary pastors in needy and strategic places. Three general missionaries, J. C. Pipes, E. L. Spivey and Earle L. Bradley. The Board seeks to establish new churches in growing sections of our cities. The Convention promotes the work among the Indians and Negro Baptist. It provides a system of visitation among the Veterans at Oteen, and provides Associational Missionaries. It also cooperates with the Home Mission Board. It promotes Christian Education in the churches.

We look to the future with great hope; Faith in the living God. The fields are white already unto the harvest. We have passed the "D Day" and "J Day." We are coming out into the open fields of victory. We are facing more open doors than we can enter.

33. Adopted without discussion.

34. Note: The brethren appointed at the last session to give reports on Home and Foreign Missions having moved out of the Association, there were no reports read.

35. The congregation sang "The Morning Light Is Breaking," after which the Moderator called Dr. Chas. B. Williams, Vice Moderator, to the chair and gave a talk on "Victory in the Chowan Association." His talk was based on a digest of the letters submitted by the churches.

(Adopted at the 1929 Session)

Constitution

ARTICLE 2. This body shall be composed of white messengers, elected annually by the churches connected with it, all ordained ministers, who are members of, or are laboring in connection with the churches. Each church shall be entitled to three messengers, and in addition thereto one messenger for each hundred members in excess of one hundred. All members of standing committees and other officers of the Association shall be ex-officio members of the Association.

ARTICLE 3. The Association shall have no control over the churches other than the right to inquire into their condition, advise them in matters of difficulty, to withdraw its fellowship from such as may be corrupt in doctrine or practice, after due measures are taken to reclaim such a church, or churches, and they remain incorrigable. The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

ARTICLE 4. The Association shall have the following officers: A Moderator, Vice-Moderator, Clerk-Treasurer and Assistant Clerk-Treasurer, who shall be elected annually and whose duties shall be those usually required of such officers.

ARTICLE 5. Any regular Baptist church may be admitted to membership in the Association upon application, and with the proper credentials, and a majority vote of the messengers present and the membership of any church in the Association may be terminated who shall fail to send messenger or letter for two successive sessions of the Association or upon application for dismissal.

ARTICLE 6. It shall be the duty of the churches to correspond annually with the Association by letter and messenger and give not only full statistical information, but also facts concerning their general welfare; and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters in the hands of the Clerk not less than two weeks before the meeting of the Association.

ARTICLE 7. The Association shall furnish the churches with a number of printed minutes within a reasonable time after each session in proportion to the money contributed by each church to defray the expenses of the Association. The Associational year shall end on August 31.

ARTICLE 8. The Association shall elect annually an Executive Committee of seven members, the officers of the Association being members ex-officio whose duty it shall be to transact whatever business may require attention between sessions of the Association, and to confer with the churches of the Association which may be in need of assistance. The committee shall assist any churches which may need to be formed into compact fields or may desire assistance in securing pastors; to inquire into the cause and correct, as far as possible, the failure of a church, or churches to be represented and to act for the Association, ad interim, whenever it may be necessary and proper to do so. The Executive Committee shall use whatever means there may be at their disposal to promote the Kingdom enterprises within the Association and shall have authority to change the time and place for the meeting of the Association whenever it may seem wise and desirable to do so, giving public notice of such change at the earliest opportunity. The Committee shall hold at least two meetings a year, in June and December, and render a written report to the annual sessions of this body.

Also, to mail copies of the minutes to the churches and to other agencies desiring them; have printed the program of the Association at the request of the Program Committee; and mail a copy to everyone on the program and to each pastor in the Association.

15. If any member of the Association shall leave the bounds of the Association at any time during the year, his official connection with this body is severed.

16. In all points of order not already provided for, the body shall be governed by Kerfoot's Parliamentary Law.

17. These Rules of Order may be amended or altered at any session of the Association by a majority vote of the messengers present.

PROCEEDINGS

Morning Session, September 17, 1946

1. The One Hundred Forty First Annual Session of the Chowan Baptist Association convened with the Warwick Church on September 17, 1946. The session was opened with the singing of "Oh, Worship the King," and "What a Friend We Have In Jesus."

2. Rev. T. Sloane Guy, Sr., reported for the Program Committee and the program was adopted as read.

3. Rev. W. C. Francis, pastor of the local church, gave the welcome address after which Rev. W. W. Finlator led the devotions.

4. Then some time was taken for enrollment of messengers and ministers and recognition of visitors. The following visitors were present: Claude F. Gaddy, Raleigh; M. A. Huggins, State Secretary, Raleigh; Rev. J. E. Miller, Meredith College Representative, Raleigh; Dr. F. O. Mixon, Pastor Tabernacle Church, Raleigh; Rev. W. C. Reed, Supt. Kennedy Home, Kinston; Mrs. E. R. Hurdle, Suffolk, Va.; Mrs. A. S. Hardison, New Bern; Mr. and Mrs. P. W. Blanchard, Norfolk, Va.; Mr. and Mrs. R. D. Stephenson, Franklin, Va.; Rev. Lonnie Sasser, Representative Chowan College, Murfreesboro.

5. The Moderator appointed committees as follows: Committee on Committees: Rev. C. W. Bazemore, Mrs. I. A. Ward and W. T. Love. Program: Revs W. W. Finlator, C. W. Duling and R. N. Carroll. Memorials: Revs. J. T. Byrum, C. S. Waters and Geo. Edwards. Time, Place and Preacher: Revs. James E. Baker, R. E. Ferguson and W. V. Carroll. Nominations: Revs. W. C. Francis, W. R. Stephens and Frank Dinwiddie.

5. The following new pastors were recognized and welcomed into the Association: W. W. Finlator, pastor of the Elizabeth City First; L. Bland Taylor, of the Creswell Field; R. N. Carroll, Edenton Church; George Edwards, Roanoke Island Church; Harry F. Bean, Sawyer's Creek Church; C. S. Waters, of the Currituck Field and C. W. Duling, Hertford Church.

6. Report on Orphanage by W. J. Berryman:

In spite of the mounting cost of living; the increasing demands made upon its facilities and resources; the difficulty of adequately supplying all the needs of a growing family, and other difficult problems that had to be solved, the Orphanage has had another successful year.

The liberality of the Baptists of the State together with the income from the farm, the dairy and Charity And Children enabled the management to successfully meet all financial obligations.

Great good has been accomplished by the Social Service Department. This service covers three types of child welfare; namely, institutional care, foster home care, and aid in the home. A total of seven hundred children were cared for last year. 598 were in the homes, 48 in foster homes and 54 through mother's aid.

Applications for assistance increased seven per cent and 122 new children were admitted last year, and through case work, plans were made for 503 children leaving applications for 212 children still pending. The children at the two homes are cared for physically,

mentally and spiritually. Proof of the good health of the children is evidenced by the fact that the average daily attendance at school was above ninetly nine per cent. Each of the homes has an ordained minister who serves as physical director and the churches take care of their spiritual needs.

Our present facilities are taxed to take care of the present needs to say nothing of the future. The years immediately ahead are certain to yield an abundant harvest of child tragedies and we MUST prepare for it. We could not if we would—we would not if we could, refuse to assume our full share of the responsibility, nor forfeit the happy privilege of doing our best to salvage precious children from the wreckage of broken homes. "Who so stoppeth his ears at the cry of the poor, he also shall cry himself, but shall not be heard."—Proverbs 21:13.

7. The work of the orphanage was discussed by Rev. W. C. Reed, Supt. Kennedy Home, and the report was on motion adopted.

8. Dr. C. B. Williams, former pastor of Shiloh Church, who was to have reported on Relief and Annuity, has retired since the last Association and moved to Pierson, Fla. A letter from Dr. Williams was read by the Moderator expressing his great pleasure during the five years as pastor in the Association and regrets that he was not able to be present and report on the work of the Relief and Annuity Board.

9. "Faith of Our Fathers" was sung by the congregation after which Rev. W. C. Francis, host pastor, made announcement regarding lunch.

10. Rev. Lonnie Sasser, representative of Chowan College, was recognized and he presented the proposed program for the reopening of the college in 1947.

11. The Associational sermon was delivered by Rev. T. Sloane Guy, Sr. He used as his text, Psalms 42:3. Brother Guy at the close of the sermon closed the morning session with prayer and the returning of thanks for the noon meal.

Afternoon Session, September 17, 1946

12. The afternoon session was opened with the singing of "My Faith Looks Up to Thee," after which Rev Oscar S. Williams led the devotions using an illustrated lecture on: "Faith."

13. The Burgess Church, organized on August 12, 1945 with a present enrollment of 34, petitioned for admission into the Association. Revs. W. W. Finlator, R. N. Carroll and C. W. Duling were appointed to look into the orthodoxy of the new church and make recommendations to the Association. The committee reported later in the day that they looked with favor upon the reception of the church. A large delegation from the church with its pastor, Rev J. R. Byerly, was recognized and on motion the church was accepted as a member of this body.

14. Report of Baptist Hospital by Dr. I. A. Ward:

Our Baptist Hospital, at Winston Salem, has had another full and fruitful year. In the past few years its facilities, to care for the sick, have been greatly increased.

The Out-Patient Clinic is now working in its enlarged and better equipped quarters. It is prepared to do the highest type of work examining and prescribing treatment of all the ills of those who come to the Clinic.

All patients who need to be hospitalized are given beds in the hospital, so far as room permits. Due to lack of space, it is impossible for the hospital to take care of all who need to be admitted.

Our hospital renders far more free services than any other denominational hospital in the South, and stands among the first in America. The cost of this service, last year, was over $167,000.

The Mother's Day Offering enables our hospital to give this service. We are happy that the Churches of the Chowan Association have a large share in this great work.

This Assocation, gave, through our Mother's Day offering, last year, $2,403.41. Ebenezer Church, again, made the largest contribution, per capita, giving 75 5-7 cents per member. Belhaven and Oak Grove took second and third places, respectively.

Our hospital operates one of the best schools of nursing, in the South. It seeks the finest young women, mentally, physically, and spiritually, to train for a Christian Ministry of Healing.

The present, urgent and outstanding need, is, more space. The construction of the New South Wing, which is now being considered, by our General Board, will give space for 140 new beds, which we so greatly need, that none may have to be turned away, when they go to our hospital for help.

15. Rev. W. R. Griggs, pastor South Side Baptist Church, Winston-Salem, was recognized who discussed the work of the hospital after which the report was on motion adopted.

16. Report on Sunday Schools by Rev. C. W. Bazemore:

With deep gratitude to God, we observe the growth of our Sundays Schools. Pastors have labored to build up Sunday Schools. Teachers and officers have been not weary in well doing, as they have stuck to their tasks, and watched little children grow into men and women in their departments and classes. Sunday Schools have wrought a magnificient work for the on-going of our Lord's Kingdom.

Yet with deep concern we note these facts in our own Chowan Association and submit these observations:

Only a little more than one-half of our church members belong to Sunday Schools; the total enrollment of the fifty-odd Sunday Schools in this Association at last annual report being only 7,593. Chowan Association lists 14,386 church members. What a marvelous opportunity, what a challenging task—simply to get church members enrolled into our Sunday School classes. Here then, is room for enlargement right at home. A fine slogan, we believe, might be "Enroll every resident church member in Sunday School."

One other aim should be a program of improvement of our Sunday Schools. Improvement of teaching and more Bible teaching in the classes. This suggests more study courses, more workers councils, more training groups and working closer with our State Sunday School organizations. Any Sunday School, no matter how small or where located can obtain copies of the excellent study course books on better teaching, Bible study, Sunday School improvement, methods, etc., and study such books together. Better organization, better teaching, better attendance will follow such courses as the officers and teachers get a new vision of their glorious task of teaching the Word of God to their classes on Sunday mornings.

It is to be hoped that every Sunday School in the Association will at once look to its definite enlargement possibilities, make concerted efforts to go out and win those not enlisted, beginning first with the church members who are not attending Sunday School, and then going after the unsaved of the community . . . for "to get them into Sunday School is to get them into Church." May we not forget that eighty per cent of our Church members come in through our Sunday Schools.

God placed the men first in His churches, then the women, then the children, then the strangers. He said to Moses (Deut. 31: 12-13): "Gather the people together, men, and women, and children, and the strangers within thy gates, that they may hear, and learn, and fear the Lord your God, and observe to do all the words of the law . . . and that their children may hear . . . as long as you live in the land whither you go over Jordan to possess it." Is not this the task of the Sunday School—to gather the men and women and children and also the strangers among us—all together, to hear, and learn the word of God, and in Him find everlasting life? Then to this task let us set our minds and hearts anew, in the Master's name.

17. Discussion by Rev. W. V. Carroll, Associational Sunday School Superintendent. On motion the report was adopted.

18. Hymn: "I Love to Tell the Story."

19. Report on Temperance and Social Service by W. C. Francis:

Surely no one can fail to see and realze that sin is abroad in the land; espeically intemperance and the numerous Social Evils that are casting a dark shadow over our nation and the whole world. No doubt we are facing one of the most gloomy times in all human history. Why? Because Christian people have not returned to God as we had hoped they would when the war ceased on the battle fronts, because Christian people are not responding to the cry for the Gospel around the world and because the wickedness of an ungodly world is becoming more wicked.

From all evdence there are more church members indulging in strong drink of all types and getting drunk than has ever been known before. Gambling is becoming so prevalent more and more each day that one has almost to close his eyes to keep from seeing it. It is very noticeable at all kinds of sports and often times observed at stores and service stations as well as other public places. There is a wide spread desecraton of the Lord's Day by church members as well as by the world outside. Adult delinquency is leading juvenile delinquency which is reported on the increase. Furthermore the divorce evil is increasing to the alarming rate, in some places, to 1 out of every 3 marriages.

Furthermore, as long as the members of our churches love the things of the world more than they do the Lord we have no hope of a better day. What we need is a Regenerated, God-filled, Spirit-led church membership. When this happens we shall be able to march out against the social evils and liquor traffic with such strength and courage that the devil and his forces of evil will have to flee.

20. The report was discussed by Rev. W. C. Francis and was on motion adopted.

21. The afternoon session was closed with prayer by Brother John M. Elliott.

Morning Session, September 18, 1946

22. The hymn "Draw Me Nearer" was sung by the congregation after which Rev. L. Bland Taylor led the devotons.

23. Rev D. P. Brooks, Associational Missionary, gave a verbal report of his work.

24. Report on State Mission by Lee A. Phillips:

State Missions continues to provide a varied and rich program for the Baptists of North Carolina. Some of the most recent efforts of the Mission Board are to send young people from our colleges into the churches during the summer. Also it has begun the program

of training the preachers already in service.

We are happy to note that the convention has laid aside $30,000 as a reserve fund against the day when there may be a decline in receipts.

At the present time we have three General Missionaries: J. C. Pipes, E. L. Spivey and Earl S. Bradley. Thees men, called upon to be away from home and their families much of the time deserve the cooperation of all the pastors and leaders of our churches.

We give hearty thanks for our missionary pastors, many who have sacrificed greatly to be with those who need them. At the last report we had 107 churches with 66 pastors who are dependent upon our mission board. During the last year these churches had 1,247 conversions and gave $147,390 to all causes. It is to be hoped that our mission board will continue to see the great need for help in these churches. We are deeply grateful that it has responded to the call of those in the isolated sections of our State that are so much in need of the Gospel of Christ.

The mission board has helped to build many of our church buildings which otherwise could not be built.

Rev. P. A. Underwood is to be commended for his work among the Indians. Last year there were 300 conversions in their churches. Our mission board has made this work possible.

The program of the State Mission Board also takes in the work at Oteen, the Sanitorium, Samarcand and the study of rural churches. Also our board is definitely behind the radio program of North Carolina Baptists.

Therefore we do earnestly pray that God may bless our Mission Board and their great work that it is doing and that He may guide us, that we as North Carolina Baptists and Chowan Assocation may in the spirit of Christ reach out and lend a helping hand to those in distress and need.

25. Report on Home Missions by Mrs. W. H. Dale:

The primary task of the Home Mission Board is to evangelize the home land. Christ must rule in the home land if we expect to win victories for Him in lands afar.

The Home Mission Board is ministering to 33 dfferent natonaltes in the home land. They have 702 missionaries and workers; these have reported 15,000 conversions in the last year.

The Board is cooperating with the churches in reaching the Jews for Christ. The Jews seem more receptive of the gospel than ever before. The goal is set to win 1,000,000 to Christ this year.

There are 50,000 deaf in the territory of our home land, and we have 5 missionares working with them.

The Department of Camp Work is cooperating with our Baptist Chaplains in ministering to our service men. Around 91,750 were won to the Lord by our Chaplains in 1945. Other phases of the work of the Home Mission Board are: The Department of Missionary Educaton, The Department of Schools of Missions, a City Mission Department which is cooperating with the State Mission Boards in 40 cities, also working with the underprivileged, Good Will Centers, and Rescue Homes.

The imperative need for Home Mssions today is 389 more missionaries. It needs $2,616,000 to buy new mission properties and rebuild what they have and $1,300,000 per year for operation.

Southern Baptists are abundantly able to supply these needs, and they are asked to pledge anew their prayers and support in meeting these needs.

26. Report on Foreign Missions by Rev. W. V. Carroll:

Last year, May the 8th, one hundred years ago our Foreign Mis-

sion Board was organized at Augusta, Ga., and was located at Richmond, Va. Since that momentous occasion our Board has sent out 1,347 missionaries to foreign fields, including 44 appointed in April of this year. (We wonder when one has gone out from Chowan Association). They have worked in twenty nations At the close of the century five and a half million Baptists were represented by only 550 missionaries.

As we enter the second century, we face a war-stricken world with its tragic needs and many perplexing problems and difficulties. Some of these problems are our own indifference, Roman Catholics, Communism, Mohammedanism, inconsistent living of professed Christians, racial and religious tensions, and national and international conflicts.

On the other hand, there is a bright side. We face unprecedented opportunities and challenges to bless a stricken world and send the Gospel of Christ. Doors have never before been open to us quite so wide or quite so many. Appeals come from various nations to send preachers, teachers, medical missionaries, and others who can help rebuild wrecked countries. Aren't these Macedonian calls?

Also there comes the cry of the starving millions. It is estimated that approximately half of our world lacks sufficient food. Multitudes of people are starving, and next year will be too late. And last week's Recorder shows that North Carolina Baptists had paid only $155,554.00 on August 15 toward their goal of approximately $400,000.00. We must answer to Christ at the Judgment for our failure to feed, clothe, and shelter the homeless.

Then there is an urgent need to provide building and equipment for churches, schools, hospitals, and missionary homes. And instead of 560 missionaries, we should have 1,000 on the fields within the next year.

Already our missionaries are returning to the various fields as rapidly as transportation will permit Some forty have already gone to China, and some of our leaders have gone to various fields to survey the needs and encourage the missionaries and Christians there. Every mail brings a plea from Africa begging for reinforcements.

We have the wealth to help feed and to help rebuild the world. Have we not come to the world for such a time as this? We can help give relief, and we can help rehabilitate the stricken world, and thus win its ear and tender its heart so we can have access to it for Jesus Christ.

And we have the glorious Gospel of Christ. This great Gospel with the Spirit of God and with enough willing, consecrated hearts will transform our world from war to peace, and from hate to love, and from destruction of the atomic bomb and the cosmic ray to Jesus Christ and His saving and healing power.

27. On motion the foregoing reports were adopted.

28. Report on W. M. U. By Mrs. T. Sloane Guy, Sr.:

In presenting the report on the W. M U. of the Chowan Association, we would like very much to be able to say that we have attained our full portion of growth for one year, but that cannot be done. In some intsances we can point with pride to a healthy growth, and a few fragrant blooms. Perhaps, nearest our hearts are the nineteen Young People's Societies organized. Four societies have been reorganized and are showing signs of growth. It is with Thanksgiving in our harts that we can report, that four hundred and sixty eight women, boys and girls, have declared themselves stewards.

Total contributions reported for the year amounted to $12,567.48. A decrease of $788.24 from the previous year. We do not believe

less money was given but, due to some confusion, somewhere, we were not given our annual report blanks, and there was consternation in our W. M. U. Zion, resulting in the loss of much valuable information.

During the year, your Superintendent has attended all the county meetings, with the exception of one; attended the Divisional Meeting, the conference in November in Raleigh, the Associational plan meeting in January, the State Meeting in High Point, and various other meetings, having travelled a total of 981 miles She has taught 11 mission study classes, and wrote 456 letters and cards.

At our plan-meeting in Hobbsville in January, we accepted as our goal a ten percent increase in all phases of our work.

The annual meeting was held at Macedonia on April 2nd, 1946, with a large attendance. Mrs. John Wacaster, our field representative, brought us a splendid mesage on the "Urgency of Making Him Known." Miss Florence Lide helped us to see China and her needs as we had never done before. It was a truly great message.

The next annual meeting will be held with the Salem church near Weeksville on Tuesday after the first Sunday in April, 1947.

29. Mrs. Guy introduced Rev. R. N. Carroll who spoke to the report and it was on motion adopted.

30 The Clerk gave a digest of letters received from the churches. This was a comparative report showing gains and losses over the preceeding year.

31. After enrollment of messengers not present on Tuesday the congregation sang "Jesus Saves."

32. **Report on the Biblical Recorder by Rev. C. W. Duling:**

The Biblical Recorder is of, by, and for North Carolina Baptists. For more than a century-since 1813, to be exact, when it was founded by Thomas Meredith—it has had an uninterrupted ministry to the interests of the Kingdom of God in our state, in our nation, and in the world. Through fat years and lean years, through prosperity and depression, through war and peace, when the going was good and when the going was tough, the Biblical Recorder has been true to its mission, true to the Bible and to the doctrines generally accepted among Baptists. It is our own State Convention vehicle of information and inspiration. It is conceivable that one can be an inteligent person and not read the Biblical Recorder; but it is hardly conceivable that one can be an intelligently informed Bapitst in North Carolina and not read it. It keeps before us something of the world's needs—needs that begin at home and extend to the uttermost parts of the world; and it informs us of what we and our fellow Baptists are doing to meet those needs. It inspires us, in the name and spirit of Christ to have a concern and a compassion as deep and as wide and as far-reaching as humanity.

The ciruclation of the Biblical Recorder varies from week to week. Recently it has been running between 35 and 40 thousand copies per week. This is the largest circulation the Recorder has had, but it deserves a much larger circulation. For North Carolina Baptists there is no better religious periodical. It is worthy of your support and your reading. The best method of subscribing is the Church Budget or every family plan. For ten cents the Recorder will go into a home each week for a whole month. If there are fifty resident families in your church, the Recorder will go into every home, every week, for a whole month, for five dollars. Where else could you get so much for so little? Put the Biblical Recorder in your church budget and send it into every home represented in your membership.

33. On motion the report was adopted.

34. M. A. Huggins, State Secretary, addressed the Association

on the statewide work.

35. Announcement regarding lunch by Rev. W. C. Francis, host pastor.

36. At this time Dr. F. O. Mixon, pastor Tabernacle Church, Raleigh, brought a doctrinal message using as his text Psalms 55:23.

38. **Report on Christian Education by F. T. Johnson:**

Baptists believe in education. Our Great Teacher said, "You shall know the truth, and the truth shall make you free." Education, is, in part at least, a quest for the truth. We have nothing to fear from the truth. "Education" stems from two Latin words meaning to "lead out". The implication, etomologically, is that we need to be led from narrowness and provincialism and a lack of knowledge, into a broadness of understanding and a fullness of living which we might best describe in the familiar term, "abundant life".

We have recognized that the education of the head, the impartation of factual knowledge, the sharpening of the intellect, is not enough. Man is more than head or intellect; he is a creature of heart and soul and emotions and feeling and will. The sharpening of the intellectual faculties may be our undoing, unless, at the same time, we can broaden the sympathies, kindle the emotions, give validity to ideals, and direction to the will. At the heart of all our endeavor there must be a center from which we go and to which we come. That central point of reference we believe to be found in the word CHRISTIAN.

Education must be more than the dead hand of the past, more than the sum of all catalogued knowledge from the beginnings to this present year in this century. All the findings of scientific laboratories have not been able to answer the deepest questions of the human soul. We affirm that there is truth that cannot be weighed in scientific laboratories nor measured in test tubes. The questions that haunt us with their urgency can be answered only in the creative realm of faith and belief. We believe that CHRISTIANITY is THE creative force in the world, that it gives meaning to the haunting mysteries of life. By determining life's philosophy and defining its goal Christianity gives meaning and purpose to life. Few people pass through adolescence without being challenged with such thoughts as, What does life mean? Why am I here? what is worth while? To what shall I give my time, my enthusiasms, my energies? G. K. Chesterton said,, "The most important thing about man is the kind of philosophy he keeps." With that we heartily agree. And old maxim of education said, "Education is power." But power, misguided and misdirected and not devoted to goals worthy of man at his best can be as destructive of human values as atomic energy in the hands of mad men.

North Carolina Baptists support four Junior Colleges and two senior colleges, Meredith for women, and Wake Forest, until recent years for men, but now co-educational. These schools are full of students, with more knocking for admittance than there are facilities to care for Last year the churches of our association gave in designated contributions for the support of these schools $3,284.49. The cooperative program gifts apportioned to these schools is not known to your committee. These schools have proved their worth and are deserving of larger support than we give them. We should

pledge anew more support to all our schools than we have given in the past. We feel that considerable progress has been made in Christian education in our state in the removal of Wake Forest College to Winston-Salem. Wake is the the senior Baptist College in the state and if the cause of Christian education is to go forward the plant must be enlarged and the curricula broadened so that no boy or girl will feel any reluctance in entering.

39. The Moderator recognized Mr. Claude M. Gaddy, Executive Secretary of the North Carolina Baptist Educational Council, who discussed the report and the work in the state. Mr. Gaddy in turn presented Rev. Everett Miller, Field Representative of Meredith college who discussed the work at Meredith and on motion the report was adopted.

40. Report on B. T. U. by L. H. Sawyer:

Someone has well said, "Plenty of folks have a good aim in life, but a lot of them never pull the trigger." How true this is in regard to the Post War Training Union work in the Chowan Association. Many pastors and laymen have a good aim, but only a few have been willing to pull the trigger, and capitalize on the opportunities this period is offering. Surely this is true as only about 10 of the 60 churches in the Association sponsor some phase of Training Union work—50 churches without any work at all. In those 10 churches with Training Union work there are only about 30 unions—an average of 3 units per church. The enrollment is about 500 against a church membership of about 14,000, or 15,000 which means less than 4 per cent of the church members in the Chowan Association are enrolled in Training Union work. Do we, the Baptists of the Chowan Association, believe in the program of Jesus Christ? He trained, why not we?

Therefore, may I present some resolutions to be accepted by the Association, any may they be put into immediate action.
Resolved:

1. That the pastors of the Association pledge their support to this great work of training, and pull the trigger in each of their churches, and start some form of Training Union work.
2. That the Associational Training officers be specialists in their fields of work, and put on a promotional program in their departments.
3. That the local Training Union workers and members pledge their loyal support and co-operation to all local, associational, and state work.
4. That the members of each church in the Association become more conscious of the need of this department of work, and help in any way they can.

41. Brother Sawyer's discussion was in the form of an illustrated lecture and the report was on motion adopted.

42. Report on Baptist Brotherhood by J. H. LeRoy:

Although the Laymen's Missionary Movement was launched through action of the Southern Baptist Convention in 1907, the Brotherhood now conceived and promoted actually dates from 1926, when, by action of the Convention, the title was changed from Laymen's Missionary Movement to the Baptist Brotherhood of the South. It was in that year that the decision was made to include the entire denominational program in the Brotherhood objectives rather than restricting it to missions. So, in reality, the Brotherhood is only 20 years old, and, therefore, the youngest agency of the Southern Baptist Convention.

The development of Brotherhood movement, generally speaking, has been phenominal until it was retarded by the war. From

a few scattered organizations, there are now functioning Brotherhoods in more than 3,000 churches, and the enrollment within these Brotherhoods is well above 100,000 men. Of course, this does not mean that only 100,000 men have been enlisted

The movement was in its infancy in the Chowan Association at the outbreak of the war. The rationing of gasoline and the ban on meetings caused a cessation of most of its activities during the war. Some very interesting and inspirational meetings were held at Shiloh, Sawyer's Creek, Berea, Corinth, Hertford and other places, which were well attended and indicated considerable success for the future of the movement. These meetings were generally composed throughout of laymen, which is a part of the plan, and no doubt they will be resumed as soon as a more normal economic situation prevails.

So far as this writer has been able to learn, only Blackwell Memorial and Shiloh have active Brotherhood organizations functioning within their respective churches. Although many other churches took part in these large sectional meetings, I have been unable to learn of continuing activity within the other churches. As a supplement to the usual church program this organization is very interesting and should prove extremely beneficient. It should not be allowed to become just another organization, duplicating present efforts.

In addition to the sectional meetings, conducted by laymen, it is suggested that the Brotherhood should conduct within the church a laymen's revival, which is in reality an effort at reenlistment of all of the male members of the church. Details are described in a pamphlet published by the Brotherhood and distributed from Memphis, Tennessee. It is suggested that such a revival should last not more than 4 nights, accompanied on the last night by a banquet before the meeting and should be conducted entirely by laymen. The talks should not be sermons, but simple, practical, frank addresses, discussing the privileges and possibilities of consecrated enlisted church members.

Of course, a strong Brotherhood should be a real power in any church. The idea seems to be that it should go about promoting the church interest and affairs in a practical businesslike way, and should serve to keep all of the male members of the church interested in its affairs. The sectional meetings have been very much worthwhile. Although I have never attended or known of such a laymen's revival, it is interesting and should be worthwhile.

A strong Baptist Brotherhood might do much to increase the effectiveness of the Christian men in the Chowan Association.

43. The report was on motion adopted.

8. The report on the Baptist Hospital was made by Rev. W. R. Stephens.

The Baptist Hospital

With profound gratitude for the interest North Carolina Baptists have in the care and treatment of the sick and suffering people of our state, we make this report.

Despite the unsettled conditions of our country today, the Baptist Hospital has gone forward in a marvelous way on its God-given mission. Without the cooperation of the members of individual churches from every section of the state, this worthy undertaking would have failed.

The growing interest and liberal response to the Mother's Day offering year by year indicate beyond a doubht that our Baptist people are grateful for what is being accomplished in the ministry of healing.

It is this spirit of cooperation that will solve the problem of enlargement of the Hospital so that more and better service may be rendered.

The Department of Religious Activities at the hospital under efficient, consecrated men is yielding untold blessings to patients and nurses and often is being revealed back in the homes from whence they come.

The increased number on the waiting list should challenge every North Carolina Baptist to rally to this worthy cause of "Healiny Humanity's Hurt" for which Jesus gave so much time and love when "He went about doing good."

9. Brother Stephens introduced Rev. W. K. McGee, chaplain at the hospital in Winston-Salem, who spoke to the report after which it was on motion adopted.

10. At this time the congregation was led by Brother Grissom in singing "All Hail the Power of Jesus Name."

11. The orphanage report was made by Brother W. T. Love.

The Baptist Orphanage

Our theme for this year is, "A Heartening Gospel for a Disheartened World." We should keep that thought foremost in mind, and realize as never before that in God is our only hope and in the comforting, guiding and transforming power of the Gospel is our only solution to world needs and world conditions today.

We, as Christians, must prove this fact to this disheartened world by actually applying the principles of Christianity to all phases of our personal daily living and serving.

We find in this heartening gospel in Ex. 22:23-24 and in James 1:27 the ancient origin and authority for Orphanage work, though it was not called by that name. It dates back to the giving of the Mosaic Law or that part of it known as the Judgments, given by God himself, to govern the social life of Israel.

In supporting our Orphanage, we obey God's command, therefore I take great pleasure in giving this financial report.

Current Fund report is as follows: There are 60 churches in our Association, 8 of which did not contribute. 52 churches contributed $12,513.91, an amount sufficient to support our orphanage for about 25 days.

Our Association has a resident church membership of 12,234 which means approximately $1.00 per person per year or 1-3 of a cent per day.

Our entire state gave $477,700.47. Our Association gave approximately 1-38 of that amount.

There were 19 Honor Roll churches: Berea, Belhaven, Calvary, Coinjock, Ebenezer, Edenton, Elizabeth City First, Eureka, Hertford, Hobbsville, Manteo, Mt. Sinai, Moyock, Poplar Branch, Providence, Ramoth Gilead, Riverside, Roper, Sandy Cross.

Churches ranking highest in total gifts were Edenton, $1,703.56; Elizabeth City First, $1,204.91; Blackwell, $935.00; Rocky Hock, $894.97; Hertford, $690.50. These five churches lacked about $1,100.00 of giving half of the whole amount given by our Association.

To Charity and Children Fund, 35 churches gave $673.75, making a total of 13,187.66 which is the most ever given in one year.

12. Brother Love introduced Dr. I. G. Greer, who gave a discussion of the report.

13. The report on relief and annuity was given by Rev. J. E. Lanier.

Relief and Annuity

The last Southern Baptist Convention year was one of the most prosperous years the Relief and Annuity Board has ever known. Many new members were enrolled in the several plans through which the Board serves our Southern Baptist Constituency. A total of 2,541 new certificates were issued during the past year, bringing the total number of pastors now participating to 10,449 and 12,453 churches.

On January 15, 1947, Dr. Thomas J. Watts, executive secretary of the Relief and Annuity Board for the past nineteen years, retired and Dr. Walter A. Alexander, Associate Secretary, was elevated to this important position. Dr. R. S. Jones was elected Associate Secretary to fill the place made vacant by Dr. Alexanders promotion.

Since the first retirement under the Minister's Retirement Plan, some 1,300 pastors have become eligible to retire. Less than 58 per cent of them have done so, however, and the average age of the 747 now retired was a fraction under 70 years at the time of retirement.

We call attention, especially of the young men, to the Widows Supplement Plan. At the beginning of the year 1947, twelve states

were participating in the plan. It is expected that this plan will be operating in all the states of the convention at an early date.

The needs in the Relief Department of the Board are greatly increasing, owing to the increased cost of living. There are 1,300 on the relief roll. This group is composed principally of ministers and the widows of ministers, who were not eligible to enroll in the Ministers Retirement Plan when it was first put in operation. The average monthly check received by these beneficiaries is the pitiful sum of $12.50. Denominational self-respect demands that we do more, if we do anything at all. The calendar of denominational activities of the Southern Baptist Convention calls for an offering during April for relief work. We urge all our churches to take an offering some time during the year for the Board's Relief Work, that these heroes of the cross may not suffer.

How does the Chowan Association stand in the Minister's Retirement Plan? There are sixty churches in the Association, sixteen of these are enrolled in our state plan. Of the pastors eight of the twenty-three are members. Only three are in the Widows Supplement Plan.

We recommend that all the churches of the Association enroll in this work at once for their own protection and the best interest of their pastors.

We urge the pastors to become members of the Age Annuity Plan without delay thus providing security that you may need at any time for yourselves and families.

14. The report was discussed by Brother Lanier and was on motion adopted.

15. At this time the host pastor made announcements concerning lunch and Brother Grissom led in singing "Draw Me Nearer" after which the annual sermon was preached by Rev. R. N. Carroll—text I Cor. 15:1. At the close of the sermon Brother Carroll closed the morning session with prayer.

Afternoon Session, September 23

16. After the congregation sang "Stand Up for Jesus" Rev. Harry F. Bean led the afternoon devotional.

17. The report on State Missions was made by Rev. Frank B. Dinwiddie.

State Missions

Many regard as axiomatic the principle that the chief source of strength of a religious denomination lies in its rural work. N. C. Baptists, through their State Missions, continue to develop their

strength in rural and other undeveloped areas by means which, in the year past, have included the following.

1. The continued full-time employment of three general missionaries, Earle L. Bradley, J. C. Pipes, and E. T. Spivey, who through a variety of activities reach, establish, and train many people in unchurched districts.

2. The expanding program of pastor training at Fruitland and in briefer sessions elsewhere in the state, for pastors already serving many rural, mission, and mountain churches.

3. The partial support of 72 missionary pastors, serving 111 churches which are partly self-supporting. From this investment was harvested, during the year, 1365 conversions, 1072 baptisms, 1922 additions in all, and $155,490 contributed for all causes.

4. The purchase of lots in new developments, industrial communities and other strategic areas, for the purpose of building churches thereon. $100,000 a year, if made available, could be used profitably to stimulate the erection of new buildings.

5. The continued appropriation and use of $2400 yearly, giving aid to 1,711 Negro Churches of the General Baptist State Convention, in building a cooperative program, and in training their leaders.

6. Continued work among the Indians, who reported over 100 conversions during the year from the Burnt Swamp Association.

7. Ministering to Veterans at Oteen, and to patients at the Sanatoriums at Aberdeen and Black Mountain.

8. Promoting an expanding program of dissemination of the Gospel through Visual Aids and the Radio.

In order to perform its share in carrying out these objectives in the future, every pastor, teacher and youth leader of the Chowan Association should seek fervently to enbue our youth, and especially the young men, with a self-denying missionary passion, so that many of real ability will count it an honor to serve in the remote, the isolated and the underprivileged districts of our state; so that the roots of our Baptist strength may spread, and never wither away.

18. After a brief discussion of the report by Brother Dinwiddie it was on motion adopted.

19. The Moderator made announcements concerning the coming campaign for Wake Forest College.

20. The report on Home Missions was made by Rev. Lee A. Phillips.

Home Missions

The Home Mission Board with headquarters in Atlanta, Ga., is the agency through which Southern Baptists are undertaking to carry out God's purpose of redemption in the homeland. Dr. J. B. Lawrence is the Executive Secretary-Treasurer.

During the year 1946, the Lord richly blessed the missionaries in every field. The Home Mission Board has 587 churches and Missions. At this time there are 702 missionaries and workers. There were 10,929 additions to the churches and 58,524 sermons and addresses delivered. In addition to this there were 255,546 persons contacted by personal work and 2,066,010 pages of tracts distributed. In all there were 16,833 conversions.

The work of the Home Mission Board takes in the following:

Work in Canal Zone and Central America, Cooperative Missions with the Negroes, Education and publicity, conducting schools of Missions, work in the army camps, city missions, work in Cuba, work with the country churches and with the Indians, foreigners and language groups.

All along the Rio Grande in Texas, up into New Mexico, throughout French Louisiana, and over the entire field of Cuba, has gone a spiritual wave of hope, joy and determination to carry on as a result of the Bottoms Trust Fund given several years ago. No one among Southern Baptists has done more for the advancement of the kingdom in the homeland and abroad than Mrs. Ida M. Bottoms of Texarkana, Arkansas.

From the Treasurer's report of the Board increasing receipts are plainly seen. The receipts from all sources (1945) were $1,408,-214.60. There has been a substantial increase in 1946 and 1947.

The work the Home Mission Board is doing is just as essential in bringing the kingdom of God as it has ever been. In fact, along with the other agencies of the denomination, the task is larger, more difficult and more important than it has ever been before. This being true, and in the light of world conditions and movements, we do well to make a new appraisal of the Home Mission task and evaluate anew the importance of Missions in the homeland.

21. After discussion by Brother Phillips the report was adopted.

22. The report on Foreign Missions was made by Rev. W. C. Francis.

Foreign Missions

The Foreign Mission Board of the Southern Baptist Convention, in its one-hundred-and-second year, faces the most significant opportunities of its history. Appalling world needs, material and spiritual, constitute a tremendous challenge to Southern Baptists.

In the order of occupation, Southern Baptists have entered China, Nigeria, Italy, Mexico, Brazil, Japan, Argentina, Uraguay, Chile, Palestine-Syria, Spain, Romania, Hungary, Yugoslavia Manchuria, Hawaii, Columbia, Paraguay, and, early this year, the Gold Coast, West Africa. They have also arranged to enter Guatemala and Honduras, which for the time will be regarded as part of our Mexico

work, directed by national Baptist leaders.

The Foreign Mission Board has already designated the Hadhramaut in South Arabia as a field to be occupied when a medical missionary couple can be secured. There are vast possibilities in that area, especially in the field of medical missions.

We have 624 missionaries in active service. Of this number 56 were appointed at the April semiannual meeting of the Board and two more in May. Sixty missionaries were appointed last year. Even with these additional recruits, we have only one foreign missionary to approximately 10,000 Southern Baptists.

An encouraging feature of missionary effort is the development of national leadership in practically all mission fields. Messages have been received in recent weeks concerning bountiful evanglistic harvests. In Romania, for instance, hundreds are confessing Christ and following him in baptism and Baptists in that land have more freedom in worship and in propagating their faith than was ever accorded them before the recognition of Baptists as a historic cult.

From Spain Missionary John Hughey writes that evangelical Christians are manifesting unusual interest and enthusiasm. From all of our mission fields come gratifying reports of evangelistic zeal, although our comrades in service in those lands are beset on every side by adversaries. Within recent days the way has been opened for the representatives of our Board to re-enter Japan.

The appropriations of the Foreign Board for current missionary work this year total $2,276,000, an increase of approximately $600,000 over last year. This increase was due largely to inflation in most areas of the Board's work. We must not overlook the fact, too, that with a net increase of approximately 62 missionaries, long-range provision must be made not only for their salaries year by year, but for hospitals and equipment, training schools, and missionary residences.

Isn't it time that we were getting a conscience on scriptural stewardship and measure our giving in terms of God's world purposes and program and not in trms of selfish desire and personal comfort? May God help us to see the world through the eyes of Christ.

Our people responded last year in a gratifying way to th appeal of relief and rehabilitation. The goal was $3,500,000; the cash receipts totaled almost $4,000,000. From every mission field devastated by war have come messages of grateful appreciation. Thousands of lives have already been saved and our mission work set forward in a great way. Chinese Baptist leaders tell us that their churches and missions have been strengthened immeasurably by the aid received from Southern Baptists.

It is heartening to know that during the war not one church, so far as we have learned, discontinued its work and worship even though church buildings were destroyed. Relief must be continued as multitudes in war-devastated lands will die this year of starvation

unless relief is sent continually. Government relief appropriations must be supplemented by the gifts of God's people who follow the New Testament pattern of ministry to the needy.

The Commission, the world mission journal published by the Foreign Mission Board, continues to grow in circulation. Already the 90,000 mark has been reacned, with every indication that the goal of 100,000 will be attained within the next year. Every Baptist home should have first the Baptist state paper, and after that, the two Southwide missionary periodicals, *The Commission* and *Southern Baptist Home Missions.*

23. Brother Francis presented M. A. Huggins who gave a discussion of the report and it was on motion adopted.

24. After the singing of "Trust and Obey" by the congregation Hon. J. M. Broughton, former Governor of North Carolina, addressed the Association on "World Community." He was introduced by R. L. Garrett.

25. The afternoon session was closed with prayer by Rev. Jimmie Hayes, a visiting minister engaged in a revival in the Hertford Church.

Morning Session, September 24

26. The hymns, "Sweet By and By" and "Love Lifted Me", were sung by the congregation after which Rev. G. M. Singletary led the morning devotions.

27. The report on Christian Education was made by Brother W. W. Finlator.

Christian Education

In one sense there is no "Christian education." Chemistry is no more Christian than it is Bhuddist. The mutiplication table is just as Mohammedan as it is Christian. Latin may be mastered just as effectively by Hindu students in Calcutta as by candidates for the ministry in a Christian College in America. Knowledge and learning, then, are no requisites of religions. No faith has a corner on either.

In another sense, however, all *true* learning is ultimately Christian. Stanley Jones, noted Methodist Missionary, has demonstrated how all the organs of the human body, heart, liver, lungs, etc., are basically Christian organs, and insure health and well-being just so long as they are allowed to function Christianly. From the pioneer astronomer turning from his primitive telescope and whispering "O God, I am but thinking Thy thoughts after Thee" to the modern physicist discovering spirit in solid matter and divine mystery beyond crass materialism the thoughful believer in our Saviour

has seen not only the handiwork of a God but of the God revealed to us in Christ Jesus.

We insist, therefore, that chemistry, biology, mathematics may safely as well as truthfully be taught only by the Christian chemist, the Christian biologist and the Christian mathematician. The know-how of atomic energy taught by pagan professors to pagan students, whether American or Russian, is a case in point. It is only when we abide in His word that knowing the truth shall make us free.

Today Christian education in America must set its face steadfastly to advance against three foes: (1) increasing secularization of all learning, and (2) subsidization of parochial schools by the Federal Government, and (3) the rise of quasi-religions. By secularization we understand the trend to believe in the all-sufficiency of man to work out his earthly salvation by enlightenment and knowledge with no reliance upon or reverence for the God of the New Testament. By subsidization of parochial schools we understand the demand, now meeting with current success, of religious leaders, and particularly Roman Catholic religious leaders, that our government violate the Constitutional guarantee of separation of Church and State to the extent of providing funds in ever-increasing amounts to maintain parochial or church-supported schools. By the rise of quasi-religions we understand the false gods of communism and fascism who come only when the God of the New Testament has been deserted and Christianity forsaken. Baptists must fight the good fight of historic resistance to these foes *now*.

Finally we pledge ourselves anew today to the intelligent and financial support of our denominational institutions of learning. We have done so little for them in the past, their glorious services in every area of our denomination life and the current pressing enemies to the things we hold so dear awaken at once our shame, our gratitude and our deep resolve to give them our best and our most.

28. The report was discussed in an address by Dr. J. Allen Easley of the Bible Department of Wake Forest College and was on motion adopted.

29. The report on temperance was made by Rev. R. E. Ferguson.

Temperance

Direct from the record, compiled in December 1946, we find the case to be as follows:

(a) Drunkenness increased from 1,019 per 100,000 in 1932 (the last prohibition year) to 2,000 per 100,000 in 1945.

(b) Convictions within the courts increased from 55,000 annually during dry years to 81,000 for the last pre-war year.

(c) Saloons have increased until there are 407,000 in the United

States, with package stores outnumbering churches and schools.

(d) Liquor monopolies and consolidations have been allowed to gain such strength as to dictate government policies, and liquor advertising has become a major industry, subsidizing much of the public press, the radio, and the screen.

(e) There are today more bar maids than college girls, and traceable directly to intoxicants are 60 suicides every twenty-four hours, a murder every forty minutes, and a major crime every forty-two seconds.

Here are some suggestions: That we

(a) Call our people to a strict observance of temperance and urge our churches to promote total abstinence as the ideal for all Christians.

(b) Publicly reaffirm the Baptist position, recognized in our church covenant, that the sale and use of beverage liquors are against the morals of the nation and against Christian progress.

(c) Urge upon all ministers the importance of stating clearly their position in favor of temperance.

(d) Give full support to dry forces, such as the Allied Church League, or other approved organizations in our state or nation.

(e) Urge the Sunday School Board to continue its emphasis on regular temperance lessons, and to make available for teachers with each temperance lesson more concrete information on conditions, tendencies, gains and losses in the struggle for a sober nation.

30. Discussion of the report was by Mr. L. A. Martin, secretary of the Allied Church League of North Carolina, and it was adopted.

31. The report on religious literature was made by Charles W. Duling.

Religious Literature

"Give heed to reading" is a New Testament injunction we do well to consider. "The soul is dyed by its thoughts", and the things read have much to do with furnishing the mind and directing the thoughts. Daily newspapers, popular magazines and current best sellers do not furnish us with large amounts of "Whatsoever things are true, . . honest . . just, . . pure . lovely . . of good report."

Baptists have been mindful of the power of the printed page and have seen to it that we have a publishing house whose business it is to "publish abroad" the Word of Life. Our Sunday School Board publishes quarterlies and lesson helps for all classes and all ages in our Sunday Schools, it publishes study course book for our Sunday Schools and Training Unions, as well as lesson helps and program material. A new magazine, "HOME LIFE," has recently made its appearance. This magazine, as the name implies, is dedicated to

the home, and has for its purpose the strengthening of the home. Your committee commends HOME LIFE, and suggests that through our Sunday Schools and otherwise we assist in giving it as wide a reading as we can.

The WMU publishes four magazines: 1) Royal Service, for all WMS members, 2) World Comrades, for G.A.'s and Sunbeams, 3) The Window, for Y.W.A.'s, and 4) Ambassador Life, for R.A.'s. All these publications are heartily commended.

In our own state there is The Biblical Recorder which is reaching an ever widening circle of readers. It now has the largest circulation it has ever had—and we hope the largest number of readers. This large circulation is brought about by the "Family Plan" whereby the church sends the Recorder to every resident in the church at $1.20 a year per subscription. This committee recommends that plan. If all Baptist families took this paper and read it, we would have better Baptists, better Christians, and stronger churches. "Give heed to reading".

32. The report was adopted without discussion.

33. The report on Sunday Schools was made by Rev. W. V. Carroll.

Sunday Schools

The Associational Sunday School Superintendent wishes to express his deep appreciation to the Associational Sunday School Officers, the Sunday School superintendents, the pastors, our State Sunday School secretary, our Southern Baptist Sunday School Board, and all who have cooperated in pushing our Sunday School work for our Lord and Saviour.

There are 60 churches in our Association and 54 Sunday Schools. There are nearly 15,000 church members, and the Sunday School enrollment is only about 8,400, of which only about 5,500 are of our church membership. So only a third of our total church membership is enrolled in our Sunday Schools. This ought to be disturbing.

We don't know how many training courses were held. Corinth and Reynoldson have become Standard schools. That is something to be proud of. There are about four or five others that lack just one point of being standard.

We have had a wonderful record breaking number of Vacation Bible Schools this year, the number being 35. Great credit goes to our Associational Missionary, Brother Brooks.

Twelve monthly Associational Sunday Schol reports have been sent to Raleigh and Nashville. We have had four Associational Sunday School meetings. In August we had a Sunday School banquet with Brethren J. N. Barnette and A. V. Washburn from our Nashville Sunday School Board present. They were also with us in our Associational Sunday School meeting the following day.

These were highlights in our work.

Now we are starting another year. We covet your good cooperation. We plead with you to go back home and put on training courses for your teachers and to enlist more of that great host of unenlisted and evangelize the lost. Do it because you love the Lord.

One of the outstanding things that is to happen in our Association this new year is the coming of our State Sunday School Secretary, Brother L. L. Morgan, to us sometime next spring to put on some kind of a Sunday School program that will bless our whole Association.

Let us rededicate our all to the good Lord for the great work that is before us.

34. Brother Carroll introduced Rev. L. L. Morgan, Director of the Sunday School Division of the State Board, who spoke to the report, and it was on motion adopted.

35. Brother Grissom led in singing "I Need Thee Every Hour."

36. Brother D. P. Brooks, Associational Missionary, made a report of his work to the Association.

Associational Missions

A brief summary of the achievements of our program of Associational Missions for the year gives reason for joy and gratitude. There were three Association-wide projects during the year. Outstanding among these was Mission Emphasis Week, with a total attendance of 2500. Cooperation was exceptionally good considering that this was our first simultaneous effort. Attendance averaged 500 per night. The messages were excellent, interest was keen, and financial support was adequate. The contagious faith and missionary zeal of these men kindled sparks which may well mean a new and continuing interest in Foreign Missions and better support of our mission program. We are grateful for this fruitful week.

A second project involving all the churches was the banquet-meeting of pastors and deacons at the Blackwell Memorial church. About 200 key men shared the fellowship and inspiration of this meeting, with our Executive Secretary, Mr. M. A. Huggins, as the chief speaker.

A third association-wide effort was the two Vacation School conferences held on successive days at Shiloh and Hertford. Interest and enthusiasm were contagious. More and better Bible Schools were the aims of these meetings. The record of our Association in Bible School work for the summer speaks for the effectiveness of these two conferences.

In addition to these co-operative efforts progress is seen in the following: Bible Schools increased from 24 to 34; Training

Unions were started in 8 new churches; Sunday School training classes increased substantially.

There were 2 new Standard Sunday schools, one coming after the Missionary conducted an Enlargement Campaign in the church.

An increasing number of churches are adopting the unified budget plan of church finance. The Missionary counts this one of the permanent achievements destined to bear increasing blessings to the churches and the denomination.

Pastorless churches have received help in pulpit supply, counsel, and information regarding prospective pastors.

The bi-monthly bulletin, *The Chowan Challenge,* has carried news of the churches and reported denominational programs and aims.

A statistical summary of the activities of the missionary shows the following: sermons, 89; study courses, 8; revivals, 3; conversions, 31; enlargement campaigns, 3; Vacation Bible schools conducted, 3 (with summer worker serving in 3 more); many individual and group conferences; travelled 13,725 miles.

Challenging Goals for 1947-48

1. A great Sunday School Enlargement Campaign in March, with State and southwide workers assisting.
2. Another Mission Emphasis week, this time on Home and State missions, reaching out into every possible church.
3. A large increase in Sunday School and Training Union study courses.
4. A continuous effort to get every part-time church into a natural field with a resident pastor.
5. Encouragement and assistance to every church to adopt a worthy financial program and to support the pastor adequately.

Continued cooperative work at our task in the Chowan Association will be fruitful in strengthened churches, enriched Christian fellowship, numerical growth, more effective teaching, larger giving, people won to Christ. May every church have a worthy part in this kingdom work. "Let us not be weary in well doing: for in due season we shall reap, if we faint not" (Galatians 6:9).

37. Mrs. T. Sloane Guy, Associational W. M. U. Superintendent, made her report on the work of the W. M. U.

Woman's Missionary Union

In presenting a report on this part of the work of our churches, it is with joy that we can tell you that the W. M. U. of our Association joined the very special group of six A1 Associations in the state last year. Attaining this standard was easy to do, and was not done as a set goal, but through the earnest, prayerful work of each

woman during the year, and came as a result of that work.

Another very successful effort was the first Divisional Jr. GA, and RA Camp which was sponsored by the W. M. U. of the Chowan and West Chowan which was held at Manteo, using the 4H Club Quarters. There was a total attendance of 109, 64 being from our Association. We are indebted to each one who gave so freely of their time and labor in the interest of the girls and boys who attended this camp.

The total gifts reported for the year were $18,357.81. This was quite an increase over the previous year.

Our annual meeting was held at Salem where every detail had been planned with care, and greatly contributed to our comfort and enjoyment. The attendance was large and the messages brought by our state President, Mrs. J. S. Farmer and Miss Vivian Nowell will continue to be an inspiration to all who heard them.

During the year, your Superintendent has attended all the county meetings with the exception of one, attended the Divisional meeting in October, the state conference in Raleigh, the Divisional and Associational plan meetings in January, the state meeting in Asheville, and various other meetings, having traveled a total of 1107 miles, written 421 letters and cards, and taught 9 mission study classes.

The next annual meeting will be held with the Reynoldson church on Tuesday after the First Sunday in April, 1948.

38. The report was discussed by Rev. C. W. Duling and on motion adopted.

39. "Amazing Grace" was sung by the congregation after which Dr. Fred A. Brown preached on "The Baptist Message to the Modern World." The three main points of his message were: Regeneration; Competence of the Individual Soul; and the Lordship of Jesus. Dr. Brown made the closing prayer of the morning session.

Afternoon Session, September 24

40. The congregation sang "Glory to His Name" and Rev. W. B. Parken led the afternoon devotions

41. Rev. A. H. Outlaw gave a brief digest of the letters received from the churches. He gave comparative figures showing gains or losses over last year.

Resolutions

Be it resolved:

2. That we thank our Moderator for the excellent manner in which he has presided, and that we recognize the fine and efficient work of our Clerk and thank him.

3. That we heartily thank our Program Committee for the most excellent program.

4. That we express our deep appreciation to all who have taken part on the program. We would like in a special way to thank Brother R. N. Carroll for the very excellent annual sermon

and the distinguished visiting speakers: Brethren W. K. McGee, I. G. Greer, M. A. Huggins, J. M. Broughton, J. Allen Easley, L. A. Martin, L. L. Morgan, Fred Brown, and Robert Lee Humber.

5. That the funds supporting the work of our Clerk be advanced from $50 to $100.

53. On motion the report was accepted.

54. The report on the Baptist Training Union was made by Rev. Harry F. Bean.

Baptist Training Union

A Church, being a living organism, must grow. It is very similar to plant life in its growth, for it depends upon atmosphere and nurture.

Jesus spent much time in training when He started to grow a Church. It was a prolonged course, pursued as He spent most of His earthly ministry in training only a small group.

Then, as we try to grow Churches here in the Chowan Association, we, too, must spend much time in training. It is therefore necessary that a continuous program of training be carried on in order that the members of our Churches may be developed and groomed for leadership. Only thus can we provide the necessary atmosphere and nurture for growth.

Let us take a look, for a moment, at Training Union work in our own Association, and see where we stand in this vital matter of providing necessary training. (The facts are compiled from only 54 letters from the 60 churches for the year just closed, and may therefore be slightly inaccurate.) There are a total of 43 Unions, which are scattered through 14 churches. These Unions are divided as follows: 7 Adult Unions; 7 Young People's Unions; 11 Intermediate Unions; 10 Junior Unions; and 7 Story Hour Unions. This is a fine record when compared with the fact that the number of churches having Unions has almost doubled since last year's report was made—6 churches having formed Unions. However, surely when we compare the 14 churches having Unions with the 46 not having any Training Union work at all, we should be very much troubled and ashamed.

It may be interesting and encouraging to the rural churches to note that the two largest and most active groups of Unions are in the purely rural areas—Shiloh having an enrolment of 135, with two Adult and 1 each of all other Unions through the Story Hour, and Sawyer's Creek having 1 Union each Adult through Story Hour with a total enrolment of 99. Again, it may be encouraging to the smaller churches to realize that Swan Quarter, with a total church membership of only 46, has a Junior Union with 23 members enrolled. It is not necessary to have a large enrolment to have Training Unions in any church, for the membership of at least one Intermediate Union

is only 6, and of one Story Hour only 5. All of which should add up to the fact that *every* church can and should have a Training Union, even if all Departments cannot be organized. It is even possible, though not recommended if it can be helped, to follow the example of one of the largest churches in combining two age groups into a single Union.

As we face this year of unexcelled needs and opportunities together, your Director urges most sincerely that every pastor and church leader take courage and attempt the organization of as many Training Unions as the presence of potential members in the church and community makes possible.

55. The Nominating Committee submitted its report.

ARTICLE 2. This body shall be composed of white messengers, elected annually by the churches connected with it, all ordained ministers, who are members of, or are laboring in connection with the churches. Each church shall be entitled to three messengers, and in addition thereto one messenger for each hundred members in excess of one hundred. All members of standing committees and other officers of the Association shall be ex-officio members of the Association.

ARTICLE 3. The Association shall have no control over the churches other than the right to inquire into their condition, advise them in matters of difficulty, to withdraw its fellowship from such as may be corrupt in doctrine or practice, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible. The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

ARTICLE 4. The Association shall have the following officers; A Moderator, a Vice Moderator, Clerk-Treasurer, Asst. Clerk-Treasurer, Auditor, Associational Sunday School Superintendent, and Associational Training Union Director, who shall be elected annually, and whose duties shall be those usually required of such officers.

Any regular Baptist church may be admitted to membership in the Association upon application, and with the proper credentials, and a majority vote of the messengers present and the membership of any church in the Association may be terminated who shall fail to send messenger or letter for two successive sessions of the Association or upon application for dismissal.

ARTICLE 6. It shall be the duty of the churches to correspond annually with the Association by letter and messenger and give not only full statistical information, but also facts concerning their general welfare; and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters in the hands of the Clerk not less than two weeks before the meeting of the Association.

ARTICLE 7. The Association shall furnish the churches with a number of printed minutes within a reasonable time after each session in proportion to the money contributed by each church to defray the expenses of the Association. The Associational year shall end on August 31.

ARTICLE 8. The Association shall elect annually an Executive

Committee of seven members, the officers of the Association being members ex-officio whose duty it shall be to transact whatever business may require attention between sessions of the Association, and to confer with the churches of the Association which may be in need of assistance. The Executive Committee shall use whatever means there may be at their disposal to promote the Kingdom enterprises within the Association and shall have authority to change the time and place for the meeting of the Association whenever it may seem wise and desirable to do so, giving public notice of such change at the earliest opportunity. The Committee shall hold at least two meetings a year, in June and December, and render a written report to the annual sessions of this body.

10. Report on the Baptist Orphanage was made by Bro. W. J. Berryman.

REPORT ON BAPTIST ORPHANAGE

It is absolutely impossible to write even a fair summary of the work done by our Baptist Orphanage Homes in a three hundred word report, and I do not care to undertake the impossible. Eternity alone will reveal the full measure of service rendered by these homes of homeless and helpless children.

Baptists have contributed hundreds of thousands of dollars to the building and maintaining these homes, and have fed, clothed, taught and trained thousands of boys and girls for places of responsibility in society. Many of these have attained to places of honor and distinction, and for this we rejoice. But dollars and buildings, food, clothes, teaching and preparation for and actually holding positions of trust and honor are things of little worth alongside the Spiritual training and values which cannot be appraised this side the coming of Christ to judge the nations. But "hidden things shall be revealed" when Christ the righteous judge shall say: "Come ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world: For I was an hungered and ye gave me meat: I was thirsty and ye gave me drink; I was a stranger and ye took me in; Naked and ye clothed me; I was sick and ye visited me; I was in prison and ye came unto me. Then shall the righteous answer Him, Lord, when saw we thee an hungered, or thirsty, or naked, or a stranger, or sick, or in prison, and ministered unto thee? And the King shall answer and say unto them, Verily I say unto, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

When we contribute to "these His brethren" we invest in securities that shall pay dividends of happiness through all eternity.

Respectfully submitted,
W. J. Berryman

Bro. Berryman introduced Bro. W. C. Reed of the Or-

phanage, who made a very interesting talk on the work. After which the report on motion was adopted.

11. Submitted by Dr. I. A. Ward.

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL

Our North Carolina Baptist Hospital at Winston-Salem administers to the sick from all parts of our state.

From among those of limited means, twenty-six thousand visits were made to the Out-patient department for examination, diagnosis, and treatment last year. Of this large number, there was room for only about one-fourth of them to be treated in the hospital as bed patients. Money is now being raised to build a new enlarged hospital.

As the services of our hospital have grown, the Mothers' Day Offering from our churches and Sunday Schools likewise have grown. Those offering are all used to help pay the cost of caring for those who receive this administry and do not have the money to pay the total cost themselves. The calls for help are far beyond the means of our hospital to supply, however. We hope the Mothers' Day Offering will continue to grow in churches in order that our hospital may provide more service for more people.

Our Baptist Hospital and Bowman Gray School of Medicine of Wake Forest College provide training for young women and young men who are called into the fields of nursing and medicine. With the facilities available in a great hospital and medical school such as we have, there is offered a quality of training which is not generally available. A number of those now in training there are preparing for medical mission work. We urge fine young men and women from our Baptist Churches who are interested in these important fields of service to consider going there for their training.

North Carolina Baptists have developed an outstanding medical center. It is for its administry to those with little money that we appeal to the Churches of our Association to give generously on Mothers' Day.

Respectfully submitted,
I. A. Ward

After a general and very interesting discussion by Bro. Oscar Creech, the report was upon motion adopted.

12. Bro. J. R. Byerly makes report on Relief and Annuity.

REPORT ON RELIEF AND ANNUITY

The Relief and Annuity Board of the Southern Baptist Convention is in its thirty-first year of service, having been organized July 31, 1918. Total assets of the Board as of December 31, 1947, were almost 13 million dollars. 1947 was a good year. 2949 new certificates were issued, bringing the total certificates in the

Ministers Retirement Plan to 11,175. There are 10,649 more certificates in other plans of the Board, bringing the total number of certificates to 21,824. More than 13,000 churches, boards, and institutions cooperate in building a strong denominational house of security for denominational workers.

The Relief and Annuity Board lives to serve. Last year $221,000 was disbursed to 1,336 relief beneficiaries, and $962,000 to 1,951 beneficiaries of the various plans, making the total benefits paid $1,183,676.19. In the 30 years of the Board's existence, more than three million dollars has been disbursed in relief grants, and more than six million dollars in annuity benefits, making some ten million dollars in all.

Requests for relief grants are many. With only thirteen million dollars capital assets only the most urgent of these requests can be met. In 1947 the number of beneficiaries of the relief department increased to 1,336.

What benefits are North Carolina Baptists receiving? According to a statement released by the Board last September 30, a total of $88,682.49 was paid relief benefits and annuities to 316 aged and disabled ministers, their widows and orphans.

About 800 of our 2700 churches in North Carolina participate in The Ministers Retirement Plan and The Widows Supplementary Annuity Plan. These plans are commended to all our churches.

Respectfully submitted,

J. R. Byerley,

The report was discussed by Bro. Earle Bradley of the State Mission Board, and upon motion was adopted.

16. Report on State Missions was made by Bro. J. E. Lanier.

REPORT ON STATE MISSIONS

The aim or purpose of State Missions is a three fold one. In

the first place, those activities are promoted which develop a Christian state, and evangelism and training. Winning the lost to Christ and teaching the fundamentals that develop Christian citizenship. In the second place an aggressive State Mission program is essential to the growth of the denomination and to strengthening its morale. In the third place all missions, state, home and foreign, all denominational schools, colleges and seminaries, and all benevolent agencies depend upon State Missions as their base of support. For example, through state missions people are won to Christ, these establish churches and the membership trained. As the churches grow and their members are informed, they in turn support not alone state missions but through the Baptist program all missions, all denominational education and all benevolences.

There are three main divisions of the ministeries through State Missions.

1. Grants of money to purchase new church lots, aid missionary pastors, assist the Negro Convention, give support to the Allied Church League.

2. Special ministries, under this head are—two summer assemblies, two Baptist Book Stores, work among the people, work in hospitals and other institutions, and to assist Indian Associations.

3. Ministry to the churches. These are, department of Sunday Schools, department of training unions, department of student work, visual aid and radio, summer student program, department of Evangelism, department of rural church work, Baptist brotherhood and schools for pastors and deacons.

To operate these 19 different activities through State Missions, you will agree that it is a big program and that much money is required to carry it on. Our general secretary of the Baptist State Convention, Mr. M. A. Huggins, has set $200,000. as a state goal for the special state mission offering to be made during September and October. This is to be raised through the churches, Sunday Schools and Woman's Missionary Societies.

The calls that come are many, opportunities are great and multiplying. What shall we as Baptists do about it?

Respectfully submitted,
John E. Lanier

17. Report on Home Missions made by Bro. Horace G. Thompson.

REPORT ON HOME MISSIONS

The subject of Home Missions brings to each of us a challenge which lies in the fact that after years of progress our land is far from being all Christian. Many, many of our people even yet

do not know the Living Christ. What opportunities and what responsibilities this branch of our work brings to you and me.

The Home Mission Board has its headquarters in Atlanta, Ga., with Dr. J. B. Lawrence as the secretary. The purpose of this Board is to evangelize the homeland. Through this Board we lift up Christ among the Indians, the foreigners, Negroes, the underprivileged in cities and congested industrial centers of large cities, and in Cuba and Panama. In some of our most difficult fields all along the Rio Grande in Texas, up into New Mexico, throughout French Louisiana, and over the entire field in Cuba there has gone a spiritual wave. No one among Southern Baptists has done more for the progress of the kingdom in the homeland and abroad than Mrs. Ida M. Battom, of Texarkana, Ark.

From year to year the Woman's Missionary Union has shown increasing interest in Home Missions. Their prayers have encircled the millions of lost souls in the homeland and abroad. Their gifts have maintained hundreds of missionaries in the field. Year by year the gifts have increased. In 1947 the Union gave the glorious sum of $946,036.93.

The Home Mission Board is now supporting 720 missionaries. One of the most prosperous years the Board has had in its history was 1947. Thirteen mission chapels and pastors' homes were built, and seven new mission stations opened. Many tracts and Bibles have been distributed, and over 250 thousand visited and talked to about their soul's salvation. Almost two thousand mission vacation schools held and many new churches organized. Financially there has been continued progress. From all sources the Board has received in 1947 $1,691,926.41. The Board is running on a strictly cash basis and in keeping with its budget.

The magazine "Southern Baptist Home Missions," is the most authentic source of full information on Home Mission work. It can be had for only twenty-five cents a year.

In spite of all the efforts in the past years there are yet more than 35,000,000 people in the homeland, Cuba, Panama, the Canal Zone, and Costa Rica who, for the most part do not know of the Kingdom of Heaven and the life everlasting. There are so many of us yet who do not realize that there is necessity still for Home Missionaries. Let our Association be more zealous in following the teaching of our Master to carry the Gospel to every creature. For this world it is Christ or chaos. We must Christianize it, or else civilization will rot in its own wickedness.

Respectfully submitted,
Horace G. Thompson

18. Report on Foreign Missions was made by Bro. J. Sidney Cobb.

REPORT ON FOREIGN MISSIONS

Facing the fact of the challenging world situation today—the material and spiritual needs of all nations, and an open door into most of them—Southern Baptists must advance in their foreign mission work. The objective of the Advance Program may be stated thus: (1) to strengthen our 119 centers in 25 countries; (2) to open new centers in most needy places; (3) to support work already begun by native Baptist Conventions; and (4) to increase our resources in missionaries and money until we have approximately 1,750 missionaries, an annual budget of $7,000,000, and an annual capital needs budget of $3,000,000.

The need for workers is so great in Japan that Dr. Cauthen, secretary to the Orient, has asked that the number of missionaries for Japan be increased to 100 by 1950. Some changes have been necessary in parts of China because of Communist action.

Communism is also hindering the work in the Balkan States just now. Catholic persecution is raising serious obstacles for our workers in Spain and Italy, that are nominally committed to religious liberty. A Baptist Seminary is proposed, and $200,000 is appropriated for building it, in Geneva, Switzerland. And also $45,000 to purchase property in Turin, Italy, for a Bible School.

War in Palestine and the murder of Count Bernadotte has darkened the picture in the Near East.

Africa is a bright spot on the missionary map. The policy of training native leadership is bearing fruit, and one of the most significant developments is the recent decision of Southern Baptist Seminary in Louisville to grant degrees for work done by students in the Baptist Seminary at Ogbomosho, Nigeria.

Our forces in Latin America, as in other places, are still spread too thinly. The W. E. Craigheads, who have not been permitted to return to their work in the Russian area in Europe, will go to Paraguay to work with Russian groups there. Baptists in Columbia will organize a Columbia Baptist Convention this winter. Property was recently purchased at Cali for a Seminary and training school to serve Columbia and surrounding Republics.

Total receipts of the Foreign Mission Board during 1947 were $4,734,288, of which $2,277,000 came from undesignated funds from the Co-operative program. $1,064,104 from special and designated funds, and $1,393,183 from the Lottie Moon Offering. The grand total of the 1947 Lottie Moon Christmas Offering, on which books were closed May 1, 1948 was $1,503,010.

Brethren, let us pray more and give more 'till our Lord shall say: 'It's enough, Well done."

Respectfully submitted,
J. Sidney Cobb

19. Report on W. M. U. was made by Mrs. W. T. Love.

REPORT ON W. M. U.

A statistical W. M. U. report will appear elsewhere in these minutes, so I wish to emphasize our task administratively and spiritually.

1. To keep any organization running smoothly and functioning properly, officers must know their duties and how to perform them; know people and how to lead them; know records, reports, standards and programs and how to use them wisely,—adjusting them to suit local needs and keeping them in their proper place. We must not allow "cut and dried" programs of work and worship to hinder spiritual development or rob us of real heart worship. We must put first things first, and be more concerned about being A-1 Christians than having A-1 Unions.

2. For our spiritual preparations, we must first of all, be radiant Christians ourselves, showing Christ's power in our own lives, Christianity must be caught more than taught. We must know God as our Heavenly Father; Jesus as our personal Savior; and the Holy Spirit as our Comforter, We must know Christ's teachings and how to apply them to daily living. Applied Christianity would cure many desperate ills.

We must believe implicitly in the divinity of Christ and his powers to save, in the sacredness of human life and its need of salvation. We must know the whole truth to enable us to detect falsity, for we dare not pervert God's eternal truth to conform to the whims of modern thought and practices.

God is the same yesterday, today and forever—likewise his truth.

We must recognize our complete dependence on God and our individual responsibility to God. We must have stronger convictions concerning the deep things of God and courage to defend them.

We must have his knowledge, wisdom and understanding in our minds and his divine presence in our hearts. What God puts into our minds and hearts, we must not allow selfishness, neglect or false teaching to put asunder, but use it in consecrated living and wholehearted service.

Respectfully submitted,
Mrs. W. T. Love

20. After the reports of all phases of our Mission Work, State, Home and Foreign, and report of the W. M. U. work; Bro. Earle Bradley was recognized, and spoke to the reports, and on our mission work in general, after which on motion, the reports were adopted.

Verbal Report on work being done at Chowan College, was made by Rev. G. M. Singletary. Progress reported in ren-

ovating, making necessary improvements and repairs preparatory to opening the college as soon as possible. $72000.00 has already been paid in to carry on the work. After discussion by Rev. Oscar Creech, the report was upon motion adopted.

22. Upon motion meeting adjourned to reconvene of Wednesday morning, Sept. 22, at 10:00 A. M.

MORNING SESSION, SEPT. 22

23. Meeting opened with congregational singing, led by Bro. C. M. Pegram. After which the devotional was led by Bro. Lemmons.

24. Period for registration of messengers not present on 21st.

25. Report on Christian Education was made by Bro. C. M. Pegram.

CHRISTIAN EDUCATION

At the bottom education is or ought to be a religious matter. We who are Christians are concerned about industrial efficiency, but we are far more concerned about that sort of efficiency which makes good men, willing and strong to do the will of God. And there is no task confronting the Christian church in America so amazingly important as the immediate examination of its duty to the work of education, not merely that democracy may be preserved, but that the things of the spirit may be made more vital and formidable in American life. But instead of an alertness to this educational problem there seems to exist a vast apathy.

There is no other place where the mobilization of its forces is so greatly needed or so quickly necessary as in the educational field. It has tremendous responsibilities in the whole field of education, but these are particularly pressing in that portion of it which deals with the higher education. It must do something finally with primary education, but it must do something immediately for college education, for here it is better equipped for immediate work. And here utilitarianismsocialism, and socialism, both phases of modern materialism and Anti-Christian both, have entrenched themselves most thoroughly. Yet here are the future leaders of the people trained. And as these are trained, so will the people be.

The supreme task confronting the church in this exigent hour is the task of so enlarging and increasing the efficiency of the Christian colleges of the land that they will be able to combat the same materialistic tendencies in education that are rampart elsewhere in the national life, and to send forth a host of men and

women fitted to lead who will be dominated by the old Christian ideals of service and sacrifice.

Our colleges must continue to place first emphasis on the training of our ministers and those who are to devote their lives to positions of Christian leadership, but we must not overlook the importance of the training of great Christian lay leaders on which our churches depend so much for their progress. What shall we do about it? "As for me and my house, (church) we will serve the Lord."

Respectfully submitted,
C. M. Pegram

After discussion by Dr. Glen Blackburn the report was upon motion adopted.

26. Bro. W. T. Love makes report on Temperance and Social Righteousness.

REPORT ON TEMPERANCE AND SOCIAL RIGHTEOUSNESS

Temperance and righteousness are almost inseparable virtues, yet there are many people who will practice one and violate the other; publicly condemn liquor, but privately consume it; publicly endorse social righteousness, but privately vote against it.

We talk much about the high rate of divorces, about people breaking their marriage vows, but say little about church members breaking their church vows in their use of liquor.

We all know for the past few years we have had most convincing reports, heated discussions and strong resolutions opposing the liquor traffic. Then we shamefully forgot the whole business until time to make another report. We should either come up or shut up.

To support a resolution adopted by our State Convention the Biblical Recorder requested the churches in North Carolina to send in petitions signed by its members urging the passage of said bill. No petition was sent in from our Association. If any church has taken any definite action against liquor in any way, I have not heard of it.

Our State Convention estimates that North Carolinians will spend about $100,000,000. for liquor this year. Against that enormous sum our State Convention is spending $7,500 on an educative, legislative program against liquor. From our point of view it may seem an impossible task. From man's point of view, it was impossible for David to kill Goliath. Nothing is impossible with God if He can have a Gideon's army to do his bidding.

It will take lots of money, courage and legislative power, but more than anything else it will take the uplifting, purifying pow-

er of Christ in human hearts. Hence it is our duty to win to Christ those people who are spending $100,000,000 on liquor, and thus turn this money to the support of temperance. Then add our little $7,500 and we would make some progress.

How different life would be with as many people under the control of the Holy Spirit as there are under the control of alcoholic spirits!

We know what we should do—God help us to do it!

Respectfully submitted,
W. T. Love

Upon motion by Bro. A. T. Outlaw, the report was adopted and the Clerk of the Association was requested to write to Congressmen and Senators from N. C. approving and supporting stand taken by our State Convention on advertising of alcoholic beverages.

27. Report on Religious Literature was made by Bro. Frank B. Dinwiddie.

RELIGIOUS LITERATURE

Christians of today must be well armed with God-honoring, Christ-centered literature in order to combat the flood tide of godless reading matter which saturates modern life. This literature should cover many fields, and should be so fascinating, so well presented and so timely as to compete successfully for reader interest with anything the Devil has to offer. The school boy with his lurid comic book, the young girl dreaming through her romantic fiction, the college student poring over his philosophy or sociology text, all share a desperate need for something written from the Christian standpoint and adapted to the particular interests of each.

We believe this provision to be necessary to the preservation of civilization. Let every Baptist with talent for writing dedicate, train and invest that talent for the Master's use without delay. Already we consider the task well begun, but only begun.

Southern Baptists have developed several useful and worthy types of religious literature, including Sunday School lesson helps, teacher aids, study course texts on many subjects, mission journals, and other periodicals including the most excellent magazine "Home Life" which should be in every home in the Convention. The Sunday School Board printed last year 2,125,000 tracts for free distribution, covering such subjects as evangelism, doctrine, stewardship, the Christian home, and anti-alcohol. Baptist book stores sold last year over $3,900,000 worth of literature and supplies. An entirely new graded lesson course for Intermediates in each

year group has appeared, with a nursery course for two-year-olds to follow in 1949.

Reaching the particular interests of our State is the Biblical Recorder, with weekly circulation near 44,000. Wider distribution is encouraged by the club subscription plan, already used in some 800 churches, and the every-family plan, now used by over 300 churches. The Recorder was founded in 1833 to fulfill the State Convention's object of "sound religious literature." It serves to keep Baptists informed, and helps draw the churches together in cooperative effort by reason of the enlarged vision which grows out of our enlarged knowledge.

Respectfully submitted,
Frank B. Dinwiddie

Bro. Claude Gaddy, was introduced and brought a very informative and enlightening message on both Religious Literature, and Christian Education, subject: "Introducing your Friends to Good Books." After which report was adopted.

28. A short verbal report on the work of the Sunday Schools of the Association was made by Bro. C. W. Duling; who then presented Miss Elizabeth Hutchins, who spoke on What's wrong with our Sunday Schools. And Miss Vivian Kerbaugh, who spoke on what's right with our Sunday Schools. After these two very interesting discussions the report was adopted.

29. A report on Associational Mission work by Rev. W. W. Finlator, to the effect that we have been without a Missionary or worker since last May 15th, making recommendation that we make plans for securing the services of such a worker as soon as a suitable person can be located.

After some discussion by Pastors and Laymen motion was made and adopted, that we as an Association, and individual churches give our whole hearted cooperation both financially and prayerfully to the committee in this program.

After an announcement by Pastor of the host church meeting recessed for lunch.

AFTERNOON SESSION, SEPT. 22

30. After congregational singing led by Bro. John Elliott, Bro. C. W. Goodwin, Jr., led in the devotional.

31. Report of Training Unions was made by Bro. John M. Elliott.

TRAINING UNION REPORT

"Study to show thyself approved unto God; workmen that needeth not to be ashamed, rightly dividing the word of truth." In these words of Paul those of us who have associated ourselves with the Training Union Work in our churches find encouragement and a basis for our belief that:

1. Every church member should study
   (a) To learn more about God's Word and His Plan for our lives.
   (b) To learn His Will and how to better do it.
2. Every church member should work—"Faith without work is dead."
   (a) Work to do our part in promoting His Kingdom in the local church.
   (b) Work to do our part in promoting His Kingdom "to the utmost parts of the world."
3. Every church member should rightly divide the word of truth
   (a) To himself
   (b) To others—at home and abroad.

And so, leaning on these scriptural truths we invite those of you who are not active members of the B. T. U. to become active in the training program for our Master; and those who are already members, to renew their efforts in equipping themselves and others to better serve the Lord.

Then, let us check on ourselves and see just what we are doing in our training work in the Chowan Association. The statistics are incomplete since not all of the church letters have reached the clerk. However, from the 1947 statistics we find that a fraction less than one-fourth of our churches have some form of training work in them. From indications portrayed by the 1948 letters now in the clerk's hands there will be a considerable drop in the number of unions and the total members enrolled, enrolled, as compared with the low standards of 1947.

It is our prayer that pastors, leaders and laymen will catch a vision of our crying need for better equipped church members that they might "give of their best for the Master." Then will the other three-fourths of our churches become active in the training program and thereby prepare its members to qualify, according to the words of Paul, as workmen that need not to be ashamed.

Respectfully submitted,
John M. Elliott

Report was discussed by both John M. Elliott and Bro. G. M. Singletary, after which upon motion it was adopted.

32. Digest of Church Letters to the Association read by Clerk. Collection taken for general expense items amounting to $3.85.

38. Report of Resolutions Committee read by Rev. W. W. Finlator.

REPORT OF RESOLUTIONS

We, the messengers of the Chowan Baptist Association, meeting in regular session at the Berea Baptist Church, wish to register our gratitude to the members of the Berea Church for their warm and unforgettable hospitality which was expressed in two bountiful meals graciously served, in the use of a beautiful and comfortable church building, in the lovely array of flowers and in their many acts of courtesy and thoughtfulness.

We are also grateful to the members of the program committee for bringing us the choice and attractive personalities appearing on the program, for the variety of their subjects and the compelling fervor of their words.

We are further grateful for the mature wisdom, efficient, service and deep loyalty of our retiring moderator, and express our confidence in the ability and devotion of our moderator-elect.

We are also mindful for the work and contribution of all our leaders. We welcome the new pastors into our association and assure them of our heartiest support and cooperation.

And above all we thank our Lord and Savior for the benediction of His grace and the assurance of His presence in all our communal efforts to know and do His will.

Respectfully submitted,

Committee on Resolutions

ORPHANAGE REPORT

There are few things in life that give a person greater joy and deeper satisfaction than helping those who cannot help themselves, or helping others to help themselves. North Carolina Baptists do both in maintaining our Orphanage.

During the last associational year, we cared for 793 children in a three-fold way: physically, intellectually and spiritually.

1. Physically, these children receive most careful attention. All physical defects are corrected as promptly and completely as possible. Our Baptist State Hospital gives treatment when necessary. They have no luxuries, but they do have the necessiteis of life and comforts of home that every child deserves. They have clean, suitable clothing; well-balanced and wholesome meals; comfortable beds; certain appropriate duties, and above all they have peace, contentment and security.

2. Intellectually these children are like all other children. They are given a chance to develop strong minds in strong bodies in the normal way—through our graded school system. They engage in various school activities and all forms of athletics, usually winning their share of honors. On campus, they receive valuable, practical training and give many hours of useful service. They learn to do by doing, and are thus prepared to take their place in the world as useful, loyal citizens.

3. Spiritually, these children are given better training than the average child in a private home. The orphanage personnel meets daily for worship and prayer. They are truly Christian men and women, setting the proper example for the children, and rearing them under a Christian influence. Each cottage has its "Family Altar" and they have a period of worship every night before retiring. They have their own Sunday School; B. T. U.; Missionary organization; and church sevices which they eagely and joyfulrly attend. They are taught the stewardship of life and trained in active Christian service.

To provide this three-fold training for these 793 children, North Carolina Baptists gave $468,845.10 last year. Even that amount was not sufficient to meet the current expenses and the additional cost of erecting new buildings and repairing old ones. The orphanage had to spend $56,000.00 more than it received. This was taken from a reserve fund, and the same thing will happen this year unless we greatly increase our contributions.

Our Association gave $13,690.80 last year—not quite a dollar per person per year. There were three non-contributing churches and ten churches that gave only at Thanksgiving. In the second quarter, 33 churches gave regularly the first of each month, making a total gift of $6,637.74, which is almost half of the years' total.

What we did that quarter, we can do every quarter if we so desire and if we will do four things.

1. Designate the first Sunday of each month as Orphanage Day.

2. On that day, make special announcements about the orphanage and pray definitely for both the workers and children.

2. On that day, make special announcements about the orphanage and pray definitely for both the workers and children.

3. Secure as large an offering as possible and send it in promptly to Mr. J. D. Fraley, Treasurer, Thomasville, N. C.

4. At Thanksgiving, give to the Orphanage as generously as you would want others to give if your children were there. Give as the Lord has given to you. He loved, honored and blessed little children —Let us do likewise, for it is far more blessed to be able to help others than to have to receive help from others.

Respectfully submitted,
W. T. LOVE

9. Report on Religious Literature was given by Bro. Barnard Parker. With discussion and illustrations by Dr. L. L. Carpenter, after which the report was upon motion duly adopted.

RELIGIOUS LITERATURE

We are living today in a time where cheap literature is crowding out our good. Just drop by any news stand today, What do you find? Yes, many of these books and magazines are on subjects the young people are interested in. Professor Chester Swor speaking at Southern Baptist Convention two years ago in what was called, "Most Significant address in 40 years at the convention," listed one of the eight most Dangerous Problems of Youth, as Reading Habits.

Then why not as Baptists begin giving them books and magazines on these same subjects that will give the needed information to help in future Christian growth. Let's take a look at the Literature available for our organizational work.

W. M. P. Publishes the following magazines:
W. M. U. publishes the fillowing magazines:
Royal Service—W. M. S.
World Comrades—G. A. & Sunbeams
Window—Y. W. A.
Ambassador Life—R. A.

Sunday School

Builder—Programs and various materials for use in each of the departments.

Teacher—Valuable materials for teacher's use in preparing lessons for presentation on Sunday Mornings.

Quarterlies—Lesson thoughts for individual use in studying for lesson on Sunday Mornings in class work.

Home Life—Prepared especially for use in Extension Department Work for those who are sick, shut in, working, and any others who are unable to attend classes in Sunday School on Sunday mornings. Also valuable aids and helps will be found for teachers and others.

Charity & Children—Sponsored by our Sunday School. Gives needed information for all phases of our work. Articles of inspiration will be found in each copy that help with every day Christian living.

B. T. U.

B. T. U. Magazine—Published monthly is one of our finest publications put by our Sunday School Board. Here will be found articles of inspiration. Plans for all phases of Training Union work. Programs for all occasions as well as social activities of the very highest type for use in the work, as well as many other items of interest.

Quarterlies—For each age group giving valuable materials for individual use in preparing parts on each Sunday Evening program.

Church Paper

Biblical Recorder—Weekly publication giving needed information on what is going on in our state as well as articles on various subjects by outstanding Baptist Leaders.

Study Course Books—Each department in our Church Life has its own study course books written by outstanding Baptist leaders for use in special class work including books on methods and Christian Living.

PAMPHLETS—The Sunday School Board puts out pamphlets on practically every subject you can think of, most of which are free for the asking.

Book Store—Our Baptist Book Store has available for us at all times books for individual reading for our church libraries.

Our problem then is not the need of good material but the need of getting the material that we already have into our homes. Therefore, be it resolved that we recommend the following recommendations:

1. Biblical Recorder in every Baptist home.
2. Every Baptist church in Chowan Association using Baptist Literature published by our own Sunday School Board.
3. Every individual availing themselves of the opportunity offered them by our Baptist Book store in furnishing them with the proper books for their reading.
4. As many churches as possible installing libraries where their members can get good literature for reading.
5. Individual daily reading of the "Book of Books", the Bible.

Respectfully submitted,
Bernard H. Parker

10. Congregation is led in singing of hymn by John Elliott.

11. Report of Baptist Hospitals was made by Bro. J. W. Davis, after which Dr. W. K. McGee brought an interesting and detailed report on the work being done by the Hospital at Winston-Salem. Upon motion the report was duly adopted.

REPORT ON NORTH CAROLINA BAPTIST HOSPITALS

Our North Carolina Baptist Hospitals at Winston Salem ministers to the sick from all parts of our state. It is our Good Samaritan, in the name of the Great Physician, to those who suffer and do not have sufficient money to pay the large cost of the best medical care.

From those of limited means upwards of 35,000 visits are made each year to the Out-Patient Department for examination, diagnosis and treatment. his is one of the most important services of our hospital.

As the services of our hospital have grown, the Mother's Day offerings from our churches likewise have grown. Those offerings are all used to help pay the cost of caring for those who receive this ministry and do not have the money to pay the total cost themselves. In order to provide such help for as many as possible, our hospital adds to the Mothers' Day offerings all the funds it can get for this purpose from the welfare agencies of the state and counties, the Duke Endowment, contributions from individuals, and any other available source. The calls for help are far beyond the means of our Hospital to supply. Therefore, we hope that the Mother's Day offerings will continue to grow in our churches in order that our Hospital may provide more service for more people.

Our Hospital and Bowman Gray School of Medicine of Wake Forest College provide training for young women and young men who are called into the fields of nursing and medicine. With all the facilities available in a great hospital and medical school such as we have, there is offered a quality of training which is not generally available. A number of those now in training are preparing themselves for medical mission work. We urge fine young men and women from our Baptist churches who are interested in these important fields of service to consider going either to our Baptist hospital or the Bowman Gray School of Medicine for their training.

Our Baptist Hospital maintains a Department of Religion. This provides chaplain service for the patients, especially for those with particular spiritual needs. It provides a religious program among the students, seeking to help establish Christian Faith and promote spiritual growth. It offers courses in pastoral counselling for pastors and ministerial students designed to prepare the pastor better to minister to his people in their personal needs and problems. This department serves as a link between our hospital and our churches and people when we have needs and problems in relation to the hospital.

North Carolina Baptists have developed an outstanding medical center. It is for its ministry to those with little money that we appeal to the churches of our ssociation to give generously on Mother's Day.

Respectfully submitted,

J. W. Davis

12. Rev. Mr. R. N. Carroll, Pastor of Edenton welcomes the Messengers and visitors to the meeting in their Church which has recently completed a building program. Also announces that dinner will be served in the Educational Building.

13. Upon motion by Bro. A. H. Outlaw, chm. of program Committee, the delegation voted to allow 10 minutes for a report of the Executive Committee on the Chowan College program, and plans for raising $25,000.00 during November 1949 for aid to the operation of the college. Which has opened with 140 Boarding students, and a number living outside attending classes. The Executive Committee recommends that each church in the Chowan Association raise $3.00 per member during the month of November for Chowan College. Upon motion duly seconded the Association adopts the recommendation. Short discussion was then heard from Bro. Bunn of Chowan College, regarding the work and progress made.

14. Associational Sermon was preached by Rev. Frank B. Dinwiddie of Roanoke Island.

15. Recess for dinner.

16. Afternoon Session opened by congregational singing, called to order by the Moderator.

17. Bro .J. R. Byerly, reported on State Mission work.

STATE MISSION REPORT

Since the organization of The Baptist State Convention State Missions has been central in the thinking of Baptist life in North Carolina. Baptists are a powerful denomination today, and so far as one can see this is true because during the years there has been in operation a fairly aggressixe State Mission Program.

Most of the churches in North Carolina have been aided in one way or another through the State Mission program. Within the past fifteen years some four hundred new churches have come into existence, and State Misisons has helped in one way or another perhaps three-fourths of them.

For a hundred years aid has been given in helping on pastor's salaries in new churches located in strategic centers without, however, neglecting those churches in sparsely settled areas. Speaking in business terms, these investments have brought rich dividends because every activity which Baptists support through the State Mission program has touchd the churches more directly than have the activities of other agencies.

As the Denomination has grown so has the State Mission program. There are now nineteen different activities in this program. These activities are listed herewith:

Sunday School Work
Training Union Work
Summer Assemblies
Teaching Activities (Visual Education, Radio)
Evangelism (City and Association-wide Revivals)
New and Needy Churches
Work Among the Indians
Schools for Ministers
Work Among Silent People
Interracial Activities
Other Activities—Including Allied Church League, Rural Work
Neglected Areas (Lots for New Churches)
Student Work Among 15,000 Baptist Students

How is this great program supported? State Missions receives 13 out of the total gifts through the Cooperative Program. In addition to that some money is received through the Sunday School Board to promote the departments of Sunday School, Training Union, and Student Work. Then the Woman's Missionary Union makes a special offering in September. Then October is STATE MISSION MONTH. During that month, and particularly on the last two Sundays the people are asked to make a special offering through the Sunday Schools and churches for all these activities.

Let us all remember that Stae Missiotns is not One object but Nineteen. One's offering, therefore, would need to be a dollar if only 5 is given to each activity.

It is hoped that every pastor and every Sunday school superintendent, along with the teachers in the Sunday schools, will get behind the program in October and get the greatest offering by far that has ever been made for State Missions.

18. Mrs. I. A. Ward, reported on the work of Home Missions.

19. Miss Elizabeth Hutchins, reported on our Foreign Mission Work.

20. Mrs. W. T. Love, reported on the work of the W. M. U.

21. Dr. Earle Bradley brought an interesting talk on all phases of our Mission Work. fter which the reports were upon motion adopted.

22. After the discussion on the mission work, the meeting was recessed to re-convene the following morning at 9:30.

HOME MISSIONS

"The light that shines the farthest shines the brightest at home." The field of missionary activity is the whole world. Christs commission to his disciples was to witness in Judea, Samaria and unto the uttermost parts of the earth, beginning at Jerusalem.

The Home Mission Board has been commissioned to see that our homeland is evangelized for world conquest for Christ. A saved homeland holds the key to a worlds saving. There are no preferred nations in the atonement of Christ. He died for the Indians in Oklahoma & North Carolina as well as for the Chinese in China; for negroes in our South lands as well as for negroes in Africa. The underprivelaged in the slums of our American cities are just as precious as the savages in the islands of the Pacific. He loves all men everywhere and has commanded his disciples to preach the Gospel to every ceature. If the gospel fails here at home, how can we hope for its success in lands afar.

We are happy to report that 1948 was one of the most prosperous years of the Boards history. During the year it added 48 missionaries to the field, opened 471 mission stations, and led 34,833 people to accept Christ.

There are moe than 900 missionaries today preaching the gospel to the Indians, the Mexicans, the Spanish Americans, the Italians, the French, the Russians, the Poles, the Jews, the Chinese, the underpriveleged in the congested sections of our industrial centers, the Negroes, the Cubans, the people in the Canal Zone, Panama and Costa Rica, the lost in 44 of our largest cities, and in the rural sections of 15 of our states. There is much yet to be done; the fields are white unto harvest with a population of something like 50 million people in the field of the Home Board and 25 millions of these are unchurched.

Think on these things. Baptists are one great big brotherhood. Their interests are one; they have one Lord; one faith; one baptism, one great Commission, and if there ever was a time when they needed to move as one man toward evangelizing the world, it is now. In the name of our Lord, let us go forward to conquer for Christ.

Respectfully submitted,
Mrs. I. A. Ward

REPORT ON FOREIGN MISSIONS

Southern Baptists have mission work in thirty geographical areas. In seven of these areas work is at present carried on by nationals without missionary personnel; three of these are in Communist Europe, three in Communist China and the other in Moslem Trans-Jordan. The Foreign Mission Board has 689 active missionaries under appointment, working in 119 mission centers.

Seventy-three missionaries were appointed in 1948; forty-six additional appointments were made between January 1 and May 31, 1949. Missionaries are stationed in four new areas: Guatemala, Venezuela, Formosa, and West China. Also, Costa Rica with two missionaries was transferred from the home Mission Board to the Foreign Mission Board on May 1, 1949. Several new centers have been opened.

Among the foreign mission highlights are: a missionary doctor's success in securing a license to practice medicine in Paraguay, making possible establishment of Southern Baptists' first hospital in South America; a missionary couple sent to Paraguay for Russian-speaking people; purchase of Southern Baptists' first missionary airplane for use in interior Brazil; rehabilitation of China and Japan from the destruction of the war; an international theological seminary opening in Switzerland this fall; extensive building in Italy; intensive evangelistic work in Nigeria and the Gold Coast.

The healthy condition of Baptist work abroad is evident in national Baptist conventions organized within the year and in the extensive work of older national organizations.

The advance program proposed by Secretary M. Theron Rankin early in 1949, calling for an annual budget of $10,000,000 and a total staff of 1750 missionaries, grew into the Southern Baptist Advance Program presented to the Convention in Oklahoma City in May launching a campaign for advancement all along the line, based on the principle of a fifty-fifty division of the collection-plate dollar.

Foreign Mission advance depends upon our devotion to Christ and His kingdom program. The Holy Spirit will provide the necessary resources in men and money, if we, as Southern Baptists are determined to do the will of God.

Elizabeth Hutchens

23. Wednesday Morning, Sept. 21st. Meeting opened with Rev. H. W. Waters, leading the singing. Called to order by Moderator.

24. Devotion by Bro. W. R. Stephens.

25. Report on Christian Education read by Bro. Higginbotham, substituting for Bro. Singletary who was unable to attend. After discussion of report by Bro. Austin Staples, the report was upon motion adopted.

REPORT ON CHRISTIAN EDUCATION

"He who has no inclination to learn more, will be very apt to think that he knows enough."

Without learning, man would be a creature capable only of the reflex action. Such an individual would be unable to walk, to talk, to feed or dress himself; or to play the simplest games. Should we not be very thankful for the inherited abilities which we possess, and for the opportunity to bring them under the influence of learning?

These opportunities for learning, which we have so abundantly in America, are Christian only as they are brought under the influence of Jesus Christ our Master Teacher. It is only when we abide in His words that the truth shall make us free. And how shall we know the truth except it be taught in our Christian Colleges? Education or learning must be more than the dead hands of the past; more than the sum of all catalogued knowledge from the beginning to this present year in this Century. All the finding of scientific laboratories have not been able to answer the deepest questions of the human soul. We affirm that there is truth that cannot be weighed in scientific laboratories nor measured in test tubes. hTe question that haunts us with their urgency can be answered only in the realm of faith and belief. We believe that Christianity is the creative force in the world that gives meaning to the haunting mysteries of life. We believe that it determines life's philosophy, defines life's goal and gives meaning to the purpose of life. Few people pass through adolescense without being challenged with such thoughts as: "What does life mean?" "Why am I here?" "What is worth while?" "To what shall I give my time?" G. K. Chesterton said, 'The most important thing about men is the kind of philosophy he keeps." With this we agree. An old maxim of education said, "Education is power". But power misguided and misdirected and not devoted to goals worthy of man at his best can be as distructive of human values as atomic energy in the hands of a mad man.

It is agreed that to our Christian Colleges. of which we are justly proud, we owe much for their helping our sons and daughters determine the true values of life. The Christian Colleges of our North Carolina Baptist State Convention are:

Campbell Jr. College, Buies Creek, N. C.
Chowan Jr. College, Murfreesboro, N. C.
Gardner Webb Jr. College, Boiling Springs, N. C.
Mars Hill Jr. College, Mars Hill, N. C.
Wingate Jr. College, Wingate, N. C.
Meredith, Raleigh, N. C.
Wake Forest, Wake Forest, N. C.

Recognizing the needs of these Christian Institutions in their progressive movements, our Churches should pledge thier prayerful and financial aid and personal interest this year. With the moving of Wake Forest to Winston-Salem, and the renovation programs now going on in the other schools, there will be a great demand for our whole-hearted support.

26. Report on Temperance, with discussion by Bro. W. W. Finlator, The Moderator also recognized Bro. J. T. Byrum, and Bro. Spruill for short discussions. After which the report was adopted.

REPORT ON TEMPERANCE

The consumption of alcohol has become a national disease. It is a disease which neither the "noble experiment of Prohibition, nor the studied appeals from academic circles, nor the moral influence of the American churches has been able to check. It grows on apace eating at the vitals of the nation's health with, symbolically, the greatest per capita consumption in the heart of America, Washington, D. C. Its greatest toll is not the few millions of alcoholics whose pitiable plight can be so effectively dramatized for us in such movies as Lost Week-End, nor even in the more millions of near alcoholics known as heavy drinkers, but in the slow deterioration of character and loss of soul in the sixty millions social drinkers who have become a part of this national disease.

Literally, temperance signifies moderation. The chursch has never sanctioned and must never sanction social or modearte drinking. The social drinker's name is legion. With the pressure of conformity and the relentless appeals of shrewd and damnable advertising he numbers his converts by the millions. His field of evangelism has been rich and rewarding with women drinkers. He is found in every phase of our national life: in schools, in amusements, in busines, in government and in our churches and on official church boards.

To every temperate and social drinker the Church must pose the question: Are you a part of this national disease or are you a part of the cure? One drink puts you in the first class. Only total abstinence qualifies you for the latter. The only lasting answer is to be found in such a clear-cut decision. Ultimately the solution involves the sheep-and-goat separation. We either contribute to the cure or to the growth of the disease.

At the same time the church must look with creative compassion upon the victims of alcohol. The church must welcome the group known as Alcoholics Anonymous as a strong spiritual ally in the redemption of souls completely under the tyranny of liquor. It must recognize and welcome the amazing success of this fellowship in the salvaging of lives long abandoned by the medicine and the ministry and society as hopeless drunks.

The church must welcome every other allied effort with sincere motives to control and stamp out the evils of drinking. From academic circles, from public welfare agencies, from interchurch organizations come concern and aid with which the church must be identified.

All this in addition to its traditional belief in control by ballot and its pronouncements against all and any forms of alcoholism. The church, following in the footsteps of her Lord whom she calls the Great Physician, must be the physician to America in the cure of the national disease.

W. W. Finlator

27. Report on relief and annuity was made by Bro. C. R. Holmes, who also spoke to the report, the Moderator asked for reports from pastors and churches as to whether they were contributing, after which the report was adopted.

REPORT ON RELIEF AND ANNUITY BOARD

The mission and ministry of the **Relief and Annuity Board,** of the Southern Baptist Convention is so aptly described by its first Executive Secretary, Dr. William Lunsford in his fifth report to the Convention in 1923, that I give it you here. It reads,

"Our aim is to persuade our people to say to the minister in active service today, 'Give yourself wholeheartedly to the work; spend yourself freely, be not afraid; we do not pay you just the salaries that we should, but this we do at least solemnly promise, that we will stand back of you; if you fall in the work, we will care for you; if you die, we will not permit your family to suffer; if you grow old in it, we will comfort your declining years.' Just that and nothing short of it should be the attitude of our great denomination to its ministry, and every one of our young preachers should feel that the denomination has so spoken to him, and that he can accept its word at par."*

That must be the attitude of Southern Baptists, until those fine-sounding words are translated into Christlike deeds that admit of no criticism from those of our own household, or from those without the pale of Christian fellowship.

For any group as well-to-do as Southern Baptists to accept the lifework of godly men in the pulpit and their other denominational activities, at existing salaries, and make no adequate provision for their essential temporal security in the twilight days of their sojourn here is un-Christlike, ungrateful and unworthy of the people called Baptist and their heritage.

Growth

The phenomenal growth in assets and resources of the Board during the last six years is amazing. It suggests that at long last we as a denomination are looking up and addressing ourselves to this obligation in an admirable manner.

1942 total assets of the Board were $6,031,213.84

1948 total assets of the Board were $15,094,093.60.

A grand increase of over nine millions of dollars. Assets doubled one and one-half times in six years. Growth in other respects are in proportion.

The year 1948 saw 774 new certificates in the Ministers Retirement plan issued together with 1523 new certificates in other plans of the Board making a grand total of 2297 new certificates for 1948.

Those charged with administration of the Board tells us the need for gifts from the people so that reserves may be adequate to meet the committments to our ministers is urgent.

To meet the increasing need with what is in hand causes the present secretary, Mr. Walter R. Alexander to say in his 1949 report, "The work of the Relief and Annuity Board is staggering in its proportions, overwhelming in its responsibility, difficult beyond degree, yet essential to our denomination, beyond power to express in words."

The Work of the Board is warmly commended to our people, their prayers, and their generosity. Last year thirty-three churches in our association made no offering whatever to this cause. Some that did were pitifully small. We urge every church not now participating to arrange to do so without delay.

Respectfully submitted,
C. R. Holmes, Committee

29. Report and discussion on Training Union Work by Bro. F. A. Cuthriell. Report was upon motion adopted.

REPORT ON BAPTIST TRAINING UNION

"Where there is no vision, the people perish."

Baptist Training Union is one of the most vital organizations in our churches today. It trains young people for Christian Service, helps Sunday School teachers and officers, and is an agency through which souls are won to Christ.

Some may ask, "Why have a Training Union in our church?" To this, there could be many answers; Training Union helps Sunday School teachers in the following ways:

1. It helps the teacher to be a good Christian. The three-fold secret of a good Christian life is — daily Bible reading, prayer, and an effort to do something for Christ. Training Union emphasizes all of these.

2. It helps the teacher to increase his knowledge. Every teacher needs to know the Bible. In our Training Unions, we not only study the Bible, but conduct study courses on state, home, and foreign missions.

3. Helps the teacher to practice what he teaches. The very heart of Training Union is to train the individual to be loyal to Christ and his church, faithful in attendance upon all services of the church, faithful in stewardship, in living, and in soul-winning.

4. Helps the teacher to teach. We learn to do by doing. Through preparing and presenting weekly programs, the teacher receives practical training and experience. The Training Union not only helps the Sunday School teachers who are now serving, but helps to train and supply the Sunday School teachers for the future.

Second, the Training Union is an evangelistic agency. As an athlete must train for many months before the contest if he is to win the prize, so must we properly train our people if they are to win the lost to Christ. The graded church study course of the Training Union provides an opportunity for all age groups to study evangelism and various soul-winning efforts.

Frequently, the program is on the subject of the plan of salvation. Unsaved people can be enlisted to attend the weekly meeting of the Union, and through the testimony of Christian friends and the presentation of the program, they can learn the Bible plan of salvation.

Cottage prayer meetings can be sponsored by various Unions, Gospel teams can be formed, and Youth Week can be used to a great advantage in soul-winning efforts.

When a church uses its Training Union for the promotion of evangelism, there will be marked growth and advancement in all activities of the church.

Let us consider the Training Union work in our own Association. There is a total of 52 Unions scattered through 16 churches. These have a total enrolment of 924.

Some of the largest and most active Unions are: Berea, having a total of 121; Shiloh, 94; Edenton, 84; Corinth, 83; Bethel 81.

Again, it may be encouraging to the smaller churches to realize that Swan Quarter with a total church membership of 46, has three Unions with 33 members enrolled.

As we face this new year of opportunities, it is our prayer that the pastors and church leaders will get a vision of the need of training church members, and will take initiative and courage in attempting to organize as many Training Unions as possible, for without vision the people perish.

Respectfully submitted,
F. A. Cuthriell, Director

30. Report on Sunday School Work with discussion was made by Bro. Paul E. Lemmons, after which report was adopted.

ASSOCIATIONAL SUNDAY SCHOOL REPORT FOR YEAR SEPT. 48 THROUGH AUGUST 49

No. of Churches in Association:: 60

No. of Sunday schools in Association: 54

Average Churches reporting monthly 10

No. of new Sunday Schools organized: none

No. of new classes organized 4

Enrollment gain for year 195 (of churches reporting)

No. of Fifth Sunday Associational meetings 3

Comments:

1. The associational Sunday School dept. will be unable to function as it should until the churches of the association become interested enough in their Sunday Schools to elect superintendents, teachers, and officers, who are vitally interested in the growth and development of Sunday Schools as a teaching agency of the church.

2. Statistical information on our Sunday School work will remain grossly innacurate while only 17 percent of our churches respond with monthly reports, and about ten percent with complete reports.

3. The churches most sadly in need of training and help for their Sunday School work genrally are the most difficult to assist because of their indifference. If our associational Sunday School work is to show any mark of success in the future, these churches must somehow be reached with an adequate training program.

Paul E. Lemons, Associational Supt. of Sunday Schools

31. Report on Associational Missions with discussion by Bro. L. H. Dawson, Associational Missionary. Report was upon motion adopted.

After singing the hymn the meeting was recessed for luncheon.

ASSOCIATIONAL MISSIONS

It is with a feeling of gratitude and anticipation that we make our report for the six months since we came to the Chowan Association. We are grateful for your warm welcome and for your cooperative spirit toward our work. We anticipate greater joy and progress both as we work through our local churches and as we together develop a more efficient program of associational activities.

We are conscious that many things we try to do cannot be reduced to figures; however, the information given below indicates something of what we have been doing.

Bulletins, letters, and cards mailed	3,355
Miles traveled	9,024
Visits to churches	58
Sermons preached	45
Audio-Visual programs	14
Study Courses	3
Church and Community Surveys	3
Associational meetings attended	17
Individual Conferences	185
Group Conferences	37
Committee Meetings	18
Professions of Faith	35
New Members	36

Special emphasis was put on Vacation Bible Schools during the summer. Two clinics were arranged in April to help workers be ready for their schools. Ralph Harrell of the Rocky Hock church worked with us through the summer and led in eight schools. He also preached in one revival, supplied pulpits on twelve Sundays, and put on two audio-visual programs. In all we have word of forty-one Vacation Bible Schools having been held in the association, which is six more than were reported last year, and several other churches participated in schools by combining with churches reporting the schools. However, for one reason or another, several of our leading churches did not have schools this year, while two places had their first schools.

We are aware of many dificulties in the work confronted in the local communities of our fifty-nine churches and in the cooperative efforts in the asociation as a whole, with the association's territory spread over ten counties and part of another, and interspersed in many sections with swamps and sounds. However, we pray for one many sections with swamps and sounds. However, as we pray for another and continue to work together we trust there will be an incresaing asociational awareness that will enable us together to develop more efficient channels of service through our associational organizations and such general projects as may be found needed, which will in turn strengthen our local churches and enable us to render more effective service in our own territory and in cooperation with other churches reach out in an effective world mission program.

All members of standing committees and other officers of the Association shall be ex-officio members of the Association.

The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

Article 4. The Association shall have the following officers; A Moderator, a Vice Moderator, Clerk-Treasurer, Asst. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters in the hands of the Clerk not less than two weeks before the meeting of the Association.

ASSOCIATIONAL MISSIONS

7. Report on Associational Missions was given by Rev. L. H. Dawson, and discussed in brief by Rev. R. N. Carroll, Pastor of Edenton, after which upon motion, the report was adopted.

With thanksgiving we make our second report to the Chowan Baptist Association. We would give thanks to our Heavenly Father for His blessings and express our appreciation to the churches and associational groups for the co-operative spirit and friendly attitude shown toward our work and for the support given in money and many other ways that has made the work possible. While it is impossible to reduce some of the things undertaken to figures the following will indicate something of what he have tried to do.

Bulletins, letters, and cards mailed	11,369
Miles traveled (in associational work)	13,865
Visits to churches	147
Sermons preached	85
Audio-Visual programs	12
Special Mission talks	53

Associational Meetings attended	28
Individual Conferences	456
Group Conferences	162
Committee Meetings	45
Professions of Faith	18

The Deacons' Schools held in five sections of the association in March were well received. Out of approximately four hundred deacons and pastors in the association the average attendance for four nights was 193, with 45 out of the 59 churches represented. The many requests for more projects of this kind indicate the need and desire on the part of our leaders for an extended training program.

With the help of A. J. Eure, Jr., of Cool Spring Church and Wake Forest College, we were able to have a good summer of Vacation Bible Schools. A clinic was arranged in April to help the workers be ready for the schools. Special appreciation is due the Shiloh Church for arranging and carrying out the demonstrations. Our latest information indicates that there have been 46 Vacation Bible Schools in the association this year, ten of which were held with the assistance of our summer student worker. He also taught in one Training Union study course, preached in one revival and supplied pulpits several Sundays. The cost of his work was paid one-half by the State Convention and one-half by the churches that used him.

Your missionary, with a large number of workers gathered from over the state and other states, assisted in two association-wide church Enlargement Campaigns and one association-wide Training Union Enlargement Campaign. He also attended the Southwide Missions Conference at Ridgecrest, the State Convention, the State Sunday School Clinic, the State Vacation Bible School Clinic, the State Conference on Evangelism, the State Sunday School Planning Meeting, and the State Training Union Planning Meeting. We wish that more of our leaders could find it possible to attend more of these meetings which would prove a great help to the work in the local churches and in the association in general. While we want to bring all the help possible to our association we cannot hope to equal what can be gotten from these central meetings.

We close this brief report with a request that you continue to pray for us and all those working in the associational organizations as we try to carry on in this wide field of service.

Respectfully submitted,
L. H. Dawson,
Associational Missionary

13. Report of State Missions: by Paul E. Lemmons.

STATE MISSIONS REPORT FOR CHOWAN ASSOCIATION

September 19, 1950

The remarkable growth of Baptist churches and expansion of Baptist work has been greatly due to the State Mission Program. About three-fourths of the churches in North Carolina organized in the last fifteen years have received assistance from State Missions. Many of the churches thus helped have in turn contributed to State missions several times over the amount of assistance given them in their infancy, so the dividends have been great.

Plots of ground, direct aid in paying pastor's salaries, and money for erecting churches, all have come from State Missions funds. Churches in thinly settled rural areas as well as mission Sunday Schools in crowded urban areas have been built. Summer student helpers are sent out by state mission funds, and each associational missionary receives a part of his salary from state mission funds, according to the need of the association.

The many activities supported by State Missions includes the following:

Sunday School activities
Training Union activities
Summer assemblies
Student work (15,000 Baptist Students)
New churches; needy churches, includes lots, buildings, salaries.
Work among the dumb (silent)
Ministers' schools
Work among the Indians
Evangelistic activities—city and association-wide revivals
Teaching activities: radio, visual-education
Interracial activities
Miscellaneous activities: Allied Church League, Rural Work.

This great program of State Missions is supported almost altogether by gifts from the churches of North Carolina. Out of each dollar for the state's share of the Cooperative Program 13c goes to State Missions. In addition the Sunday School Board contributes to carry on Sunday School work, B. T. U. work, and Student Work at the various colleges. The W. M. U. makes a special offering in September, then in October, which is State Mission Month, special offerings are received from Sunday Schools and churches throughout the state.

Respectfully submitted,
Paul E. Lemons

14. Report on Baptist Orphanage; Caleb W. Goodwin, Short discussion by Bro. Wilkie, followed by introduction of guests, and the Supt. of Kennedy Home, Bro. W. A. Smith.

ORPHANAGE REPORT

The Orphanage, represents one of the few social institutions supported by the Church, which has not as yet been turned over to the State. There was a time it seems, when Christian communism was practiced to a large degree. (Acts 4:34,35 . . .) "Neither was there any among them that lacked . . . for as many as were possessors of lands or houses sold them, and brought the prices of the things that were sold . . . and laid them down at the apostles' feet: and distribution was made unto every man according as he had need."

The church then was for some time, a mother with a large brood of children to care for. Gradually through the years the church has yielded, or surrendered many of these children to the State for raising, and we are not certain that it has been for the best. However it may be, we are still thankful that the Orphanage thus far remains one of the church's most important children. This has had its compensations, for few things have enriched the church life of our North Carolina Baptist Churches, as the people in their membership who were brought up in one of her orphanages. Their religious background and church loyalty make a strong contribution to the fellowship they join.

At the present time there are 16 cottages for children at Mills Home, and eight (8) at the Kennedy Home. The children live and eat in the same building. There is in each cottage a house mother in charge with a dietitian working the kitchen. The orphanage operates rather large farms where they raise food and feed. It also operates its own dairy that produces milk for the children. The children go to school, and practically all the work has to be done by hired help. There is then, no great profit derived from the farms.

Dr. Wall failed to state in the report for 1950 that the orphanage had drawn from the reserve fund that year $135,000 to be used for new buildings and other improvements, at the two homes. If you will combine this with the statement in the first paragraph of this 1950 report you will find that the Orphanage actually spent $103,000 more than it took in.

Last year the Orphanage cared for 781 children. When we remember that the whole program is centered around church activities, and the children are trained in agriculture, cooking, mechanics, sewing and etc. we can readily see that the Orphanage is not a machine turning out spoiled and irresponsible children, but an institution turning out well rounded young men and women that make a worth while contribution to the mental, moral and spiritual life of any community.

This year the Orphanage is hoping to use the Idol fund, which was definitely specified for certain buildings. A new church will be erected at Mills Home, also a new print shop and hospital. This money, which is the largest single bequest the Orphanage has ever received must be used for these buildings and cannot be used for the support of the work.

There is much that could be said, but remembering that a good report HAS A GOOD BEGINNING AND A GOOD ENDING AND BOTH ARE CLOSE TOGETHER I close this brief report with the words of Dr. Wall, former superintendent who says in the 1950 report,

With 65 years of glorious history back of us; with a big building program immediately in front of us; with a new General Superintendent and a group of new workers coming to us; with a faithful and experienced band of old workers remaining with us; with scores and scores of homeless children calling to us, AND WITH AN UNFALTERING FAITH IN GOD WE FACE THE FUTURE, UNAFRAID, OUR BIGGEST AND BRIGHTEST DAYS ARE AHEAD OF US.

Let us continue to pray for our Orphanage, and give regularly and generously to it and thus help carry on the great work being done at both of our homes."

15. Report on the North Carolina Baptist Hospital, by J. R. Byerly.

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL - 1950

Our Baptist Hospital has become a haven of hope for thousands of sick persons each year throughout North Carolina. It provides the highest type of medical service for the sick of all classes. It is our means of carrying on the healing ministry of Jesus.

Last year 9,700 patients were cared for in the hospital and 90,000 visits were made to the clinics for examinations and treatments. About half of these were persons with little or no money: they were provided free professional care by the doctors, and were given additional financial assistance with the cost of the service they received.

This free service was provided largely by our Mother's Day offerings which amounted to $128,900.00. Other assistance came from various health and welfare agencies, the Duke Endowment, and individual gifts. All this added together enabled the Hospital to provide free service amounting to $312,500.00, in addition to the work of the doctors. And yet, many could not be given as much financial assistance as they needed because the Hospital did not have sufficient funds.

We are happy to report that at this date the Mother's Day offerings this year are running ahead of those last year. The reports from the special offerings to raise $700,000.00 toward the building of the new South Wing to the Hospital are most encouraging. It looks now as if the full amount will be raised when all the churches have made their offerings and sent in the money. The 150 new beds this enlargement will provide will relieve the great shortage and enable the Hospital to admit the sick more promptly.

The School of Nursing is admitting one of the largest classes in it's history and it looks as if it will be one of the best. It has applications from far more than it can accommodate. The Medical School has likewise had one of its best years.

The Department of Religion is growing and becoming more effective as a part of the life and work of the Hospital. Through the generous support of a friend another Chaplain is being added to the staff. The Department of Religion seeks through its ministry to help make the Baptist Hospital a genuinely Christian institution of healing and teaching.

16. Report on Home Missions; By E. S. Higginbotham,

HOME MISSIONS

The supreme task and privilege of every Christian is to win others to Christ, and the kingdom of God. Jesus said we were to pray for God's will to be done on earth as it is in heaven. But if prayer is all that is necessary to bring heaven's will to the earth, it would have come to pass long ago. There is more to be done than to offer prayer alone. While that is the basic thing, we must help God to answer our own prayers.

In the face of another great world conflict, we must realize the supreme need of the hour, both home and abroad, is Christ. And the church must realize now, if ever, her great, and important task of lifting the Prince of Peace higher here at home that the people abroad may see him better.

There is no better place, in fact, there is no other place to begin making Christ known than in our own hearts and lives, through our own churches, and in our own homeland. The more Christ-like we are here, the greater our influence will be in the sin-darkened world about us. Jesus said, "Ye shall be witnesses unto me both in Jerusalem, and in all Judas, and in Samaria, and unto the uttermost part of the earth." Figuratively speaking, we are in Jerusalem, and here is where we must begin. Home Missions is as important to Foreign Missions as a foundation is to a building. Or, as has been said, "Home Missions is the seed corn of mission work, and he who wastes his seed corn throws away his crop." Neglect the home mission work and the whole missionary program falls, or suffers.

Our Convention, through its Direct Mission's Program, ministers to the Spanish-Mexican, French, Italian, Cuban, Chinese, Japanese, Other Language Groups, Indians, the Deaf, Good Will Centers Rescue Homes, and the Child Placement Center, and work in Cuba, Panama, Canal Zone and Alaska. In fourteen states and four provinces of Cuba, Panama and the Canal Zone there is a population of 54,000,000 of whom approximately 29,000,000 are un-evangelized.

There are approximately 8,500,000 people belonging to the 37 nationalities making up the "Language Groups" in the homeland, and nearly 9,000,000 underprivileged living in the slum districts of our cities which need the ministry of this department. The total number of missionaries in this department is 540, which is 4 less than the preceding year.

In the territory of the Southern Baptist Convention there are nearly 750,000 agricultural migrants working during the greater part of the year. For a part of the year there were two missionary units working under the Home Mission Board among these needy people. They are the Rev. and Mrs. Sam T. Mayo, and the Rev. and Mrs. C. F. Landon. Rev. and Mrs. C. F. Landon were forced to resign because of ill health.

The Rural Church Program has shown increased interest and progress during the year. Many states now have departments of Rural Church Work. Here are some facts which the 1949 report reveals:

(1) 13,400 Baptist churches located in the open country.

(2) 4,720 Baptist churches located in villages of less than 500 population each.

(3) 3,397 Baptist churches in towns of between 500 and 2,500 population.

(4) These churches have on their rolls 3,565,000 names, or a good many more than one-half of our total reported membership.

In view of these facts, the ultimate goal of the Home Mission Board, with your help and mine, is, that,

(1) Every rural church shall have and support a resident pastor, with no more than three of the smaller churches in a pastorate.

(2) Suitable equipment shall be provided for each rural field, including modern meeting house, pastor's home, and provision for complete fellowship activities.

(3) Direction of the services of ministerial students to the end that while they learn to preach and to be a pastor they may not cause rural churches to suffer for lack of pastoral care, and at the same time they may have supervised training for their future work.

(4) Every rural church shall be enlisted in the whole program of the kingdom of our Lord, with perennial evangelism, teaching and training carried on.

Another great and important department of our convention is that which promotes work among the Negro. There is a deep feeling among the people of our convention that we ought to do more than we are doing among these Negro friends. There are 49 missionaries in this department; 29 teacher-missionaries serving in 24 schools and colleges; 14 workers serving in Negro centers, and 5 general workers.

In this brief and incomplete report we can see a bit of the gigantic task of the Home Mission Board of our convention. To accomplish this task of making Christ known at home, as well as abroad, it will take the loyal support of every Christian.

Respectfully submitted,
E. S. Higginbotham

17. Report and brief discussion on Foreign Missions; by Frank B. Dinwiddie.

18. All of the above reports were upon motion after discussion, duly adopted. After which the congregation sang, We're Marching to Zion.

20. Meeting was then adjourned to meet again 10:30 A. M. Wednesday, Sept. 20th.

FOREIGN MISSION REPORT

The Southern Baptist Foreign Mission Board, with gifts of $5,319,216.04 at its command, made distinct progress in many directions during 1949, despite worldwide unrest. 67 new missionaries were appointed, bringing the active total to over 700. 19 went to Africa, Europe and the Near East, 16 to Japan and Hawaii, and 32 to Latin America.

In lands such as Italy, Spain, Central Europe, China, Japan, Palestine, Arabia and Latin America, significant advance was made in the face of persecution, governmental restriction, and war's destitution.

From the ashes of the atom bomb has risen a beautiful house of worship, with a self-supporting congregation, in Hiroshima. And in Nazareth 500 children and nursing mothers were fed daily at the Baptist school, this being for many of them their only sustenance for months. 500 bales of clothing were distributed to more than 30,000 war-impoverished persons in Nazareth and Galilee. In fanatical Spain, one congregation grew from 4 to 40 believers; while Arabia, that seemingly impregnable fortress of Mohammedanism, was invaded by four intrepid soldiers of the Cross, who need many more to join them.

The battle line was carried to central Europe, now largely a spiritually bankrupt mission field, as the Baptist Theological Seminary opened in Switzerland. And so is the story from around the globe.

Requests poured in from the field for 241 more missionaries. To meet this challenge the Board has set a goal of 100 new missionaries in 1950, 125 in 1951, 150 in 1952, 175 in 1953, and 200 in 1954. That goal can only be reached in the hearts of individual Baptists of the Chowan Association, and throughout the southland, as you and I face the call, then go if we can, give what we can, and pray as we can.

Respectfully submitted,
Frank B. Dinwiddie

REPORT OF EXECUTIVE COMMITTEE CHOWAN BAPTIST ASSOCIATION

The executive committee of the Chowan Baptist Association reports two meetings. The committee met first on October 10, 1949 at the Edenton Baptist Church and transacted the following business:

(1) Elected L. H. Dawson secretary and W. W. Finlator president of the committee.
(2) Elected as leaders for the Chowan College Campaign C. W. Duling, Chairman, E. S. Higginbotham for the Camden County area, Frank Cohoon for the Dare County Area, C. W. Goodwin for the Currituck County area, W. W. Finlator for the Pasquotank County area, Carroll Holmes for the Chowan County area, Bela and Mrs. Udvarnoki for the Gates County area and H. G. Thompson for the area of the sound.
(3) Elected for the Associational Missions Committee R. N. Carroll, Chairman, G. M. Singletary, and J. P. Mercer.
(4) Elected E. S. Higginbotham to succeed P. E. Lemons as Associational Sunday School Superintendent.

The committee met again on June 12, 1950 at the First Baptist Church in Elizabeth City and transacted the following business:

(1) C. W. Duling was recognized by the Chairman and reported on the Baptist hospital campaign to raise money for enlargement of buildings. A motion was passed to notify the churches that the committee endorses the hospital effort and to urge that special offerings be taken the fourth Sunday in June or as soon as suitable. Mrs. W. T. Love was asked to notify the W. M. S. leaders about this.

(2) A report was given by C. W. Duling on the Chowan College campaign to raise money in our association. He stated that the college closed the session with all bills satisfied. A motion was passed to commend the college and call upon the churches to support the college financially through their budgets and to encourage the attendance of students. Mrs. W. T. Love reported that the W. M. S. has a Chowan College Chairman to promote the interests of the college in the association and that from three to five thousand dollars annually is expected to be raised for the college through this channel.

(3) The resignation of Brother Firman Cuthriell as pastor of the Berea field in order to enter the Southern Baptist Theological Seminary was noted.

(4) The need for better support for the associational mission program was discussed in the light of a letter on hand from the treasurer of the association showing a continuing deficit in finances. A motion was passed instructing the Associational Missions Committee to send a letter, including a copy of the letter from the associational treasurer to the associational missionary, to all churches, including pastors, chairmen of deacons, W. M. S. presidents, and others thought advisable, giving conditions of the associational mission finances and asking for support or a reply stating whether or not the church wishes to continue the mission work.

The Executive Committee expresses its appreciation to its appointees for the high quality of services they have rendered and to the churches of our association for their generous and prompt response. It calls you our people to continue their efforts in behalf of our hospital in Winston Salem in particular and all our Baptist work in general.

W. W. Finlator, Chairman
L. W. Dawson, Secretary

REPORT OF ASSOCIATION SUNDAY SCHOOL FOR YEAR SEPT. 1949 THROUGH AUG. 1950

Our Association consists of 59 churches. There are 54 Sunday school organizations. The average number of Sunday schools reporting to the Associational Superintendent monthly was 11. No new Sunday schools were organized. Three new classes were organized.

Two Fifth Sunday meetings were held. One in January and one in April. The attendance at the January meeting which was held with the Berea Baptist Church was 97 with 12 churches represented. The April meeting was held with the Riverside Church with an attendance of 33, and 8 churches represented.

Of the churches reporting there was an enrollment loss of 41.

Of the 54 Sunday schools in the association 29 did not report once.

4 churches reported every month.
1 church reported 11 times.
3 churches reported 9 times.
1 church reported 8 times.
3 churches reported 6 times
1 church reported 4 times.
1 church reported 3 times.
4 churches reported 2 times.
7 churches reported one time.

Making a total of 25 churches reporting during the year.

14 of the 25 did not report on the Standard of Excellence.

5 training schools were held during the year according to the reports given to the Superintendent.

A number of the reports received were not properly filled out. Some cards were returned without the name of the Sunday school, the superintendent, or the pastor, or the date of the month. Some reports were received too late in the month to be counted.

Respectfully submitted,
E. S. Higginbotham,
Associational Sunday School Supt.

In the absence and recent departure of our Training Union Director, I have been asked to make a report and find myself with very little to report. However, there are a few deductions and conclusions that each of you with me could reach and be certain of our accuracy. Then too, if we are willing we could profit from what we know to be true. The first is this:

1. The figures I have to quote on our work, they are not complete. People just won't report. If you are fortunate enough to have a training Union, let your Associational Director and your State Training Union Secretary know.

2. Let's give Training Union a try. Some of us just assume that we don't need it and it won't work for us. It will work if we make it work.

3. For an Association our size, we have too few Training Unions. Only about one-fourth of our churches are doing any work. Our churches are suffering for leadership and we are not trying to train any more leaders.

4. There are many of us today able to stand up and speak for the Lord because somewhere along the way we had the benefit of a Training Union. There are many hundred more who will never be able to speak because we are too busy to give them the Training. Don't make another Sunday School class out of Training Union. Make it a vital Training Agency for building good Church Membership. Do you have a good Baptist Training Union in your church? What are you doing about it?

Respectfully submitted,
Elizabeth Hutchens

CHOWAN ASSOCIATION W. M. U.

The Chowan Association W. M. U. has two big problems to solve. First, there are so many churches in the large area covered by the Association that it is difficult to get around to help the local officers and (Second) our Superintendent is so talented and so efficient that she is needed in other fields of our Baptist work as well as our Associational W. M. U. activities.

The W. M. U. work has fallen far short of what our officers could wish and would like to have. But the local officers have worked hard in many instances and together our work has gone forward in many ways. We have more members but due to the fact that money has not been so plentiful we have had less in gifts. More study has been done for there have been 123 more study classes and, consequently, more study books have been read and more ladies have been enrolled in mission study classes. More ladies have been regularly engaged in community missions activities and more stewardship classes and programs have been held. A few new tithers have been recorded and the total number of tithers has increased. So we see the word "More" appearing in most of the items noted. Yes, **more** information for growth and **more** giving when we really understand the needs. I have seen the statement: "An ignorant Baptist is dangerous." We want all our Baptist women to be "Safe" Baptists because they are informed Baptists.

We have tried two new plans this year which we are glad to report. Since our Associational Superintendent has been so busy in denominational work the executive committee appointed an Executive Secretary to do the reporting and secretarial work of the Associational W. M. U. In this way more information has been sent out to presidents and committee chairmen because of the availability of a mimeograph machine and reports to W. M. U. Headquarters have been sent out on time as formerly.

Next week we are having an Institute for Mission Study, Community Missions and Stewardship chairman and prospective teachers in these three fields. The Mission Study classes for each age level cover the books on Africa as available for the fall mission study classes preparatory to the December season of prayer for foreign missions. This is the first time such an Institute has been held in our Association and we are reminding all persons eligible to attend these classes that the time given on Sept. 28th will be well spent. Mrs. W. M. Pittard, state Mission Study Chairman, and Miss Marie Eberly, a state field worker, are among the teachers at this Institute. We hope that as we work together in this way we may become more efficient and more intelligent in our work: the big church and the little church working together for the glory of God and the promotion of His Kingdom in our Association.

"You go to your church, and I'll go to mine.
But let's walk along together;
Our Father has built them side by side,
So let's walk along together.
The road is rough and the way is long,
But we'll help each other over;
You go to your church and I'll go to mine,
But let's walk along together.

You go to your church, and I'll go to mine,
But let's walk along together;
Our heavenly Father is the same,
So let's walk along together.
The chimes of your church ring loud and clear,
They chime with the chimes of my church,
You go to your church, and I'll go to mine,
But let's walk along together.

You go to your church and I'll go to mine,
But let's walk along together;
Our heavenly father loves us all,
So let's walk along together.
The Lord will be at my church today,
But He'll be at your church also;
You go to your church and I'll go to mine,
But let's walk along together."

CHOWAN ASSOCIATIONAL W. M. U. MINUTES FOR 1950

The 46th session of the Chowan Associational W. M. U. met in the Rocky Hock Baptist Church on March 28, 1950, with Mrs. W. T. Love, Jr., Associational Suerintendent, presiding. The meeting was called to order and "We've A Story to Tell to The Nations" was sung. Theme for the meeting was "Advancing in the Work of the Lord". The W. M. U. Watchwords were repeated in unison.

Mrs. W. H. Dail, president of the hostess society, gave the address of welcome to which Mrs. D. M. Love of the First Church of Elizabeth City, responded.

Mrs. C. W. Ward gave the report for the program committee, and announced that the secretary, Mrs. R. L. Garrett, was ill and that Mrs. F. A. Cuthriell of Bearea would take her place. Report was adopted.

The worship period was led by Mrs. Bela Udvarnoki, who read Nehemiah 6:16, Isa. 26:12, and Mark 16:20. She explained how we can be used in the best way for God.

Mrs. C. N. Carter sang "O, Master, Let Me Walk With Thee". Both Mrs. Udvarnoki and Mrs. Carter were a great blessing to us. We were asked to pray for the other Associational Meetings which were being held in others parts of the state this month.

The minutes of the last meeting were read and approved. The treasurer's report was given and adopted. Mrs. Love read a "Thank You Note written by Mrs. Milton Byrum in appreciation for flowers sent during her illness last year.

All registration was completed at this time and we were asked to put the cards in the offering plate with the offering and not instead of.

Mrs. John Wacaster, state worker, and Mrs. Lester Knight, state president of Virginia, and Mrs. I. A. Ward, former Associational superintendent, were recognized.

Miss Elizabeth Hutchins of Blackwell Memorial introduced Mrs. John Wacaster, state worker, who spoke on "Co-operating in the Work of the Lord". Our task, responsibility, and opportunity lie in two million people, two-thirds of the world's population who do not know Christ as Lord and Saviour.

Rev. R. E. Gordon announced that lunch would be served outside. The ladies of the hostess church adjourned to prepare lunch while we sang one stanza of "Stand Up, Stand Up for Jesus".

Announcements were made. Mrs. Love called attention to the Minutes of Chowan Association. Reynoldson and Creswell do have an active W. M. U. although they were not listed in the Minutes for 1949. Two other errors concerning W. M. U. were mentioned.

Mr. Gordon interrupted to say that we should eat because of weather conditions. Mrs. Knight pronounced the benediction and we adjourned for lunch.

REPORT ON THE RELIEF AND ANNUITY

One sultry afternoon in August, there came to my personage an older minister who insisted that I accompany him on an important mission. In his car we drove a score of winding miles until we arrived at a roadside cemetery. The graves rested on the steep incline of a weed grown hill.

I followed the elder brother up through the graveyard; he carried a blade to cut some of the tangled mass of high grasses, I carried a burlap bag with an object within of unusual weight.

High on the hillside, the minister signaled to stop. He cleared away the debris from a mossy mound of earth. Out of the burlap bag he produced a small headstone, which he set with reverence on the neglected grave.

We stood back a short space from the fruit of his afternoon labors. Before us the clear letters of the stones inscription read, "In Memory Of. Rev. Wm. Pope, erected by the Baptist churches of Wayne Association."

"I knew him well," he said, "A good man who served a score of churches in this countryside. I buried him in this cemetery several years ago."

Going downhill, back to his car, I remarked, "He probably had a large funeral, a man of his acquaintance."

"Humph." snorted the older man," he was buried from the poor house."

No better plan has been devised to care for God's servants than the Relief Department of The Southern Baptist Convention.

Every minister of every church ought to teach his flock, prepare the way, and raise his church or churches to a heart and head condition that will cause them to readily look beyond the present to the approaching day when the greatest man in their community is cared for in the declining years of life.

The Southern Baptists have the table spread; escort your pastor to the security upon it by insisting that your church pay for the ticket.

Carl E. Bjork, Committee

REPORT ON TEMPERANCE AND MORALS

Since 1937 the ABC forces have made an intensive effort to increase the Wet territory in North Carolina. Twenty-nine county wide elections have been held, with twenty-six voting against and three voting for ABC stores.

The 1935 Legislature granted the legal sale of beer and wine in each county without the vote of the people. This condition remained until 1947 when the General Assembly reluctantly passed a law permitting counties to vote. Since March 1, 1948, forty-three counties have abolished the legal sale of both beer and wine. Two have voted to retain it. Nine counties now have petitions filed with Board of Elections and several of these have dates set. More than half of the counties in the State will be bone dry when these have voted.

Governor Scott is determined that the people of North Carolina shall have a chance to vote on the liquor question during his administration. Plans are now underway to introduce a bill for a state-wide referendum in the coming General Assembly. Bills also will be introduced to repeal the gallon law, to ban beverage alcohol advertisement and to set-up a supervisor of temperance education in the Department of Education so that the present program created by law will be carried out more effectively and efficiently.

Many counties which have outlawed beverage alcohol have set-up definite plans for better law enforcement. Governor Scott through the State ABC Board has made great progress in eliminating the large amount of tax paid liquor shipped into the state by outside distributors. The Allied Church League has not only pledged its support to the program but has helped in many ways to carry it through.

The General Assembly of 1949 set aside $300,000.00 to be used in treatment of alcoholics and mental patients addicted to alcohol.

North Carolina spent for one month $4,014,119.25 for liquor, not saying anything about beer and wine.

In and around our association of sixty churches, for one month only, there has been $104,000.00 spent for whiskey, from just three counties. Did you know that we are today, facing one of the most and darkest shadows over us, the world has ever witnessed? For there are more church members indulging in strong drinks of all type, and getting drunk than ever in the history of our nation. Surely no one can fail to see and realize that sin is sweeping over our nation, and what are we doing about it, when we that are called Christians are indulging in sin.

Legalizing betting and gambling is becoming more and more each day, in all our public places of business.

We adults today are digging the slime pits of today for our young generation of tomorrow. God help us to do something about this serious situation. Furthermore, as long as the members of our churches love the things of this world more than they do the Lord, we have no hopes of a better tomorrow. What we need is a re-generated, God Filled, Spirit Led, church membership. When this happens, then we can march out against the social evils and liquor traffic, with much strength and courage, that the devil and his forces will have to flee.

Respectfully submitted,

J. R. Ayscue

Southern Baptists recognize the American Bible Society as an essential part of their own worldwide mission program. Resolutions commending the work of the society and requesting the churches to contribute to its support, have been adopted by state conventions to and the Southern Baptist Convention. The Society is grateful for substantial gifts from Baptist Churches throughout the South.

Great quantities of the Scripture have been sent to lands which, before the war, were denied the Scripture. But only a beginning has been made. Shortage for all the world where Scriptures may be sent is estimated at 20,000,000 Bibles and 40,000,000 New Testaments.

In 1948 Southern Baptists gave to the Society $106,739, about $15,000 more than in 1947, but $24,000 less than 1946. Local churches can aid greatly in increasing our gifts by taking special offerings, or putting an amount for the Society in the budget. Money should be sent to M. A. Huggins, marked for the "American Bible Society." Small churches in village or country should give from $10 to $25 or more. Small town churches can give from $25 to $100 or more; larger churches $100 to $200; and churches with 1000 members or more can give from $200 to $500 or more.

Paul E. Lemons

REPORT ON RELIGIOUS LITERATURE

We cannot overestimate the importance of literature. Good literature is a channel of information and inspiration and is indispensable to the promotion of our Baptist cause. If Baptists are to do their best work they must be informed and they must be inspired. This is the purpose back of the writing, publication and distribution of all our Baptist literature, including the books, periodicals and tracts from our Sunday School Board and our State Baptist papers. Our own Baptist paper—the Biblical Recorder—is now going into almost 45,000 Baptist homes in North Carolina and is keeping those Baptists currently informed concerning our denominational work at home and around the world and is challenging and inspiring those Baptists to have a larger part in our world-wide task.

Your committee recommends that through the adoption of this report this association go on record as urging our people to remove from their homes and from the hands of their children all literature of an unwholesome nature and putting in its place reading matter that will inform and inspire, so that we may have better homes and more concern for the work of our Master.

REPORT ON AMERICAN BIBLE SOCIETY

Chowan Association - September 20, 1950

The one hope of men and nations—as it has always been—is the Bible. It is the one primary source of knowledge of God.

Today, when millions of people around the world are turning to the Bible as never before, and when there is a severe shortage of missionaries in many fields, Bible distribution is more than ever a "must." The Bible is the missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart when all other doors have been closed.

Every man must have the Bible in his own native tongue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it and send it to him, wherever he may live.

In most countries of the world the income of the people is so low that they cannot afford even the bare cost of the printed Scriptures. Someone must help those who can pay only a part of the cost and the many who cannot pay at all.

The American Bible Society is a missionary non-profit organization, supported by gifts, trying to fill this need. It aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit, and usually below cost, for use in mission work around the world. For the blind it supplies the Scriptures, at a small fraction of the cost, in Braille and other raised-letter systems; also on "Talking Book" records.

CONSTITUTION

ARTICLE 1. This body shall be known as the Chowan Baptist Association of North Carolina.

ARTICLE 2. This body shall be composed of white messengers elected annually by the churches connected with it, all ordained ministers, who are members of, or are laboring in connection with the churches. Each church shall be entitled to three messengers, and in addition thereto one messenger for each hundred members in excess of one hundred. All members of standing committees and other officers of the Association shall be ex-officio members of the Association.

ARTICLE 3. The Association shall have no control over the churches other than the right to inquire into their condition, advise them in matters of difficulty, to withdraw its fellowship from such as may be corrupt in doctrine or practice, after due measures are taken to reclaim such a church, or churches, and they remain incorrigible.—The object shall be to promote among them fraternal union and sympathy and mutual co-operation for the dissemination of the gospel within its bounds and the world.

ARTICLE 4. The Association shall have the lollowing officers; a Moderator, a Vice Moderator, Clerk-Treasurer, Assistant Clerk-Treasurer, Auditor, Associational Sunday School Superintendent, and Associational Training Union Director, who shall be elected annually, and whose duties shall be those usually required of such officers.

ARTICLE 5. Any regular Baptist Church may be admitted to membership in the Association upon application, and with the proper credentials, and a majority vote of the messengers present and the membership of any church in the Association may be terminated who shall fail to send messengers or letter for two successive sessions of the Association or upon application for dismissal.

ARTICLE 6. It shall be the duty of the churches to correspond annually with the Association by letter and messenger and give not only full statistical information, but also facts concerning their general welfare; and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters in the hands of the Clerk not less than two weeks before the meeting of the Association.

ARTICLE 7. The Association shall furnish the churches with a number of printed minutes within a reasonable time after each session in proportion to the money contributed by each church to defray the expenses of the Association. The Associational year shall end on August 31.

ARTICLE 8. The Association shall elect annually an Executive Committee of seven members, the officers of the Association being members ex-officio whose duty it shall be to transact whatever business may require attention between sessions of the Association, and to confer with the churches of the Association which may be in need of assistance. REPORT OF ASSOCIATIONAL MISSIONARY

We submit our third annual report to the Chowan Baptist Association with thanksgiving to our Heavenly Father for His blessings and appreciation to the churches and groups within the association for the co-operation that has made the work possible. As always, we find it difficult to reduce activities to statistics, but we give the following figures as some indication of our activities during the associational year.

Bulletins, letters and cards mailed	11,252
Miles traveled (in associational work)	24,503
Visits to churches	198

Special Mission talks	89
Study Courses	34

The Missions and Stewardship Week promoted in five sections of the association in February was not as well attended as we had hoped, but there was an average attendance of 350 for the five nights, with 45 of the 59 churches represented While the great distances between our churches handicap efforts to have central or group meetings, we feel that if our association is to be effective in promoting a truly worthwhile program, we must develop ways of reaching more of our church leaders, more often, in order to help provide information and inspiration for better work in the local churches. This calls for central and group meetings, for when the missionary is trying to reach the churches on an individual and direct basis over so vast a territory, his efforts are so thin and scattered that it is difficult to be much more than a handy man doing the thing that no one else is available to do for the moment. The monthly bulletins help in a general way, but they cannot be adequate for the whole job. An expanded program, necessarily, will add some additional expense, and for the past three years our contribution to associational missions have been so uncertain that we have hesitated to plan much in advance for fear the treasurer would be entirely swamped by expenses he could not pay, but the time is upon us when to make true progress in any great way we must plan bigger, finance adequately, and be ready in many instances to help with the work of a worthy association-wide program.

The summer Vacation Bible School program shows that 43 churches had schools, including one Negro school promoted by the Manteo Church. This is three less than was reported last year when we had a student worker for three months during the summer. The missionary assisted, where possible, other leaders in getting ready for and carrying out such meetings as the Vacation Bible School Conference, Sunday School Planning Meeting, Training Union associational meetings, W. M. U. associational and county meetings, Regional Training Union meetings, and served on the faculty of the R. A., G. A., and Y. W. A. camp at Chowan College. When there was opportunity, or his assistance was asked, he helped churches form fields and locate new pastors, or, in fact, rendered any service he could of any kind.

In addition to work in and around the association, the missionary, together with a large group of workers from over this and other states, assisted in an Association-wide Training Union Enlargement Campaign in the South Fork Association. He also attended two conferences for associational missionaries, one in Raleigh in September, and the other at Fruitland in July, assisted in the State Training Union Planning Meeting, attended the State Convention, the State Vacation Bible School Clinic, the Southern Baptist Convention, The State Training Union Assembly at Caswell, and the State Sunday School Assembly at Fruitland two days. We wish that more of our people could share the blessings of attending more of the meetings that apply to their particular place of service in the church.

We close this report with a request that you continue to pray for us and that you feel free to indicate any needs you see in the association and offer suggestions for meeting those needs.

Respectfully submitted,
L. H. Dawson,
Associational Missionary.

REPORT ON TEMPERANCE AND MORALS

9. Report on Temperance and Morals was given by Bro. W. C. Harrell. An interesting discussion was presented by Bro. Walter F. Anderson, who outlined a part of his program for the rehabilitation of those under sentence to prison. First to discover, then develop and deliver them prepared to take their place in the world.

The ABC forces continue their efforts to increase the wet territory in North Carolina. However, I am happy to report that they fail in a great majority of their attempts. I am also happy to report that that since 1948, a majority of our counties have voted out the sale of beer and wine.

In spite of the above results, we are attaining our goal too slowly. We were dissappointed when our 1951 General Assembly failed to permit the people of the State to decide the liquor question. We were also dissappointed when the 1951 General Assembly failed to do anything to lessen the liquor traffic.

We must not give up; but must renew our fight. We must elect those people to the Legislature, who have the courage to support and carry through legislation that will outlaw this great evil. We must also encourage and insist that present laws be inforced to the end that the illicit sale to this evil be put to an end. We must support and aid that group of citizens, who are rendering such a great service to the alcoholics. We too, should do everything in our power to educate our people, especially the youth, on the evils of this demon.

Our 1951 General Assembly also failed to outlaw legalized betting and gambling. The tempo of these sins have increased. We are headed toward certain destruction, when our boys and girls are growing up in commiunties that allow, encourage, and abet such sinfullness. We ask God to bless and sustain those that had the courage to fight and do all in their power to obliterate such an evil. Let us not leave it to those few, but may we all unite and put an end to such wickedness.

Another matter we should give serious attention to is the so-called agriculture fairs throughout the State. In too many cases they are only excuses to sponsor carnivals. Such carnivals are full of vices that tempt and influence our people.

The morals of this generation are not any worse than the morals of other generations. However, they are not now, and never have been, what the Saviour would have them to be. We must do all in our power to make the environment such that the youth of our State will have as few evil temptations as is possible. Christians must let their light so shine that people may see their good works and glorify their Father in Heaven.

Respectfully submitted,

W. C. Harrell.

10. Upon motion, the Association voted to interrupt the program and allow ten minutes for Dr. Orion Mixon, President of Chowan, to extend greetings from the College and present a brief outline of program and plans for same. Dr. Mixon said, "The heart of Christian Education is Education of the Heart." The Association is invited to Chowan College for the day, on October 11th, which has been set as Founder's Day, and at which time Dr. Mixon will be formally inducted as President of Chowan College. After which Rev. Lonnie Sasser was recognized.

11. Hour of devotion:—Sermon by Rev. G. M. Singletary, pastor of Corinth Baptist Church. Scripture by Rev. Frank Dinwiddie.

12. Recess for lunch.

13. Meeting reconvened with congregational singing. Devotion by Rev. James W. Burks. Scripture reading, Romans, 3rd Chapter.

14. Report of Womens Missionary Union—Mrs. I. A. Ward.

REPORT OF WOMAN'S MISSIONARY UNION

With gratitude to our Master for the privilege of being "Laborers together with God," we, your auxiliary, respectfully bring a brief account of our stewardship for the past year.

We have 47 missionary societies; but,we have 59 churches—12 without any missionary organization. Are you a pastor of one of these churches? If so, will you allow and help Mrs. C. D. Gregory and myself to organize a society in your church?

Under the capable leadership of our two young people's leaders, Mrs. W. W. Finlator and Mrs. H. T. Dilday, the work of our young people has gone forward in a commendable way—we had over six hundred attending our young people's Rally at Rocky Hock Church, in June, with the young people in charge of the entire meeting. We had 173 Junior and Intermediate boys and girls from our association attending our camp at Chowan College in July, with nine members of the faculty from our association, including our moderator, our associational missionary and our former missionaries, Dr. and Mrs. Udvarnoki.

Realizing that informed people are interested people, we have, under the leadership of Mrs. H. G. Sawyer, continued to stress mission study and the reading of mission books; we have a combined mission study and community mission institute each year in September, training our women to be better Stewards in their local churches. Mrs. J. P. Mercer has led us in community missions, her ideal is that every member of every organization be an active participant in this phase of our work. Witnessing for Jesus to those in our own community.

Mrs. L. H. Dawson has done much as our Stewardship chairman, in bringing our people to realize the joy of tithing and our records show an increase in our gifts in all phases of our work.

Our Margaret Fund and Training School chairman, Mrs. Walter Ward, keeps constantly in touch with the State chairman and local society along that line of the work—we have a girl from our association entering the Training School this fall. We have a loan fund of four hundred dollars to be used by a Training School girl if she desires.

With so much trashy reading material, funny books, etc., in our stores today, Mrs. C. W. Ward is busy as our Literature chairman, trying to put good literature in the hands of our women and young people such as Royal Service, World's Comrades, Window of Y. W. A., Ambassador Life and Biblical Recorder. Good reading for the young mind is most important.

Last, but not least, Mrs. C. O. Turner, our Chowan College chairman, is working untiringly with the various missionary societies, stimulating interest, securing gifts, and giving information to our people. Chowan College has stood as a lighthouse over one hundred years, sending out its light into the churches of Eastern Carolina and Virginia. "Her children rise up and call her blessed."

Our annual meeting at Shiloh church in April was well attended and prayerfully planned. The theme, "Found Faithful," was heart searching.

The various county meetings were on a high plane, with good reports and splendid speakers. It has been the privilege of the

Superintendent to attend all the meetings in the association, including the young people's rally and the camp.

As we face another year we pledge to you our full and joyous cooperation as we work together to make His way known.

Respectfully submitted,
Mrs. I. A. Ward,
Superintendent.

15. State Mission Report:—By J. H. Moore, substituting for A. B. Alderman.

STATE MISSIONS REPORT

The goal and objective of State Missions may be stated thus:
"NORTH CAROLINA MUST BE CHRISTIAN"

In many places one observes that what was predicted some fifty years ago, namely, "Coldness within and iniquity without," has come to pass. This is not to say that there is not also a lot of iniquity within. It is the overall purpose of State Missions, working through churches, Sunday schools, young people, to prevent such a thing happening. A sort of creeping paralysis has already taken the northern part of our country in particular. The same thing will happen here unless as Christians we are alert.

In order to accomplish this overall purpose the State Mission program embraces many activities, and these may be stated as follows:

S Sunday School Work
T Training Union Work
A Assemblies
T Training Activities (Visual Education, Radio, Etc.)
E Evangelism (City and Association-wide Revivals)

M New and Needy Churches
I Work Among the Indians
S Schools for Ministers
S Work Among Silent People
I Interracial Activities
O Other Activities—Allied Church League, Rural Church, Etc.
N Neglected Areas (Lots for New Churches)
S Student Work Among 15,000 Baptist Students

Renewed emphasis is being given to our work among the rural churches. A significant statement was made recently to this effect: In a period of three generations, or about one hundred years, it is likely that 1,000 people living in this country will have six times as many descendants as the same number of people living in the larger cities. This certainly is one of the reasons why the Catholics, who in the past have centered their activities in the cities, are now moving into the rural areas. Baptists now compose about one-half of the total church population. If we are wise everything possible must be done to build great country churches.

State Missions has many pressing needs but perhaps the most pressing right now is some $50,000 with which to buy lots where new churches should be established and another $50,000 above what is now being received for State Missions with which to supplement the salaries of pastors to minister to the churches and thus get the work going.

Let it be remembered that State Missions is not just **one object,** but is a program of some eighteen activities. A special offering during September and October of $150,000 is perhaps the greatest need of our North Carolina Baptist Program.

A. B. Alderman.

16. Home Mission Report—By Rev. Henry Napier.

HOME MISSIONS REPORT

Any genuinely significant movement must have a focal or starting point. Such a point may originate in the heart and mind and purpose of God and then propagated through some dynamic personality.

Christ located for us the strategic point of approach to our home mission task in His own mission method. He planted His religion in the world, making it universal for all mankind. He began by building the home base for the world program—that is, the twelve were to go to the lost sheep of Israel; the seventy were sent only to the cities of the homeland. If we will evangelize and Christianize the homeland, a vast resource will be usable and available for Christ in the Kingdom work.

The Home Missions used ancient Jerusalem as a springboard to get off to nearby provinces, and from those to the remotest parts of the world. Dr. Lawrence, one of our wisest statesmen, often reminded us that "Home missions is the seed corn of all missions work."

Now, obviously, the task of home missions is the task of all Baptists just as foreign missions is. It is equally evident that no one agency can rightly be charged with the whole job. The local church is naturally first in order of importance in the home missions; for the local church is the means by which local men and women are reached for Christ. However, we find that some of the most needy fields are nowhere near a church. In that case the responsibility goes to some other agency which must in turn take its support from the local churches in other places. State and Associational missions are playing their part in carrying the message of salvation to some of these out of the way places. However, the Home Missions Board has been charged with the responsibility of supplementing in the out of the way places. It is for people who are not connected with any local church that the Home Missions Board takes the keenest interest. They are spreading all the time and today their work spreads from the Atlantic to the Pacific. It seems, therefore, that Southern Baptists are just entering upon their greatest area of Home Mission work.

We are facing, as never before in this great nation, the need to make the homeland Christian in every way. In every city there is the need for city missions, more churches, more preaching stations, more effort to establish the principles of the Kingdom among men. As we face this significant year when all the world looks to the United States for financial and moral support, let us do so united with the determination to win a great victory among our own people so that days of the right hand of God and of heaven on earth will come to us, and we will grow brighter and happier and better, even unto that perfect and eternal day.

Respectfully submitted,
Henry V. Napier.

17. Foreign Missions Report—By Rev. R. E. Gordon.

After discussion of all phases of the Mission work by Dr. M. A. Huggins, the above reports were, upon motion, adopted.

FOREIGN MISSIONS REPORT

The Foreign Mission Board's program of advance is on. There were 111 Missionaries appointed during 1950. This breaks the highest previous record by thirty-five, which, according to Secretary

M. T. Rankin, will probably not soon be exceeded. This brought the total under appointment to 803. Today there are 825 under appointment. Three new countries were entered during 1950—Ecuador and Peru in South America, and Southern Rhodesia in Africa. Of these new appointees 55 went to Latin America; 31 went to Africa, Europe and the Near East, and 25 to Japan. For the first time the Board appointed two agricultural missionaries, one for Israel and one for North Brazil.

A tremendous job has been done with the $6,014,909.14 given by our churches. Dr Rankin states that our people must provide well over $7,500,000 during 1951 or the pace set in 1950 will not be kept. By the end of 1951 the Board hopes to have 100 missionaries in Japan. This field is exceedingly white unto harvest. They are calling for more missionaries, more Bibles, and more love.

From the 1951 Annual Report of the Foreign Mission Board comes this statement:

"Reports from the various areas show appreciable gains in all countries except China. It is only there that our missionary staff has decreased. At the end of the year the Board had only sixteen missionaries inside China proper." One of these, Dr. William Wallace, was arrested on December 18, 1950 by Chinese communists and charged with serving as a spy for the United States Government. The real purpose was "to discredit the wide spread good-will which, as an American Missionary doctor, he has created among the Chinese people whom he has served unselfishly for fifteen years." Since then Dr. Wallace has died at the hands of the communists.

The answer to the future needs of the Foreign Mission Board for the program of advance depends on people like you and me. The advance program calls for 1,750 missionaries under appointment. This means a minimum need of over $10,000,000 to give them their tools for the job. If our over seven million Southern Baptists would try God's plan of tithing, there would be enough for this program of advance and multiplied thousands for all of our agencies and institutions.

What about the future? The answer lies with you.

Respectfully submitted,
R. E. Gordon.

18. Report on Christian Religious Literature—By Bro. Oscar Edmonds.

After discussion by Dr. L. L. Carpenter, in which he stated that the Biblical Recorder has been the Baptist Publication for 118 years, and bringing greetings from Bro. C. W. Bazemore, who was once pastor of Corinth, the report was adopted.

REPORT ON CHRISTIAN LITERATURE

The winning of people to Christ and the training and development of our people must be carried on primarily through preaching, teaching, and the use of good religious literature. We must place in the homes of the people religious literature in the form of tracts, magazines and books. The Bible, of course, occupies the chief place in our list of literature.

The immense volume of literature produced by Southern Baptists covers the fields of Bible study, Sunday School and Training Union work. W. M. U., Brotherhood, Home and Foreign Missions, and so forth. We must encourage our people to read and study the various types of literature which help us to understand and teach the Bible and which offer inspiration and guidance in Christian living and service. Unique in this list is the State Baptist papers because they seek to promote and support all phases of our Baptist work, both at home and abroad.

Charity and Children, published at Thomasville, N. C., is a weekly paper and the subscription rates are $1.00 a year. It should be in each of our homes. The Biblical Recorder, our State Baptist paper in North Carolina, has three subscription plans: $2.50 a year for individual subscriptions; $2.00 a year in clubs of 5 from churches with more than 100 members and 3 if less than 100 members; $1.50 a year for the every family plan, one subscription from each resident church family is required. We as pastors, superintendents, deacons, training unions, and W. M. U. leaders should do what we can to encourage a good club in every Baptist church in the Chowan Association; or better still, persuade the churches to inaugurate the every family plan.

Respectfully submitted,
Oscar. S. Edmonds.

19. **General Discussion Period:**—Upon motion and unanimous vote of the assemblage, Dr. Bela Udvarnoki, was granted time for an address. The relationship of the races. The white race, once the dominating force of the entire world, fast losing its place of power and influence. Nations and races of color are exerting themselves and making their influences felt in conferences and on the battlefields. What are we doing to influence them for Christ through our Foreign Mission Program?

20. The Moderator recognized Committee on Resolutions, who expressed thanks to the Macedonia Church for their hospitality. He also called attention to the program for Wednesday at the Cool Spring Church. After which the meeting was recessed to meet at 10:30 A. M., Wednesday, September 19th, at the Cool Spring Church.

21. The Chowan Baptist Association meeting Wednesday, Sept. 19th, with the Cool Spring Church. Meeting called to order by the Moderator, C. W. Duling. Hymn, "I Love Thy Kingdom Lord." Devotional by Rev. Herman Dilday; Scripture reading, 1 Corinthians, 13th Chapter.

22. Welcome extended by pastor, J. C. Conoly; response by Dr. Bela Udvarnoki.

23. Report of the Orphanage:—By Rev. Horace Jones.

After discussion of the work and program of the Orphanage by W. C. Reed, the report was, upon motion, adopted.

ORPHANAGE REPORT

We think that nothing in this world has a more universal human appeal than a little child in need. It is no wonder, then, to see that sufficient funds continue to come in for the care of those who are entrusted to us in constantly increasing numbers. Surely it is what Jesus would have us do.

Our child care program embraces more than Mills Home and Kennedy Home, where 606 children found refuge last year. There is also a Mother's Aid program which which helped support 100 and a system of Boarding Homes which cared for 58 children, making a grand total of 764 children helped by our offerings last year.

There are two major sources of support for our Orpranage program. The greatest of these is the once-a-month offering by Sunday Schools and churches, and the other is our annual Thanksgiving offerings. This money is used exclusively for the support of the children. The financial situation of our work is good, but there is never a large surplus of funds and careful attention must be paid to economy in running these institutions. All buildings have been erected by special gifts from interested friends. The fact that our gifts have gone directly to the Orphanage has served to keep

the children we support close to our hearts and has stimulated our own spiritual growth.

Through the generous bequest of the late Mr. Robert M. Idol, of Winston-Salem, we received last year the greatest single gift that has ever come to the Orphanage. This gift, together with a similar one from his sister, the late Miss Lelia M. Idol, totaled a little more than seven hundred thousand dollars. None of this money can ever be used for current expenses. It must be used as specified in the wills of the donors for the building of a church, an infirmary and a print shop. These buildings, along with one cottage for children, are now under contract. When they are finished and furnished, less than $30,000 of this fund will be left which could be used to help erect another building. In fact, the present building program will use all the funds now available.

We are informed of our Orphanage work through **Charity and Children** and by the visits of our workers to the association; but if every North Carolina Baptist could visit one or both of our Homes, we would receive a blessing well worth traveling from one end of the State to the other. Furnishing these needy ones with the advantages of Christian teaching in Christian atmosphere is certainly the work of the Lord, Who loved little children and used them to illustrate His dearest teachings.

Still they tell us of the many needy applicants that can not be received, but must wait and wait, destitute, until our hearts are grown big enough that we may increase our facilities so that none need be turned away. God forbid that we should abandon any one of them to the mercy of secular institutions as is the trend in many of our human services. Let us keep "those little ones" on our hearts and before God always.

Respectfully submitted,
Horace E. Jones.

24. Report of Baptist Home for Aged:—By J. T. Byrum.

Address and presentation of workings of the Home by James M. Hayes, after which the report was adopted.

HOME FOR AGED REPORT

The North Carolina Baptist State Convention, in its November, 1950 session, authorized the committee on the Home for the Aging to make plans for the opening and operation of our Home for the Aging as soon as the committee might find a way to meet the cost of equipping and operating. Because of the drive to raise money for the construction of the new wing to the Baptist Hospital, the Convention instructed the committee for the Home not to expect direct help from the Baptist State Convention during the year 1951.

On January 9, the committee on the Home elected Rev. James M. Hayes, pastor of North Winston Baptist Church, Winston-Salem, superintendent of the Home, and Miss Edna Heinzerling, director of Nurses of the Baptist Hospital, to serve as supervisor of our Home. The committee decided to open the Home for residents when sufficient funds became available to begin.

There are many evidences of the Lord's favor upon the Home thus far. In the first place, He led in making a Home immediately available. Ten years ago the trustees of the Bowman Gray School of Medicine of Wake Forest College leased a three-story, brick-constructed, fireproof building, with an elevator, for a period of 25 years for $1.00 a year. The committee on the Home was able to secure this building for 15 years at the same rental price. The building accomodates 20 residents at present. The top floor, if completed, would give space for 16 additional residents. The com-

pletion of this floor would cost approximately $23,000. With more than 100 applications for admission already received, and inquiries coming almost daily, one can easily see the pressing need for more space.

The Home has been greatly helped by the gifts received—furniture, office equipment, heating system, blankets, linens, towels, and many other items, as well as discounts on supplies necessary to be purchased. Although the Home has been operation only since March 16, yet it now has assets approximating $50,000, and is not operating in the red.

Our residents range in age from 67 to 91 years, and come from widely scattered sections of North Carolina—from Franklin to Elizabeth City—the mountains to the sea. Regardless of the sections from which they come, they are a happy, congenial family, all rejoicing in the opportunity to live in the Home. The attitude of all the residents is well expressed in the brief statements of Miss Bertha Callaway, former matron of Mills Home Orphanage: "I like this good Christian home", and of Mrs. Carroll: "I wouldn't exchange it for any other."

The Home offers four things to those who come to live there: security, comfort, congeniality, and a Christian ministry. With this sort of program, North Carolina Baptists can add years to life, and life to years for those who reside in our Baptist Home for the Aging.

One donor said when he sent his check to the Home: "I believe in this practical kind of Christianity. North Carolina Baptists have waited too long to begin it." Surely it is practical, for Jesus said: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

The committee on the home has challenged North Carolina Baptists to build a home adequate to meet the need of the increasing number of old people from 65 years up. Their program calls for a million dollar plant, which could accomodate 270 residents. With the Lord leading and North Carolina Baptists cooperating, such a plant should be built and in operation within a few years.

"Now also when I am old and grayheaded, O God, forsake me not."—(Psalm 71:18).

25. Report from Hospital:—By Carl E. Bjork.

After an interesting message on the work of our Hospital by Dr. W. K. McGee, the report was, upon motion, adopted.

REPORT OF THE BAPTIST HOSPITAL

The only Baptist project in North Carolina that is on duty twenty-four full hours each day is our hospital in the city of Winston-Salem. Atop the Western hill, in pleasant surroundings, the big, red brick building ministers in the name of Christ without one moments breathing spell.

Expanding population and increasing prestige brought more than 50,000 patients to the hospital last year. To meet the cry for relief in suffering, the New South Wing to the hospital is in the process of erection. Under its roof will be room for 150 beds, and necessary facilities and rooms.

In response to the urgent appeal to build the new wing with our own money, many Baptists in their own churches responded nobly. The full amount has not been met through present gifts, and, through our church budgets, special offerings, or active organizations—more should be given.

Mounting expenses are covered through gifts, welfare agencies, endowment, and miscellaneous sources. The Mother's Day Offering to the hospital produces approximately $150.000 per year for the hospital. Churches need not limit their gifts to this one special day.

The spiritual needs of the patients are adequately provided. Chaplains are on duty for all who wish them while under our care in the hospital. To be a soul saving as well as a body building project is the constant goal of all employed in the institution.

Figures on finance and services rendered may be secured from the hospital or your pastor who receives frequent information on these items.

To forget our hospital in our giving, prayers, and publicity is to sin against the Lord, and His call to us to "remember the poor" and "heal the sick."

Committee on Hospital,
Carl E. Bjork.

26. Report of Baptist Training Union:—By John Elliott.

After address by Rev. G. M. Singletary, the report was adopted.

TRAINING UNION REPORT

While this report on the Training Program of our association does not show a substantial gain in the number of churches promoting this much needed work, it does indicate that our faithful few have remained faithful and, by their labors, have brought results which we are pleased to report.

1. STATISTICS

   Sixteen churches (27% of our churches) have one or more individual training unions; or, a total of 70 unions with 1160 members.

2. MEETINGS

   (1) On December 4, 1950, "M" (Mobilization) Night was held at Blackwell Memorial Church in Elizabeth City. Although the weather was unfavorable, nine of our 16 churches with BTU work were represented by a total of 123 persons. Goals for 1951 were set.

   (2) On April 8, 1951, we held our Associational Elimination meeting in the Hertford Church and the following qualified to represent the Association at the Regional Convention: Mrs. W. A. Elliott, of Hertford, for the Adult Bible Reader's Tournament; Aubrey Sanders, of Berea, for the Young People's Better Speakers Tournament; Catherine White, of Blackwell, for the Intermediate Sword Drill; Peggy Jean McCoy, of Berea, and Maxine Spruill, Linda Leary, Ann Spruill, Sandra White, Patricia Bunch, Billy Bunch, of Edenton, for the Junior Memory Work Drill. The Blackwell Youth Choir and the Edenton Junior Choir for the Hymn Festival.

   (3) At the Regional BTU Convention in Ahoskie, April 13-14, the following qualified to represent the Chowan Association and the Region in the State Assemblies; the Blackwell and Edenton Choirs in the Hymn Festival; Catherine White, of Blackwell, in the Sword Drill; Maxine Spruill, Billy Bunch, Linda Leary, Ann Spruill, Patricia Bunch, Sandra White, all of Edenton, in the Junior Memory Work Drill.

   (4) A group of 23 from Blackwell Memorial attended Fruitland State Baptist Assembly, June 25-30, and a group of 31 from the Edenton Church attended the Caswell State Baptist Assembly, July 2-8. The Blackwell Youth Choir was declared a state winner in the State Hymn Festival. Five Edenton Juniors: Maxine Spruill, Linda Leary, Patricia Bunch, Ann Spruill, Billy Bunch had perfect records in the State Junior Memory Work Drill.

(5) At our Annual Convention, August 23, 1951, in the Corinth Church, 11 churches of our 16 churches with BTU Work were represented by 127 delegates. This has been adjudged one of our best conventions.

In closing this report, we express the hope that this splendid activity will grow from year to year; and, that more pastors, leaders and church members will awaken to the need for better trained laborers in the Vineyard of the Master.

Respectfully submitted,
J. M. Elliott,
Associate BTU Director

27. Report on Sunday School:—By J. H. Ratledge.

Some remarks by Bro. Ratledge after which report was adopted.

REPORT OF ASSOCIATION OF SUNDAY SCHOOLS FOR THE YEAR

In our Association there are 59 churches with 56 reported Sunday schools, and one mission Sunday school. No new Sunday schools were reported for the year, and four new classes were reported to the Sunday school Superintendent.

Two Association-wide meetings were held. A planning meeting was held in the Hertford Church last September with 12 churches represented and 56 persons present. Mr. D. M. Brooks, of the Raleigh office, was the speaker. Team captains were appointed for the planning campaign but there were only a few churches responding. All in all, the planning meetings were not received with too much enthusiasm.

A Daily Vacation Bible School clinic was held in Hobbsville Church last April, at which there were 14 churches represented, with 74 persons present. The program was divided into three parts. Rev. C. W. Duling, of Hertford, gave a practical demonstration of the DVBS worship program; Mrs. L. H. Dawson gave a talk and demonstration on Handwork; and Rev. Carl E. Bjork spoke on giving the Bible Schools an evangelistic bent.

A planning mission is scheduled for the Association at the Edenton Church for September 25, 1951.

The monthly reports for the attendance and data only slightly improved over last year, the average number of monthly reports received was 14.66.

The following is a breakdown of the reports received:

Four churches sent in a report each month.
6 churches sent 11 reports.
2 churches sent 8 reports.
3 churches sent in 6 reports.
1 church sent 4 reports.
1 church sent 3 reports.
1 church sent 2 reports.
6 churches sent 1 report.

All in all, only twenty-four churches reported at least once during the year.

The Association has one Sunday School reaching the Standard of Excellence—the Eureka Church.

Three Sunday Schools reported training schools during the year.

A number of the reports were not filled in properly, but this ras improved considerably with the adoption of the new report card, which is now quite simple.

Summarizing, there seems to be a slight inprovement in the

Sunday Schools of the reporting churches, which as a rule was less than one-fourth.

Respectfully submitted,
John H. Ratledge,
Association S. S. Superintendent.

28. Report on Christian Education:—Submitted by W. J. Taylor. The report was, upon motion, adopted.

REPORT ON CHRISTIAN EDUCATION

The close of the 1950-51 academic year was for the Southern Baptist educational institutions a period of consolidating the gains during the past few years. It was a period of adjustments and making of plans, in preparation to cope with difficult problems anticipated for the next few years. We saw renewed efforts toward further financial stabilization of our institutions. Greater attention was given to the problem of curriculum adjustment of our institutions to meet the needs of the day. There was noticed a growing interest in Christian Education among Southern Baptists, as evidenced by increased financial support of our institutions, including the ownership and operation of two additional theological seminaries.

The enrollment in our Baptist institutions during the year 1950-51 was between 53,000 and 54,000. The number of ministerial students and volunteers (those who expect to serve in some phase of our church work) was 10,828. The number of graduate students was 2,031, and the number who received degrees was 10,731.

The total property valuation of the Southern Baptist institutions, as of March, 1951, was $91,613,842.19, and the total endowment was $41,842,916.49, which makes a total investment of $133,456,758.68 in endowment and property values. This represents an increase of slightly more than eighty million over the total endowment and property values reported last year.

Thirty-nine of the sixty-six Southern Baptist educational institutions are now conducting campaigns for buildings or endowment, or for both. The total objective is more than sixty-two million dollars. The accumulation of sufficient funds for capital improvements and the acquisition of sufficient endowment to guarantee the financial stability of our institutions continues to be one of our major problems.

Of the sixty-six Southern Baptist educational institutions, seven are located in North Carolina. They are: Wake Forest, Meredith, Mars Hill, Wingate, Campbell, Gardner-Webb and Chowan Colleges, and the School of Nursing of the Baptist Hospital. The total property value of these institutions is estimated to be $15,000,000.00. They have a total endowment of $4,500,000 not including the $11,000,000 provided in the Smith Reynolds Foundation for Wake Forest College. The annual operating expenditures for these institutions is $3,000,000. These institutions have available $220,000.00 for loans to worthy students, most of which is being used.

There are 5,000 students enrolled in these Baptist institutions. Five hundred of these students are being trained for full-time work in some department of our denomination after graduation.

Last year, Wake Forest and Meredith Colleges, conferred a total of 654 degrees. In the five junior colleges, there were 800 who completed the two year course. Many of these will transfer to the senior colleges for the last two years work. Of the 5,000 students some 400 are training for the Baptist ministry, with another 300 classified as "student volunteers", expecting to serve in some phase of church work. In addition, there are several hundred preparing themselves for other professions, such as public school teaching, medicine, law, business, and other vocations.

The Baptists of North Carolina are helping to support these insti-

tutions. We note that in 1950, the North Carolina Baptists, through the Cooperative Program, made available $350.000 for the seven institutions, or an average of $70.00 per student. This $70.00 per student looks rather small in contrast to the more than $400.00 per student provided by the State for those enrolled in its colleges and universities. It appears, therefore, as the State provides greater financial aid for its colleges and universities, so must the North Carolina Baptists provide increased financial support, in order to keep their educational institutions equal in every respect. The financial ability of the 700,000 Baptists is not questioned. As a denomination, the Baptists will make future advances in Christian education in terms of their willingness to give adequate support to those institutions of training as they return to us our leaders.

Respectfully submitted,

W. J. Taylor.

30. Reconvened at 1:40 P. M.:—Devotion by Rev. Frank Dinwiddie. Scripture—Acts 5:27, through remaining verses.

31. Upon motion by Bro. W. W. Finlator, the Association voted to give Rev. Oscar Creech and Dr. Orion Mixon twenty minutes to present message on behalf of Chowan College. After their addresses, upon motion by Rev. G. M. Singletary, the Association voted to present the College program to the churches of the Chowan Association, asking that they join with West Chowan in giving Chowan College one dollar per year for each resident member.

32. Report on Relief and Annuity:—By W. J. Berryman.

After address by Bro. Berryman the report was adopted.

RELIEF AND ANNUITY BOARD REPORT

Realizing that it is impossible to write a report on the work of any Agency or Board of the S. B. C. in three hundred words, and that it is practically true of the Relief and Annuity Board where statistics play the major role if an intelligible report is to be made, we therefore recommend to all who may be interested, to write to the Relief and Annuity Board for its thirty-third annual report to the State Baptist Convention.

This Board came into being in the year 1918, and was established to "Give Relief to the Aged; Succor to the Orphan; Aid to the Widow, and Assistance to the Disabled." The Board's achievements have not been spectacular, but there has been a steady and substantial growth through the years.

From page 6 of the Board's report to the Southern Baptist Convention in San Francisco, we quote as follows: "The year of 1950 ushered in the decade of the 1950's. We believe it will prove to be a decade of unprecedented growth, with vastly increased strengthening of the reserves of all our retirement plans. Certainly, this decade has started auspiciously, for the first year (1950) saw nearly $600,000 added to the contingency reserve fund. The very gratifying increase was due largely to the receipt of more than $400,000 from the distributable funds of the Co-operative Program for the capital needs of southwide agencies."

The Annuity Department of the Board seems to be pretty well taken care of, but the Relief Department has more than it can do for the nearly two thousand who look to it for the greater part of their income. I quote: "There is no group to whom Southern Baptists owe so much. They need our help as they face the sunset of life. They are old and tired, bewildered and worried." Many of the old soldiers of the CROSS OF CHRIST could say with the apostle Paul: "Demas (Southern Baptists) hath forsaken me."

W. J. Berryman.

Report of Associational Missionary

I submit the report of Dr. L. H. Dawson, Associational Missionary to the Chowan Baptist Association. Dr. Dawson resigned on April 30, 1952, to accept the pastorate of the Deep Creek Baptist Church in Virginia. Since May 1, 1952, we have not had an Associational Missionary.

The following is a brief statement of Dr. Dawson's work in the Chowan Association for the eight months of this Associational year that he was with us.

Group schools for Sunday School training were sponsored in four sections of the Association with an average attendance for five nights of 209, with 169 attaining awards, and 35 Churches being represented. A very successful central Vacation Bible School conference was sponsored for one day, there being 123 present from 30 churches. Associational meetings and planning meetings for all the different organizations were attended and assistance rendered where needed. Regional meetings were attended, with such participation as indicated, such as those held by the Rural Church Conference, the Training Union, and the W. M. U.

At a greater distance from home, Dr. Dawson joined a large group of Sunday School workers for an Association-wide enlargement campaign in the Robeson Association, personally leading the campaign at the Oak Dale Church for one week. He also attended the State Convention, the State Conference for Associational Missionaries and Educational Workers, the State Conference on Evangelism, and the State Training Union planning meeting.

Dr. Dawson stated when he left: "As we go to our new work we cherish the blessings that have been ours in the more than three years we have been privileged to serve in the Chowan Association, and we pray God's blessings and guidance in all plans for continued progress in the Association."

W. C. HARRELL

10. The report was discussed by R. W. Kicklighter and was, on motion, accepted.

11. Brother Kicklighter stated that the Executive Committee had made a thorough study of the field of Associational Missions and that the committee recommends the continuation of the work. (See budget and recommendations in Executive Committee Report.)

12. The Body decided, on motion, to continue the work of Associational Missions, the budget as recommended by the Executive Committee was adopted and upon recommendation of the committee unanimously elected Rev. G. M. Singletary, Associational Missionary.

13. **Report on Temperance and Morals by W. J. Berryman:**

On March fourth, 1952, Mr. Morganthau, Secretary of the Treasury was reported as saying: "I am giving half of all my time to the job of trying to suppress the liquor lawlessness. If we are to continue to progress we will have to call the churches in to back this program up. There will have to be a public conscience behind it and it is time for the pulpits of the land to sound a call to that conscience. We bring the bootleggers into court and the judges let them go or impose utterly inadequate sentences. What are the churches going to do about it?" Quoted from "The Wrecking of the Eighteenth Amendment" by Ernest Gordon, page 259. That was seventeen years ago and the question is just as pertinent today as then.

10 from the Edenton Group to profess faith in Christ and be baptized and 4 to dedicate their lives to full time christian service.

On September 16, 1952, Mr. W. E. Debnam in his broadcast, "Debnam Views the News," said: "North Carolina spent twenty-five per cent. more for liquor in August, 1952, than in August, 1951." That seems to be a part of the answer to the question asked by Mr. Morganthau. The United States liquor bill will reach an alltime high n 1952, both in quantity and in price paid.

A recent radio broadcaster reported that more than 10,250 moonshine distilleries were destroyed in 1951, but, said he, "there are more of them in operation now than ever." They increase in number and capacity.

In the New York Times of June 6, 1952, W. W. Wishtel, president of Calvert Distilleries Corporation said: "The promised reduction in bootleggeing did not occur as result of repeal, and at the present time more moonshine whiskey is manufactured and sold than produced by licensed distilleries." He also p o i n t e d out that the "Government tax on m o o n s h i n e whiskey seized in 1940 was $93,000,000 and in 1951 the tax was $223,400,000." That is 240 per cent. in eleven years. He regards this as "national peril worse than the roaring twenties under prohibition." He estimates that on the basis of seizure—"that in 1951 the moonshiners marketed 23,000,000 gallons of taxed whiskey.

This country is greatly influenced by a powerful trinity of evil, viz., lucre, liquor and lust. It is known the world over for its wetness, wickedness and waste. Its chief pleasures seem to be dining, dancing and drinking. And it is running recklessly to ruin.

14. The report was discussed by Brother Berryman and Brother Oscar Creech and was, on motion, adopted.

15. **Report on Baptist Training Union by John M. Elliott:**

In making this annual report on our Training Program we are not able to present huge numerical gains; but we do confidently testify that the scope of our activity has shown increased proportions and we have experienced results which we are pleased to report herewith:

December 10, 1951: A very helpful "M" Night Meeting was held at the Rocky Hock Church with 273 attending; 13 churches represented; 8 pastors present; 9 directors present.

April 6, 1952: Our Annual Associational Elimination Meeting was held in the Edenton Church and 7 Edenton Juniors, 5 Rocky Hock Juniors and 1 Hertford Junior qualified for the Regional Junior Memory Work Drill. One young person from the Blackwell Memorial Church qualified for the Regional Better Speakers Tournament. Choirs from the Blackwell Memorial Church, Elizabeth City First Church and Edenton Church q u a l i f i e d for the Regional Hymn Festival.

April 18-19, 1952: At the Regional Training Union Convention, meeting with the Elizabeth City First Church, all of the above mentioned contestants and choirs qualified for the State Tournaments scheduled during the Summer Assemblies.

June 23-28, 1952: This was the date for the State-wide Training Union Week at the Caswell Baptist Assembly. Five of our churches sent an approximate total of 90 training union members. Ten of the 12 juniors from Edenton, Rocky Hock and Hertford Churches made perfect records in the State-wide Junior Memory Work Drill. It is inspiring to know that 84 of the 99 Juniors participating made perfect records. The Elizabeth City First Youth Choir was one of the three successful choirs of the 13 participating in the State Hymn Festival. The Edenton and Blackwell Memorial Choirs lacked only one point of qualifying. Wonderful experiences have been reported from the churches having members to attend the assembly. The spiritual impression was very pronounced. In this respect there were

July 8, 1952: We held our Annual Mass Meeting at Ballard's Bridge Church. The program was interesting and helpful and the conferences were outstanding. This has been adjudged one of our best meetings.

In the church letters from 52 of the 59 churches of the Association we find that 17 churches have a Training Program comprising a total of 70 unions and 969 members. This is approximately 29 per cent of our churches and it is our fervent prayer that the remaining 71 per cent of our churches will gradually awaken to the pronounced need for trained workers in the workshop of our Master. Won't you join hands with us as we prayerfully work toward that end?

16. Brother Elliott presented Rev. Ralph W. Knight for the discussion of the report after which it was adopted.

17. Rev. R. W. Kicklighter, host pastor, made announcements concerning lunch. The congregation sang What a Friend We Have In Jesus and after scripture reading and prayer by Rev. Henry Napier the Associational sermon was delivered by Rev. R. E. Gordon, pastor of the Rocky Hock church.

18. Adjourned for lunch.

TUESDAY AFTERNOON SESSION

19. The hymn O, God Our Help In Ages Past was sung by the congregation after which Rev. Clarence A. Williams led the devotional.

20. **Report on Religious Literature by R. N. Carroll:**

As Baptists we believe we have a distinctive message. We cannot reach all the world with our mesage through preaching and personal witnessing alone. We are not reaching all of our own people. Many Baptists in name are woefully uninformed concerning our beliefs, our work, and our program. Good literature will aid greatly in informing our own people and reaching the world if we will use it.

For almost 120 years Baptists of North Carolina have had a state paper. Today that paper, the Biblical Recorder, goes into some 40 thousand homes, or perhaps one-fourth or less of the Baptist homes in the state. It should be in every Baptist home.

For more than 60 years the Sunday School Board has been publishing books, periodicals, and tracts, hundreds of millions of copies bearing the Christian message to all who read; books, periodicals, and tracts that, if used, will aid greatly in training our people in doctrine, in witnessing, in stewardship, in Christian living. Your Committee therefore recommends that the pastors use their influence to place the Biblical Recorder in the homes of the members of the churches and make greater use of the literature published by the Sunday School Board.

21. **Report on Woman's Missionary Union by Mrs. I. A. Ward:**

Someone has aptly said, "Vision always precedes the building of any worthy enterprise." As the days of 1951 and '52 multiplied into weeks and weeks to months, many of the dreams of Womans Missionary Union became realities brought about by visions which became goals.

Emphasis was on young people's work. The first goal was reached in February when we met for a banquet at First Church, Elizabeth City, and organized an associational Young Woman's Auxiliary Council which was well attended and much interest shown.

Another goal was reached with the election of associational leaders for each Junior Organization—Mrs. W. W. Finlator for Young Woman's Auxiliary; Mrs. Frank Barnes for Girls Auxiliary; Rev. Lee A. Phillips for Royal Ambassador and Mrs. Thurman Riddick for Sunbeams. Good work of these leaders was proven by the attendance of over six hundred boys and girls at the Youth Rally at Bethel Church on the hottest day of the year, June 25th.

One hundred and fifty-five of our young people attended camp at Chowan College. We have 139 Junior Organizations, 12 organized this year. We have 51 Missionary Societies in the 59 churches. We have organized 3 new ones and re-instated one. We visited eight of the churches without organizations. Some had too few members to even have a society; one or two were not interested. We do hope to organize two new ones soon.

We've had a Mission Stndy, Community Missions Institute, Leadership Conference, and our annual meeting in April. All these were well attended and reports showed splendid work done by all associational officers with much progress made.

Two scholarships of one hundred dollars each is being given to Chowan College by Perquimans and Chowan County W. M. S. Pasquotank County, as well as other societies, made liberal donations to Mr. and Mrs. Zack Deal for their boys orphanage in Columbia, South America.

Each of the county meetings were outstanding in attendance and good programs. It has been the happy privilege of your Superintendent to attend all meetings in the association, the camp, the two State Executive meetings, the State meeting in Durham, and the Leadership Institute at Chowan College.

There is still much work to be done and we covet your cooperation as we are "Laborers together with God."

22. **Report on State Missions by Herman T. Dilday:**

If we as Christians are ever to realize the fulfillment of the Great Commission, which was given by the Lord to all disciples of all time, we must plant the roots firmly at home, then branch out from there. State Missions are the roots of the mission tree of Southern Baptist Churches in North Carolina and perhaps the most vital of our mission giving, since it supports so many activities of our Church program.

The many activities supported by State Missions are:

Sunday School Activities.

Training Union Activities.

Summer Assemblies.

Teaching Activities (Visual Education, Radio, etc.)

Evangelism (City and Association wide)

New and Needy Churches.

(1) Aiding in erecting Churches.
(2) Erecting Missions.
(3) Aiding in Pastors Salaries.

Associational Missions.

Summer Student helpers.

Schools for Ministers.

Work Among Silent People.

Interracial Activities.

Allied Church League, Rural Church Development, etc.

Lots for New Churches in Neglected Areas.

Student work among 15,000 Baptist Students.

The remarkable growth and expansion of Baptist work in North Carolina is due largely to the State Mission program. At least three-fourths of the Baptist Churches of North Carolina organized in the last twenty years have received direct aid from State Missions, and all the Churches have been helped in one way or another.

The State Missions program is supportetd mainly by gifts from the Churches of North Carolina. Only 13% of the Co-operative program goes to State Missions, and the Sunday School Board contributes some to the promotion of Sunday School work, Baptist Training Union work and Student Work at various colleges. In September the W. M. U. makes a special offering to State Missions, then in October, which is State Missions month, Sunday Schools and Churches throughout the state make special offerings. Perhaps the greatest need now is additional funds for purchasing lots and assisting in other ways the establishment of new churches.

23. **Report on Home Missions by Lee A. Phillips:**

Last year home missions reported 36,390 professions of faith in response to their 99,033 sermons. The evangelistic crusade in the southeastern states led by the Department of Evangelism of the Home Mission Board resulted in the greatest number of baptisms ever reported in the churches in this area.

The meeting of the Southern Baptist Convention in San Francisco in June of 1951 focused attention upon the Home Mission Board's work in the west. Besides great increases in Convention states of the west—Kansas, New Mexico, Arizona, etc.—there has been an overflow of Baptist emphasis resulting in 150 Baptist churches in Utah, Wyoming, Nevada, Idaho, Colorado, Indiana, Ohio, West Virginia, and Michigan.

In the Department of direct missions 344 missionaries, serving those who are shut off from the gospel by the barriers of distance, racial distinction, language, and social and economic differences, won 6,767 converts. Each missionary in the department must serve an average of 27,000 people. In the Board's work among migrants one missionary couple distributed 23,040 garments and 1.045 health kits last year.

Work recently started among isolated ranchers, oil field workers, and others out of touch with the Baptist message has proved a blessing to scores of neglected households. Work in the outposts—Alaska, Cuba, Panama, and the Canal Zone has shown gratifying progress during the past year.

Interest in the Negro work in our Convention territory has definitely increased.

In the department of Jewish evangelism the first Southwide Jewish Fellowship Week sponsored by the Board was promoted November 5-11 last year with encouraging response.

The Student Summer Mission Program enlisted 305 students to assist regular missionaries during the summer months. They served on a thousand mission fields and reported 3,826 professions of faith.

A total of 1,170 missionaries served the Home Mission Board last year.

It is recommended that our churches consider the budget plan of subscribing for the magazine, Southern Baptist Home Missions, and send it to all families.

24. **Report on Foreign Missions by Bennie Crawford:**

The Foreign Mission Board's program of advance is accomplishing wonderful things for the Kingdom. There were 58 missionaries appointed last year, bringing the total under appointment at the

end of 1951 to 832. One new country was entered last year—Indonesia. We now have three missionaries there. Of the 58 new appointees 25 went to Latin America, 16 to Africa, 9 to Japan, six to the Near East and two to Thailand.

The Foreign Mission Board reports that most of the new work in the Orient has been projected among the Chinese population in those countries by Chinese missionaries evacuated from China. And that, "For the first time in more than a hundred years we have no missionaries on the China mainland, although nine are in English Hong Kong and Portugese Macao. However, the Orient staff has increased, during the years of advance, from 257 to 291. Most of the new missionaries are in Japan, where 82 are working in 13 centers (five of the centers opened in 1951; six more centers are assigned to missionaries now in the language schools). Others have gone to Hawaii, where 42 missionaries are located in seven centers."

Our forces have opened up as many new countries in Latin America as have been opened in the Orient. Many more new centers have been opened in South Amrica, particularly in Portugese Brazil. The mission staff in Latin America has grown from 237 to 346 during these four years of advance.

The mission work in Africa, Europe and the Near East has shown advancement. A second center was opened in the Gold Coast last year. The Nigerian Mission now has 144 missionaries in 19 centers as it begins its second century of work. The mission program in Israel is steadily advancing as our new venture in agriculture has proven successful, and our hospital in Jordan is most helpful to many who would not be reached otherwise. However, the work in Spain and Italy is handicapped because of Catholic-controlled governments.

Last year the Foreign Mission field reported a membership of 189,225 in 1,913 organized churches. There were 18,372 baptisms, 49,271 enrolled in school, 99 orphan children cared for and 1,766 people contacted in the good will centers.

Thus we see that much has been accomplished with the $6,900.000 given through the Cooperative Program and the $2,668,051.30 given through the Lottie Moon offering.

Thus we take heart and thank God for His wonderful Providence, and continue to "Pray the Lord of the harvest to send reapers into the harvest" that the nations may be won to our God.

25. On motion all of the mission reports were adopted.

26. Rev. L. H. Dawson, former Associational Missionary, now pastor of the Deep Creek Baptist Church, Deep Creek, Va., was recognized and he expressed his very best wishes for the success of the work under the leadership of Brother Singletary.

27. Here was a pause for music and a beautiful organ selection was rendered by the Blackwell Memorial church organist.

28. The closing address for the day was by Rev. J. S. Potter, Pastor of the First Baptist Church of Statesville, on the subject: "Saints in Sackcloth."

WEDNESDAY MORNING SESSION

29. The session was opened with the singing of The Church's One Foundation, after which devotions were conducted by Rev. W. E. Pope.

30. Rev. W. W. Finlator, host pastor, gave a brief welcoming address.

31. **Report on Home For The Aged by Horace E. Jones:**

The North Carolina Baptist Home for the Aging has been called, significantly, "the baby of our convention family." As a proposed institution it received the unanimous approval of our Baptist State Convention in session at Durham in 1950. The prompt rallying of God's people to the support of this effort to return to "honor thy father and thy mother" is adequate proof of the endorsement of the Lord Himself. Though the Convention felt that it could give only indorsement and good will to the new institution for the following year, gifts in money, supplies and services from individuals, families, businesses and organizations began to pile in. A three-story brick building was leased for 15 years at a nominal cost of one dollar per year and was quickly prepared to care for 20 residents.

The Home began operating March 16, 1951, and before long there were more than enough applications to fill it to capacity. These applications for admission to the Home have piled up until now there are about 100 on the waiting list—waiting for present facilities to be expanded or for present occupants to pass on or for death to creep up on the applicants themselves. Already there have been about 500 inquiries about accommodations, and Superintendent Hayes believes that, if space were sufficient and suitable financial arrangements made, they could by now be taking care of 200 to 300 resdeints.

Beginning with January of this year the Home is sharing in the Convention's nine-year plan to the extent of three-fourths of one per cent. So far this has amounted to less than $500.00 per month, and the Home still looks to its good friends for supplies, for services and for running expenses. An effort was made at the Asheville meeting of the Convention last year to have a special day designated for offerings to the Home such as we have for the hospital; but the motion was defeated.

Meanwhile, things are going forward at Winston-Salem with the help of the Lord and His people. Recently the concreting of the basement has been completed, giving much needed space for hobby shops and storage; and there is hope that the third floor of the building may be completed by the fall, increasing the capacity of the Home to accommodate a total of 35 residents.

Happy as are our beginnings in this service which we should have undertaken long ago, Baptists of North Carolina have no reason to be unduly proud. When we note that Virginia Baptists with only half our numbers have a home for the aged worth $500,000.00 and caring for 105 residents, and when we note that our Methodist brethren in this state have a million dollar plant for this purpose at Charlotte, to which they are now adding a $400,000 wing; we cannot but realize how little and how tardy are our beginnings.

Having in mind the increasing numbers of old people form 65 years up, our committee on the Home envisions a million dollar plant that should care for 275 residents. With good conscience we can do no less. With God's help we can do that and more. Let us return to a real observance of that "first commandment with promise" to "honor thy father and thy mother . . . . "

32. Brother Jones introduced Rev. Jimmie Hayes, Superintendent of the Home who in turn presented Mrs. W. T. Love, a member of the Board. The two discussed the report and it was adopted.

33. **Report on Orphanage by Oscar S. Edmonds:**

During the past year there has been great activity at both Homes of our Orphanage. Under the leadership of Superintendent W. A. Smith of Kennedy Home and C. A. Kearns of Mills Home, the affairs of these large families have been so directed as to develop among the children and employees an excellent spirit of cooperation and fair play.

One big task this year has been to see that the terms of the Idol Wills were carried out in the erection of certain memorial buildings. In keeping with the wishes of the Idols $100,000.00 of their gift was placed in endowment. The income from this is to be used exclusively to keep the memorial buildings in repair. The remainder of their bequest is now being used as they specified—to erect a church, an infirmary, and a print shop.

The print shop was completed recently and has been named the Robert M. Idol Memorial Building. The infirmary is nearing completion and will be named the Lelia M. Idol Memorial Building. The church, with forty-six class rooms is under contract and will be built as soon as steel can be secured. It will be named the Sarah Maston Idol Memorial Building in honor of the mother of the donors.

In addition to the above, Mills Home has completed a new cottage for girls, the first in more than twelve years. Then three of the oldest cottages have been completely remodeled. At one time it was thought they would have to be replaced by new ones, but now they are among the best on the campus. By remodeling, enough money has been saved to enable us to launch a project which will meet one of our greatest needs.

Mills Home has long felt the need of a place for the children to play. Now the I. G. Greer Recreation Center is being developed. The main unit being a physical education building which is under construction and should be completed before Christmas of this year. When our present building and renovating program is completed, we will doubtless have the best child caring facilities in the South.

During the past year we cared for a total of seven hundred twenty-five children. In addition to these our special service staff investigated the applications of six hundred eighty-four children and in many instances helped to find them a home where they could be cared for. A nation, or people, or religious denomination that neglects its children is signing its own death warrant. North Carolina Baptists have always been in the forefront in ministry to the dependent child. For sixty-seven years this service has been carried on through our great orphanage. This has been financed through the time honored plan of the once-a-month offering and the thanksgiving offering. This year there has been very little increase in the once-a-month offering. In planning for our Thanksgiving Offering let us bear in mind that prices everywhere continue to rise. The cost of operating the Orphanage is no exception. Hence, if every Baptist will add a little extra to this Thanksgiving Offering it will enable our Orphanage to continue to meet the ever increasing demands of the needy children who look to North Carolina Baptists for their chance in life.

34. Brother Edmonds presented W. C. Reed, Superintendent of the orphanage who discussed the report and the orphanage work in general and it was adopted.

35. **Report on Baptist Hospital by R. C. Holland:**

With reference to our Baptist Hospital in Winston-Salem, two matters need special emphasis:

First, the completion of the fund raising for the building of the new South wing.

When our State Convention met in Charlotte in special session we voted overwhelmingly not to accept Government funds for the building or support of any of our Baptist institutions. Our refusal to accept funds taken by taxation from people of all denominations, and people of no denomination, to build an addition to our Baptist hospital was based upon our belief in the principal of separation of church and state.

After voting to refuse tax funds we pledged to raise the necessary funds through the churches. This pledge is a matter of our Baptist honor and, while many of the churches have responded nobly, many have not responded at all.

Therefore, your Committee recommends and urges that the churches that have not contributed to this matter do so as early as possible.

Second, the Mother's Day offering to the hospital.

Many people who are sick and penniless come to our hospital seeking medical care. The hospital is able to care for them only as we provide the funds through our Mother's Day offerings.

Therefore, your Committee recommends and urges that, as Jesus had compassion upon the sick and the poor, we manifest our compassion by making our contributions as generous as possible.

36. The report was discussed by Mr. Harry McCartney, of the Hospital, and was adopted.

37. After the singing of More Love to Thee by the congregation Dr. F. O. Mixon, President of Chowan College reported for the College.

38. The Young People's Choir of the First Church rendered a beautiful selection at this point.

39. On motion, the reports on Christian Education and Sunday Schools which were scheduled for this morning were held over for the afternoon.

40. Rev. Earle Bradley, of the State Board, delivered a stirring address on the work of State Missions.

41. Rev. W. W. Finlator, host pastor, made announcements concerning lunch and introduced Rev. Walter Moose, new pastor at Gatesville, who gave the closing prayer for the morning session.

WEDNESDAY AFTERNOON SESSION

42. All Hail the Power of Jesus Name was sung by the congregation and devotions were conducted by Rev. J. S. Johnson.

43. **Report on Sunday Schools by R. E. Gordon:**

The Chowan Association is made up of 59 churches and one mission. Three of the churches have no Sunday School. No new Sunday Schools were reported as having been organized. Three of our churches added to their educational facilities during the year, but your Superintendent has no record of the number of classes added.

The Association-wide planning meeting held in the Edenton Baptist Church last September 25, was poorly attended. Thirty-nine people were present representing seven churches. I believe there were only four pastors present.

Brother Dawson decided to try leaving the planning in the churches to the pastors and the local Sunday School workers. They know their needs better than an outsider.

More attention was given to the job of training our workers than any thing else except the V. B. S. Through the efforts of Bro. Dawson several group training schools were planned and conducted. The results show 35 churches reporting some training during the year and 257 awards granted.

A well-attended and very helpful V. B. S. clinic was held in the First Church, Elizabeth City, in April. The day's program was planned and conducted by Mr. L. L. Morgan and Mrs. Myra Matley of the Raleigh office. There were 23 schools reported, but we feel sure that this figure is much higher than our record shows.

The monthly reports to the Superintendent were few and often poorly filled out.

The following gives some idea of the response:

Four churches reported 12 times; 2 churches reported 11 times; 4 churches reported 9 times; 2 churches reported 8 times; 1 church reported 7 times; 2 churches reported 6 times; 1 church reported 5 times; 4 churches reported 4 times; 1 church reported 3 times; 2 churches reported 2 times, and 3 churches reported 1 time.

There is room for encouragement, but we should not be satisfied until every member of every family is provided for and enlisted in the Sunday School.

44. On motion, the report was adopted.

45. **Report on Christian Education by J. H. Moore:**

The 1951-1952 ACADEMIC YEAR was for Southern Baptist educational institutions a period marked by many milestones. The percentage of fully accredited Southern Baptist colleges rose to and surpassed the average of the colleges in the United States. Baylor University announced programs of advanced study leading to the fields of English literature, American literature, chemistry and education, becoming the first Southern Baptist educational institution to offer graduate work at this level outside the field of theology.

The Southern Theological Seminary began its first term in September, 1951, with an enrollment of 160 and today it has an enrollment of 217. This seminary is located at Wake Forest.

Enrollment for 1951-1952 compare with those of 1950-1951 as follows: In the seminaries, an increase of approximately 10 per cent; in senior colleges and universities, a decrease of 10 per cent; in junior colleges a decrease of 7 per cent; and in the academies and Bible schools an increase of 11 per cent. The decrease for the senior and junior colleges combined, 9.3 per cent, compares very favorably with the national average decrease in college enrollments variously estimated at from 8 to 12 per cent.

During the last college year there were 47,626 students enrolled in our colleges and seminaries throughout the Southern Baptist Convention territory. In our seven North Carolina colleges, we had almost exactly 10 per cent of these students.

These colleges and seminaries train practically all our missionaries. Of the 827 w o r k i n g under our Foreign Mission Board in January of this year, 806 attended a Southern Baptist college. Five in every six of our Baptist pastors with college training came from these Baptist colleges. We m u s t continue to depend on Baptist colleges and schools to train the church leaders of the future. The State has made available great colleges and universities and provided them with wonderful buildings and equipment for training men

and women in so many fields of work, but let us hope that our Baptist people will never turn to these State colleges for the training of their leadership.

Each year there are approximately 15,000 Baptist boys and girls graduating from standard high schools in North Carolina. Of these 15,000, not more than 4,000 of them go to any college, and those who do go not more than one out of four of the Baptist boys and girls will go to a Baptist college. All this means that, whereas we are now getting 1,000 boys and girls to enroll in our seven Baptist colleges each year, there are 3,000 others enrolled in other colleges, and there are at least 11,000 Baptist young people graduating from our high schools and are not going to any college every year.

We are glad to have young people who are not Baptists enrolled in our colleges, but our first responsibility and our chief reason for operating these colleges is to be found in Christian education for the Baptist boys and girls, especially those that are to be our future leaders.

Some of us will remember when teachers, principals and superintendents in our public schools came principally from these Baptist colleges. Today the picture is changing, and more and more of these public school people are being trained in our State colleges. It is natural for them to direct their graduates toward the colleges they attend themselves. This statement is not made as a criticism, but as a reminder to pastors and church leaders and parents that our boys and girls will not select one of these Baptist colleges unless we help them to understand why we provide such colleges and why we want them to attend them. Lots of our Baptist churches are without trained workers, both in full-time positions in the lay work, simply because we have not provided a sufficient number of college graduates who are interested in working in their churches.

I challenge the 700,000 Baptists in North Carolina to provide equal facilities for the Baptist colleges that the State is providing State institutions. The financial ability of our Baptists is not questioned; therefore, we must go forward with our program of Christian education. We have thousands of Baptists throughout North Carolina who are hungry for the knowledge and the better understanding of humanity and the spirit of Christ.

46. On motion, the report was adopted.

Report of the Executive Committee

The Executive Committee of the Chowan Association met three times during the year.

The following business was transacted at the first meeting, December 13, 1951:

Rev. A. H. Outlaw was elected Clerk of the Association for the remainder of the associational year to replace Rev. Carl E. Bjork who had moved from the association. Rev. Bennie Crawford was elected assistant clerk.

Rev. Bjork was commended for his prompt and excellent work on the Associational minutes and the treasurer was authorized to pay him an honorarium as clerk.

The budget for Associational Missions was adopted, increasing the missionary's salary $140.00, making a total salary of $3,800.00. Travel allowance was raised $300.00 to bring it to $1,200.00. Office expenses were estimated to be $450.00, miscellaneous expenses $200.00, and Convention expenses $200.00. This provided a total budget of $5,800.00 with the State Convention contributing $1,380.00

of this amount. A home for the missionary was offered by the Hertford Baptist Church.

Mr. Carrol Abbott was elected as a member of the Associational Missions Committee to succeed Rev. E. S. Higginbotham, who had moved from the Association.

The Missions Committee was requested to study the record of church contributions for Associational Missions and to take necessary action to secure needed support.

Requests for Convention aid for the Hyde County field of churches and the Nags Head Mission and Roanoke Island Church were approved.

The Executive Committee met at tthe Blackwell Memorial Baptist Church, March 31, 1952.

A. H. Outlaw was elected Secretary.

On motion, Dr. Dawson's resignation as Associational Missionary was accepted and C. W. Duling was appointed to draw up expressions of our appreciation of his work. Copies were to be sent to the Deep Creek Baptist Church of which Dr. Dawson was to become pastor, the Biblical Recorder and the Religious Herald.

After a lengthy discussion of the Missionary Program in the Association it was decided to appoint a committee to consider the program from every angle and report the findings at the June meeting of the Executive Committee. A committee consisting of Rev. C. W. Duling, Mrs. I. A. Ward, Mr. W. C. Harrell, Dr. Udvarnoki was appointed for this purpose.

The Committee recommended that the churches continue to send in their contributions to the Missionary program.

The Executive Committee met again September 2, 1952, to consider the Associational Missionary Program.

Upon recommendation of the appointed Committee, the continuation of our associational missions program was unanimously approved.

The following budget was adopted:

Missionary's salary	$3,200.00
Travel Expenses	1,200.00
House rent	720.00
Office expenses	547.00
Total	$5,667.00

Rev. G. M. Singletary was selected as the Associational Missionary to be elected by the Association at its annual session and a committee consisting of Mr. J. H. Moore, Mrs. W. W. Massey and Dr. R. W. Kicklighter was requested to contact Rev. Singletary.

Upon order of the 146th annual session a committee, C. W. Duling, W. W. Finlator, A. H. Outlaw, and R. W. Kicklighter was named to present a revision of the Constitution and By-Laws at the 147th annual session.

JESSE PRITCHARD MERCER

To Whom This Year's Minutes Are Dedicated By Order Of The Association

Born September 28, 1895 — Died September 13, 1953

Brother Mercer was a faithful member of the Riverside Church, the church of his boyhood, where he served as Clerk, Sunday School Superintendent, Teacher of the Men's Class and Chairman of the Board of Deacons.

Clerk-Treasurer of our Association from 1947 to 1950 inclusive and Treasurer from 1951 until his death.

His active life reads like Who's Who: Kiwanis Club, American Legion, Red Men, Executive Club, Chamber of Commerce, City Council, Library Board, Orthopedic Clinic, Community Chest, etc., holding high office in several of these organizations.

Devoted husband, honored father, business man of integrity, Christian friend, we cherish your memory; we thank God you walked among us and we rejoice in the blessed assurance that your good life and works do follow after you.

CONSTITUTION AND RULES OF ORDER

CONSTITUTION

Article 1. This body shall be known as the Chowan Baptist Association of North Carolina.

ARTICLE 2. The Association shall be composed of messengers elected annually by the churches connected with it and all ordained ministers who are members of or are laboring in connection with the churches. Each church shall be entitled to three messengers and in addition thereto one messenger for each hundred members in excess of one hundred. All members of standing committees and officers shall be ex-officio members of the Association.

ARTICLE 3. The object of the Association shall be to promote among the churches a spirit of Christian brotherhood and co-operation for the promotion of the Kingdom of God. The Association shall have no control over the churches, however, it reserves the right to inquire into their condition, to advise them in difficulties and to withdraw its fellowship from such as may be corrupt in doctrine or practice after due measures are taken to reclaim such a church or churches.

ARTICLE 4. The Association shall have the following officers: Moderator, Vice Moderator, Clerk, Treasurer, Auditor, Associational Sunday School Superintendent and Associational Training Union Director who shall be elected annually and whose duties shall be those usually required of such officers. The President of the Associational W. M. U. shall be an officer of the Association.

ARTICLE 5. Any Baptist Church with the proper credentials upon application may be admitted into the Association by a majority vote of the messengers present. The membership of any church in the Association may be terminated upon its failure to send messengers or letters for two successive sessions of the Association or upon application for dismissal.

ARTICLE 6. It shall be the duty of the churches to correspond annually with the Association by letter and messenger and give not only full statistical information but also facts concerning their general welfare and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association. The churches are requested to have the letters in the hands of the Clerk not less than one week before the meeting of the Association.

ARTICLE 7. The Association shall furnish the churches with a number of printed minutes within a reasonable time after each session, the number to be in proportion to the money contributed by each church to defray the expenses of the Association.

ARTICLE 8. The Associational Year shall be October 1 - September 30.

ARTICLE 9. The Association shall elect annually an Executive Committee of seven members whose duty it shall be to transact whatever business may require attention between sessions of the Association and to confer with churches in need of assistance. The committee shall assist any churches which may need to be formed into compact fields or may desire assistance in securing pastors; inquire into the cause and correct as far as possible the failure of a church or churches to be represented and act for the Association ad interim whenever it may be necessary and proper to do so. The Executive Committee shall use whatever means there may be at its disposal to promote the Kingdom enterprises within the Association and shall have authority to change the time and place for the meeting of the Association whenever it may seem wise and desirable to do so giving public notice of such change at the earliest opportunity. The Committee shall hold at least two meetings a year and render a written report at the annual session of the body. The officers of the Association shall be ex-officio members of this committee.

Report of Associational Missionary

Your Associational Missionary is deeply grateful and made humble for all the kindness and cooperation shown during our first ten months together. He feels that new life is being shown in all phases of our Baptist work. The Woman's Missionary Union, Sunday School

and Training Union work is making progress. But there is no time to relax, much needs to be done and many people need to be reached.

The pastors have cooperated in a marvelous way. They have given much assistance in promoting the work. To them and their members, we owe the praise for the progress made.

10. **Report on Temperance by J. L. Rainey:**

As we look around us we see ABC stores, beer joints, speak-easies, night clubs and even grocery stores flooding our country with beer, wine and whiskey. We behold advertisements glorifying intoxicants! We see gambling enticing the weak and night clubs in full swing destroying the simple-minded and their morals. Moreover, we find these evils not only destroying multitudes in the world but also we find that many of our church members have become entangled in the wick-

edness of these evils. Shall our Baptist Churches stand by and have nothing to do or say against such conditions?

Under the guidance of The Holy Spirit our churches must assume their social responsibilities. We must teach and preach that our members abstain from evil of every kind and that they give themselves unto the doing of good works. As we see it, if our Baptist Churches are to survive from the evil within and be a moral force in the life of their community, our churches must return to the New Testament teaching of church discipline and living.

Having proceeded thus to strengthen our churches in the spirit of Christ, let us proceed to the improvement of external social conditions. We should seek with all our might and faith in every way possible to rid our counties and state of the ABC stores, the beer joints, and all other places which breed bad morals and social evils of every kind. America cannot be preserved in alcohol; the rising generation cannot grow strong nursing on the bosom of rum. It is high time for the sober-minded, God-fearing people of our state and counties to rise up and throw off this great social curse! Let us give full support to the program of The Allied Church League.

Along with t h e evil of drinking is also t h e evil of gambling. Gambling is a most insidious evil. It is difficult to check—difficult because church members and members of civic groups insist on using gambling devices for pleasure and recreation and for raising funds with which to support desirable causes. Some of our public schools have even fallen to use of gambling devices in the raising of funds. Moreover, we even have one form of gambling made legal in one county while at the same time we have a state-wide law which forbids all forms of gambling as illegal. This too, must go if our youth and homes are to be protected!

Those who promote the evils of drinking and gambling for a profit have not been content with destroying the morals of those who engage in such things; but through the medium of advertisements they have entered our homes. Through radios, magazines, newspapers, and televisions the forces of evil are glorifying drinking and gambling. These forces are seeking to build a tolerance through familiarity in the minds not only of men and women, but even our children. Unless definite steps are taken to correct this evil the next generation will grow up feeling that these things are all right. It is the responsibility of our churches to warn the people of this evil and to take steps to outlaw such advertisements.

The greatest good which our Baptist Churches may do in this field of public morals is to build Christian homes. Let every church get behind the homes in its community to help them build Christian homes. Let us seek to win every parent to be an active Christian. Let us lead every home to read the Bible and obey its teachings. Surely every child should have the privilege of being cradled in a Christian home and taught the way of life in the ideals of Jesus. To really accomplish this, our Churches must undertake a vigorous program to strengthen home life.

Finally, we would call upon our Churches to lay aside their besetting sin of neglect and indifference to social evils. Let us recognize that our fore-fathers have passed on to us a social order that is built upon Christian ideals, wrought out through tears, sweat, and blood. Ours is the glorious task of preserving what they did, and improving it. In closing this report may we listen to God as He speaks to us out of His word:

"Awake to righteousness and sin not; for some have not the knowledge of God; I speak this to your shame." I Cor. 15:34.

"Awake thou that sleepest, and arise from the dead, and Christ shall give thee light." Eph. 5:14.

11. Brother Rainey introduced W. P. Biggerstaff, Executive Secretary of the Allied Church League, who discussed the report and it was on motion adopted.

12. **Report on Training Union by John M. Elliott:**

We respectfully submit the annual report on our associational training union work under two captions: (1) Activity; (2) Comparative data:

Activity:

a. Group Meetings: A revival of the meetings of the four geographical groups of the association was instigated in October and November by the splendid meetings held in the Shiloh Church and the Warwick Church.

b. "M" (Mobilization) Night: On December 8 an enthused gathering of 166 registered delegates from the various local training unions assembled at the Blackwell Memorial Church in Elizabeth City to make plans and set goals for the year 1953 with 16 churches represented; 9 pastors present; 10 BTU directors in attendance.

c. Week of Study: In cooperation with our promotion of a week of Simultaneous Study Courses—March 16 to March 20—approximately 50 per cent of our training unions took part with very helpful results.

d. Our State Winners: After qualifying at our Associational Elimination Meeting in Edenton Church on March 29 the youth choir of the Beulah Church, the girls' choir of the Edenton Church, 8 Rocky Hock Junior Memory Work participants and 3 Edenton Junior Memory Work participants qualified at the Regional Convention in Ahoskie to take part in the state-wide competition at the State Summer Assemblies. Ten of the eleven Junior Memory Work participants, by perfect records, were declared state winners among approximately 200 statewide participants at the Caswell Baptist Assembly the week of June 29-July 5.

e. Annual Business Meeting: Our annual business meeting, held with the Columbia Church, has been described as one of our best. The date—July 7. The interesting program of two sessions and a ves-

per service was highlighted by informative conferences, good music and inspiring addresses. Associate Fred Scott represented the State Department.

Comparative Data:

We are pleased to report that the percentage of churches having a training program has increased to 31 per cent as compared with 29 per cent last year. It also encourages us to report that the enrollment in the adult unions has increased to the point where it is second only to the junior enrollment. We are proud of this fact and hope to continue to grow in our training activity—and especially among the adult membership of our churches.

With this in mind we challenge every church member to make use of this means of preparation for service in our churches that we might desirably fill our places in the advancement of God's Kingdom on earth.

13. Brother Elliott presented Rev. Walter Moose for the discussion of the report and it was on motion adopted.

14. Rev. R. W. Knight, host pastor, made announcements concerning lunch.

15. Worship Service: Rev. H. T. Dilday led the congregation in singing "We've A Story To Tell To The Nations"; Rev. D. C. Pryor read from the fourth Chapter of St. Luke and led the prayer and Dr. R. W. Kicklighter preached the Associational Sermon using as his text: "The Hour Is Coming And Now Is." Dr. Kicklighter led the closing prayer and offered thanks for the noon meal which was to be served on the church grounds.

TUESDAY AFTERNOON SESSION

September 22, 1953

16. The afternoon session was opened by singing Standing On The Promises. J. H. Moore, Vice Moderator, presided.

17. Rev. L. C. Chandler conducted the devotions. He read the second Chapter of Hebrews and led the prayer.

18. **Report on Religious Literature by Walter Oman:**

Christian literature is a tremendous force in the lives of our people today. In our own country virtually all persons read, and what they read is largely what they believe. Glorious opportunities are ours to crusade for Christian literature. If we fail to meet such opportunities, our Baptist people and Baptist work will suffer untold harm from little vision and lack of knowledge.

In days of old, the prophet Hosea said, "My people perish for lack of knowledge." Today the devil is exploiting as never before, the power of the printed word. The mails, the news-stands, and too many homes, are loaded with the ugly tide of bad books, periodicals, magazines cleverly designed to delude people, to promote cheap diversions,

to glorify worldliness, to encourage Sabbath-breaking and liquor sales with all its attendant evils, and to undermine Christianity in general.

To meet this evil flood of bad literature we have a marvelous array of well printed, sound Baptist periodicals, Sunday School and other Christian publications for every age, spiritual interest and need. Perhaps no denomination in America has so fine a selection of Christian literature as Southern Baptists have today. The aim of it all is to inform, enlist, indoctrinate, unify and inspire our people for faithful service in our Lord's name. Our Christian literature must be magnified and promoted in all the churches if God's work is to go forward.

In our own state, the Biblical Recorder is the one publication covering the entire field of our co-operative efforts as Baptists. Without our State Baptist paper a successful promotion of all our Baptist work would be well-nigh impossible. For 120 years the Recorder has been going into Baptist homes with its weekly message. Wise pastors, associational missionaries, Sunday School superintendents and many other leaders have over the years promoted its circulation, and they have rejoiced at the many visible fruits of good reading. People do more when they know more. As they read, they lead. As they are informed, they are inspired. In 1830 North Carolina Baptists were organized with the stated purpose of "promoting missions, education, social service, and the distribution of sound religious literature."

The present circulation of the Recorder is approximately 55,000.

19. After discussion of the report by W. C. Bazemore, of the Biblical Recorder, it was on motion adopted.

20. **Report on Woman's Missionary Union by Mrs. C. D. Gregory:**

The watchword for 1952-53 for the Woman's Missionary Union of the Southern Baptist Convention has been "Lift up your eyes and look on the fields for they are white already to harvest."

We have lifted up our eyes—first of all right here at home. While we have had no new Woman's Missionary Society organized, we have increased in membership from 1940 to 2020. We have had 8 new young people's organizations begun.

Each group of the W.M.U. family of the Association has had its own Annual Meeting this year for the first time—W.M.S. at Sandy Cross in March; W.Y.A. at Hertford in February; G.A. at Gatesville in May and R.A. at Warwick in July. The Sunbeams celebrated in August in their local churches during their Focus Week. The four counties which are organized as a unit had their mission study class in the fall and the annual meeting in the spring with outstanding programs and attendance of well over 100 each. The Divisional Camp for young people was held again at Chowan College in July and 150 of our young people attended. Also, 6 adults acted as faculty members.

Yes, we have looked on our home field and worked.

But our eyes have gone farther than just on our home field. We have looked out into the world remembering how Christ gave the com-

mand "Go ye into all the world . . ." We have enlisted 130 new tithers in the Woman's Missionary Societies, we have stressed reading of missionary books, we have had many mission study classes in order that our women and young people may know the needs of the people of the world. In response to all this our Woman's Missionary Societies alone have given $1000 more through the special offerings during the year, not to mention an increased number of ladies giving regularly through the Cooperative Program and the increased gifts of the young people through their organizations.

For several years we have had on hand $400 for a scholarship at the Carver School of Missions, to be used by any girl from Chowan Association who went to Carver School. Since no one has gone the Executive Committee decided to give the $400 as a scholarship to Miss Lillian Lu, a native of Shanghai, China, who is a senior this year at Carver School. Through the life and testimony of Miss Lu to Chinese people in some part of the world after she completes her education, we feel that we are doing missionary work of a very definite nature.

I could not make a report of the Woman's Missionary Union work in Chowan Association without a word of appreciation for the work of our beloved Mrs. I. A. Ward. We were unhappy about giving up such an able and outstanding Superintendent but we still have her for advice and encouragement which means so much to us. I want to speak a word of praise, also, for the splendid work of each member of the Executive Committee. Practically all of them attended the Leadership Institute at Chowan College three weeks ago, each one eager for new ideas to improve her own work and to help the officers working under her in the local churches. These officers of the Executive Committee are truly a joy to me, stepping into the office of Superintendent unexpectedly as I did in March.

Our whole committee would like to express our thanks and appreciation to the pastors and to our Associational Missionary for co-operating with us in so many ways. We must depend so much on these friends, especially in entering churches to organize new groups and in giving worthwhile programs at our various Associational meetings.

Many Associations of the State may have figures showing a larger increase in work through the past year but none will have had a happier experience of working together for God's glory than the women of Chowan Association as we have seen "the fields white already to harvest."

21. The report was on motion adopted.

22. **Report on State Missions by W. V. Brown:**

State Missions urgently needs $400,000. It can be done! It ought to be done!

These words, in large bold type, were eye-catchers in the conclusion of a message from the pen and office of our Baptist State Secre-

tary and Treasurer, Dr. M. A. Huggins, as he climaxed a message to be distributed among the Baptist Churches of North Carolina.

This was in the form of a prepared program, informative and challenging to be presented to Baptists of North Carolina dated October 26, 1952 in which Dr. Huggins sought to bring to our attention the pressing needs confronting us today in our efforts to strengthen the progressive program of our State Missions. In this program he presented to us something of the nature and needs prevalent to and in each department sponsored by our Missions Department. In the conclusion of this well prepared and comprehensive program Dr. Huggins used the above stated words in which he went on to say that State Missions urgently needed the minimum sum of $400,000 with which to carry on this program in keeping with Baptist opportunities and resources. To the average mind these figures were staggering: however, after one has carefully and prayerfully read and considered the numerous departments and agencies to derive help from this fund and the overall resources among the Baptists of North Carolina we realize that this appeal is sound and conservative and is based on the results of a careful study of existing conditions as we were to begin our new church year's program.

The many activities to receive support from this amount includes the following:

Sunday School activities.

Baptist Training Union activities.

Student Work among our young people away in our various schools.

Summer Assemblies sponsored by our State Convention.

New Churches needing supplemental help.

Minister's Schools.

Evangelistic activities—city and association-wide revivals.

Work among our Silent People.

Work among the Indians.

Teaching activities: radio and visual education.

Interracial activities.

Miscellaneous activities: Allied Church League, Rural Work. Through these, and other activities we have opportunity to serve our Lord in an effort to win and make better North Carolina for Christ.

As this program was presented to us Dr. Huggins stated that we could and should reasonably expect to receive through the Cooperative Program the sum of $220,000; from our State W.M.U. offering in September $60,000 and from our Sunday Schools at least $120,000.

It can be done, says Dr. Huggins, if our State Convention receives a just support from our 3000 or more churches in the state; if each Sunday School within these churches give their unselfish support.

In the program he offered a suggestive plan by which the various Sunday Schools could support with proportionate sums.

It ought to be done because it is an individual opportunity and responsibility and it will be done if all will accept the simplified plan and challenge of giving in at least the amount of $1.00 per each adult; 50 cents for each young person and 25 cents for each child in our Sunday schools.

Thus, when we have considered the number of causes for which our offerings are being made and the large number of persons who should accept this as being a personal challenge, we agree with our State Secretary and say with him,

It can be done! It ought to be done!

23. On motion the report was adopted.

24. **Report on Home Missions by Frank B. Dinwiddie:**

Probably the most significant achievement of the 1,274 workers of the Home Mission Board of the Southern Baptist Convention during the past year is their report of 30,565 conversions. An additional 11,284 conversions were reported by our 425 Baptist chaplains in the armed services, while the number who found Christ through the mission radio programs will not be counted this side of heaven.

The physical tools used to reap this harvest included: 110,715 sermons and addresses; 304,353 visits; the teaching of 191,483 classes; and the distribution of 79,650 Bibles and Gospels and 1,422,840 tracts. Organized work was conducted among eight foreign-language groups in this country, and also among Indians, Jews, the deaf and and the underprivileged, both in cities and in rural areas. There were rescue missions for derelict men, an emergency home for homeless mothers, and a placement center for nameless babies.

Outside our borders, but under Home Mission oversight, was work in Cuba, Alaska, Panama and the Canal Zone. Within our borders was work among three-quarters of a million migrants, and among the western ranch people who live great distances from their nearest church.

There was evidence of progress and expansion, including the addition of 104 missionary personnel, the opening of 600 new missions and the establishment of 265 new churches.

Chowan Association's direct share in the support of Home Missions was a designation of $3,687. Our indirect share, through the Cooperative Program, was approximately $1500, so that our total support of this vital program consisted of about one and one-third per cent of our gifts for all causes.

The opportunity and the need are unlimited. The material outlets for God's infinite resources to meet the need are in our power. Future progress in Home Missions depends on the willingness of our spirits.

25. On motion the report was adopted.

26. **Report on Foreign Mission by Firman Cuthriell:**

In the words of the Foreign Mission Boards late Executive Secretary, Dr. M. Theron Rankin, the objective of our foreign missionaries is to "lead people to a personal faith in Christ Jesus as Lord and Saviour, to bring them together in churches for worship of God and service in His kingdom, to teach and train them in stewardship and in cooperative service, and to aid them in developing their own schools and institutions for training their pastors and other church workers."

Working toward that objective the missionaries have been chosen from various professions . . . ministerial, medical, education, religious education, publication, social welfare and others.

Southern Baptists have 911 foreign missionaries (last year 832) distributed in 32 countries: Argentina 44, Brazil 180, Chile 32, China (Hong Kong and Macao) 48, Colombia 30, Costa Rica 4, Ecuador 6, Formosa 26, Gold Coast 6, Guatemala 10, Hawaii 47, Honduras 4, Indonesia 16, Israel 13, Italy 10, Japan 98, Jordan 5, Korea 13, Lebanon 6, Malaya 9, Mexico 30, Nigeria 159, Paraguay 16, Peru 4, Philippines 25, Southern Rhodesia 12, Spain 6, Switzerland (Seminary) 9, Thailand 15, Uruguay 12, Venezuela 8, Spanish publishing house 8.

To maintain these missionaries and the institutions in which they serve Southern Baptists gave in 1952 through the Co-operative Program, Lottie Moon Offering and special designated gifts $7,785,699.64.

About 29 per cent of the missionaries are ordained ministers of whom about a third serve as pastors of churches. Most of the ministers serve as field missionaries extending the Gospel message far beyond the cities in which they live. Along with the ordained ministers go the missionaries trained for work in religious education. All missionaries are active in churches on the field in which they serve. They join with 195,067 National Baptists, including 1,276 National pastors, in making the almost 2,000 churches on the mission field dynamic Christian forces in their neighborhoods.

During 1952 these churches baptized 18,154 new converts.

About 10 per cent of the missionaries are members of the medical profession . . . doctors, dentists, nurses, technicians. Thy work in 8 hospitals, 7 clinics and 11 dispensaries maintained abroad by Southern Baptists or in buildings and institutions maintained by National Christians.

About 48 per cent of the missionaries are engaged in some form of educational work. We maintain 460 schools including 17 theological seminaries and six Women's Training schools. Enrollment in them totals 61,705. Also classified as teachers are missionaries working in five orphanages and nine goodwill centers. There are 136 children in the orphanages; enrolled in the Goodwill Center are 398 children and 116 adults.

What is a foreign missionary? He is a Christian doctor, minister, teacher, editor using his earthly profession for Jesus' sake in a country not his own. She is a Christian homemaker, school teacher, W.M.U.

leader, social worker, nurse, transplanted in a foreign land to spread the seed of the Christian Gospel. Foreign missionaries are living witnesses of Christ's love in lands where Christian witnesses are fewer than in their own.

27. On motion this report was adopted.

28. The congregation then sang What A Friend We Have In Jesus after which Dr. M. A. Huggins addressed the Association on the Cooperative Program in North Carolina in which he made a strong appeal for the various causes of the Lord cherished by the Baptists.

29. At this time the Committee on Committees made a partial report but the following is the complete report which was made the following day and on motion accepted.

WEDNESDAY MORNING SESSION

September 23, 1953

32. The meeting was called to order by Rev. C. W. Duling, Moderator, and we sang Faith Of Our Fathers. Rev. Everett Marion led the devotions by reading the 29th Psalm and offering the morning prayer.

33. Rev. Caleb Godwin, host pastor, gave the address of welcome.

34. **Report on Baptist Homes by R. N. Carroll. Read by J. P. Hollomon:**

The youngest member of our Baptist family of institutions, the North Carolina Baptist Homes, Inc., has experienced the best year since it began operating, March 16, 1951. Resthaven with space for twenty residents has been filled to capacity and inquiries for rooms have increased into the hundreds.

Experiencing its best financial support the home received from the Nine Year Program (1952) $14,062.80; our first Special Day offering, February 15, exceeded $52,000 coming from more than half of our 3055 Baptist Churches. Then from individuals, churches, and auxiliary organizations we have received $12,380.33 as of August 1.

On June 18 this year property was purchased for a Branch Home at Albemarle. This property consists of a vacated hospital building, a nurses' home building and nearly three acres of land was purchased for $25,000. It will cost an equal amount to renovate the property. Even so, it is well worth twice the amount invested. Thus, we can care for 60 residents—20 at Resthaven, Winston-Salem and 40 at the Albemarle Home. At the time of purchase it was hoped that this branch could be in operation by October 1, this year.

The general health of the residents has been exceptionally good, considering the range of their ages, 66 to 93. There has been only one death. The spirit and general attitude of the residents has been most satisfactory.

Plans for the future enlargement are encouraging. With a Special Day Offering in February 1954, and other special gifts from individuals and corporations we should be ready to begin construction of our administration building which would give us room for fifty additional residents and making our total capacity 110 residents.

Since North Carolina Baptists now number more than 700,000 members, with thousands of our members now over 65 years of age, we should keep in mind the great number of our elderly brethren who need a home to provide security, comfort, congeniality and a Christian

ministry. Our North Carolina Baptists are able to meet the challenge to make adequate provision for the aging and as "laborers together with God" we can meet it. "Cast me not off in the time of old age; forsake me not when my strength faileth"—Psalms 71:9.

Superintendent Hayes requests that a representative for the Baptist Homes be elected at each association.

35. After the discussion by James M. Hayes, Superintendent, the report was on motion adopted.

36. **Report on Orphanage by W. T. Love:**

In our Southern Baptist Convention we have 20 orphanages, valued at over 21 million dollars, caring for 5,523 children. In 1952 there were 562 baptisms, with only 56 children over 12 years of age that were not church members.

Our own orphanage is caring for more than 500 children. Its total valuation is $1,250,000. For many years it has paid its own way in current expense and capital outlay. Our present method of support has been and now is most successful. Why change? It is now the only thing we can support with complete satisfaction, knowing our whole gift will reach its intended destination and not be divided according to another's wishes.

At present there are 11 orphanages included in the Co-operative Program in our Southern Baptist Convention. In 1952 the 20 orphanages received $4,639,864 with these 11 receiving only $459,590 from the Co-operative Program—an average of $41,872 each. Only 2 out of the 11 received as much as half of their total support.

According to our 9 year program, we are giving 80 per cent to education and only 5 per cent to evangelism for capital outlay here in our own state. Education is important, but not 16 times as important as evangelism or state missions. Education cannot save homes and character or decrease the number of helpless, dependent children. Therefore the present division of funds creates the necessity for orphanage expansion without providing for it.

It has been suggested that our orphanage is receiving more than it share in gifts, but such is not the case. Our colleges and hospital receive vast sums of m o n e y from students and patients, but the orphanage does not receive one cent from the children it supports. Therefore it must have a definite, continuous and sufficient income to guarantee permanent security and progress.

Our orphanage has a glorious past. It's future lies in the providence of God and deep in the hearts of North Carolina Baptists.

37. J. Morse Grant, Editor of Charity and Children, gave the discussion and the report was adopted.

38. A motion was passed authorizinz the report to be submitted to the Biblical Recorder for publication.

39. **Report on Baptist Hospital by Paul F. Burke:**

The heart of Jesus was constantly touched by the plea of the sick. So it is today with North Carolina Baptists. Our answer to this plea is our ministry through our Baptist Hospital.

Ten thousand patients, and more, were cared for last year in the Hospital while other thousands were ministered to in the Clinics. Almost half of these were unable to pay the full cost of their care. Old people, young people, children and tots were recipients of the bounty of North Carolina Baptists. Our Hospital has made, is making, and, please God, will continue to make a large contribution toward the saving of life, the relieving of suffering and the bringing of good health to those who need it.

From all over our State a constant stream of the afflicted comes seeking our help. The schedules of doctors and Clinics are filled with appointments that often must be made many months ahead. In case of urgent need the family doctor should call the Hospital and arrange for the admission of the patient as soon as it is possible to receive him.

Sick people have spiritual needs, too. And they are even more important than the physical. Our Hospital has trained chaplains who effectively minister to the sick, provide guidance for the nursing and medical students and training for pastors and other Christian workers.

Three floors of the New Hospital Wing should be ready for use this year providing urgently needed space and facilities. If any church in this Association has not made its contribution toward the building of this New Wing we hope that church will do so without further delay.

Each year the Mother's Day Offering provides a great opportunity for God's people in God's churches to insure the care of God's needy children in God's Hospital.

Let Chowan Baptists be not like the sponge which gives only when it is squeezed. Let us rather be like the free flowing fountain which gives because it is its very nature to do so. Remember the words of the Great Physician, "Freely ye have received, freely give!"

40. Brother Burke presented W. K. McGee, Director of Religious Education for the discussion and the report was on motion adopted.

41. Dr. F. O. Mixon and Rev. Oscar Creech addressed the Association and give fine verbal reports on Chowan College.

42. **Report on Sunday Schools by R. W. Knight:**

The Sunday school is being recognized more this year than ever before as the chief agency of the churches in evangelism, teaching and enlistment. The major emphasis for Baptist churches for 1953-54 is the effort to enroll a million more people in Sunday School in one year. Right of way has been granted for this, the greatest Sunday school enlargement program in the history of the world. As a result of this program, it is confidently expected that there will be substantial increases in baptisms, offerings and Christian homes.

Our State Sunday School Secretary, L. L. Morgan, reports gains this year in enrollment, and in training awards. It is expected that the number of Vacation Bible Schools will reach a new high. In the 3,055 churches in the state, we now have more than 620,000 enrolled in Sunday School.

We are reporting in our Association this year 56 Sunday schools with an enrollment of 10,994. This represents a gain of 429 in membership. 45 Vacation Bible Schools are reported.

Your committee makes the following recommendations: (1) That the Association approve the effort of Baptists to enroll "A Million More In '54," and commend to the churches the practical plans for accomplishing this worthy objective. (2) That September 20-27 be observed as PREPARATION WEEK in the churches. It is recommended that the new book, "The Pull of the People," by Dr. J. N. Barnette, be taught in the churches. Some other date should be observed if this week is not convenient. (3) That regular Sunday school meetings be held this year for the purpose of helping and inspiring the churches to greater zeal in reaching the multitudes for Bible study. (4) That the Association seek to do its full share in enrolling "A Million More In '54," by trying to enroll at least 20 per cent more people in their Sunday schools in the year October 1953-October 1954. (5) Encourage class Sunday schools to "move up" to department schools wherever possible. (6) That the churches call on the Baptist Sunday School Department, Raleigh, for any help with reference to remodeling old church buildings or building new structures.

43. After discussion of the report by Brother Knight it was adopted.

44. **Report on Christian Education by J. L. Walter Moose:**

Dr. A. C. Reed, speaking before the State Baptist Convention last fall, declared: "Christian Education . . . is unique and imperative. It is unique because it is intellectual development in harmony with the truth revealed in Jesus Christ. It is imperative because it emphasizes the Christian principles which enable people and institutions to become free."

Measured by these standards of definition Christian Education is, indeed, a tremendous undertaking, which demands our undivided attention. Then, as Baptists, what are we doing to foster Christian Education? First, let us look at what we are doing as Southern Baptists.

We support with our students and our money six seminaries and the Carver School of Missions and Social Work at Louisville, Ky. These are: the Southern Baptist Theological Seminary in Louisville, Ky.; the New Orleans Seminary in New Orleans, La.; Southwestern Seminary at Fort Worth, Texas; Golden Gate Seminary at Berkley, Cal.; and Southeastern Seminary at Wake Forest, N. C. The sixth seminary is the American Baptist Theological Seminary for Negroes at Nashville, Tenn.

In the last school year there were enrolled in these seven seminaries 4,727 students, with 3,192 of these ministerial students and the others volunteers for full-time Christian service.

In addition to these seminaries there are 52 junior and senior colleges with an enrollment of 34,334, and 10 academies and Bible schools with an enrollment of 2,442, making a total of 41,303 regular students in our 69 schools, colleges and seminaries. In addition to these regular students we had this last year 11,357 extension and special students, for a grand total of 52,660.

It is well for us to remember that only our seminaries receive financial support from the Southern Baptist Convention. The 62 other colleges and academies receive their support from the Conventions of the states in which they are located.

It is interesting to note that in all these seminaries and colleges we have a total enrollment of 8,993 ministrial students, or approximately one out of every four. In addition to these there are 2,844 volunteers being trained for some type of full-time Christian service.

The present property value of all these institutions is $97,000,000, and they have a total endowment of $47,400,000.

With this general information on a Southwide basis, let us now consider our program as North Carolina Baptists in the field of Christian Education.

We have seven colleges, two senior: Wake Forest and Meredith; and five junior: Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan. Last year the enrollment in these schools, including summer sessions, exceeded 5,000 students.

The 422 ministerial students enrolled in these seven colleges represent approximately 10 per cent of the total student body. In addition to this number, there are some 300 student volunteers being trained for full-time Christian service.

These seven colleges have an annual operation budget of approximately $4,000,000. North Carolina Baptists, through the Co-operative Program, make available $400,000 to aid these colleges with their operating costs, which is exactly 10 per cent of the total operating expenditures, or a little less than $100 per student for the year. In addition to this financial aid for operating costs, in its present Nine-Year Advance Program the Convention is providing another $200,000 to help the colleges with their capital outlay or building programs.

From a financial standpoint the most significant undertaking in 1953 is the effort to complete the raising of $1,500,000 in the churches for the removal program of Wake Forest College. It is hoped that this amount will be raised by January 1, 1954.

The present status of the construction program for the new Wake Forest College in Winston-Salem gives assurance that the college will be moved in 1955. It is interesting to observe further that in this transition period for our oldest and largest college, we have seen the

greatest period of development in the other six Baptist colleges in North Carolina. In every instance each of the other six has found it possible to expand its facilities and provide for an increasing enrollment from year to year.

A detailed report on the progress at Chowan College, an institution that is dear to the hearts of the people of the Chowan Association, is included elsewhere on this program.

We would remind you, however, that these institutions and the funds for their support are but means to the end that we may train young men and young women to be able to take their places in our world not only as pastors and leaders in all departments of the work of our churches, but as Christian citizens in a society that is sorely lacking in spiritual qualities or tendencies. Let it be said to the credit of Baptists that although they have been pioneers in the support of public education for all the children of the state, at the same time they have been unwilling to look to the state for the training of their spiritual leadership. As the masses of the people become more intelligent and better trained through the improved educational opportunities provided by the state, Baptists have tried to make available a sufficient number of well educated men and women to permeate this enlightened society with Christian thought and a Christian philosophy of life.

45. Report adopted.

46. Rev. Caleb Goodwin made announcements concerning lunch after which Dr. Stuart Grizzard, pastor of the First Baptist Church of Norfolk, Va. brought a stirring message on the theme: "Getting Mad with the Church."

49. **Report on Relief and Annuity by J. Samuel Johnson:**

The Relief and Annuity Board came into being May 16, 1918 by action of the Southern Baptist Convention, assembled in Hot Springs, Arkansas. It has therefore completed thirty-five years of service.

The purpose of the Relief and Annuity Board as expressed by its founders was "To provide a reasonable degree of protection for the Preachers of the Gospel in event of the untoward vicissitude of life." Two facts were recognized. First that the salaries of the preachers, as compared with those of other professions, are small and little opportunity is afforded to purchase financial protection against disability and old age. "On the other hand, preachers are subject to the same vicissitudes of life to which all flesh is heir. Some meet un-

timely death, leaving widows and minor children. Some experience physical incapacity, facing years of disability without income. Others live to a ripe old age, far beyond the years of earning capacity, with nothing provided to meet the necessities of life in those sunset years."

Those who have directed the activities of The Relief and Annuity Board through the years have been ever mindful of the original intent of its founders. There have always been those, who through no fault of their own, have needed relief. Help for these has been granted upon the request of the State Secretaries where it seemed necessary to prevent suffering. In 1952 nearly $300,000 was paid in such relief benefits. $23,707.33 was paid to beneficiaries in North Carolina which was $1,403.90 more than the churches of North Carolina gave the Board for this purpose.

Another and perhaps most important phase of the Board's work is that of providing Annuity. A modest Annuity program was first provided and was in operation until 1930 when it was closed to new members. This provided a disability annuity, payable at any age the preacher might be disabled or to those who had reached the age of sixty-eight, even though not retired. The amount decided upon was $500 a year for the disabled or aged preacher, and in case of his death, $300 a year for his widow and minor children.

Since 1934 a number of Annuity plans have come into being to provide protection for ministers and other denominational workers. In all there are now some fourteen Annuity and Retirement Plans in operation. The plan of most interest to the churches and preachers of our Association is the Minister's Retirement Plan.

The Plan varies slightly in the different states of the Southern Baptist Convention. In North Carolina the Plan requires the payment of 4 per cent of the pastor's salary to be paid by the pastor, 4 per cent to be paid by the Church paying his salary and 2 per cent by the Baptist State Convention. The benefits are in proportion to the time the beneficiary has participated in the Plan; the maximum benefit being half the average salary for the last twenty-five years of his ministry.

Every minister and every church in Chowan Association should be informed about the operation of this Plan.

50. On motion by Brother Johnson the report was adopted.

Memorial Service

56. The Memorial Service was conducted by R. L. Garrett. He read the following paper:

As we come to this solemn moment when we remember in reverence and gratitude the faithful and loving friends who have crossed Jordan during the past year we recall the words of the ancient Hebrew: "For God created man to be immortal and made him in the image of his own eternity . . . The souls of the righteous are in the hands of God and there can no evil touch them. In the sight of the unwise they seem to die and their going from us is thought to be destruction; but they are in peace and their hope is full of immortality; for God hath proved them and found them worthy of himself."

Though they have left us we feel that their interest in us, who follow in their train, has never been withdrawn; that we have something more than the legacy of their work and influence; that we have the heritage of their watching, yearning love. It was just such faith as this that moved an early Christian to write: "Therefore, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and sin which clings so closely, and let us run with perseverance the race that is set before us, looking to Jesus the pioneer and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God."

Let us then as we read these names exult in this faith and say with Charles Wesley,

Servant of God, well done!
Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last.

57. Brother Garrett then read the names of our beloved dead (See page: *In Memoriam*). The Moderator called for the congregation to stand in a few moments of silence while he offered a prayer for the comfort of those who are bereaved.

58. On motion the report was accepted as read.

CONSTITUTION AND RULES OF ORDER

CONSTITUTION

ARTICLE 1. This body shall be known as the Chowan Baptist Association of North Carolina.

ARTICLE 2. The Association shall be composed of messengers elected annually by the churches connected with it and all ordained ministers who are members of or are laboring in connection with the churches. Each church shall be entitled to three messengers and in addition thereto one messenger for each hundred members in excess of one hundred. All members of standing committees and officers shall be ex-officio members of the Association.

ARTICLE 3. The object of the Association shall be to promote among the churches a spirit of Christian brotherhood and co-operation for the promotion of the Kingdom of God. The Association shall have no control over the churches, however, it reserves the right to inquire into their condition, to advise them in difficulties and to withdraw its fellowship from such as may be corrupt in doctrine or practice after due measures are taken to reclaim such a church or churches.

ARTICLE 4. The Association shall have the following officers: Moderator, Vice Moderator, Clerk, Treasurer, Auditor, Associational Sunday School Superintendent and Associational Training Union Director who shall be elected annually and whose duties shall be those usually required of such officers. The President of the Associational W. M. U. shall be an officer of the Association.

ARTICLE 5. Any Baptist Church with the proper credentials upon application may be admitted into the Association by a majority vote of the messengers present. The membership of any church in the Association may be terminated upon its failure to send messengers or letters for two successive sessions of the Association or upon application for dismissal.

ARTICLE 6. It shall be the duty of the churches to correspond annually with the Association by letter and messenger and give not only full statistical information but also facts concerning their general welfare and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association. The churches are requested to have the letters in the hands of the Clerk not less than one week before the meeting of the Association.

ARTICLE 7. The Association shall furnish the churches with a number of printed minutes within a reasonable time after each session, the number to be in proportion to the money contributed by each church to defray the expenses of the Association.

ARTICLE 8. The Associational Year shall be October 1 - September 30.

ARTICLE 9. The Association shall elect annually an Executive Committee of seven members whose duty it shall be to transact whatever business may require attention between sessions of the Association and to confer with churches in need of assistance. The committee shall assist any churches which may need to be formed into compact fields or may desire assistance in securing pastors; inquire into the cause and correct as far as possible the failure of a church or churches to be represented and act for the Association ad interim whenever it may be necessary and proper to do so. The Executive Committee shall use whatever means there may be at its disposal to promote the Kingdom enterprises within the Association and shall have authority to change the time and place for the meeting of the Association whenever it may seem wise and desirable to do so giving public notice of such change at the earliest opportunity. The Committee shall hold at least two meetings a year and render a written report at the annual session of the body. The officers of the Association shall be ex-officio members of this committee.

ARTICLE 10. This Constitution may be amended or altered by a two-thirds vote of all messengers in attendance at any annual meeting of the Association, providing notice shall have been given in the minutes of the preceding meeting by printing the proposed amendment.

RULES OF ORDER

1. No speaker shall address the Association more than twice on the subject under discussion without permission of the Association.

2. The B. T. U. and W. M. U. are to be reported on by their associational presidents, Sunday Schools shall be reported on by the Associational Superintendent. Each committee shall consist of one member who shall read the report and open the discussion. The report shall deal with that particular phase of our work as it stands related to the Association, Baptist State Convention of North Carolina and the Southern Baptist Convention and shall indicate the interest in and the support of that work by the churches of this body. No report shall contain more than three hundred words. All information for publication in the minutes shall be in the hands of the Clerk before the adjournment of the Association.

3. A program committee consisting of three members shall be appointed at each session, whose duty it shall be to prepare the program for the next annual meeting of the Association and have printed copies of the program in the hands of the Clerk thirty days before the Association convenes.

4. A summary of the proceedings of the Woman's Missionary Union, Sunday School and Training Union Convention of the Chowan Association shall be published each year in the minutes, the same to be sent to the Clerk not later than ten days before the Association meets.

5. The officers elected at the annual session of the Association shall take office at the close of that annual session. The duties of the Clerk at any session shall not have been completed until the minutes are published and distributed to the churches.

6. The Clerk shall suggest to each church the proportionate amount it should contribute toward the expenses of the Association and the printing of the minutes as recommended by the Executive Committee. This suggestion is to be sent to the churches with the Associational letter forms.

12. Bernard Parker, Chairman of the Committee, spoke to the report and it was accepted as read.

13. **Report on Christian Education by J. H. Moore:**

We support with our students and money six seminaries and the Carver School of Mission and Social Work at Louisville, Kentucky. These are: The Southern Baptist Theological Seminary, Louisville, Ky.; New Orleans Seminary, Southwestern Seminary, Fort Worth, Texas, Golden Gate Seminary,

Berkley, Cal.; and the Southeastern Seminary, Wake Forest, N. C. The sixth is the American Baptist Theological Seminary for Negroes, Nashville, Tenn.

There was an increase of 6 per cent in enrollments of regular students in Southern Baptists educational institutions. The increase was greatest (14%) in seminaries, during a period when enrollments throughout the United States decreased by 10.8 per cent. The total of ministerial students in Southern Baptists seminaries, colleges, academies, and Bible schools reached an all-time high of 10,007, with nearly 6,000 in colleges alone.

Cooperative Program support of these institutions increased by 6.3 per cent, from $4.332,952 in 1952 to $4,607,104 in 1953. Support for capital outlay improvements decreased, from $2,659,341 in 1952 to $2,579,472 in 1953.

The total investment in endowment and property in March, 1954 was $155,722,060. Endowments total increased roughly two and a half million. Property values increased about eight million.

Now let us consider our program as North Carolina Baptists in the field of Christian Education.

We have seven colleges, two senior: Wake Forest and Meredith; and five junior: Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan. Last year the enrollment in these schools was 4,771 of which 433 were being trained for the ministry and 236 classified as mission volunteers.

These seven colleges have an annual operating budget of about $4,000,000 of which $417,606.02 came from Baptists through the Cooperative Program for an average of $87.53 per student enrolled. These colleges also received $235,-313.84 from the Baptists Cooperative Program for Capital Outlay for an average of $49.32 per student enrolled. The average amount spent for each student in the seminaries was $508, or nearly four times as much spent by the seven Baptist Colleges.

Because of the willingness of many men and women to make the sacrifice necessary in money that they may satisfy a sense of Christian mission in the dedication of their lives, we have been able to employ trained and competent personnel. Other qualifications being equal, Baptists have always been preferred.

14. The report was on motion adopted.

15. **Report on Chowan College by Rev. Oscar Creech, Assistant to President Dr. F. O. Mixon:**

(Brother Creech was presented by J. H. Moore.)

The first meeting at which the proposed college was considered was held in the home of Dr. Godwin Moore. The second meeting a little later was held at the Pleasant Grove Baptist church in the Bertie Union Meeting. The third meeting was held on the 11th of October, 1848 at the session of the Chowan Association being held with the Ramoth Gilead church.

At this session the following resolution was adopted. "Resolved that this Association most cordially approves the enterprise and recommends it to the liberal support of our brethren and friends."

Also at this session the first trustees were appointed as follows:

From the Bertie Union Meeting—G. C. Moore, A. J. Perry and J. W. Barnes.

From the Yeopim Union Meeting—J. L. Terrell, W. Stallings and W. Riddick.

From the Camden and Currituck Union Meeting—J. Carver, W. P. Forbes, and J. B. Morgan.

From the Washington and Terrell Union Meeting—J. T. Halsey, E. P. Melson and J. W. Beasley.

Some pastors who were in the Association at that time: William White, Geo. N. Thompson, William Britton, James Ross, Lemuel Sanderlin, Malichi W. Jones, John Nowell, Q. H. Trotman, James Delke, Everett Hancock, John B. Webb and Steven Bazemore.

So much for the beginning of the college.

The recent hurricane did some damage but we are thankful that it was no worse.

This year the boys dormitory and gymnasium have been added. On the four new buildings erected last year and this year we are spending about $145,-000.00 and if we can raise $20,000.00 by February the first we can see all debts paid on them.

Our next pressing need is a science building which will cost $50.000.

Much equipment has been added including $30,000.00 to $40,000.00 worth donated of the graphic arts department.

Our faculty now numbers 25 and we have 225 regular students.

Please continue your $1.00 per member plan in the churches, special offerings in April and the $100.00 Club; and please remember Chowan in your wills.

16. Report accepted.

17. Rev. W. W. Brown, host pastor, made announcements concerning lunch.

18. The congregation sang All Hail The Power of Jesus Name after which Rev. C. W. Goodwin preached the Associational sermon using as his text, 1 Cor. 1:17, and using as his topic The Cross of Christ. Brother Goodwin pronounced the benediction and gave thanks for the sumptuous meal then about to be served by the host church.

TUESDAY AFTERNOON SESSION

October 19, 1954

19. The afternoon session was called to order by W. C. Harrell, Vice Moderator. O Master Let Me Walk With Thee was sung by the congregation after which Rev. J. O. Mattox led the devotions of scripture reading and prayer.

20. **Report on Temperance and Morals by Rev. L. C. Chandler:**

A great deal is said in the Bible about one's relation to another. It is also revealed in the Scriptures that no man liveth unto himself and no man dieth unto himself. We are taught by the greatest of all teachers that our neighbor is the person who needs help whoever or wherever that person may be.

True religion has to do with our relationship to God and Man. Our relationship to God is not right until it is right toward mankind.

Social services is of vital concern to our churches and to our Association. Our part as a group of united churches is to encourage and support all that is good with our influence, our money and our prayers. At the same time we are to put up a soild front aganist all that is evil. There is much that is evil in the world today. If a person is incl'ned to be a pessimist and look on the dark side there is enough to encourage him in his belief. In fact it would be hard for him to overstate his case.

The liquor situation in North Carolina is the most confusing and difficult situation with which the people have ever been called upon to deal.

Reports from the National Safety Council show that drinking drivers are three or four times more likely to have an accident than those who do not drink. When a driver has drunk excessively he is fifty-five times more likely than the non-drinking driver to be involved in an accident.

The manufacturers of beverage alcohol are spending more and more of their advertising money in attempt to convince the American public that they believe in moderation for all who drink their products.

The latest sales promotion, "Techniques of the United States Brewer's Foundation" in the advertising field is the use of their "Home Series" of pictures. One trade journal has pointed out that outstanding artists have been employed to produce the pictures, they are painted on location in various parts of the country, local models are used, and as much authentic detail as possible is included.

The object is to associate beer with the home and show it as an accepted part of American life. The scope of advertising as offically, announced to the trade will reach a combined circulation of 18,000,000 with an estimated reader potential of 72,000,000. It is claimed that these beer advertisements will touch one of every two homes in America.

What are we as Christians doing about beverage alcohol?

Here are some questions for every honest, partriotic citizen to answer:

1. Is it right to build churches to save men's souls and at the same time license a business that destroys men?

2. Is it right to license a business to sell that which will make a man drunk and then punish the man for getting drunk?

3. Is it right to license a business that makes paupers, criminals and lunatics, and then tax sober people to support them?

4. Is it right for any Christian man or woman to touch, taste, handle or harbor in the home a product which, according to J. Edgar Hoover, chief of the F. B. I., is the basic cause of 80 per cent of all crime and which is the greatest enemy of the home and church, which wrecks lives and destroys society and tears down all that Christianity strives to build up?

5. Is it right for anybody to go to church on Sunday and pray God's blessings on the nation and then go to the polls on election day and vote in favor of the nation's greatest destroyer and saboteur?

Marriage is on trial! This title of a current book expresses a truth with which we as Christians must become increasingly concerned. Trends and conditions are rapidly emerging in the areas of inter-personal relationships which call for immediate action. The subject of Dr. Ellis A. Fuller's addresss before the Southern Baptist Convention in May 1949 sounded an alarming yet appropriate note, "Save Our Homes Or Else!"

It is impossible to include all the vices that are affecting the public morals of this day in one brief report. There is an ever increasing ratio of divorce, it is just about as easy to get a divorce today is it is to get license to get married. There must be instilled a deeper realization of the sanctity of marriage and of the home.

Moral standards are lowered today. Gambling is on the increase. The Lord's Day is being used more and more as a day of sport. Sunday baseball, golf, moving pictures and other forms of Sabbath desecration are becoming more popular.

We must do all within our power to raise the moral and Spiritual life of our day and generation. "Righteousness exalteth a nation but sin is a reproach to any people."

21. On motion the report was adopted.

22. **Report on Baptist Hospital by Rev. C. W. Goodwin:**

Ever since the transgression in the Garden of Eden the sob of sickness and pain has resounded down the corridors of time. Pain of the body is the natural course of life. The prophetic Word spoken in that far off yesterday has had continuous fulfilment through all the centuries since. Suffering is as common in life as salt in the sea. Everybody has suffered pain and does and will.

When Jesus walked among men as God incarnate, He healed disease and relieved every form of bodily distress. He spent Himself and seemed to forget His

own needs as long as there was any needy body waiting a chance to be healed. He worked miracles of healing, not to prove His Divinity but because He was Divine. They were manifestations of His love reaching out to a suffering race of men. He reveals to us through these acts of mercy, his feeling toward pain.

A rare and precious privilege has been extended to us. We can have a part in that ministry that was so near and dear to the heart of the Lord Jesus Christ. Even more so, we do not have to be "cabbinned" "cribbed" and "confined" to this precious ministry in the small area in which we live, move and have our being." We can extend this ministry of useful service to others beyond the limitations of our community to a broader field of need supplied by our Baptist Hospital in Winston Salem.

Our Baptist Hospital is caring for more people this year than at any other time in its history. I can but name a few of its multiplied accomplishments. In the year 1953 the Hospital admitted 10,886 persons as bed patients and rendered a total of 92,476 days of patient care. The Out—Patient Department totalled 49,205 visits. 65,235 diagnostic X—ray films were made and 2,425 X—ray therapy treatments were given.

Our Mother's Day Offerings are used exclusively to help pay the hospital expenses of those patients who can pay only a part of the hospital cost and for those who can pay nothing at all.

The Hospital extends a challenge to our best interests. God's people are always agreeably responsive when reminded of a simple way to help others. They will give to the things in which they believe and the things in which they are interested. Our investment in the Hospital will make it possible for our Lord to produce benefits untold. Let's be good Samaritans, and minister to those who lie in need on the Jericho road, through our Hospital program.

23. Brother Goodwin presented Rev. W. Arnold Smith, a chaplain of the Hospital who discussed the report and gave a description of the work of the Hospital and appealed for liberal Mother's Day offerings. The report was on motion adopted.

24. **Report on Woman's Missionary Union by Mrs. Walter A. Ward:**

It is a pleasure for me to bring a report from your Auxiliary. With a deep sense of gratitude and joy, we realize that throughout the year we have sought to declare his glory among the nations, his marvelous works among all peoples. Yet there are many here in the Chowan Association who do not know Christ. We have been Laborers together with God, seeking to enlist every woman in all our Churches, in every phase of our Activities.

There are 59 churches. We have 52 W. M. S. with 143 Jr.; organizations, 14 of these W. M. S. have no Missionary organizations for their youth. We covet the close cooperation of our pastors and church leaders in helping us organize these churches.

Under the Leadership of our Young People's Leaders the work has gone forward. We had 13 New Junior organizations last year. Each group has had an Associational wide meeting with good attendance. The leaders have had well planned inspirational programs that were helpful and worth while. Many of our young people attended the Camp at Chowan College this Summer.

Our W. M. S. groups have shown progress in many ways. We have an increase in tithers and our offerings durings the three seasons of prayer and offerings to Home, State and Foreign Missions have shown a good increase. Our women are becoming more aware of their oligations in this matter of Stewardship of their money. The $300.00 Scholarship fund was given to the Chowan College building fund for the Boys Dormitory.

The Auxiliary has had three association wide meetings that have been well attended, giving evidence of great interest plus the desire to become better informed leaders. We feel that coming together gives us one thought in common and we can go out to work with one accord. Last fall our Leader-

ship Conference met at Edenton with 252 leaders from 30 churches. In January our Departmental Chairmen conducted an Institute for all Community Missions and Stewardship Chairmen and teachers who would teach Mission Study Classes in the Home Mission series. This proved most helpful to those attending. The annual meeing of our W. M. U. was in March at Bethel with 450 present. The program theme "Entrusted To Us" was soul searching and heart warming. We were jolted by the realization of the tremendous task entrusted to us but the splendid Messages stirred us to feel that with God's help we could go forward.

It has been the privilege of the Superintendent to attend all the County Meetings and the group Meetings for each organization

I have also attended State W. M. U. Meeting and State Executive Council at Meredith College.

I count it a high privilege to be working with such a fine group of leaders as we have for our associational officers.

We shall go f o r w a r d Witnessing for Jesus in our own communities through Community Missions. We well go into all the world through the Cooperative program and the study of far away places and people in Missions Study. Our lives will become enriched and tuned to hear the Master's voice as we seek him daily through personal devotions and prayer. We shall seek to undergird our Mission program by following our prayer Calendar day by day as we pray for our Missionaries as they are listed on their birthdays throughout the year.

We have a great task entrusted to us. Let us be faithful to the trust and go onward, 'Tis the Lord's Command and Declare his glory among the Nations, his Marvelous works among all the people.

25. **Report On State Missions by Rev. Clarence A. Williams:**

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved.

We have 760,000 Baptists in North Carolina. Perhaps 35% of these are enlisted and are being taught and trained in Christian practices.

A varied program of missions is needed in our state. Three significant phases of State Missions work are promoted through the Sunday School, Training Union, and Rural Church Departments. 2,000 vacation Bible schools reported giving $23,000 for 1954 to the Co-operative Program. 6,000 attended B. T. U. weeks at Caswell, Fruitland, and Ridgcrest this summer.

A Department of Evangelism is provided. It seeks to inspire evangelism efforts on a State-wide scale. Baptisms have averaged 8,000 more a year since the organization of this department.

State Missions purchases sites for new churches and pays salaries for one hundred or more pastors. New churches are aided in building programs. Pastor's schools are promoted and each year about 125 pastors receive better training at Fruitland. About 500 pastors were reached this summer through this phase of work. State Missions minister in a limited degree to the negroes and Indians.

Many needs constantly challenge the resources of State Missions, namely: The Allied Church League, The Silent People, The Department of Pastoral Care, and the Assemblies at Fruitland and Caswell.

A student program is promoted among 20,000 Baptist boys and girls attending our colleges, universities, business, and medical schools. These students constitute a great potential leadership for all areas of tomorrow's world.

Sources of support of State Missions are as follows:

1.	Co-operative Program	$ 262,000.00
2.	Sunday School Board	20,000.00
3.	Home Mission Board	2,000.00
4.	W. M. U. Week of Prayer	72,000.00
		$ 356,000.00

The October 24th offering is questionable.

The needs of the hour greatly exceed the immediate income.

26. **Report on Home Missions by Rev. Don C. Pryor:**

The past year has been one of the best in the history of Home Missions. This was the first year in which the activities of the Home missions Board was directed by Courts Redford. The past year was the fourth year of the Five-Year Crusade, so the whole program was benefited from the acceleration of the special co-ordinated efforts of the three former years.

It is spiritually encouraging to note that during the first four years of this Crusade the workers of the Home Mission Board have increased in number from 754 regular and 271 student missionaries to 937 regular and 366 students The total number of professions of faith reported for the four years was 131,404; 1,081 new churches were constituted; and 2,573 missions were started. In this Crusade the finest co-operation was given by other Convention boards and agencies, the state mission boards, the associations, and the churches. During these four years Southern Baptists have reported 1,467,000 baptisms, which is 24% more than were reported in the four previous years. Approximately 1,701 new churches have been constituted, many new fields have been entered, and especially encouraging has been our phenomenal growth in the West and in frontier areas.

Actually we are now in the fifty year of the Five-Year Crusade. The emphasis has been on witnessing for Christ. There have been three general goals for 1954. First, an effort to lead every individual Christian to become a more effective witness for his Lord. Second, every church has been encouraged to include all neglected groups in its sphere of influence and in its ministry. Third, churches, associations, and other groups have established missions, supported local mission programs, and in many ways witnessed to the unevangelized and unchurched.

Chowan Association's direct share in the support of Home Missions has consisted of approximately 2% of our gifts for all causes.

Even after the great strides taken during these past twelve months there yet remain millions in our homeland who o not know Jesus as their Lord and Saviour. Our Master was indeed speaking to us in North Carolina and Chowan Association when He said, "The fields are white unto harvest." We in the Chowan association must continue, in ever greater intensity, to heed this command of our Master.

27. **Report on Foreign Missions by Rev. Everett Marion (Read by Rev. D. J. Stoner)**

The Southern Baptist Foreign Mission Board appointed 70 missionaries during 1953; 37 have been appointed during the first five months of 1954. During the year and five months, 53 missionaries were lost from active service through death, resignation, and retirement, giving an increase of 54 for active service. As of June 1, 1954, the Board has 931 active missionaries.

Missionaries are located in 170 stations in 35 countries or territories: Argentina has 45 missionaries. the Bahamas 4 (and one retired couple), Brazil 179, Chile 34, China 32 (English Hong Kong 12, Portugese Macao 4, unassigned 16), Colombia 23, Costa Rica 4, Ecuador 7, Egypt 3, Formosa 27, Gold Coast 6, Guatemala 8, Hawaii 43, Honduras 6, Indonesia 20, Israel 13, Italy 10, Jamaica 2, Japan 101, Jordan 8, Korea 15, Lebanon 7, Malaya 13, Mexico 27, Nigeria 166, Paraguay 17, Peru 4, Philippine 31, Southern Rhodesia 16, Spain 6, Switzerland 9, Thailand 17, Uruguay 12, Venezuela 8, and Spanish Publishing House in El Paso 8. Two of the countries- - Jamaica and Egypt- - were entered during 1954.

The 2,201 churches affiliated with Southern Baptist missions reported 20,326 baptisms during 1953. Their 8,000 organizations (Sunday schools, young groups, and women's groups) reported 200,000 members. More than

64,000 pupils were reported in 500 mission schools, including 700 students in 19 theological schools. Almost 200,000 patients were treated in eight hospitals, four dispensaries, and 12 clinics manned by 27 missionary doctors, 37 missionary nurses, and 44 national doctors and nurses. Approximately 8,000,000 pieces of literature were published, including 51,000 Bibles.

Among the mission highlights were: re-entry of missionaries into Spain after an absence of over a year, and reopening of the seminary; reopening of the Bible school in Rivoli, Italy; new seminary buildings in Torreon, Mexico; beginning of theological training and medical work in Indonesia and Malaya; opening of the first Baptist Bible Institute in the Bahamas; location of headquarters for Spanish W. M. U. literature in Santiago, Chile; permit to practice medicine in Mexico granted to a missionary doctor (making a hospital possible in Mexico); purchase of property for a hospital in Pusan harbor, Korea; organization of a Baptist church for Thai people and organization of the first Baptist church in Jordan at Ajloun; location of a missionary in the capital of Mato Grosso for the first time placing a missionary in every state capital of Brazil; reaching the goal of 100 missionaries in Japan; a new Baptist headquarters building for Nigeria in Ibadan; a new publishing department in operation in Rome.

Southern Baptists gave for foreign missions during 1953 a total of $8,759,-948.87 through the Cooperation Program, Lottie Moon Offering, and special designated gifts.

The Commission, world mission magazine, had an average circulation of 86,535 during 1953. A special subscription rate of five cents a copy (55 cents a year) became effective in 1954 for churches sending the magazine to every family in the membership.

Dr. Baker J. Cauthens is executive secretary; Dr. J. Winston Crawley, Orient secretary; Mr. Elbert L. Wright, business manager; and Dr. Rogers M. Smith, field representative.

28. On motion the Mission reports was adopted.

29. Onward Christian Soldiers was sung by the congregation after which W. T. Love introduced Dr. I. G. Grier who gave an inspiring address on the subject: The Kind of Church That Would Please Christ.

30. Rev. K. E. Bryant closed the session with prayer.

WEDNESDAY MORNING SESSION
OCTOBER 20, 1954

31. We're Marching to Zion was sung by the congregation and Rev. Mark M. Alexander led the devotions of scripture reading and prayer.

32. Rev. O. S. Edmonds, hosts pastor, gave the welcome address. In the course of his address he mentioned the fact that the host church was first named Piny Grove in 1828 and in 1830 the name was changed to Reynoldson.

33. **Report on Baptist Homes by Rev. J. T. Byrum:**

We are told that in our beloved land there are 19,000,000 old people past sixty years of age. Many of them are unemployed and haunted by corroding cares of being cast-offs, neglected and lonely.

Some of our farseeing Baptist leaders sought to meet, at least, some of our responsibility and opened up Resthaven as a Home for the Aging at Winston-Salem March 16, 1951, and employed Rev. J. M. Hayes as its first superintendent. Under the wise leadership of Bro. Hayes the interest in the North Carolina Baptist Home for the Aging has grown very rapidly.

Another step forward was taken when Albemarle-Hospital and nurses buildings and three acres of land was purchased for $25,000. The cost of renovation was $75,000 with the value of the equipment donated, it is estimated to be worth $300,000. It has the capacity for 35 residents. Rev. Zeb Caudle is the efficient superintendent of this home.

Rest Haven has a capacity for 19. The Albemarle Home has the capacity for 35, making a total for the two Homes as 54. We understand that these homes have been filled to capacity during the past year. The health in general has been good, with the exception of two deaths, namely. J. T. Ethridge August 13th, a resident of Resthaven, and John Honeycutt of the Albemarle Home September 17th.

Another forward step was taken in the purchase of a tract of land of 34 acres just outside the city limits of Winston-Salem for $25,000 in 1953. A topographical map has been made and architect engaged to prepare sketches of buildings to be erected on this central cite, as money and circumstances permit. It is the intention of the trustees, however, to proceed with one building at a time. The first unit will furnish space for additional residence and for offices, chapel, infirmary, laundry and refrigeration. It is hoped that the first unit can get under construction within a year.

The special day offering, February 21, 1954, was very encouraging. The total amount will probably reach $70,000. In addition, the Homes received $21,000 as their share of the Nine-Year Program. Besides the encouraging response on the part of our churches through the special day offering, and individual donations, we would record two valuable gifts of property recently donated to the Homes for the aging. The Jesup Homestead which includes 780 acre farm on highway 53, twelve miles east of Fayetteville and the Truesdell property, an attractive Blue Ridge Mountain home and a twelve acre tract of land with a typical rugged mountain background. Mrs. Truesdell was a missionary to China for many years. At her own time and request the Homes will accept her as a resident.

We recommend that an Associational representative be elected at this session of the Association.

34. Report was on motion adopted.

35. **Report on Orphanage by M. A. Hughes:**

This has been a good year for our Orphanage. During the year about 700 children were cared for, a new recreational center and new church building were completed at Mills Home, and a new church has been completed at Kennedy Home.

The Orphanage is in better position than ever before to give the children a well rounded program of work, play, education and worship.

The Ophanage publication, "Charity and Children," enjoyed its highest circulation, sending out more than 46,000 copies per week. The income of the Orphanage was adequate and God has richly blessed North Carolina Baptists in their ministry to the homeless children.

The new plan for the support of the Orphanage goes into effect on January 1, 1955 when, by vote of the Baptist State Convention, the Orphanage will share in the co-operative program receipts. Under this plan each church will have the privilege of sending all gifts, except the Thanksgiving offering, through the co-operative program. However, the General Board and the Executive Secretary of the Convention make the following recommendations: First, that the churches that are now taking the once-a-month offering continue this plan. Second, that the churches which have the Orphanage in the budget for a certain amount be encouraged to continue this method for the present.

The special Thanksgiving offering will be continued and every church is urged to give the people an opportunity to have a part in this special offer-

ing for the care of homeless and dependent children. These children are our responsibility and if we would be faithful to the teachings of Christ we must not fail them.

36. Brother Hughes presented W. C. Reid, Superintendent, who spoke to the report and it was on motion adopted.

37. Then Brother Crawford led the congregation in singing Stand Up For Jesus.

38. Report on Sunday School by C. R. Vann.

The Sunday School is recognized as the church "Feeder". It is an agency for enlistment, evangelism and teaching.

Our major emphasis this year was to cooperate with the convention in winning "A million more in '54". We set a goal of 2,200. Incomplete returns from 28 of the 60 churches show that April 1st we had reached approximately half of our goal. A complete and final report will be made at the Association Sunday School meeting, October 31st, 1954, at Bethel Church.

In the early part of January our association organization was strengthened by adding the following officers:

Mrs. L. C. Chandler, Cradle Roll Leader; Mrs. J. Leslie Harrell, Nursey Leader; Mrs. Don C. Pryor, Beginner Leader; Mrs. Julian Hooper, Primary Leader; Mrs.O. M. Blanchard, Junior Leader; Mrs. T. C. Lawrence, Intermediate Leader; Rev. Don Pryor, Young People's Leader; Rev. F. A. Cutheriell, Superintendent of Evangelism; Mr. Ernest Corbett, Secretary. The Association was divided into three groups, with Mr. W. C. Harrell, Gatesville; Rev. B. L. Raines, Rocky Hock, and Rev. Walter T. Oman, Corinth, as group leaders. Two group meetings and two association-wide meetings were held during the year; the first meeting was held at Hertford Church November 29, 1953. There were 21 churches represented, with 101 attending. At the First Church in Elizabeth City another meeting was held May 30, 1954 with 21 churches and 119 present. The well-attended group meetings were held under the leadership of the Group Captains.

This year personal enlistment and visitation will be given emphasis. "One To Eight" is our slogan. Is it not possible for eight Christians to win one to Christ?

Your committee suggested that the followinng efforts be made in each church:

(1) A study course in every church.

(2) Each Church study the pamphlet, "Let Us Go On", and use each step as near as possible, in improving their Sunday School work.

(3) A Bible School in every Church.

(4) Encourage class Sunday Schools to "move up" to departmental schools wherever possible.

(5) Urge officers and teachers to promote workers councils in each church.

(6) Call upon the Baptist Sunday School Department, Raleigh, for any help with reference to remodeling old church buildings or building new ones.

39. Brother Vann spoke to the report and it was on motion adopted.

40. **Report on Training Union by John M. Elliott:**

In presenting our Training Program Report it is our objective to give the Association our round the calendar activity and numerical data.

Our Training Calendar

1. Our executive committee resolve that during the months of October and November a group meeting should be held in each of the four groups of

our association (1) Dare and Currituck Counties (2) Camden and Pasquotank Counties (3) Chowan and Gates Counties (4) Hyde, Tyrrell and Washington Counties. It was hoped that these meetings would bring about a better understanding of the need for training and help to promote the work in the individual church.

2. On December 7 our annual "M" Night Rally was held with the Corinth Church and a two-way look was made into our work—a look back over the expiring year for failures and accomplishments and a look forward into the new year for new plans and new accomplishments. A former Chowan Pastor, Rev. W. D. Morris, brought the inspirational message.

3. Our annual Associational Elimination Meeting was held April 25 in the Blackwell Memorial Church, Elizabeth City, preparatory to participation in the Regional and State Tournaments.

4. On April 30 - May 1, the Chowan Association enjoyed the privilege of being host to the annual Regional Training Union Convention. This was held with the Edenton Church and the State Department was represented by Associate, Fred Scott.

5. Our annual Associational Mass Meeting was held on August 12 with the Sawyer's Creek Church. The spirit of the meeting was good and the program was helpful. Detailed minutes and the newly elected officers will appear in the associational minutes under such caption.

Numerical Data

While it gives us grave concern to realize that approximately 61% of the churches of the Association have not yet awakened to the imperative need for a program of training, there are some facts pointed out by our numerical data which give encouragement. We are very much encouraged over the increased interest manifested by the Adults for the last two or three years. With much satisfaction, we announce that the adult membership has now reached the point where it leads all age groups in number of members enrolled. This is a very rightful comparative position for adults and it is our prayer that they might properly lead this wonderful training work in all of our churches. Based on 46 church letters, we find a total of 97 individual unions with a total of 1097 members enrolled. Although there is already an increase in the number of unions, we hope that the letters from some remaining 14 churches will reveal an increase in the total members enrolled.

Taking the bad along with the good, we do not feel that the training program is at as low an ebb in our Association as it has been. But, neither do we feel that it has reached its rightful place in our church life and our consciences prompt us to underscore this statement. Therefore, we challenge those who have already seen the light to become such radiant light-houses that those still in the dark might see the light -- might awake to the dire need for trained workers in our churches -- and, yea, might join with us as co-laborers whose burning desire is to become more useful instruments in the hand of our Master.

41. Brother Elliott presented Rev. R. W. Knight who spoke to the report and it was on motion adopted.

42. **Report on Religious Literature by Rev. W. V. Brown:**

Baptists have compelling reasons for securing and reading Christian literature, especially from their own presses. The aim of it all is to promote Bible study, to build christian character and to inform, enlist, indoctrinate, inspire and unify our people in all the great work the Lord has committed to us. Dr. M. E. Dodd said: "A non-reading Baptist is a non-informed Baptist. A non-informed Baptist is a non-interested Baptist. A non-interested Baptist is a non-cooperative Baptist and a non-cooperative Baptist is not much of a Baptist."

In North Carolina the Biblical Recorder is the one publication covering the entire field of our Baptist work. Without our state Baptist papers, successful promotion of our Lord's work in all Baptist channels would be well-nigh impossible. The Recorder has carried the message of Baptist progress into Baptist homes for 112 years. Wise pastors, associational missionaries, consecrated Baptist leaders have over the years promoted its circulation, and they have rejoiced to see fruits of much good reading. People always do more when they know more. As they read, they lead. As they are informed, they are inspired. People usually are not interested in, and will not support, that which they do not know about.

The Recorder has three subscription plans: Individual subscriptions at $2.50 a year; $2.00 a year in clubs with at least 3 subscriptions for a church with less than 100 members and 5 subscriptions for a church with more than 100 members; and the Every-Family Plan at the low rate of $1.50 a year. The requirement for the Every-Family Plan is that each resident family of the church be on the list to receive the paper each week.

The present circulation of the Recorder is approximately 57,000 weekly. It should go into every Baptist home.

43. Brother Brown presented Rev. C. W. Bazemore, of the Biblical Recorder, who spoke to the report and it was on motion adopted.

44. After the singing of Blessed Assurance by the congregation Rev. O. S. Edmonds, host pastor, made announcement concerning lunch.

45. Rev. R. N. Carroll presented Rev. C. W. Duling, a former Moderator and pastor in the Association, who gave an inspiring message on The Church Looks Forward. Brother Duling offered the closing prayer and gave thanks for the fine, delicious meal to be served by the host church immediately following.

AFTERNOON SESSION

October 20, 1954

46. The Hymns We've a Story to Tell to the Nations and More Love to Thee, O Christ were sung by the congregation after which Rev. J. L. Rainey led the devotions of scripture reading and prayer.

47. Report on Relief and Annuity by W. J. Taylor (Read by Rev. K. E. Bryant:

This is to call the attention of our ministers and full time church employees to the advantages of the Ministers' Retirement Plan and to the fact that not more than one third of those eligible are taking advantage of the plan.

The present plan is a cooperative one on the part of the church, pastor and our State Convention. The church pays 4% of the salary not to exceed $4000.00, the pastor 4% and the Convention 2 per cent. This gives retirement at the age of 65 and plans are in the making to give retirement at the age of 60.

At present, the benefits cover disability with a maximum of $500.00 per year and it is being planned to raise the maximum to $900.00 per year.

Beginning in 1956 the annuity will be fifty per cent of the average salary upon which a member has participated, provided, he participated on the full 4% basis from the time he was eligible to participate. If payments are made over a partial period of the time of eligibility the amount of retirement annuity

will be reduced accordingly. There are already a goodly number receiving annuities under the Ministers' Retirement Plan. Including those with retirement annuities, disability annuities and the widows of former members there are some one hundred on the list.

We do not know just what the action of the next Convention will be with respect to social security but social security is now open to ministers on a salary which does not exceed $4200.00 per year. However, we hope social security will not take the place of retirement annuity. The wise pastor will seek both.

As to present relief conditions, we call your attention to the fact that calls for help from relief funds of the Relief and Annuity Board have not diminshed. There were many pastors in service prior to the inauguration of the Retirement Plan who are now calling for help from relief funds.

Many who were eligible for membership have not joined and when they become aged and need help call upon the relief funds. In 1953 the State Convention found it necessary to make special appropiation of more than $5000.00 in order to take care of the amount expended in North Carolina for this purpose over and above the amount received from North Carolina that could be used for this purpose.

Every church should enter the Plan and urge its pastor to enroll without delay. There are at present eleven churches in the Chowan Baptist Association not promoting the Ministers' Retirement Plan.

48. Brother Bryant spoke to the report and it was on motion adopted.

49. Report on the American Bible Society by Rev. Walter Oman:

Although the American Bible Society is not an agency of the Southern Baptist Convention it receives our support to the amount of $102,000.00 a year. Since 1951 our gifts to the American Bible Society have been steadily increasing, and it is hoped that this increase will continue until the goal of $150,000.00 is reached. If each co-operating denomination lends its solicited support, the American Bible Society will have a budget of $1,128,210.00.

A Chinese student expressed the truth behind Bible translating when he said, "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart." There is something in the heart of a man which responds to strains of love which come from Heaven by way of God's Son. The message of Divine love is a strange one to many hearts, but wonderful it is that the message fits. When viewing the whole matter of world evangelism, all that is basically needed is the Holy Word in the language of the people. The Greek used by the New Testament writers was the language of the market places and the streets. It was the language the women used to gossip across the back fence. It couched the ideas that men exchanged at their work. The power of the Gospel, the energies of Paul, and the spontaneous movement of the early church all contributed to the rapid spread of Chritianity, but not a matter of little significance is the fact that the New Message was carried by the medium of a common, simple language. All this meant that when a Roman soldier garrisoned at Philippi, heard the Good News of God's love he heard it in a language which was his own. He was, therefore, free to interpret the New Faith freely and in turn make it his own.

"Should we whose souls are lighted with wisdom from on high, should we to men benighted, the lamp of life deny?" Can we with unburned consciences worship our God in our snug churches, singing hymns which express our own doctrines and feelings, listening to sermons which express our own spiritual longings while vast numbers of people do not as yet have the Word of God in their own tongue? Missionary leaders ask why it is that in many lands the Christian Faith is not indigenous even after many years, perhaps it is because they lack a good translation in their own language.

Luther put the Bible into the language of the people. Cary spent a lifetime putting a Bible in the hands of the people they could read without a lexicon. Could there have been the Great Awakening of the 18th Century without the Authorized Versian of the 17th Century?

Now, in our day the American Bible Society takes up a work that both Luther and Cary would rejoice in seeing. So, throughout the wide world the arm of the American Bible Society reaches and when it extends itself to far away Korea to the readjusting population of Western Germany, and to changing Latin America it carries the Good News of God's love in the language of the people.

All in all the gigantic task amounts to a total of 15 million volumes of the Bible a year going out to the people of the world, to soldiers, to prisoners, to men behind the Iron Curtain and to refugees on the march. The hope of a better world lies in work like this.

50. Report was on motion adopted.

51. On motion the Program was revised so as to permit Claude Gaddy who was to speak later in the day to speak at this time and to have the Memorial Service come last on the Program.

Rev. A. C. McCall introduced the speaker who addressed the Association on Christian Education and the work of the seven Baptist colleges in the State.

52. Mrs. W. T. Love spoke briefly in behalf of Chowan College and appealed to the Association to approve finanical suport for operational purposes to the extent of One Dollar per resident member. Mrs. Love then made a motion to this effect. Rev. J. Samuel Johnson made a motion to ammend—to encourage every church in the Association to take an annual offering on Christian Education Day and send to Chowan as a special offering. Brother Johnson finally withdrew his motion for amendment and the original motion was carried.

I find the records are intelligently recorded, and wish to commend him on his work for the year. He has a big job to keep the many accounts which now make up the financial phase of our Association, and I think the Association is fortunate to have a man as Treasurer who is so devoted to the work.

Minutes of the Executive Committee

On Tuesday evening May 25, 1954 there was held a joint meeting of the Executive Committee, the Associational Missions Committee and a few other interested people of Chowan Baptist Association at the First Baptist Church in Elizabeth City. The Associational Moderator, the Rev. W. W. Finlator, presided.

The meeting was opened with prayer by the Rev. G. M. Singletary.

Items of business are listed below together with decisions made in each case:

(1) Marker for the grave of Martin Ross—It has been suggested by the Rev. Oscar Creech that Chowan Association place some special marker at the grave of Martin Ross near Hertford. Mr. Ross was active in Baptist work in this part of the state during colonial days. This same suggestion has been presented to the pastors' conference and they approved such action.

The group approved the suggestion and asked the Rev. Walter Moose with the assistance of the Rev. Walter Oman to locate the grave, get cost of a bronze plaque or cut stone or marble marker and make up the lay-out to be cut. This information is to be ready to present at the Associational meeting in October.

(2) Shortage in funds for carrying on Associational Missions work - It was reported that at the present time all bills for Associational Missions work are paid and there is in the treasury $1.06 plus a few checks which have come within the past few days in response to a special letter mailed out recently to all pastors and church treasurers in the Association. The monthly cost of the Associational missions program is $518 per month.

Various phases of the situation were discussed, questions asked and answered. Out of this discussion the following motion was made and unanimously carried:

That we work in three directions

1. Keep working on the weaker churches in order that they may have a part in the overall program, giving statements of "Paid" or "Due" to them and to the large churches.

2. If the assignment of percentages to the stronger churches is not high enough, increase that designated amount presenting it through the Board of Deacons and winning their approval.

3. Take an offering on July 11, 1954 to relieve the present emergency thus placing Associational Missions on the same level for consideration as other missions programs.

A final suggestion was made that the chairman of the Associational Missions committee find out methods of raising the necessary funds used in other Associations. Mr. Parker agreed to do this investigation.

The meeting was closed with prayer by the Rev. B. L. Raines.

October 13, 1955

The Executive Committee of the Chowan Baptist Association held a call meeting on Wednesday evening October 13 at First Baptist Church, Elizabeth City. In the absence of a chairman the moderator Rev. W. W. Finlator presided with the following members present J. S. Johnson, B. L. Raines, Walter Moose, ex-officio members present were W. C. Harrell, S. R. Moore, G. M. Singletary, C. R. Vann, and Mrs. Walter A. Ward, R. W. Kicklighter, Bernard Parker and J. H. Moore were also present.

The meeting was opened with prayer by R. W. Kicklighter. Minutes of last meeting were read by G. M. Singletary. A motion was made by J. S. Johnson and seconded by B. L. Raines that they be accepted as read. Two items of business from the minutes were discussed.

1. Walter Moose stated that he had investigated the location of the grave of Martin Ross, near Hertford, and would prepare a report for the Association.

2. Bernard Parker stated he did not realize he was supposed to bring a report on his committee's findings as to how other associations raised their missions fund but would prepare one.

The chairman raised the question as to the advisability of a special day for the support of the Association. A discussion followed and this was left open. Treasurer S. R. Moore reported $708.98 had been received from the special emphasis last year. He then gave the complete treasurer's report and a motion was made by B. L. Raines, seconded by W. C. Harrell, that we accept the report as read. Motion was carried. Total receipts $8,069.60, total disbursements $7,716.66.

J. S. Johnson made a motion that J. H. Moore be responsible for getting either Dennis Morgan or Wyatt Aydlett to audit the books of our treasurer.

W. W. Finlator as ex-officio chairman rules that all ex-officio members have the same right to make a motion and vote as regular members on the Executive Committee.

A discussion on the methods of obtaining money from the churches. B. L. Raines proposed that we view the question in a positive way and up the amounts to be received from the stronger churches. R. W. Kicklighter suggested that the committee meet during the association and prepare a budget. The budget committee was so instructed but suggested that it be done in this meeting.

The needs of the Associational Missionary were discussed and he made two requests of the Association and retired from the meeting.

1. That an adequate office be provided with more space for him to arrange and show materials on hand.

2. He requested that a stated amount be provided for office help, about $100 per month for 10 months in the year at least.

After much discussion the following items for the budget were proposed: a motion by B. L. Raines, seconded by Kicklighter, that the Associational Missionary salary be raised to $3600 per year. Motion was carried. $1200 for travel expenses, $720 rent, $1200 office help and supplies, $355 bulletin fund, $400 miscellaneous, and $144 for relief and annuity.

A total budget of $7,619.00 was prepared. B. L. Raines made the motion, seconded by J. S. Johnson, that this budget be adopted. Motion was carried.

Walter Moose made a motion that J. S. Johnson, prepare and present a report from the Executive Committee to the Association. Motion was carried.

A motion for adjournment followed and we were dismissed in prayer.

October 19, 1954

On call of he Moderator the Executive Committee of the Chowan Association met during the lunch hour of the first day's session on October 19, 1954. The purpose of this meeting was to bring action on a petition or request from the Nags Head Baptist Mission to form a Committee to organize it into a duly organized Baptist Church. B. L. Raines made a motion, seconded by J. L. Walter Moose, that a Committee be appointed by the Association to confer with the Nags Head Baptist Mission looking forward to the organization of a Baptist Church after which they could ask them for admittance to the Chowan Baptist Association. Motion was carried. Clerk Outlaw raised the question as to the number of meetings this Association has had. It was found that it had one meeting before its first anniversary. Therefore, 1955 will be the 150th meeting, the 149th anniversary.

J. Samuel Johnson, Chairman

54. On motion the minutes were approved.

55. The Rev. Walter Moose discussed the proposal by the Committee for marker to the grave of Rev. Martin Ross and following his discussion a motion was made by Hayes Godwin, seconded by Mrs. W. T. Love, that such a marker be erected. Rev. A. H. Outlaw raised the question of whether or not we would be able to raise enough money to erect one that we would be proud of in view of the important part that Martin Ross played in the early days; and suggested that the State Convention might participate since Martin Ross is considered the founder of the State Convention. The motion was withdrawn and another made and carried that a Committee be appointed to confer with the State Convention and report back at the next session.

56. On motion Mrs. W. T. Love was named to serve as Associational Representative of the Home for the Aged.

10. The report was discussed by R. W. Kicklighter and was on motion accepted.

11. In view of the Belhaven church of which Rev. J. T. Byrum, retired, is a member having united with another Association, and he having expressed a desire to remain identified with the Chowan Association, he was on motion made an honorary member of the Association for life, conditioned upon Ballard's Bridge accepting him in the same capacity as a member of that church.

12. On motion the hour of meeting for the first day of the Association was referred to the Executive Committee.

Church Expansion Committee Report

At a regular meeting of the Chowan Pastor's Conference February 14, 1955, the president at that date, Rev. Walter T. Oman, was authorized to appoint a committee to make proper survey of our association territory with a view toward the establishment of new Baptist churches.

The following men were named on this committee: B. L. Raines, chairman; Ralph Knight, R. N. Carroll, G. M. Singletary, and W. W. Finlator.

The committee held its first meeting in Elizabeth City on March 14. Another meeting at a later date was held in Edenton at which time the committee discussed the advisability of organizing new churches at Belvidere, Elizabeth City and North Edenton. Rev. G. M. Singletary, our associational

missionary, was appointed to make a survey where and when he considered it necessary, but as yet, no definite need has been presented by him. Rev. R. N. Carroll agreed to study the North Edenton situation. He reports that this matter has been considered by deacons of Edenton Baptist Church. The matter of securing a location and purchasing a lot some time in the future was discussed. It is the feeling of that group and the expressed opinion of the present pastor that when new work is begun in Edenton, Edenton Baptist Church wishes to and should take the initiative.

Money is a major problem in any expansion program. At present the associational budget does not provide any means for the purchasing of new lots or for the construction of new buildings. Your committee corresponded with our Home Mission Board. Dr. Courts Redford in his reply stated: "We are giving such assistance as we can in mission areas where help cannot be secured from any other source." Dr. S. F. Dowis, Secretary of the Department of Co-operative Missions, writes that should our association feel led to make a complete survey of our needs, Rev. A. B. Cash would be glad to help in this matter.

However, it is the feeling of your committee that when definite needs are presented to the Chowan Association our people will willingly respond.

Respectfully submitted,

Ralph Knight,
G. M. Singletary,
R. N. Carroll,
W. W. Finlator,
B. L. Raines, Chairman.

The report was on motion accepted.

13. **Report on Christian Education—By B. L. Raines:**

Christian education is as old as Christianity itself. Most of the outstanding religious pioneers have been men who recognized the value of education. The great reformers, Luther, Calvin, Zwingli, and Knox were not only mighty pulpiteers but they were also great scholars. Because of the fact that many of our earliest denominational leaders were men of wisdom and vision, today a great host of our Baptist schools can boast of a century or more of service.

Why do Southern Baptists continue to support seminaries, colleges, orphanages, and hospitals? In brief, the Creed of Baptists is the New Testament. A close examination of the original Gospel, Mark indicates that Jesus spent more time teaching than he did preaching.

Our five Southern Baptist theological seminaries are proving inadequate to meet the needs of the increasing number of ministerial students and religious workers who are knocking at their doors. We find similar demands on the Carver School of Missions and Social work in Louisville and upon the American Baptist Seminary for Negroes in Nashville, Tennessee. Last year these seven institutions had a total enrollment of 5,782, including 3,826 ministers and 810 mission volunteers. Southern Baptists in 1955 proposes to give these seven seminaries a total of $3,095,225.96 from their Cooperative Program funds for an average of $535 per student. These funds are for both operating and capital needs and represent almost 26 cents out of every Cooperative Program dollar made available for our Southern Baptist Convention work.

Behind this southwide program are our State Conventions which operate 30 senior colleges, 21 junior colleges, eight academies and four Bible Schools, with a total enrollment last year of 53,457 students.

Here in North Carolina we have Southeastern Seminary wnich will realize complete control of Wake Forest campus when the college moves to

its new campus in Winston-Salem in June, 1956. Our state has seven Baptist colleges as follows: Wake Forest, Meredith, Mars Hill, Campbell, Gardner-Webb, Wingate and Chowan. Last year the seven schools had an enrollment of 6,000 students including 750 in training for the ministry and for full-time mission service. Unfortunately, North Carolina Baptists are not providing as well for our college students as Southern Baptists are for seminary students. At present we are spending only $189.00 per student for both operating costs and capital outlay, or a total of $945,000. If North Carolina Baptists will support the Nine-Year Program of Advance these colleges will receive increased amounts to enable them to do more effectively what Baptists expect them to do.

Our colleges are winning a place in the hearts of southern people as seen by the fact that last year witnessed oven 16% increase in enrollment.

Let us rally to meet the challenge for Christian and denominational leadership. "My people are destroyed for lack of knowledge." "Where there is no vision, the people perish."

14. Speaking to the report were O. S. Edmonds in behalf of Mars Hill; Dr. F. O. Mixon, Chowan; Claude Gaddy, Wake Forest and the report was on motion adopted.

15. B. L. Raines, host pastor made announcements concerning lunch.

16. Worship service was as follows: Scripture reading and prayer by Rev. J. O. Mattox. Breathe on Me was sung by Mrs. Don C. Pryor and the Associational sermon was delivered by Rev. Ralph Knight, using as his text Romans 8:38 and 39.

17. Brother Knight closed the morning session with prayer.

TUESDAY AFTERNOON SESSION

October 18, 1955

18. Blest Be The Tie That Binds was sung by the congregation after which devotions were conducted by Dr. J. S. Johnson.

19. On motion by Dr. Johnson the Association voted to instruct the Execueive Committee and the Program Committee to give special recognition in the next years program to the One Hundred Fiftieth Anniversary of the Association.

20. **Report on Temperance and Morals—By Rev. D. J. Stoner: (Read by Rev. Henry Napier)**

Our problem is not in the area of temperance and morals, rather, it is in the area of intemperance and immorality and it is in this area that we look at the problem.

Intemperance is the excessive indulgence in anything, words may be included, therefore, this will be an abbreviated report so that I may remain above the sin of intemperance.

Immorality refers to conduct and applies to one who does not obey or conform to spiritual morality.

We have, and still preach against the sins of intemperance and immorality and perhaps such preaching has a place in our prophetic deliveries but these human failings still remain a strong deterrent in our Christianity. It is my

belief that when our preaching becomes more Christ centered He will have a better chance through His redeeming power to do what we have failed to do.

I am well aware of the curtailment of many pulpit "sugar-sticks" if this procedure is followed but it might be a means of letting Christ get back into the pulpit and church and at the same time remove some of us "pulpit-pounders" from the judgment seat of pulpit intemperance.

Intemperance and immorality have had their regulations from ancient times. The high ethical standard of the Ten Commandments "will preach" but it still takes the power of Christ to redeem and reform a life. To deal with these problems the answer must come from within the individual. The law may lay down the external regulative pattern but the reformation is the result of internal response to the Son of God.

A Christ-centered religion will cover all regulations and at the same time give hope to stumbling, faltering, mankind and power for a living Christian testimony.

21. The report was on motion adopted.

22. **Report on Hospitals—By Rev. Ralph Knight:**

Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. It will probably serve 50,000 patients this year, touching every area of our State.

In addition to this great host of sick people, our hospital provides an educational program for more than 450 young people who are in training to become nurses, doctors, technicians, pastors and other Christian workers.

The Department of Pastoral Care provides Christian counseling and guidance for the patients, students, hospital staff and personnel, as well as hundreds of others who come to the hospital from over the State for this purpose alone.

It is not easy to estimate the value of these and other services rendered by our hospital to multiplied thousands of people of all ages in the fields of health, education, and spiritual guidance.

The cost of carrying on this program for such a multitude of people is tremendous—more than two million dollars a year. One-half million dollars of this is spent in helping to care for sick people who are not able to pay for for service they need. We are grateful to God for the privilege of sharing in such a work, and we want to thank the Churches of our Association for their part in it.

The opportunities for Christian service and witness through our hospital are truly great. We need to give it a much more generous support through our Mother's Day offerings and the Cooperative Program.

23. Rev. James C. Peck, Hospital Chaplain, spoke to the report and it was on motion adopted.

24. **Report of Woman's Missionary Union—By Mrs. Walter A. Ward:**

We have 204 Missionary Organizations. Of these 52 are Woman's Missionary Societies with an enrollment of 2,086 and 1,789 are enrolled in the Youth Organizations. There are 664 tithers in the W. M. S. groups and 565 tithers in the youth organizations. We have 16 full graded unions. The W. M. S. of the First Baptist in Elizabeth City is our only A-1 W. M. S. this year. There are many A-1 youth organizations.

In every phase of our work we have grown but more than anything else I am most pleased with the quality of our work because we cannot but feel that the quality has greatly improved even though numerically it has not

Three societies have not reported this year despite my frequent letters. They are Rose Bay, Roanoke Island and Powell's Point.

Our three Associational W. M. U. meetings have been well attended. We had our Leadership Conference in October at Eureka with 38 churches represented. The Mission Study, Community Mission and Stewardship Institute at Cool Spring in January was well attended and much good was realized from it. We were all thrilled at the spirit and attendance at our annual meeting in April at Berea.

Each youth leader has successfully promoted an Associational meeting during the Focus weeks for each youth organization.

This year we have two new officers in Woman's Missionary Union: A Directon of Missionary Fundamentals and a chairman for the division of prayer. These new offices bring new challenges and opportunities for service and spiritual enrichment.

On May 24, 1956, we close fifty golden years of work for the Master. We will observe our golden anniversary with a special program here in the Rocky Hock Church where it was organized.

We covet your prayers and cooperation in widely proclaiming that "we labor together with God" so that "all the ends of the world shall remember and turn unto the Lord." "For ye serve the Lord Christ."

25. **Report on State Missions—By Rev. K. E. Bryant:**

"But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem and in all Judea and in Samaria and unto the uttermost parts of the earth." Acts 1:8.

If we think of the words Jerusalem and all Judea as referring to the challenges we find in our midst the challenges are great.

Our State-wide agencies are an effort to reach the unsaved for Christ and teach, enlist and train the saved in giving, living and serving through the churches.

Of the 4,225,000 people in our State, two million are affiliated with some church. Of these two million there are 781,777 white Baptists. There is, therefore, about 62% who need to be reached for Christ. Our State Convention through the following agencies is trying to meet the challenges:—The Sunday Schools, Training Unions, Department of Evangelism, financial aid to Missions pastors, Pastors' Schools, Allied Church League, Silent People, Pastoral Care, Baptist Student Union, and our two Assemblies—Fruitland and Caswell.

All these departments of our State Convention need the support of the 3,180 churches.

The sources of support whereby State Missions can function effectively and fruitfully in all these phases of our work are: Cooperative Program; Sunday School Board; Home Missions Board; W. M. U. Week of Prayer; plus the offering for State Missions through the Sunday Schools October 23. This goal is set for $89,000.00

If all the goals are not met there is need for $450,000.00.

A growing population demands new and stronger churches. State Missions provides a necessary and significant ministry through aid in the purchase of new sites for churches and strengthening the programs of the churches.

It is hoped that the churches of the State Convention will see to it that the needs of our people will be not through State Missions.

26 **Report on Home Missions—By Rev. Clarence A. Williams:**

The Home Mission Board's report for 1954 indicated 1,324 Missionaries in action—370 were summer student missionaries and 954 regular missionaries. 35,843 conversions and 31,527 additions to churches were reported. 359 churches constituted and 401 new missions established found the Home Mission Board to be their big brother.

District Missions involved were sending ministers to Chinese, the deaf, French, Indians, Italians, Japanese, Russians, Spanish and other isolated, neglected groups. Through Rescue Missions, Good Will Centers, Missions, and churches, missionaries are winning to Christ.

Co-operative Missions conduct conferences in co-operation with state convention forces and promotes city missions, rural church work, mountain, western, and pioneer missions, a service to broken homes and juvenile delinquents, ministry to military personnel, trailer camp ministries, and provides correspondence Bible courses.

In Negro work, evangelism, and Jewish work ministries are extended to millions of Americans.

Other ministries include Alaska, Cuba, Panama and Canal Zone, Migrants, summer student missions and western missions.

General field work seeks to reach all our constituency with all our work. The Board has the responsibility of the Southern Baptist Convention Chaplains' Commission with its service to military establishment.

The Board has borrowed $3,000,000 to lend to churches through loan funds. This was a boost to church building during 1955. The Board averaged approximately $200,000 in loans each month. At this rate the borrowed money soon will be exhausted. Then only repayments will be available for loans and churches unless church building loan funds are supplemented by gifts.

The Four-Year conquest for Christ plan is now under way. Emphasis for 1955 has been on evangelism and conservation; 1956 it will be church extension and revitalization; 1957, reaching minority, language, and underprivileged groups; 1958, rural work, city missions, and missionary education.

27. **Report on Foreign Missions—By Mark Alexander:**

"It is heartbreaking to have so few missionaries amid such overwhelming need . . . There must be more missionaries . . . Hundreds of pastors and other workers still under the appointment age of thinty-two ought to reconsider the question of going personally as missionaries." These were the words of Baker James Cauthen, Executive Secretary of the Foreign Mission Board, as he announced that for the first time this year Southern Baptists have over 1000 active missionaries under appointment. There were 1027 by June of 1955.

Missionaries are located in 38 areas. Argentina 45, Bahamas 4, Brazil (Equatorial, North and South) 179, Chile 38, China (in U. May we in the Chowan Association lift our eyes to see the needs of the world lend our hands and feet to aid in this tremendous task and rededicate our hearts to a world for Christ.

29. Break Thou The Bread of Life was sung by the congregation after which Rev. R. W. Kicklighter introduced Rev. Walker Starkburger, Pastor Trinity Church in Norfolk, who delivered the closing sermon: "Righteousness Exalteth a Nation but Sin is a Reproach to Any People."

WEDNESDAY MORNING SESSION

October 19, 1955

30. All Hail the Power of Jesus Name was sung by the congregation after which devotions were conducted by C. R. Holmes.

31. The welcome address was given by L. C. Chandler, host pastor.

32. Visitors not recognized the day before were then recognized and welcomed.

33. **Report on Baptist Homes—By Mrs. W. T. Love, Jr.:**

Our two Baptist Homes are now caring for 55 people. They are filled to capacity with a long list of applicants waiting to enter as soon as rooms are available. About 90% of these 55 residents are being helped by the Home according to their needs.

Regardless of financial conditions applicants 65 years old or more with good character and favorable recommendation from their pastor are received into the Home on the basis of their need and room available.

In January of this year the Board of Trustees approved an over-all building program that will take care of future needs for many years to come. How rapidly this program will be completed depends largely on how much of it is donated as memorials and how generously the Special Offering is supported. At present this year's offering is about $70.000. 43 churches in our Association gave $1,873.17 of that amount. Only five other Associations in the State gave more.

We have accomplished much in four years but our unfinished task is great and truly urgent for there are Baptists all over North Carolina who have spent their lives in faithful Christian service who now need and deserve our help. We owe them a debt of gratitude that can best be paid by caring for them in their last years on earth.

From personal observation I know these Homes are Christian institutions; under Christian management and operated according to Christian principles. The entire staff contributes their full measure of faithful service to provide comfort, security, congeniality and Christian ministry for those who are lonely and homeless in their old age and who can no longer provide for themselves.

Ministering to human needs in the name of our Lord is the epitome of Christianity and certainly the greater the need, the greater must be our must be our response.

34. Mrs. Love introduced Mack Story of Rest Haven who spoke to the report and it was on motion adopted.

35. **Report on Religious Literature—By Rev. Everett Marion: (Read by Rev. J. T. Byrum)**

Perhaps no body of people in the world has a finer array of wholesome, inspiring literature for all ages than the Baptists. The aim of it all is to inform the people, to unify and enlist them in the Lord's work, to indoctrinate them in Baptist truths, to uphold the Bible and its teachings and to point out the great sweep of Baptist work that claims the finest efforts of all who serve God in these days. Christian literature must be promoted, read and used by our people in our homes and churches if the whole program of Christ is to be carried out by Baptists working together.

When the North Carolina Baptist Convention was organized in 1830 its main purpose as stated in its Constitution was "the promotion of missions, education, social service, and the distribution of sound religious literature." Shortly afterward, in 1833, the Biblical Recorder was founded and for 122 years it has borne the true message of Baptist life, growth and thought in North Carolina. It has a noble heritage to preserve and a high mission to fulfill. No Baptist Home or mail box in North Carolina is outside the Reach of the Recorder each week. It ought to be in every Baptist home in our State.

The Recorder has three subscription plans, unchanged for years: Individual or single subscriptions are $2.50 a year; subscriptions in the Club Plan are $2.00 a year; and the Every-Family Plan is only $1.50 a year for each resident home or family in the church.

The present circulation of the Recorder is approximately 61,000 each week. At present, about 1,500 churches in North Carolina have either Clubs or the Every Family Plan. The representatives in the local churches have been faithful in securing renewals and new subscribers.

36. Dr. L. L. Carpinter spoke to the report and it was on motion adopted.

37. On motion Rev. W. P. Biggerstaff was given five minutes to speak on the work of the Allied Church League.

38. **Report on Sunday Schools—By C. R. Vann: (Read by Rev. D. S. Moyer)**

The Bible teaches, "The entrance of Thy Word giveth light," and that "The Word maketh people wise unto salvation," and therefore, the importance of the Bible teaching ministry of the Sunday School.

The Sunday Schools have proven themselves to be a great teaching, evangelistic, enlistment, and financial agency of the chunches. We rejoice in the growth and service of the Sunday Schools in our Association.

This year our Chowan Association reports 56 Sunday Schools, 11,806 Sunday School enrollment, an increase of 822 over last year; 46 Vacation Bible Schools, and an active Associational Sunday School organization.

We have had three Associational Sunday School meetings this year with good attendance. A new group has been added to serve the churches in the Hyde and Tyrrell County area. On January 30, 1955, with the four groups meeting separately, there were 242 present and 40 churches represented. We are now reaping some of he harvest of our "Million More for 54" campaign.

The State Sunday School Department, L. L. Morgan, Secretary, reports a total of 3,160 Sunday Schools. The Sunday School enrollment at the close of 1954 was 703,853, which is 89.9% of the total church membership in the state. We are happy to say that North Carolina ranks above all the other States in the Southern Baptist Convention in this respect. The Sunday School Department reported 2,549 Vacation Bible Schools in 1954, an increase of more than 200 over 1953. 32,464 training awards were earned last year.

Your committee makes the following recommendations:

1. That we maintain a complete Associational Sunday School organization with regular meetings and that we urge all of our Sunday Schools to cooperate fully with this program.

2. That we set a goal of 20% in Sunday School enrollment this year, a Vacation Bible School in every church, one or more study courses for teachers and officers, the observance of Bible Study week in January.

3. That our Sunday Schools cooperate with all the special days as promoted by our North Carolina State Convention.

4. That we adopt as our theme: Bible study for every member of the family.

39. On motion the report was adopted.

40. **Report on Training Union—By John M. Elliott:**

In presenting this report we divide it into two portions. Our Program of Work and Facts and Figures.

OUR PROGRAM OF WORK

On October 25, the executive committee was represented by ten members at the State Planning Meeting in Goldsboro.

In November District Mass Meetings were held in the Chowan-Gates District and the Camden, Currituck, Dare District.

On December 13, the annual "M" (Mobilization) Night Rally was held with Ballard's Bridge. Plans and goals for the new year were made.

Something new was innovated in our Association on March 25. A "Youth Rally" at Berea as a fore-runner to an annual Youth Night to be held in some central place as a climax to Youth Week.

On April 17 we held our annual Elimination Meeting for participants in our five Major Projects at Corinth. The following were declared representatives of the Association at the Regional Convention: Hymn Festivals—Rocky Hock Youth Choir; Adult Bible Reading—Mrs. J. Lewis MacDougald of Sawyer's Creek; Sword Drill—Mary Joe Reed of Corinth; Memory Drill—Shirley Cooper of Columbia; Ann Wells, Gene Goodman and Ruth Overman of Edenton; Becky Harrell, Annie Ruth Nixon, Karen Raines, Carolyn Forehand, Loretta Bunch, Graham Bass and Henry Raines of Rocky Hock. Cashie Church in Windsor was host to the Regional Conventiton on April 22 when "Family Day" was promoted to emphasize the fact that the training program includes all ages from the cradle to the grave.

During the week of July 4-9, a nice group attended the Training Union Week at Caswell Assembly. The following Juniors had perfect records in the State Memory Drill: Shirley Cooper, Columbia; Ann Wells, Gene Goodwin and Ruth Overman, Edenton; Becky Harrell, Annie Ruth Nixon, Karen Raines, Carolyn Forehand, Loretta Bunch, Graham Bass and Henry Raines, Rocky Hock.

On August 22, Rocky Hock Church was host to our annual year-end Mass Meeting when a helpful program was enjoyed and new officers nominated.

FACTS AND FIGURES

While we find consolation in observing that our training program is not really losing ground, we are not at all happy to point out that so many churches of the Association are failing to provide training for their members. From 47 church letters, only 21 churches have training work. Coming back to the faithful few, we find 86 individual unions with a total of 1253 members. Again we note that the adults are leading in total membership and that is rightfully so. But, our young people—ages 17 to 25! There are only seven Unions reported. We solicit your prayers and active efforts to enlist these potential workers and leaders in our church program.

41. Brother Elliott recognized Rev. G. M. Singletary who spoke to the report and it was on motion adopted. Brother Singletary announced the retirement of Brother Elliott as Associational B. T. U. Director. He has held this position for many years and he was given a rising vote of thanks for his faithful and untiring services.

42. **Report on Orphanages—By Rev. Don Wagner:**

During the past year our program of Child Care has moved steadily forward. Never in our history has the needs of our children been more adequately met. We cared for 713 children in the past year and gave services and placement helps to 600 others.

The fine spirit of our children proves that a nearly normal home is the next thing to the Christian home God created.

Charity and Children, your Orphanage publication, goes into 47,000 homes each week and should be in every Sunday School.

Special gifts have made it possible for a swimming pool at Mills Home and an almost completed, beautiful church at Kennedy Home.

In 1954 our income from churches was at an all-time high. All the support that our churches do not supply to meet our needs as of January 1, 1955 comes from the Cooperative Program. Most churches continued the once-a-month plan of giving while some placed the Orphanage in their Cooperative Program budget. It seems that we shall need about $60,000.00 from the Cooperative Program this year.

Any future expansion of the Child Care Program means that the Thanksgiving Offering becomes most important. For a worthy "Thanks Offering" we urge each person to give at least "one day's pay" to help the helpless.

The true greatness of any group of pople is measured largely in terms of the care, the training and the religious attitudes it gives to its children. If Baptists are to hear from our Saviour the words, "Well done, thou faithful servants," we will have to continue to minister to the homeless and helpless children in our midst. Our faith in the redeeming love and power of a merciful Saviour is all that stands between these little ones and utter destruction. We never have, we never will fail them.

43. Brother Wagner recognized W. A. Smith of the Kennedy Home who spoke to the report and it was on motion adopted.

44. **Report on Brotherhood—By Charlie Smith:**

Mr. Bernard Parker, before leaving Elizabeth City and the Chowan Baptist Association for Columbus, Ohio, gave much effort and time to the promotion of Brotherhood work.

On February 15, 1955, an Associational-Wide meeting was held at Bethel Baptist Church, with thirty-two churches represented and one-hundred and twenty-nine men and two women present. At this meeting the following officers were elected: Bernard Parker, President; W. W. Finlator, Program Vice-President; R. K. Hollomon, Promotional Vice-President; Henry Parker, Attendance Vice-President; Jim Daniels, Choirster, and G. K. Boswood, Jr., Secretary and Treasurer.

Plans were made at this meeting to visit the following churches: Woodville, Mt. Sinai, Berea, Coinjock, Macedonia, Blackwell, Salem, First Church, Elizabeth City, Hertford, Ballard's Bridge, Reynoldson. As a result of these meetings, fourteen Brotherhoods were organized.

Mr. Horace Easom, State Bnotherhood Secretary, Mr. Don Adcox, and Gory Harthcock of Henderson, gave their time during Brotherhood emphasis week helping to organize new Brotherhoods. During this week a breakfast was held at the Cozy Grill with eighteen men present. Each man expressed his desire to help in the promotion of God's Kingdom.

Following the action of the 1954 Southern Baptist Convention, the promotion of the order of Royal Ambassadors on the Convention Level was placed under the direction of a joint committee composed of five representatives, each from Woman's Missionary Union and Baptist Brotherhood. The period of joint promotion is to be for three years, at the end of which time the transfer of Royal Ambassadors work to the Baptist Brotherhood will be complete.

In line with that plan, North Carolina Missionary Union, North Carolina Baptist Brotherhood, and the general Board of the North Carolina Baptist Convention approved the plan. A State Committee has been appointed and will help Associations and churches perfect the transfer.

The churches of Chowan are urged to organize Brotherhoods and elect Royal Ambassadors leaders, so that transfer can be completed by 1957.

45. The report was on motion adopted.

46. Registration of Messengers not registered the day before.

47. L. C. Chandler, host pastor, made announcements concerning lunch.

48. My Hope Is Built On Nothing Less Than Jesus Blood and Righteousness was sung by the congregation after which Rev. R. W. Kicklighter introduced the morning speaker, Rev. Douglas Branch, Pastor First Baptist Church, Rocky Mount and President of the State Convention. His text was Ex. 14:15.

WEDNESDAY AFTERNOON SESSION

October 19, 1955

49. W. C. Harrell, Vice Moderator, presided. Stand Up For Jesus and Blessed Assurance were sung by the congregation and devotions were conducted by S. E. Burgess.

50. **Report on Relief and Annuity—By Rev. J. T. Byrum:**

To meet the pastors' need and the needs of their dependents many plans have been inaugurated through the years. The plan known as the (Old) Annuity Plan in which the churches were not required to participate was closed to membership in 1930.

The Service Annuity Plan in which both pastors and churches were required to participate was closed to membership in 1938.

From time to time other plans have been brought into being. While the original intent has been adhered to, other plans have "broadened its scope and coverage to include protective care for every individual who holds a salaried relationship to our beloved denomination, regardless of the person's age, sex, salary, type of service being rendered—even without regard to race or color of skin."

The last two plans that claim our attention at this time are: The Minister's Security Plan and Southern Baptist Protective Plan. The Ministers' Security Plan is not actually a new plan, since it incorporates all of the costs and benefits of the Widows Supplemental Annuity Plan, plus liberalized benefits at extra cost. The total cost of the Ministers' Security Plan is 5% for the member, 5% for the church and 5% for the State Convention, on a maximum salary of $4,000.00.

The Ministers' Retirement Plan has been closed in all the states of the Convention except North Carolina. I am advised by Dr. M. A. Huggins that the General Board will recommend to the 1955 session of the Baptist

State Convention that the present Ministers' Retirement Plan be change to what is now called "Southern Baptist Protective Plan." The cost will be the same as the Minister's Security Plan.

Southern Baptists have a Relief Department, but for the past four years this department has spent more than Southern Baptists gave for ministerial relief. It is very evident that those who are receiving help from the Relief department are not adequately cared for.

The Board has made commendable progress through the years. The assets of the Board at the beginning were $106,428.30. The assets of the Board as of December 31, 1954 were $35,091,515.37. These figures are given to show that the Board merits your confidence in meeting the obligation to those who seek its protection.

At present there are around 2400 active ministers in North Carolina and only about 700 of them participating in the Ministers' Retirement Plan. Every Baptist minister and full time worker should be in this plan.

51. On motion the report was adopted.

52. **Report on American Bible Society—By Rev. Frank Dinwiddie.**

The American Bible Society is called "The Churches' Agency for World-wide Distribution of the Bible." In 1954, 55 denominations contributed $826,721 to its work, with Methodists giving the largest sum, and Southern Baptists next. Statistics of per capita giving do not flatter the Baptists, when we observe that one d o l l a r was given by the following groups: Eight Primitative Methodists, 9 Mennonites, 10 Seventh Day Adventists, 59 Methodists and 70 Southern Baptists. Another disturbing trend is seen in the past nine years, when total church giving to benevolences increased fourfold but total church giving to the Bible Society decreased by mone than $320,000.

These facts become more sobering when one considers that several hundred languages are spoken on the earth today with not a verse of the Scriptures translated into them, as yet. It is also stated t h a t the total evangelistic effort of all missionaries is not winning the lost nearly as fast as the surplus of heathen births over heathen deaths is increasing their numbers. It becomes obvious, therefore, that any effort of obedience to the Great Commission demands an immediate and radical increase in the efforts of Christendom to bring the word of God to the peoples of the earth, for "The entrance of Thy Word giveth light."

In 1954 the Bible Society distributed the Bible or portions thereof like this: 3,200,000 volumes in Latin America, 330,000 volumes in Korea, 600,000 copies of the Sermon on the Mount in India, 280,000 volumes in Thailand, 75,000 Testaments to the Army of Greece, 150 tons of Bible paper to Germany.

Could any work be closer to the heart of God? Should any work be closer to the hearts of God's people? Will Chowan Baptists give as much, because they love as much, as other groups less orthodox than ourselves?

53. On motion the report was adopted.

Report of Executive Committee

February 3, 1955

The Executive Committee met at the Virginia Dare Hotel.

Rev. G. M. Singletary discussed his need for secretarial help in his office and requested the Committee to set an hourly wage which he might pay. The Committee decided on One Dollar per hour.

Brother Singletary proposed a prognam to promote Daily Vacation Bible Schools in Negro Baptist Churches in the Roanoke Negro Baptist Association this summer. He stated that if our Committee could raise $130.00 the Convention would contribute $15.00 per week and with this a student could be secured to work during the summer. The program was on motion endorsed by the Committee.

Rev. Walter Omen reported that the Nags Head mission has not been constituted into a church and his committee was retained and requested to report at the Association.

Rev. A. H. Outlaw reported for the committee on a Martin Ross memorial that some progress has been made and that he hoped that a favorable report may be made at the next Association.

Outlaw also made apologies for the Association Minutes being so late and explained how that it was the fault of the printer. He explained how minutes are apportioned out to the churches on the basis of amounts contributed and that it was in accordance with the Constitution.

Bob Moore, Treasurer of the Association reported a balance in the General Fund of $150.89 and a deficit of $68.95 in the Associational Mission Fund.

The Mission Fund deficit was discussed at some length. Do pastors and treasurers of the churches realize the importance of sending regular contributions? This was a question that came in for some discussion and it was decided to call a meeting of pastors and treasurers in the near future to discuss the importance of this program. Rev. W. W. Finlator and Rev. Walter Oman were named by the Chairman to serve with him in arranging for the meeting and a program.

It was also decided to give the Associational Missions Committee authority to call for a special offerings from the churches if the need becomes evident.

C. R. Vann commented on the fine interest the churches are now taking in the Associational Sunday School meetings and stated that at the recent meetng held at Bethel t h e r e were 44 churches represented. He stated that at each meeting an offering was taken which might run as high as $100.00 a year and requested that it be accepted by the Association for Sunday School work. On motion the matter was deferred until the next meeting.

On motion it was decided to recommend to the next session of the Association that the Pantego Church be dropped from the roll as they have long since ceased to function.

On motion the Associational Treasurer was granted an honorarium of $50.00 for his services.

Dennis Morgan was on motion appointed Auditor.

Mrs. Walter Ward commented on the fine work of the W. M. U. women in the Association and stated that they were working hard to get organizations in the seven remaining churches who have no onganized work.

Bernard Parker, Brotherhood President, reported that there would be another meeting at Bethel on the 15th of the month at 4 p. m., running to 9 p. m., with time out for supper. Horace Easom will be present and will spend the next three days in the Association and Brother Parker had hopes of a number of local Brotherhoods being organized. He requested that other officers be named to serve with him as follows. Program Vice-President, Rev. W. W. Finlator; Attendance Vice President, Henry Parker; Promotion Vice President, R. K. Hollomon; Choirster, Jim Daniels; Secretary-Treasurer, G. K. Boswood; Advisory Council: Rev. Bennie Crawford, Rev. Jim Mattox, and Rev. Don C. Pryor. On motion these were all elected.

The question of a bond for the Treasurer was discussed and Bob Moore, Treasurer, was requested to investigate prices, etc., and report at the next meeting.

May 5, 1955

The Executive Committee met at the Virginia Dare Hotel with the following members present: J. H. Moore, G. M. Singletary, A. H. Outlaw, S. R. Moore, Dennis Morgan, W. W. S. R. Moore, Treasurer, reported a balance of $110.00 in the General Fund and $190.00 in the Mission Fund.

G. M. Singletary, Associational Missionary, stated that over 200 attended the recent Vacation Bible School Clinic and that 14 Baptist Brotherhoods had been organized since the last Association. He reported that there is advancement in nearly all phases of our work. However, the proposed Negro Vacation Bible School project fell through. A major project for October 10 of this year is the Laymen's Program when we hope to have laymen filling our pulpits on that day.

On motion R. W. Kicklighter was appointed to fill the vancancy as Chairman of the Associational Missions Committee caused by the resignation of Walter T. Oman.

Mrs. Ward reported that 16 new young peoples onganizations within the W. M. U. had been organized since the Association.

On motion J. Samuel Johnson was named to succeed Walter T. Oman as chairman of the Nags Head Mission.

A. H. Outlaw mentioned the fact that in 1956 we celebrate our one hundred and fiftieth anniversary and that we should begin to plan for an appropriate program.

Special offerings for Associational Missions discussed at the last meeting and decision deferred to this meeting was again deferred to the next meeting.

W. W. Finlator stated that the Associational Ministerial Association had appointed B. L. Baines, Ralph Knight, R. N. Carroll, G. M. Singletary and himself as a Church Expansion Committee to survey prospects for new churches in our Association and requested that the Committee give approval to the project.

On motion the project was approved.

Special offerings for Associational Missions program discussed in a previous meeting was disapproved.

J. H. Moore, Chairman
A. H. Outlaw, Secretary

55. On motion the report was accepted.

56. Pantego was dropped from the list having discontinued as a church and Belhaven was dropped having moved to the South Roanoke Association.

Report of Nags Head Mission

As Chairman of a Committee appointed by the Executive Committee of the Chowan Baptist Association, to investigate the Baptist Mission at Nags Head, I asked Brother Singletary to go with me to talk to Brother Frank B. Dinwiddie in regard to the work there. We visited Brother Dinwiddie on July 18th and had a very satisfactory discussion in regard to the present condition of the Mission.

We were informed that there were some 18 or 20 members of the Mission now residing at Nags Head; several have moved away during the past year. A number of those who are now members of the Mission have been received and baptized into the membership of the Mission. That the Mission was independent of any church sponsorship. We found that those baptized into the membership of the Mission on profession of faith were baptized by Brother Dinwiddie who is pastor of the Roanoke Island Baptist Church.

Brother Dinwiddie asked for suggestions as to how the Mission could best meet the requirements for church organization. We made the following suggestions:

1. That the Mission be under the sponsorship of some Baptist church in fellowship with the Chowan Baptist Association.

2. That the members of the Mission become regular members of the sponsoring church.

3. That the sponsoring church arrange for the organization of the Nags Head Mission into a regular Missionary Baptist Church if and when the sponsoring church feels that the Mission is ready for such organization.

4. That the Nags Head Church, when regularly organized, could then make application for membership in the Chowan Baptist Association.

We have been informed since our conference with Brother Dinwiddie that the Roanoke Island Church has accepted the sponsorship of the Nags Head Baptist Mission and that some of the Mission members have united with the Roanoke Island Baptist Church. We have recommended that Brother Dinwiddie and the Roanoke Baptist Church continue to carry out the suggestion made to them in the Conference on July 18th.

Respectfully submitted,
J. Samuel Johnson.

57. On motion the report was accepted.

I find the records are intelligently recorded, and wish to take this opportunity to commend Brother Moore on his work for the year. It is a tedious job to keep the many accounts which now make up the financial phase of our Association; and it is my opinion the Association is indeed fortunate to have a man as Treasurer who is so devoted to the work.

Respectfully submitted,
Dennis S. Morgan, Auditor.

TO THE CHOWAN BAPTIST ASSOCIATION, GREETING:

The Nags Head Baptist Church, organized into a Missionary Baptist Church on Sunday July 15, 1956 under sponsorship of the Roanoke Island Baptist Church, requests of this Association recognition and fellowship in the work of the Association and of the Baptist State Convention of North Carolina and of the Southern Baptist Cnnvention.

This church desires to undertake this cooperation on a voluntary basis as an autonomous body of self-governing Baptists. It is therefore understood that this bond of fellowship between this church and the Baptist bodies named above may be terminated at the will of the Chowan Baptist Association or at the will of the majority of the members of the Nags Head Baptist Church who shall be present at a duly announced conference of the church.

It is the desire of the Nags Head Baptist Church to cooperate to the fullest of its ability with other Baptists of like faith and order and to re-assert in this petition the belief of this church in the complete autonomy of the local New Testament Church and the local church's inalienable right of self-government by majority vote.

Done by order of the church October 21, 1956.

Respectfully submitted,

FRANK B. DINWIDDIE, Pastor

R. A. Camp at Chowan College—5 days

The Chowan Association has made great advancements in the past five years. From 1950-54 gifts to the Cooperative Program have increased 94%, gifts to all Mission objects increased 46%. The Sunday Schools, Training Union and the Women's Missionary Union have increased in numbers 10% in the five year period. Sixteen new Brotherhoods have been organized since February, 1954.

The following new objects have been approved by the Missions and Executive Committees:

1. The establishment of an Associational Music Organization.
2. Associational Music representative in each local Church.
3. Promotion of a building club.
4. A spring Associational meeting of one day, plus the two days in the fall.

The new projects will be discussed by the chairman of the Missions Committee, The Reverend Don Pryor.

The Nags Head Baptist Mission was organized into a church, and now bears the name of Nags Head Baptist Church.

We are deeply grateful for the advancement made, and your Promotional Secretary earnestly request your prayers as we look forward to the new year.

Respectfully submitted,

G. M. SINGLETARY,
Promotional Secretary.

10. The report was spoken to by Rev. Don Pryor, particularly as to the new projects, and it was on motion decided to defer voting on the report and new projects until Wednesday morning and that each project be voted on separately.

11. **Report on Christian Education—By W. J. Taylor (Read by Rev. Phil Quidley:**

The Baptist Program of Christian Education includes the teaching of the Christian home, the training program of the local churches, the Baptist schools, colleges and seminaries, supported by the Baptist Conventions within the various states.

We enrolled in our Baptist Colleges in the Southern Baptist area in 1955-56 more than 55,000 young people. We enrolled in the seven Baptist Colleges in North Carolina in 1955-56, approximately 5,921 students. It is predicted that the present college population of 50,000 in North Carolina, will be doubled within the next 12 to 15 years, and this means that the 18,000 Baptist young people now enrolled in our colleges, as at present, will be 35 to 40,000.

Of the 750 ministerial and mission volunteers, in our North Carolina Baptist colleges, 540 are training for the ministry. In addition, there are hundreds of others training to become ministers of music, directors of religious education and church secretaries. We estimate at least 20% of the students enrolled in our seven Baptist Colleges, are preparing themselvs for some full-time church vocation. Young women and young men are preparing to become teachers in the public schools of North Carolina. There are numbers being trained for the profession of law, business and medicine. We must realize that graduates of our Baptist Colleges are carrying the Christian witness of our denomination through our churches and the many channels of modern society.

The present tidal wave of youth is resulting in an ever-growing need for expansion in all areas of Christian education. Our Baptist Colleges and seminaries must be expanded both in housing and class rooms to meet the ever-growing need. These institutions are supported and operated primarily for the training of Baptist young people, and therefore, depend largely upon Baptist young people for student enrollment. and funds from the Baptist people to operate. The ever-growing number of these young people present new opportunities and a challenge for Christian parents.

12. Speaking to the report was Dr. F. O. Nixon, President of Chowan College, who brought greetings from all the Baptist Colleges and South Eastern Seminary in our State. He gave the enrollment and expenditures of each and stated that the total enrollment of 6772 was about 1200 more than ever before. The report was on motion adopted.

13. **Report on Sunday School—By C. R. Vann:**

The Sunday Schools reach out along the highways and in the hedges, enlisting lost souls for church membership and Bible study. This year the Chowan Association reports 56 schools, with an enrollment of 12,140, an increase of 334 over last year. At present we have a full organization for all officers and departmental officers.

A clinic was held at the First Baptist Church, Elizabeth City, North Carolina, with 27 churches represented and 129 in attendance. Two group meetings were held in Elizabeth City, Gatesville, Edenton, Coinjock and Hyde County groups. The groups reporting gave a noticable increase.

Thirty-six Vacation Bible Schools were reported, and several churches had schools that have not been reported.

October 7, 1956, another clinic was held at Blackwell Memorial Baptist Church, with 28 churches represented and 184 in attendance. The Adult group at this meeting studied the Standard of Excellence, and agreed that quality should be stressed at all times.

Your committees makes the following recommendations:

1. That we continue to maintain a complete Associational Sunday School organization with regular meetings.
2. That we strive to improve the quality of our Sunday Schools by having better informed teachers and workers.
3. That each Sunday School have organized study courses in such a manner that awards can be earned and credit given through our Sunday School Board.
4. That we work toward the ultimate goal of every Sunday School in our Association being Standard.
5. That we adopt as our theme for the coming year: "Jesus only—His purpose—His compassion—His methods—Shall be the measure of our Sunday School work.

15. **Report on Baptist Training Union—By Rev. Oscar Edmonds:**

Michelangelo was walking one day through a builder's yard. He saw in the corner a misshapen block of rough marble. When asked by the great sculpter what he was going to do with it, the builder said that it was useless. But Michelangelo made the famous reply: "It certainly is not useless," he said. "Send it around to my studio. There is an angel imprisoned within it, and I must set it free."

Just so, there are great Christian lives imprisoned within our people, and we must through leadership, guidance and training help to set free and develop these lives. Surely there is no better place for this training and development than in our Baptist Training Unions.

Training Union work in our Association this past year has been joyous and fruitful. Brother Ralph Knight did a splendid work of leading the Training Union's as Associational B. T. U. Director.

Our annual "M" Night was held December 5, 1955 with the Woodville Church. A goodly number of our Unions were present and a large number of members came.

Youth Night was held at the Hertford Church to climax Youth Week.

On April 8 our annual Elimination Meeting for Participants in our five major projects was held at Sawyer's Creek. Mrs. Howard Eure, winning

the Adult Scripture Readers contest, represented us at the Regional meeting and also at the State Eliminations at Fruitland.

Our annual Associational B. T. U. Meeting was held with the Columbia Church on August 20. Twelve churches were represented and 125 members.

Two members of the Associational B. T. U. Executive Committee attended the State meeting at Goldsboro on October 22.

We now have in our Association 24 Churches reporting Training Unions with 1552 members. There were two new Unions reported this year. It is hoped that during this year more of our churches will organize Unions and that those we now have will be strengthened.

Thirty-two from our Association attended assemblies at Ridgecrest, Caswell and Fruitland this year.

16. The report was on motion adopted.

17. **Report on Brotherhood—By Charlie Smith:**

February 19, 1954 at Bethel Baptist Church a new movement began in the Chowan Association that has gained momentum—The Baptist Brotherhood. At present we have 16 Brotherhoods, and in every church where the organization is doing good work, new life and new interest is being manifested.

Two outstanding Associational-wide Brotherhood meetings have been held. At the First Baptist Church, Elizabeth City, North Carolina, November 8, 194 men were present, and the following men had part on the program: Reverend W. P. Biggerstaff, Warren Toyor, of Murfreesboro, Hertford Male Chorus and Mr. Horace Easom. The second meeting was a Regional Meeting, held at Hertford Baptist Church, with 308 men present. Mr. Ernest Klutzz, State Brotherhood president, was the main speaker. This meeting was one of the best ever held in the Chowan Association. It inspired our men to greater work.

The Executive Committee of the Brotherhood held three meetings. Plans were made to promote a "Layman's School" February 21-23. Dr. Earle Bradley, Rev. C. W. Bazemore, Rev. W. P. Biggerstaff and Mr. Horace Easom thaught at Edenton, Gatesville, Coinjock and Elizabeth City, respectfully. The school was not too well attended, but we feel sure much good was accomplished. Calvary and Rocky Hock churches organized their Brotherhoods this year. We welcome them and trust that more churches will join us in this movement during 1956-57.

The action of the Southern Baptist Convention in 1954, placed the Royal Ambassadors responsibility upon the Brotherhoods of all State Convention. Mr. Jesse Parker, Associational R. A. Leader is working toward the transfer of the Royal Ambassadors from the W. M. U. to the Brotherhood. He is emphasizing the fact that the Association and churches should train men to assume this responsibility.

18. The report was on motion adopted.

19. This being our Sesqui-Centennial Celebration, Rev. J. Walter Moose read a brief historical sketch of the Association. (See page 58).

20. The congregation sang together We're Marching To Zion, led by Rev. J. O. Mattox after which Rev. Henry Napier read from the scriptures and Miss Ann Campbell sang Oh Divine Redeemer.

21. The Associational Sermon was delivered by Dr. J. Samuel Johnson—text: Hebrews 11:1.

22. Dr. Johnson made announcements concerning lunch and dismissed with prayer.

23. The host church served a bountiful lunch indoors—indoors because the weather threatened to be rainy.

TUESDAY AFTERNOON SESSION

Shiloh, October 23, 1956

24. After congregational singing of Loyalty To Christ, led by Rev. D. S. Moyers the devotions were led by Rev. Lowe A. Norman.

25. On motion the Missions and Expansion Committees were ordered combined and be known as the Missions and Expansion Committee and that the current Committee on Committees be instructed to retain Revs. R. N. Carroll and B. L. Raines on the Committee.

26. **Report on Temperance and Morals—Rev. Paul J. Hollomon:**

To solve temperance and morals, we must first solve the liquor traffic. We have a chance to solve it in North Carolina through the Allied Church League, by petitioning our Legislature to give us a state-wide alcoholic beverage referendum. Every channel known to man to reach, entice, and enlist our boys and girls, are being used by the liquor interests. Over 200,000 drunkards will die this year, as every year. New recruits must be enlisted to fill their ranks. These new recruits, I emphasize, must come from our boys and girls. The liquor industry is spending over $250,000,000.00 each year in advertising over radio, TV, newspapers and magazines. Sixty million of our citizens drink, which is spelling our doom, and bringing down upon us the curse of Almighty God. Since 1940, alcoholism has risen 45% among men and 25% among women. The United States now surpasses in consumption of liquor all the other nations of the civilized world. Eighty-two per cent of all crimes are committed by those under the influence of intoxicating liquors. Eighty percent of all paupers are the result of liquor drinking. Seventy-five percent of all idiots come from drinking parents. Drinking is the greatest factor in divorced and broken homes. Drinking is the chief cause of juvenile delinquency. Liquor is the number one killer on our highways. Sixty-four percent of the adult population of America drink, 70% men and 58% women. Of young people in their twenties, 70% drink. Of those in their thirties, 74% drink. Ten billion dollars were spent in the United States last year for alcoholic beverages, surpassing all previous records. We are drinking our way to doom and destruction; and as sure as you and I live and breathe God's fresh air this day, I tell you, pay day will come.

Control the liquor traffic and we will go a long way in controlling the morals of all our people.

27. On motion the report was adopted.

28. **Report on Baptist Hospitals—By Rev. Henry V. Napier:**

I was sent a report to be delivered to you from the Baptist Hospital in which many statistics were given, but I simply tore the report up, not because it was not a good report but because I want to share with you some personal things from the Hospital.

In July my mother had to be placed in the hospital for certain tests that could not be made outside a student center hospital. With her doctor we

were able to get her admitted to Baptist Hospital and with your permission I would like to share some of her observations concerning the hospital.

In the first letter I received from her after entering the hospital she said "The facilities for finding out what your trouble is are the best. I am proud to know that it is called Baptist Hospital. However, as in every hospital I have been in they are short of nurses and that must be because we are not providing enough money to hire them." Then later in another letter she said, "I have nothing to say about Baptist Hospital except something good. The doctors and nurses were all very nice to me. They were all so kind and wore smiles all the time." Again after she left the hospital she said, "They certainly have done a lot for me, and everyone is so fine. They just go out of their way to take a personal interest in each patient. I never saw a doctor or a nurse in too much of a hurry to stop to help a patient. The doctors would sit and talk and listen for long periods of time and answer any question you might want to ask, and I was impressed with the kindness shown toward everyone."

Speaking of her own doctor she said, "He is a fine doctor. It seems more like talking to a preacher than a doctor for he is never in too much of a hurry to help and he seems such a fine Christian man. Baptists of North Carolina should be very proud of the facilities they have in Winston-Salem and they should be willing to give their last dollar to help serve the sick people who enter the doors there.

29. The report was on motion adopted.

30. **Report on Baptist Homes—By Mrs. W. T. Love:**

Last year I told you of plans for the Home's new Administration and Dormitory Building. Today I'm happy to report it is under construction and should be ready for occupancy by February, 1957. When completed and equipped it will add a half-million dollars to the Home's present Value. This is remarkable growth compared with its humble beginning in 1951, which Mr. Hayes calls "an adventure in faith". God has honored that faith and turned their adventure into a glorious reality.

The total Special Day offering so far this year is $88,400.03. From the comparative Associational report which you have, you will see an increase in our total offering, which is $1,990.45. Five churches that did not contribute last year have done so this year. However, six churches that did contribute last year have not yet contributed this year. I hope they will send their offering to Winston-Salem before December 31st.

The Home must have our money to operate. The aging people must have our love, kindness and understanding to be happy. They are as dependent on us as our orphan children. Therefore we must share with young and old alike both the material and spiritual blessings God has entrusted to us. For christian love and honest stewardship demand we provide for both material and spiritual needs.

With our denominational program of expansion in full swing, I'm afraid we sometimes over-emphasize material progress to the neglect of spiritual development. I'm not suggesting we decrease material help. But I'm suggesting we increase our personal interest in people and give more attention to saving and developing their souls. Both are absolutely necessary so let us keep each in the proper place. Buildings are temporal; souls are eternal. Therefore while we are spending millions to build great buildings, we must at the same time build great souls—or some day we may be weighed in the balance and found wanting.

31. The report was on motion adopted.

32. **Report on Orphanage—By Rev. John Hemmingway:**

1. *A Continuing Need*

During 1955, 824 applications for care of needy children passed over the desk of the general superintendent; only 137 of these were admitted to some phase of the program. 687 were turned down by the orphanage—some were cared for by relatives or other agencies.

In 1955 there were 58% more applications sent in than in 1950, thus making the need greater. Last year the orphanage cared for a total of 736 children—23 more than the year before. Of the 736 cared for last year, 101 were in foster homes and 60 in the homes of their mothers—both groups receiving financial help from the orphanage.

What made this possible? The increase in Thanksgiving offerings. Since the amount given through the Cooperative Program, church budgets and once a month offerings is fixed and remains the same, the only way for the orphanage to get more money to meet this continuing need is through the Thanksgiving offering.

2. *Building Program*

During the past year a new church building and parsonage have been completed at Kennedy Home. A contract will be let sometime in the very near future for a new boys' cottage and swimming pool also at Kennedy Home. Please let us bear in mind that all of these buildings are erected with special gifts or bequests.

3. *Charity and Children*

This paper is making a greater contribution to our Baptist program than ever before in its history. In light of the truth that so much "trash" literature is reaching our people let us praise God for this wonderful little paper.

Today more than 51,000 copies are mailed out each week. To those who do not receive it may we say that it is filled with information about some phase of our Baptist program each week. If you have not subscribed, do so this coming church year.

33. Miss Lucile Reid brought greetings from the orphanage and the report was on motion adopted.

34. **Report on Relief and Annuity—By Rev. A. C. McCall:**

Sometime ago in a conversation over the radio, one man asked another "What do you consider the chief concern of the average American citizen?" The answer to the question was, "To be economically secure."

Several days ago I was driving down the road and a squirrel crossed the road just in front of the car. I stopped and watched the squirrel. He went up an oak tree, got an acorn and crossed the road again about the same place. This happened several times and each time the squirrel carried an acorn across the road I decided that even a squirrel was interested in economic security, and that was his method of securing it.

Modern science has increased the length of life until the number of people beyond 65 is gradually increasing—that applies to ministers also.

Both the denomination and U. S. Government are aware of this and have made provisions for those that reach the age of 65. The denomination calls this "Relief and Annuity," the government calls it "Social Security."

The relief and annuity plan fostered by our denomination is available to ministers and full-time church workers. It is a cooperative plan. That

is, the church pays part, the pastor or full-time church worker part and the denomination part. The greatest amount that one can pay on is four thousand dollars, and the greatest percent one can pay is five percent. If one pays less than five percent his retirement will be less. The plan is for full retirement at 65 but one can retire at 60 with a smaller amount of retirement.

The relief and annuity plan is the same in all the Southern Baptist territory now.

It seems to me that there are enough people in all of our churches connected with some plan of retirement who could rightly evaluate the retirement factor in the church who could go back home and work with the budget committee and get an amount set aside so each minister in our association could enter the Relief and Annuity. I want to urge each such person to do just that. It will be cheaper than to have an old minister on your hands.

On a South-wide basis only 35% of the ministers are in this relief and annuity plan. In North Carolina 45% are cooperating with the plan.

35. The report was on motion adopted.

36. **Report on State Missions—By Rev. Howard B. Williams:**

State Missions in North Carolina seek to reach the unsaved for Christ and teach, enlist, and train the saved.

We have over 800,000 Baptists in North Carolina. Only about 40% of these are enlisted and are being taught and trained in the Christian faith.

State Missions promotes work through the Sunday School, Training Union, Rural Church, and Music Departments. Two thousand Vacation Bible Schools in 1956 gave $42,000 to World Missions. Over 7,300 attended Training Union Weeks at Caswell, Fruitland, and Ridgecrest this summer.

The Department of Evangelism seeks to inspire evangelistic efforts on a State and Associational-wide scale. Baptisms have averaged 8,000 a year more since the organization of this department. Last year North Carolina was surpassed only by Texas in baptisms.

State Missions aids in building church buildings, purchasing of lots for buildings, and in payng the salares of one hundred or more pastors. Pastor's schools are promoted through State Missions. Last year 160 pastors received training at Fruitland and about 35 at Caswell. State Missions also ministers in limited degree to Negroes and Indians.

State Missions also helps The Allied Church League, The Silent People, the Assemblies at Fruitland and Caswell, and The Department of Church Planning.

A student program is promoted among 20,000 Baptist boys and girls attending our colleges, universities, business, and medical schools. More Baptist Student Centers near these schools are needed

Sources of support of State Missions include the

(1)	Cooperative Program	$ 270,000
(2)	Sunday School Board	21,000
(3)	Home Missions Board	4,000
(4)	W. M. U. Week of Prayer (goal)	75,000
(5)	Miscellaneous Income	7,000
		377,000
(6)	October 28, 1956, offering (goal)	123,000
		500,000

If this budget is met by the people, the needs will be filled and the overdraft on State Missions will be removed for this year.

37. The report was on motion adopted.

38. **Report on Home Missions—By Rev. Jesse H. Parker:**

The 1956 Report of the Home Mission Board indicated that 1955 was a year of unprecedented growth and achievement. Special emphasis was placed on evangelism. The Convention-wide crusade, led by C. E. Matthews and other members of the Home Mission's evangelistic staff, in cooperation with all other agencies and state leadership, netted the greatest results in baptisms in the history of the Convention. The Board's income for the year was $3,134,340.86.

Church loans were made to 237 Churches and surveys made with approval for loans to be consumated later. At the end of the year 604 loans in the sum of $5,826,970.03 were outstanding.

Statistics for 1955 indicated at the close of the year 1,493 missionaries (including 388 summer student missionaries), a gain of 151 in personnel; 37,475 professions of faith; 105,426 sermons and addresses by missionaries; 4,423 dedications for special service; 725 new missions started; 410 new churches constituted; and 430 Southern Baptist chaplains in service. There were 15,249 conversions reported by chaplains, not listed in missionary statistics.

Surveys reveal that there is specific need for 10,000 new churches now. New churches and new meeting houses in which to worship mean more workers, more converts, and more money for the promotion of world missions.

39. The report was on motion adopted.

40. **Report on Foreign Missions—By Rev. D. S. Moyers:**

What happens to missions around the world depends directly upon what happens to missions in the local church, Elmer S. West, Jr., secretary for Missionary personnel told the Foreign Missions Board at its April meeting.

Mr. West estimated that it will take 125 missionary appointments each year for eight more years to reach the Advance Program goal of 1,750 missionaries. With 52 missionaries appointed the first five months, he expects to reach the goal of 125 in 1956. Appointments for 1955 totaled 104. The Board has 1,058 active missionaries as of June 1, 1956. They serve in 200 centers in 35 geographical areas.

Of 500 new missionaries requested by the Missions in the various areas, missionary preachers top the list. During 1955 the Missions reported 24,342 baptisms in the 2,250 churches and 3,880 out stations that are affiliated with them; total church membership is 237,154.

The Missions request 26 nurses, and there are also requests for doctors and technicians. At present, 87 medical missionaries in 16 countries work in 13 hospitals, 30 clinics, and 10 dispensaries, which reported 240,411 patients in 1955. Two new hospitals were dedicated during the year—a four-story, 100-bed hospital in Japan on July 12, 1955, and Wallace Memorial Hospital in Korea, November 29, 1955. Land has been purchased for hospitals in Mexico and Indonesia.

The need for missionary teachers is continually growing. Among Missionaries on the field in 1055 were 299 teachers working in 32 areas with 3,750 national teachers in 791 schools enrolling 115,832 students. Among the schools are 22 theological seminaries with 896 students. A new seminary was opened during the year in Southern Rhodesia with a classroom building com-

plete and a chapel under construction. Construction on a seminary building in Korea is in progress, and land has been purchased in the Bahama Islands for the Bible Institute that has been meeting in the mission residence. Seminaries in Formosa, Philippines, and Thailand graduated their first classes in 1955.

Missions in 21 areas maintain publication work. They reported for 1955, publication of 190,000 Bibles, 483,435 books, 4,034.994 pamphlets, and 2,194,537 periodicals.

42. **Report on W. M. U.—By Mrs. Walter A. Ward:**

This has been an historic year in Women's Missionary Union. We have closed 50 years of Missionary organization.

We do praise Him for an eventful year, filled with progress. Our membership is the largest reported—2,063—and yet there are some areas where losses have occurred.

Our youth work has shown the greatest progress with 14 new organizations. There are 12 churches with no missionary organization for their youth.

We have 18 full graded W. M. U., 1 A-1 W. M. S. and 18 A-1 Youth organizations. Our three Association-wide meetings, the Leadership Conference for officers, the Institute of Missionary Fundamentals and our annual meeting have been successfully held and well attended, proving that our women are eager to avail themselves of every opportunity to learn more of our Master's work. Our annual meeting was the inspirational peak of the year.

Our Junior R. A. and G. A. Camp at Chowan College was well attended and well directed. It was the very best we have had. We plan to continue it.

The two weakest phases of our work are the number of tithers and publications. We have only 594 tithers and 605 subscribers to Royal Service. If we have no missionary knowledge to cultivate, then world needs make no impression upon us. Where there is no vision, the pople will perish. If we know the needs, then we will give of ourselves, our money, and all that we have that Christ might be made known.

We wish that each of these 2,063 members would be a tither, engage in community missions, engage daily in prayer and Bible study and read our W. M. U. Magazines. I am most grateful for the host of women who do.

We thank God and go forth laboring until "All the ends of the world shall remember and turn unto the Lord."

43. Report was on motion adopted.

44. **Report of the Social Action Committee:**

Social problems have grown at such an alarming rate in our society that it now seems imperative for churches to seek some means of solving them. Some of the evils which we now face are beverage alcohol, juvenile delinquency, gambling, divorce, crime, and salacious literature.

At the 1955 session of Chowan Association a new committee was named, and labeled the Social Action Committee. B. L. Raines was elected as chairman. To this committee were added the following: W. W. Finlator, Oscar Edmonds, James Mattox, and G. M. Singletary. This group had its initial meeting on April 30. A second meeting was called in Elizabeth City on May 10, and plans were made to organize a drive in order to circulate petitions in Chowan Association with the long range purpose of securing a state-wide alcoholic beverage referendum.

Members of the committee presented the details of these plans to the Chowan Pastor's Conference on May 14, with the result that this body voted unanimously to back the Social Action Committee in the work of circulating petitions throughout Chowan Association. September was selected as the date to begin the drive. When the pastor's conference met at Roanoke Island on September 10, petitions were distributed and arrangements to have representatives in each of the ten counties of the association were completed.

As this report is being written word comes that some groups have completed their work and others are still securing signatures. The entire task is scheduled to be completed by the middle of November. The results will be first tabulated by county units and then mailed to the Allied Church League headquarters. Our ultimate goal in all of these efforts is to secure enough interest in North Carolina so as to persuade the General Assembly to pass a bill providing for a state-wide referendum on the question of the manufacture and sale of alcoholic beverages. This matter needs an immediate response from every interested citizen.

Respectfully submitted,

B. L. RAINES, Chairman
W. W. Finlator
Oscar Edmonds
J. O. Mattox
G. M. Singletary

47. The days session was closed with prayer by Rev. B. L. Raines.

WEDNESDAY MORNING SESSION

Salem, October 24, 1956

48. The session was called to order by J. H. Moore, Moderator.

49. Rev. J. O. Mattox led the congregation in singing, At The Cross, after which Rev. Harland Getts conducted the morning devotions.

Report of Executive Committee—By W. C. Harrell

The Executive Committee held three meetings last year.

January 6, 1956

The Committee met at the Virginia Dare Hotel in Elizabeth City with the following present: W. C. Harrell, G. M. Singletary, Don C. Pryor, James Mattox, J. H. Moore, W. W. Finlator, Mrs. Walter Ward, Mrs. C. D. Gregory, Charles Smith, Walter Moose and A. H. Outlaw.

Meeting was opened with prayer.

W. W. Finlator, Chairman of the Program Committee, stated that the Committee had held a meeting and would like to include in the 1956 program the unveiling of the Martin Ross Monument and on motion the Committee was instructed to do so.

D. C. Pryor, Walter Moose and Mrs. C. D. Gregory were named to raise among the churches the $690.00 necessary to have the monument erected. Walter Moose was requested to prepare an appropriate article on the movement

for the next issue of the paper and following soon after the paper is published Brother Pryor was requested to send the appeal letters to the churches and pastors.

On motion it was decided to change the title of G. M. Singletary from Associational Missionary to Promotional Secretary.

D. C. Pryor, Chairman of the Associational Missions (Promotional) reported that $1,138.00 had been received as a result of the appeal for storm stricken churches in Hyde County and that since only $1000.00 had been asked for the balance was on motion placed in the General Fund. Brother Pryor stated that the Committee requested that the churches send in their regular contributions by the month.

Mrs. Walter Ward, W. M. U. Superintendent, related the plan for transfer of the R. A. organizations to the Brotherhood and the Executive Committee of the W. M. U. was on motion given authority to fill the vacancies created by the resignations of Rev. and Mrs. Mark Alexander. The Executive Committee of the W. M. U. and the Executive Committee of the Brotherhood were requested to hold a special joint meeting to study the transfer and proceed with the transfer as fast as pocssible.

The meeting was closed with prayer.

June 8, 1956

The meeting was held at the First Baptist Church in Elizabeth City.

The meeting was opened with a prayer by O. S. Edmonds.

O. S. Edmonds was appointed Acting Secretary.

The Chairman reported that our Associational Missionary, Rev. G. M. Singletary, had received an invitation to accept the work of Associational Missionary in the West Chowan Association and that the meeting was called to try to determine the will of the Lord as to whether Brother Singletary should accept the invitation or to decline it.

Mr. Singletary reported that he had received the invitation from the West Chowan Association but had not accepted. That no salary had been suggested to him and that he was under no obligation to them. He reported that all his requests had been granted except one by our Association and that was for an office for the Missionary in Elizabeth City.

A motion was made by Brother Don Pryor and seconded by Brother J. H. Moore that: We extend to Brother Singletary a cordial invitation to remain as Missionary of the Chowan Association. That we emplore him to stay.

The Committee voted unanimously to accept the motion.

HISTORICAL SKETCH OF THE CHOWAN BAPTIST ASSOCIATION

By J. Walter Moose

INTRODUCTION

The writer of Deuteronomy gives this admonition: "Remember the days of old; ask of the fathers and they shall show thee, the Elders and they will tell thee" (32:7). Today we shall heed this advice, for we have met to remember "the days of old" and to listen to the fathers.

We are here in celebration of the one hundred and fiftieth anniversary of the founding of the Chowan Baptist Association. And we are gathered on one of the most hallowed spots in our bounds. Shiloh Baptist Church is rich in its asociations with the progenitors of our Baptist institutions. In these sacred surroundings we shall listen in hushed silence to the fathers as they speak of "far off times," but of familiar places, hallowed by their labors.

To catch the overtones (and undertones) we must go back beyond 1806, the year in which this association was duly constituted. In fact, we must go back to the days when the first permanent settlers came to North Carolina. To ignore these early years would be to forget the "rock whence we were hewn."

I. Early Years — 1650-1769

The area that embraces the territory of the Chowan Association is commonly known as the Albemarle. To this region, about 1650, the first permanent settlers came, immigrants from Virginia, the colony to the north. The first four geographical areas were given names that are indeed familiar to us—Pasquotank, Perquimans, Chowan and Currituck.

The oldest known records indicate that the early settlers were without benefit of church or clergy. They were pioneers, belonging to the industrious Englih middle class. The Albemarle was attractive to the hearty souls, because here a man could become an independent landlord with considerable ease, and here he was guaranteed religious freedom.

According the Reverend Morgan Edwards, who compiled an early history of Baptists in this country, individual Baptists were among the first settlers to, what he calls, "this wretched province." And there is good reason, supported by various sources, to believe that the number increased gradually with the coming of new settlers.

However, Baptists in North Carolina were without a church for more than three-quarters of a century. And only rarely, no more often than once a year, could they have heard the voice of a Baptist preacher. In fact, the best information indicates that there was not an ordained Baptist minister in the state prior to the coming of Paul Palmer to settle in Perquimans soon after 1715.

Palmer came from Maryland, where he had preached in the home of a Baptist layman. Soon after settling in Perquimans, he married a young widow, Johanna Peterson, whose former husband was a prominent citizen and churchman, having served as a vestryman and custodian of the standards of weights and measures of St. Paul's Parish, Chowan Precinct. By 1729, according to the records, Palmer had acquired an estate of 964 acres.

It seems that North Carolina's first Baptist minister had been in the Albemarle several years before he attracted any attention by his preaching. Perhaps it was the enthusiasm of the Yearly Meetings being held in Virginia, which Palmer attended, that caused him to launch his evangelistic endeavors. The Yearly Meetings, given over for the most part to preaching, lasted two or three days, and provided almost solely the opportunity of Baptists for public worship in the early period.

In the year 1726 Palmer was actively engaged in preaching in the section of Chowan County, along what is now the borders of Gates. Somewhere in

this area, in the year 1727, he was able to gather the first Baptist church in North Carolina.

There is an entry in *The Diary of John Comer,* a Baptist minister of Newport, Rhode Island, which provides the only known information concerning the above church. It reads:

> This day I received a letter from ye Baptist church in North Carolina, settled about two years (in ye year 1727) since, by Mr. Paul Palmer, signed by John Parker, John Jordan, Benjamin Evans, John Parker, John Brinkley, Michael Brinkley, Thomas Darker, James Copland, John Welch, Joseph Parke, William Copeland, Joseph Parker. This church consists of 32 members, it meets at Chowan.

Most of the above names have been found in important legal documents, dating from the period, which locate the residences of several of these men in the vicinity of the present Ballard's Bridge church and the village of Cisco.

There is no indication that the group ever had a church building. Very probably the services of worship were held in the home of a member for the brief time that the church existed. The youthful Joseph Parker seems to have been the only local pastor. How long the church continued, we do not know; but there are indications that it had already scattered prior to 1735.

Perhaps the span of its life was little more than two years, as its pastor, Joseph Parker, moved to Meherrin about 1730; and its founder, Paul Palmer, was again busy in the region of Pasquotank; where, in 1729, he founded the first Baptist church in North Carolina whose organization has come down in unbroken line to this day—the Shiloh Baptist Church of Camden County.

On September 5, 1729, eight men petitioned "the Worshipful Court of Pasquotank precinct," then setting, as follows:

> The Honorable Petition of the subscribers, humbly sheweth, That whereas there is a Congregation of People called Baptists gathered In this Precinct, meeting together for Religious Worship In ye Dwelling House of William Burgess, on the north side of Pascotanc, on the head of Raymond's Creek, he, ye said Burgess, having granted same for ye said meeting, we Pray ye same may be recorded and we ye humble Petitioners in duty bound should pray.

W. Burges	William Jones
Paul Palmer	Philip Torksey
Francis Brockett	Robert Wasson
Thomas Herenton	Charles Leuthrough

The church, when first given a name, was called "the Church of Pasquotank." Later it was known as "Northmeeting," because it was on the north bank of the Pasquotank River. And still later it was called "Burgeses Meeting House" and also "Camden Meeting House." It did not acquire the name "Shiloh," by which it is known today, before 1812. The first pastor was William Burges.

Paul Palmer continued his itinerant work until his death sometime about 1750. It appears that his preaching was attended with a large measure of success, for many of his hearers were converted. However, few of them had the opportunity to join a Baptist church, because there was only one such church in all the region. And only slowly was this situation changed. One by one the churches were organized, as faithful men and women labored to further the causes of the Kingdom. Before the eighteenth century had drawn to a close, the following Baptist churches had been founded in what is now the bounds of the Chowan Association:

Shiloh—1729	Ballard's Bridge—1781
Yeopim—1775	First, Elizabeth City—1786
Coinjock—1780	Sawyer's Creek—1790

II. The Kehukee Baptist Association — 1769-1806

In these early days, the Yearly Meetings afforded the only fellowship among the churches, and this lack of contact continued until the founding of

the Kehukee Baptist Association in 1769. On November 6 of that year a considerable number of ministers and laymen met at the Kehukee Baptist Church, located near the present town of Scotland Neck. After engaging in prolonged discussion the group affected an organization. This action was of epoch proportions, because the new association provided Baptists of Eastern Carolina with a body in and through which they would be able to develop and channel their cooperative efforts.

No church from the present area of the Chowan was represented. Not until 1771 did Shiloh join, under the leadership of its able pastor, the Reverend Henry Abbot.

These were momentous days, not only for Baptists, but for all the people of North Carolina. A state government was in the process of being developed. Grave issues were being debated in the public forum, not the least of which was the matter of religious freedom. And Shiloh's Henry Abbot was in the midst of the struggle. Though the son of canon of St. Paul's in London, he embodied the Baptist zeal for religious freedom. He had long protested against the prevailing tax for support of the established Church. When the Convention for the adoption of the first State Constitution was convened at Halifax in 1776, Henry Abbot was there as a delegate. He wrote, and led the fight for their adoption, the sections of the North Carolina Constitution which guaranteed to every citizen the right to worship God according to the dictates of his own conscience and which assured the citizenry of this Commonwealth that the church and state would forever remain separate. Religious toleration was not enough; only absolute religious liberty would do.

Perhaps, the doctrinal struggle through which Baptists of North Carolina were then passing had heightened their zeal for the liberty of religious thought and practice. About two decades prior to the founding of the Kehukee Association, Baptist peoples in the Albemarle, their ministers and their churches began a transformation. Before 1750, Baptists in this state were known as General Baptists; that is, they believed in general provisions, and were Arminians in their theology. They baptized all who presented themselves. Their churches were loosely organized; they celebrated the Lord's Supper but rarely, and were slow on discipline. However, they were a pious and zealous people, whose ministers gave themselves freely, undergoing the hardships of rigorous travel to preach the Gospel in destitute places.

Soon after 1750, General Baptists, with their excellent record of development, gave up Armenianism for Calvinism, and were then called Particular Baptists. The transformation was due to the proselyting efforts of the Philadelphia Association. The first missionary to arrive in the Kehukee region was the Reverend John Gano. A tactful and forceful preacher, he held a conference with a group of General Baptist ministers and won them to the hard and narrow creed of Calvinism. When Gano returned to Philadelphia two other able men—the Reverend Benjamin Miller and the Reverend Peter Peterson Van Horn—were sent to carry on the work. Most of the General ministers were soon won over, but winning the laity was much more difficult and gradual. In fact, great numbers of General membership were never assimilated into the Particular order.

Into the midst of this struggle came the influence of the Separate Baptist movement, under the leadership of Shubal Stearns, who had settled at Sandy Creek in 1755. Separate Baptists knew no creed but the Bible, and they had a zeal for evangelism. Their missionary preachers soon reached the Albemarle and left the mark of their labors.

Out of this travail there arose men and churches the better prepared to handle the truth of the Gospel. Emboding the best of the three great Baptist movements, certain churches of the Chowan and their ministers dedicated themselves to the task of saving other churches to a more wholesome Christian influence. Something of the simplicity and spontaneity of the apostolic age returned.

The mantle of leadership during these perilous days came to rest upon the shoulders of our own beloved Martin Ross, one of the clearest and ablest voices of the times. Of him, we shall hear much. He was born in Martin

County on November 27, 1762, and baptized into the membership of Flat Swamp church in January, 1782. Two years later he was licensed to preach; and in March, 1787, he was ordained pastor of Skewarkey church. From Skewarkey, he come to Yeopim in 1796, from which place he moved to Bethel in 1806, a church which he had organized and which he served as pastor until his death in 1827.

Martin Ross's able leadership in the Kehukee Association began in 1787, the year he became pastor at Skewarkey; and his ability was recognized in 1791 when he was asked to write the Association's first Circular Letter. However, it was not until 1803, seven years after he had assumed the pastorate at Yeopim, that he addressed the Kehukee Association with his now famous missionary query:

> Is not the Kehukee Association, with all her numerous and respectable friends, called on in Providence, in some way to step forward in support of that missionary spirit which the great God is so wonderfully reviving amongst the different denominations of good men in various parts of the world?

This is the first distinct call of North Carolina Baptists to the cause of missions. The Kehukee was troubled, for there was a considerable number of men and churches in the association, especially south of the Roanoke River, who did not look kindly upon missions. They opposed most of the agencies then being devised by Baptists for the advancement of Kingdom work. However, the following year the association voted to support the mission endeavor. In June, 1805, a group of interested ministers and laymen gathered at Cashie meeting house to devise means of raising money among the churches for the support of missions. The Baptist Philanthropic Society was organized for this purpose.

However, opposition continued. Realizing that missions could not be promoted and supported in such an atmosphere, the churches north of the Roanoke River in North Carolina withdrew in 1806 to form a Chowan Baptist Association. And immediately these churches set themselves to the task of promoting missions, an educated ministry, Sunday schools and other agencies that would further the cause of Christ in the world.

III. The Chowan Baptist Association — 1806-1883

The first session of the Chowan Association was held at Salem church, May 16-18, 1806. Elder John Wall preached the sermon from the text, Luke 24.36: "Peace be unto you." George Outlaw was chosen moderator, and Lemuel Burkitt was made clerk. Letters from eighteen churches were received and read. Four new churches—Powell's Point, Bethel, Bethlehem, and Middle Swamp—recently constituted, were among these. The total membership of all the churches comprising the association was declared to be 1839 persons.

Of the eighteen churches, the following eleven churches were located in the present bounds of this association:

Ballard's Bridge	Powell's Point
Bethel	Salem
Bethlehem	Sawyer's Creek
Coinjock	Shiloh
First, Elizabeth City	Yeopim
Middle Swamp	

At this first historic meeting, Colonel John Hamilton, a member of the First Church, Elizabeth City, (then located some two miles from town and known as Knob's Crook church), presented the text of a letter, addressed to Thomas Jefferson, President of the United States, expressing the sentiments of Baptist people on religious liberty enjoyed by the churches. The letter was ordered dispatched under the signature of Moderator George Outlaw and Clerk Lemuel Burkitt. The text of the letter, which is indeed symbolic of Baptists' love for civil and religious liberty, is as follows:

TO THE PRESIDENT OF THE UNITED STATES:

Sir:—

Under Divine protection, the Ministers and Messengers of the several Baptist churches of the North Carolina Chowan Association, held at Salem, on Newbiggin creek, in Pasquotank county, in the District of Edenton, and State of North Carolina, having met by appointment to offer up the sacrifices of a broken and contrite heart to the great Author of their Being, for the unbounded display of goodness and of tender mercies bestowed upon the children of men; and while rendering adoration, prayer and thanksgiving, with deep humility for the great and unspeakable gift which brought life and immortality to light through the gospel, they feel a profound sense of the bounty received by the hands of the SUPREME towards the several churches in our connection by the overpowering of the Spirit upon them; not only in effecting a great increase in numbers, but in the substantial interest of the churches, being supported and strengthened by a very great and uncommon measure of Christian love, union and harmony among the Brethren. While we have great cause of thankfulness for all these bounties and mercies, we have felt the deepest gratitude to be due for the civil and religious liberties we enjoy under the administration of the government over which you, Sir, at present preside: for which liberties our fathers have, in times past, suffered at the stake and have bled and died.

The sense of contrast between the present moment and a late period when we were feelingly alarmed at the threatened invasion upon the general toleration of a free conscience in the worship of the God of our Fathers; we have now great reason to shout with loud acclamations of joy and praise that we now live under our own vine and under our own fig-tree in peace. And while we pray that the sons of liberty may be long held at the helm of government, to rule and govern these United States, we feel the strongest emotions to be thankful that under your patronage and administration, THERE IS NONE SHALL MAKE US AFRAID.

Living under a government of our own choice where the rights of men feel an equal and impartial distribution, how much ought we to rejoice at the envied happiness and freedom of our fellow-citizens throughout these United States unrivalled and unequalled by any nation on this terrestrial globe, and in the midst of national wealth, prosperity and peace, added to extent of empire under the wise policy of your administration, we feel no danger of your violating your trust or attempting to endanger the happiness of the people who have chosen you as their Chief and Head. And while our prayers and praises are due to the Sovereign Ruler of the Universe, who has made you an instrument in his hands to give such blessings to such a people, we pray that the God of Battles may be your sun and shield; that he may give you grace and glory; and that he may WITHOLD NO GOOD THING FROM YOU. And may we devoutly be permitted to add our prayers to the great Disposer of events, if it is His will, that that life devoted to public good from the commencement of our glorious Revolution to the present day, may be prolonged with blessings to yourself and common country.

Signed by order of the Association.

George Outlaw, Moderator
Lemuel Burkitt, Clerk

May 20, 1806.

The President's answer was sent from Washington, June 24, 1806. However, due to an error in address, it was not received. The moderator requested a copy, which was read at the next meeting of the association. The President wrote:

Washington, June 24, 1806

Sir:

I have duly received the Address signed by yourself on behalf of the Ministers and Messengers of the several Baptist churches of the North Carolina Chowan Association held at Salem, and I proffer my thanks for the favorable sentiments which it expresses towards myself personally.

The happiness which our country enjoys in the pursuits of peace and industry ought to endear that cause to all its citizens, and to kindle their hearts with gratitude to the Being under whose providence these blessings are held. We owe to Him especial thanks for the right we enjoy to worship Him, every one in his own way, and that we have been singled out, to prove by experience, the innocence of freedom in religious opinions and exercises, the power of reason to maintain itself against error, and the comfort of living under laws which assure us that, in these things, "There is none who shall make us afraid."

I am peculiarly gratified by the confidence you express that no attempt will ever be made by me to violate the trust reposed in me by my fellow-citizens or to endanger their happiness. In this confidence you shall never be disappointed. My heart never felt a wich unfriendly to the general good of my fellow-citizens.

Be so kind as to present my thanks to the churches of your Association, and to assure them of my prayers for the continuance of every blessing to them now and hereafter; and accept yourself my salutations and assurances of great respect and consideration.

Th. Jefferson

Mr. George Outlaw

The minutes of the first meeting of the Chowan reveals the beginning of certain practices which would be more or less a regular part of each meeting of the association for several years to come. Perhaps, it is agreed that the most outstanding of these practices was the use of Circular Letters. These documents, one printed each year along with the Minutes, were the work of the ablest Baptist ministers of the region. The writer was appointed by the association a year in advance, and allowed to choose his own topic. The first Letter was written by Lemuel Burkitt on the subject "The Christian Backslider." In the ensuing years Letters by James Ross, Martin Ross, James Wright, Aaron Spivey and Thomas Meredith were read and studied with profit.

Actually the Circular Letters written in the Chowan were rather unique. In this region of a settled people, in relatively easy communication with the other sections of the country, it was not necessary to deal with such practical matters as church organization, as was the case in other associations. Therefore, the writers were free to discuss the Christian graces and virtues; and, if they wished, subjects of a decided theological nature. The last of the Chowan Circular Letters appeared in 1836. It was written by the Reverend J. J. Finch, pastor of the Edenton church, on the subject "The Importance of Christian Union," and is considered to be among the best of the documents.

The use of queries, another practice dating from the first meeting of the association, was continued with regularity until after the Civil War. A query was the request of an individual or a church for advice, to which a brief answer or opinion was given by the association. Naturally, these questions and answers are important, as well as interesting, because they reveal the thinking of Baptist people in these early days.

The subjects range rather widely, but for the most part they are concerned with simple matters of Christian conduct. The following two examples illustrate the diversity of the matters considered:

In 1837 this entry was found:

Query: Is it consistent with the spirit of the Gospel for member of a Christian church to fish on the Sabbath day?

Answer: No.

In 1846 the following entry is found:

Query: Upon whom did the government of the churches devolve in the days of primitive Christianity?

Answer: The churches being independent bodies, the government of each one rested with itself.

Thus, the best thinking of the corporate body of Baptists was brought to bear upon even the simplest of problems. Although some queries appear frivolous, they were asked in all seriousness and thus were accorded a serious reply.

The discipline, both of individuals and churches, was another matter that concerned the association from its inception. Excommunication of members was practiced by the local churches, but with the strictest of care. In 1806, the year the association was organized, nine members of the several churches were excommunicated. At times the names of those expelled were inserted in the Minutes, and the churches warned against them. Indeed, the names of several Baptist preachers appear through the years, who were considered unfit to be ministers of Jesus Christ, and of whose services the churches were advised not to use.

Moreover, the association felt that it was its bounden duty to step in to help settle any differences in a church, relative to pastor or people. It was the duty of the moderator to set a time, summons a committee to investigate, and cite the quarreling parties to attend. This procedure was followed in settling a dispute in a church, whose two factions each sent a delegation to the meeting of the association in 1869.

If churches refused to hear the association, fellowship was withdrawn until the alleged offense was corrected. In 1892 two churches were excluded because they insisted on retaining the services of a pastor after he had been declared unfit for the Christian ministry. One of the churches complied with the ruling of the association and returned to fellowship before the year passed, but the other did not return until 1894. Discipline was designed, not as punishment, but as a means of keeping members and churches in line with what was believed to be Christian practices.

By virtue of the fact that the Albemarle cradled the Baptist movement in North Carolina; and, further, because here the progressive missionary spirit found a suitable place in which to take rootage and grow; it would be expected that this area should provide a decisive leadership in the forward steps taken by Baptists of the state. And such is the case.

At the meeting of the Chowan in 1809, Martin Ross submitted a motion embracing an inquiry as to "the propriety of establishing a meeting for General Correspondence, to be comprised of neighboring associations, that have arisen out of the Kehukee Association, for the purpose of disseminating and acquiring information upon religion, of promoting the cause of God, and the increase of brotherly love."

Martin Ross, Aaron Spivey and John Hamilton were appointed a committee to work out the details of such an organization and to invite the Baptist associations of the state to membership. Later, Richard Poindexter and William Dossey were added to this committee. Delegates from several associations met at the Falls of Tar River in June, 1811, and organized the Baptist General Meeting of Correspondence of North Carolina. The first session was held in July, 1812, in Raleigh, and the Chowan continued to send delegates and contributions to this body until 1821. In that year the Philanthropic Society (organized by the churches of the Chowan in 1805 to promote missions) and the General Meeting of Correspondence were merged into the North Carolina Baptist Missionary Society. Baptists wre aiming at a great but simple organ-

ization that would provide a channel for the cooperative efforts of the churches of the growing denomination. So far such an organization had not been devised.

In 1826 Martin Ross offered a motion at the meeting of the Chowan for the appointment of a committee to study and promote the idea of a state convention. The committee was appointed, with Ross as chairman, to carry out the purpose of his resolution; but ill health, followed by death a little more than a year later, prevented his active leadership.

However, he had an able successor in Thomas Meredith, who had settled at Edenton in 1817, and with whom Ross had been closely associated. Meredith, inspired by the efforts of his companion and friend, carried through on the proposal, and the Baptist State Convention of North Carolina came into being at Greenville in 1830. And Martin Ross is honored and remembered as "The Father of the Baptist State Convention."

Thus, in the Chowan there were men with the wisdom and the spirit to give progressive leadership to the Baptist peoples of the state. Again and again the names of men from this area appear in places of leadership and responsibility of the wider fellowship. And it is quite natural that henceforth many of the forward steps among Baptists would no longer originate with the associations but would be spearheaded in the State Convention where the cooperation and the attention of all Baptists of the state could be brought to bear upon them.

A quarter of a century had passed since the Chowan was founded. It had been a period of growth. Ten new churches had been organized, bringing the number to thirty; and the total membership of the churches had almost doubled, having increased from about eighteen hundred to more than three thousand persons. Much of the growth was due to the spirit of revival which had swept over the land during the first quarter of the nineteenth century under the enthusiasm of such men as Luther Rice. In the year 1818 he visited the meeting of the Chowan and preached from the text, Psalm 8:4—"What is man, that thou art mindful of him? and the son of man, that thou visitest him?" Later, during the same session, he stirred the hearts of all the delegates with a moving message on the needs for missions. His presence, from time to time, for the next decade did much to encourage the ministers and laymen in their efforts to promote the causes of the Kingdom.

However, by 1830 the revival fires were diminishing, and the churches were entering upon lean and difficult times. One church declared in its letter to the association that it was "cold and dull," and that it had "nothing interesting to report."

The following year the Committee on the State of Religion studied the conditions and offered certain suggestions. The report declared that the churches were in a depressed state, due chiefly to the habitual use of ardent spirits, a neglect of the moral and religious instruction of the rising generation, a prevalent omission of family prayers, a deficiency of preaching, a want of information respecting the important movements of the day, and a depressed standard of moral excellence in the life and conversatian of professing Christians.

As remedies for these evils, the committee suggested the formation of temperance societies, the organization and support of Sunday schools, the favorable recognition of the Baptist State Convention, the patronizing and reading of the best religious periodicals, and the prompt exercise of discipline by the churches to elevate the standard of moral and religious duty on the part of families.

The report must have been a very responsible review of conditions; and it must have been received with due seriousness, as subsequent events indicate. Several steps were taken, some coming from the level of the State Convention, which implemented the report. Each church was urged to organize Sunday schools, and the association was told of flourishing schools at Edenton, Bethel, Elizabeth City First, and Salem. Tract of Temperance societies, termed "important movements of the day," were being organized and promoted in almost every section of the association.

The following year, 1832, Thomas Meredith began publishing at Edenton "The North Carolina Baptist Interpreter," designed to provide Baptists with a religious periodical of their own. Two years later this paper became the official organ of the State Convention, and the name was changed to "The Biblical Recorder," the first issue of which appeared January 7, 1835.

Inseparable from the interest in religious literature was the more basic concern for education. From the early days, Baptists of the Chowan believed in an educated ministry; and, by various means, they had expressed this enthusiasm in eloquent language. Naturally, when the State Convention founded Wake Forest College in 1834, the news was received by the association with hearty approval. And, through the years, Baptists of this area have supported the school both with their money and students. Many sons of the Chowan have held with honor degrees from this institution.

But, the people of this association felt the need for a school within their own bounds. Before the next quarter of a century passed two ventures were made into the field of education. Chowan College was opened in1848 in the village of Murfreesboro. It was designed for the Christian education of young women. The contributions that this school has made to the cultural and religious life of Eastern North Carolina is beyond the power to estimate. The trials and fortunes of the college have always received sympathetic attention in the churches of this area.

Just three years after Chowan College was launched, the association embarked upon another educational venture. In 1851 Reynoldson Male Institute, located in Gates County, was projected. The Institute did not open until September, 1855. I had able teachers, but was never strong and flourishing because it always lacked funds. Later it passed into private hands, and after some time was closed. A picture of the building now hangs in the Library of the Gatesville High School, donated by the artist, Mr. W. C. Rawls.

From Wake Forest and Reynoldson Institute came men, instructed and trained for their tasks as evangelists and pastors and teachers. Some of the young men were used as missionaries to destitute areas, where there was little or no preaching of the Gospel. The Chowan Association, in cooperation with the State Convention, employed and supervised the labors of several men, among them John B. Webb, A. Twine, and D. V. Etheridge, to go forth as evangelists. They were paid the sum of one dollar per day for their services. Students from these schools served as colporteurs during the summer months, traveling the length and breadth of the land distributing Bibles, tracts, and periodicals.

Reports at the middle of the nineteenth century show that the efforts of Chowan Baptists had met with considerable success. In 1847 there were 43 churches, with 6430 members and 27 ministers. However, all was not well. Many churches seemed complacent. It was said of one church—indeed, it might be said of many churches—"a feeble church, but her condition might be improved if the members would exert themselves."

Moreover, the nation was soon to face its darkest hour. Clouds of civil war were gathering on the horizon. The gravity of the hour was reflected in almost every report, but the people continued to come to the meetings. In fact, not a single associational meeting was missed during the war. Few churches were represented, and the attendance was always small, but the leaders kept things going. That they were a grateful and humble people is revealed in the following resolution, passed while the war was raging:

> Resolved, That our thanks be recorded as due our Heavenly Father for such evidences of His protecting care, and that we bow now in solemn prayer and gratitude.

In 1866, the year after the Civil War came to a close, the Committee on the State of Religion issued a report, every phrase of which deserves attetention:

> In many respects we have reason to be encouraged not withstanding the great trials through which we have been called to pass. We still have our church organizations in tact. A spirit of harmony

> and brotherly love prevails and we are making some little progress in divine things. Yet it is to be lamented that we are doing so little. We need more zeal for the cause, more fervency of spirit and consider ation to our Master. With a field comprising 60,000 souls we have only been able to gather into the churches about 650 souls during the past year. The harvest truly is great but the laborers are few. Only fourteen churches of the whole association have preaching more than one Sabbath in a month. And hence the field is not well cultivated. We would recommend to our churches more liberal support of the gospel in their midst, and that we pray to the Lord of the harvest to send forth more laborers into his vineyard.

Out of the crucible of war they had come. Their churches and their faith in God had survived. Many things demanded immediate attention.

One of the first situations that faced the churches was what to do with the Negro members. Prior to the Civil War the Negro slaves had no churches of their own. Their names were carried on the rolls of the churches along with the white members. In 1844 the records show that there were 1160 Negro members of Chowan Baptist churches. By 1860 the number had increased to more than three thousand persons, or about 50 per cent of the total membership. Immediately after the war the Negroes were encouraged to organize their own churches. In 1866 the following resolution was adopted by the association:

> Resolved, That we approve the formation of churches of their (Negro) own within our borders; and that we assure them or our cordial sympathy and hearty cooperation, so long as they adhere to the Gospel order as understood and practiced among ourselves.

The great majority of the Negro members withdrew and formed their own churches. However, a very few elderly Negroes remained in the white churches until death.

In 1883, less than twenty years after the end of hostilities, there were only twelve Negro members in all the white Baptist churches of the Chowan.

IV. The Chowan Baptist Association — 1883-1956

As the area recovered from the scars of war, it became apparent that still another division of the association was desirable, mainly because of the large size of the territory. Thus, in 1883, the churches in the three counties between the Chowan and Roanoke Rivers withdrew and formed the West Chowan Association. The territory remaining—consisting of ten counties: Gates, Chowan, Perquimans, Pasquotank, Currituck, Camden, Dare, Hyde, Tyrrell, and Washington—has continued to this day as the Chowan Baptist Association. The records for the year 1883 show that there were 38 Baptist churches in the new bounds, with 6491 members.

The terrible days of the Reconstruction were ending. Samuel A'Court Ashe, North Carolina historian, described the improved condition of the state in these words: "Peace reigned, the people ever law abiding were busy and contented. More than 6000 schoolhouses and 6,500 churches dotted the hills. Indeed, North Carolina had nearly as many church edifices as all of the six states of New England put together."

The dawn of a new day had broken over the state, and one of the brightest rays of light among Baptists of the Chowan was the development of organized woman's work in the churches. Faithful workers through the years, the women had long felt the need of an organization that they could call their own and through which they could support and promote the mission endeavor. On May 24, 1906, when the Chowan Association was in annual session at Rocky Hock church, the women, at the request of Mrs. John F. Vines, met in the yard and effected an organization. The men, engaged inside the church, were not in sympathy with the efforts of the women on the outside, but they extended "assistance" by requesting the Reverend John F. Vines, pastor of the Elizabeth City First church, to go outside and "lead these Females like they should be led."

On May 24, 1956, the women of this association returned to Rocky Hock church for the Golden Anniversary celebration. The moving story of the Chowan Woman's Missionary Union was beautifully and ably told by Mrs. I. A. Ward of Hertford. It is a story of consecrated labor and service, and deserves the acclaim of every Baptist in this area.

Slowly, but confidently, the association moved into the first half of this century. It has been a period of relative quiet, marked by a gradual improvement of Baptist work. The long period of experimentation was passed, and the period of expansion through cooperation had come.

Just prior to the entry of the United States into the First World War, E. F. Aydlett, who served as moderaor of the Chowan for a number of years, wrote discerningly of the association. He declared:

> Our Association . . . is one of the largest and strongest, financially, in the state and has been a leader and an inspiration to the Baptist host of North Carolina. The territory which it embraces is fertile; the climate is delightful; the people are progressive and have grown rapidly in number and worldly goods during the last decade.

At that time there were 60 churches with a membership of over ten thousand persons. However, there were only eighteen resident pastors. Only five of the churches had preaching every Sunday, fourteen twice a month, and the rest only once a month. Mr. Aydlett pointed out that many of the churches were able and ought to have full-time pastors. He plead with the people to form fields of two or more churches and secure the services of a pastor for each field.

These goals have been kept before the Baptists of the Chowan; and, in a measure, they have been and are being reached. Today there are 55 duly organized churches, with a total membership of 15,334 persons. Thirty of the churches have preaching every Sunday; and all the others, except three, have preaching at least twice a month. Thirty-four ministers serve the churches as pastors. The number of churches has decreased by five; but the membership has increased by 50 per cent. And, a notable achievement, the churches have moved steadily toward more full-time service.

The scope of the interests of Chowan Baptists today is indeed world-wide; and with the ever increasing concern for the total program of Baptists, there has come a deeper concern for the local situation. In 1947 the association launched its mission program under the direction of D. P. Brooks. Mr. Brooks was followed by L. H. Dawson, who served from 1949 to 1952. Since 1952 the work has been continued and expanded under the able leadership of G. M. Singletary.

Thus, the Chowan Baptist Association reaches its one hundred and fiftieth year, not feeble with age, but stronger and more vigorous than ever. The people and their churches are ready to face the future with a renewed enthusiasm to be workers together with God.

BE STRONG!

We are not here to play—to dream, to drift.
We have hard work to do and loads to lift.
Shun not the struggle—face it; 'tis God's gift.

Today we have listened to the fathers. They have spoken clearly and frankly; but more than that, wisely and religiously.
